Supplemental Motion to Enforce the Asset Purchase Agreement and in Support of the Adversary Complaint.

2. After Sears Holdings Corporation (“SHC”) and certain of its subsidiaries (collectively, the “Debtors”) filed for bankruptcy, in October of 2018, ESL Investments Inc. (“ESL”) asked Cleary Gottlieb Steen & Hamilton (“Cleary”) to advise ESL in the potential purchase of substantially all of Debtors’ assets in a Section 363 sale (the “Transaction”) by a newly formed subsidiary of ESL, Transform. Following Cleary’s retention, the parties engaged in extensive negotiations over the terms of the Transaction. This culminated in an agreement for the sale of substantially all of the Debtors’ assets to Transform, pursuant to an Asset Purchase Agreement dated January 17, 2019 (the “APA”). Following a hearing before the Court to approve the Transaction (the “Sale Hearing”), the Transaction closed on February 11, 2019 (the “Closing”).

3. Following Cleary’s retention, I devoted substantial time and attention to the negotiation between the parties over the terms of the APA. I interacted on a regular basis with Debtors’ advisors and Transform’s principals and advisors. Among other responsibilities, I made and reviewed edits to Transform’s drafts of the APA that were sent to Debtors and received and reviewed drafts of the APA sent to Transform from Debtors.

4. On January 9, 2019, Transform submitted a revised going-concern bid letter for the purchase of substantially all of Debtors’ assets (the “January 9 Bid Letter”) along with a new draft of the APA submitted with the January 9 Bid (the “January 9 Proposed APA”). See Exhibit A, attached hereto, which is a true and correct copy of a letter transmitting the January 9 Bid Letter and January 9 Proposed APA.

5. The January 9 Bid Letter described the terms of a revised proposal by Transform to acquire substantially all of Debtors’ assets and enclosed a revised Asset Purchase Agreement

(the “January 9 Proposed APA”) that Transform was prepared to execute. The two documents were intended to track one another. Section 1 of the January 9 Bid Letter listed a set of additional liabilities Transform was prepared to assume including up to \$139 million of 503(b)(9) claims, up to \$43 million of additional severance costs, all cure costs related to contracts to be assumed by Buyer, up to \$135 million of property taxes with respect to acquired properties and (in Section 1.a): “[u]p to \$166 million of payment obligations with respect to goods ordered by Debtors prior to the closing of the proposed transactions (but as to which goods Debtors have not yet taken delivery and title prior to closing).” Section 2 of the January 9 Bid Letter contained the additional acquired assets Transform would propose to acquire to assume those liabilities. In Section 2(d), it listed: “Additional inventory with a book value of up to \$166 million with respect to which Buyer shall assume payment obligations as described in item 1.a above (and as to which inventory Debtors have not yet taken delivery and title prior to closing).”

6. The terms of the business deal outlined in the January 9 Bid Letter were documented in the January 9 Proposed APA, as well as in the finalized APA, as executed on January 17, 2017. Section 2.3(k) of the Proposed APA reflected a proposal that Transform would assume “the Severance Reimbursement Obligations” capped at \$43 million. It also reflected a proposal that Transform would satisfy Assumed 503(b)(9) Liabilities up to a cap of \$139 million. It further contained the proposal that Transform would pay “Other Payables and all payment obligations with respect to the Ordered Inventory,” subject to a cap of \$166 million, which was the amount of Ordered Inventory reflected in the January 9 Bid Letter. Section 2.3(g) of the January 9 Proposed APA contained the proposal that Transform would assume all cure costs related to contracts Transform would assume. And in Section 2.3(l) of the January 9 Proposed APA, Transform proposed to assume the Assumed Property Tax Liabilities.

7. Section 2.1 included additional assets that Debtors would provide to Transform as part of the revised proposal in which Transform would assume the additional liabilities of the Debtors described above. In Section 2.1(c), Transform proposed to acquire the Owned Real Property which now included an additional 57 properties not included in Transform's prior bids. In Section 2.1(d), Transform proposed to acquire the Acquired Receivables, now including the Specified Receivables and Warranty Receivables. In Section 2.1(x), Transform proposed to acquire the "right to receive the Pending Inventory," which included the right to receive the Prepaid Inventory and the right to receive the Ordered Inventory. In Section 2.1(y), Transform proposed to acquire the Credit Card Claims, which had been listed as an Excluded Asset (*i.e.*, to be retained by the Debtors) in Transform's prior bids.

8. Just as in the January 9 Bid Letter, the January 9 Proposed APA contained a mechanism for the reduction of Transform's obligations to assume liabilities based on the value of the consideration provided by Debtors. The January 9 Proposed APA provided that, if the amount of Acquired Receivables and Ordered Inventory fell short of the targets set forth in the APA, Transform's obligations with respect to Severance Reimbursement Obligations and Assumed 503(b)(9) Liabilities would be reduced dollar-for-dollar by the shortfall amount. As in the January 9 Bid Letter, the January 9 Proposed APA also tied the assumption of Other Payables and all payment obligations to the amount of Ordered Inventory, assuring that if the Ordered Inventory fell short of the anticipated target amount, Transform's obligations with respect to the Other Payables would also be reduced by the amount of the shortfall.

9. Between January 9 and January 17, several changes were made to the draft APA but none of those changes were made to the language that Transform would be assuming only "Other Payables and all payment obligations with respect to the Ordered Inventory" and all of

those changes confirmed the understanding that Transform would be assuming a single liability of payables and payment obligations with respect to the Ordered Inventory and that the only payables and payment obligations Transform would assume would be in respect of inventory that would not be part of the “on the stock ledger” inventory that Transform had already agreed to purchase in the Going Concern Proposal.

10. First, one of the changes that was made to the January 9 Proposed APA related to the timing of when Transform would need to satisfy these assumed liabilities. In the January 9 Proposed APA, Transform proposed that it would not be obligated to make payments on the assumed liabilities in Section 2.3(k) until the later of (1) 270 days after the Closing or (2) the date on which a chapter 11 plan of reorganization is confirmed.

11. In a revised draft sent to Transform on January 11, 2019 (the “January 11 Proposed APA”) Debtors proposed that Transform would pay the Severance Reimbursement Obligations and Other Payables on the later of (1) the Closing or (2) the date the obligation became due; and the Assumed 503(b)(9) Liabilities on the later of (1) 60 days after the Closing or (2) the date on which a chapter 11 plan of reorganization is confirmed. *See Exhibit B*, attached hereto, which is a true and correct copy of the January 11 Proposed APA.

12. In the draft of the APA that Transform submitted at the beginning of Debtors’ auction on the morning of January 14, 2019 (the “January 14 Proposed APA”), the language related to these payment schedules reverted to Transform’s original proposal in the January 9 Proposed APA. *See Exhibit C*, attached hereto, which is a true and correct copy of the January 14 Proposed APA. After more discussion between the parties at the auction, Transform submitted a revised proposal to the Debtors on the morning of January 15, 2019 (the “January 15 Proposed APA”). *See Exhibit D*, attached hereto, which is a true and correct copy of the January 15 Proposed APA.

The January 15 Proposed APA provided that Transform would not have to pay the Other Payables until the later of (1) the Closing or (2) the date that the applicable obligation thereunder became due in the Ordinary Course of Business; the Assumed 503(b)(9) Liabilities until the earlier of (1) 120 days following the Closing or (2) the date on which a chapter 11 plan of reorganization is confirmed; and the Severance Reimbursement Obligations within 30 days following the written demand of the Debtors in accordance with Section 9.7(i). However, Transform indicated in a footnote that it would consider this proposed timing for payment of Other Payables only subject to reviewing a schedule of such Other Payables. The language from the January 15 Proposed APA would ultimately be adopted in the final APA.

13. An additional edit made to the APA involved changing references to the “Ordered Inventory Shortfall Amount” to refer instead to the “Prepaid Inventory Shortfall Amount” in Transform’s revised proposed APA sent to Debtors in the early morning of January 17, 2019 (the “January 17 Proposed APA”). *See Exhibit E*, attached hereto, which is a true and correct copy of the January 17 Proposed APA. In prior drafts, the APA provided that in the event Debtors failed to deliver \$166 million of Ordered Inventory, the Severance Reimbursement Obligations and Assumed 503(b)(9) Liabilities which Transform would assume would be reduced dollar-for-dollar by the amount of the Ordered Inventory Shortfall, first from the Severance Reimbursement Obligations and second from the Assumed 503(b)(9) Claims. That concept was important (i.e., that there would be a reduction in liabilities corresponding with a reduction in the amount of ordered inventory) but the language was redundant and omitted an important part of the parties’ agreement. There did not need to be an “Ordered Inventory Shortfall Amount” because Transform agreed to assume payables and payment obligations only to the extent of the Ordered Inventory. There did need to be a Prepaid Inventory Shortfall Amount. Prepaid Inventory was inventory that

had already been paid for by the Debtors but as to which Debtors would not yet have taken title or delivery prior to the Closing. There were therefore no liabilities associated with Prepaid Inventory. Without a Prepaid Inventory Shortfall Amount and mechanism to reduce other assumed liabilities, the parties would be left to litigating a damages claim with respect to any shortfall in Prepaid Inventory.

14. Accordingly, the January 17 Proposed APA was revised to provide that if Debtors failed to deliver \$147 million in Prepaid Inventory then the same reductions to the Severance Reimbursement Obligations and Assumed 503(b)(9) Claims would occur. This change reflected the understanding that should Debtors fail to deliver the required amount of the Ordered Inventory, there was an already-built-in reduction to the liabilities Transform would assume; a shortfall in the delivered of the Ordered Inventory would reduce Transform's obligation to assume the "Other Payables and payment obligations with respect to Ordered Inventory."

15. Shortly following the transmission of the January 17 Proposed APA, in the early morning of January 17, 2019, representatives of Debtor's legal counsel, Weil Gotshal & Manges LLP ("Weil") requested that I meet with them in a conference room to discuss the revised language that changed "Ordered Inventory Shortfall Amount" to "Prepaid Inventory Shortfall Amount." I presented that language to a group of advisors for Debtors, including representatives from Weil and Lazard. I recall that Ellen Odoner and Naomi Munz of Weil asked me for an explanation concerning the change of "Ordered Inventory Shortfall Amount" to "Prepaid Inventory Shortfall Amount" as reflected in the January 17 Proposed APA. I stated that the reference in the waterfall to shortfall reductions had always been meant to refer to Prepaid Inventory, and that the prior reference to Ordered Inventory Shortfall Amount was a mistake. I stated that no shortfall adjustment mechanism was required for Ordered Inventory; if Debtors failed to deliver the

bargained-for amount of Ordered Inventory, the consequence would simply be that Transform would not be obligated to assume the payables and payment obligations associated with the Ordered Inventory that Debtors failed to deliver. I stated that a shortfall amount was required for the Prepaid Inventory because Prepaid Inventory had no such liability associated with it and therefore no self-executing mechanism by which a shortfall in Prepaid Inventory would reduce the liabilities Transform was assuming. I recall that in acknowledgment of my explanation of the treatment of Prepaid Inventory, representatives of Weil stated something to the effect of "and no shortfall adjustment is needed for Ordered Inventory, since that is just the inventory delivered with respect to the accounts payable liabilities." On the basis of this understanding and explanation, Transform and Debtors' representatives agreed to include this change in the final APA, which was put into agreed form shortly after our conversation, with only minor finalizing changes after that point.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of knowledge, information, and belief.

To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable

Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B) of Section 9.2(a)) in respect of which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement shall be deemed to be a Designated Sale Transaction.

(c) If Buyer does not elect pursuant to Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), then Buyer and Sellers shall comply with Section 9.2.

Section 2.13 Bulk Transfer Law. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors’ rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the ~~Debt~~ Financing that could affect the availability of the full amount of the Financing on the Closing Date as contemplated by the Commitment Letters and (y) there are no conditions precedent or other contingencies related to the funding of the full amount of the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(b) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder, the net proceeds from the ~~Debt~~-Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and

any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Section 7.7 Condition of Acquired Assets; Representations.

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article VI (subject to the disclosures set forth on the Schedules), and Buyer acknowledges and agrees that the Acquired Assets are being transferred on an "as is", "where is" basis. Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied solely on the results of its own independent investigation. In connection with Buyer's investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

ARTICLE VIII

ACTION PRIOR TO THE CLOSING DATE

(a) From December 28, 2018 and prior to the Closing, except (i) as required by applicable Law, (ii) as expressly contemplated by this Agreement or (iii) with the prior written consent of Buyer, Sellers covenant and agree to comply with applicable Law in all material respects and to use commercially reasonable efforts to conduct their business in the Ordinary Course of Business (taking into account Sellers' status as debtors-in-possession), including (A) to maintain and preserve the Potential Acquired Assets in the better of (x) their present condition and (y) in the case of Lease Premises, the condition required under the respective Lease (including by using reasonable best efforts to comply with instructions from Buyer as to the renewal (or lack of renewal) of each Lease and other Potential Assigned Agreement that comes up for renewal), other than reasonable wear and tear, casualty and condemnation (which shall be governed by Section 12.3), and sales of Inventory in the Ordinary Course of Business, (B) by using commercially reasonable efforts to cause the landlord under the respective Leases and any applicable counterparty under the Outbound IP Licenses and any other Potential Assigned Agreements to perform such parties' covenants, agreements and obligations under the respective Leases, Outbound IP Licenses and other Potential Assigned Agreements and (C) managing Inventory in the Ordinary Course of Business, including with regard to Inventory in transit and Inventory located in distribution centers (and for the avoidance of doubt, Sellers shall not delay taking delivery of Inventory that would be Acquired Inventory on the Closing Date if delivery of such Inventory were managed in the Ordinary Course of Business prior to the Closing Date.) Sellers shall promptly notify Buyer of (x) any notice or other written communication from any Person alleging that the consent of such Person is or may be required in connection with the consummation of the Transactions; and (y) the commencement of any material Proceedings related to the business conducted by Sellers, the Designations Rights or the Potential Acquired Assets; provided, however, that the delivery of any notice pursuant to this Section 8.1(a) will not (A) limit or otherwise affect any remedies available to Buyer or Sellers, or (B) be deemed to amend or supplement any Schedule or prevent or cure any misrepresentations or breach of representation or warranty.

(b) Without limiting the generality of the foregoing, from December 28, 2018 and prior to the Closing, Sellers covenant and agree:

(i) not to sell, lease (as lessor), license (as licensor), transfer or otherwise dispose of, or mortgage or pledge, or voluntarily impose or suffer to be imposed any Encumbrance (other than Permitted Pre-Closing Encumbrances) on, any Potential Acquired Assets (excluding the Acquired Intellectual Property and Acquired Data, which are addressed below), other than sales of Inventory in the Ordinary Course of Business;

(ii) not to assign, transfer, allow to lapse, abandon, cancel, fail to renew, fail to continue to prosecute, protect or defend, or otherwise dispose of or convey any Patent, Trademark, registered or applied-for Copyright or Domain Name included in the

(iii) not to license or grant any Person any rights to any Acquired Intellectual Property (other than non-exclusive licenses granted to customers, vendors, suppliers and other service providers of Sellers to the extent necessary for their respective use of the products and services of Sellers or for the provision of services to Sellers in connection therewith and entered into in the Ordinary Course of Business) or any Acquired Data;

(v) not to settle, pay, discharge or satisfy any material Action that, in each case, would constitute a Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets) or Assumed Liability where such settlement, payment, discharge or satisfaction would impose any restrictions or limitations upon the operation of Sellers' business or any Acquired Assets, whether before or after the Closing Date;

(vi) not to cancel or compromise any claim or waive or release any right related to any Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets);

(vii) except as required by Section 8.1(a) or permitted under Section 8.1(b)(iii) with respect to Outbound IP Licenses, not to amend, supplement, modify, terminate or enter into any Leases, Outbound IP Licenses (under which a Seller is a licensor) or other Potential Assigned Agreements;

(viii) unless required by Law, not to take any action, without the consent of Buyer (which may not be unreasonably delayed, conditioned or denied), with respect to Taxes or Tax matters that is not in the Ordinary Course Of Business and that would materially adversely affect the Potential Acquired Assets, the Properties, Business and the Assumed Liabilities or otherwise could reasonably be expected to increase the Tax Liability of Buyer or any of its Affiliates;

(ix) to use commercially reasonable efforts to cause any applicable counterparty under the IP Licenses included in the Assigned Agreements to perform such party's covenants, agreements and obligations under such IP Licenses, including with respect to quality control;

(x) not to grant or terminate any other interests in any Potential Acquired Asset (other than sales of Inventory in the Ordinary Course of Business);

(xi) not to seek or obtain an order approving rejection of a Lease or other Potential Assigned Agreement;

(xii) not to issue any gift cards, gift certificates, merchandise credits, return credits, customer membership or customer loyalty discount programs, coupons, groupons or other similar credits or programs at a discount or pursuant to any promotion that would result in any Seller receiving less than face value in such issuance;

(xiii) not to (A) increase the annual level of compensation payable or to become payable by any Seller to any director or officer of any Seller, except in the Ordinary Course of Business, (B) increase the annual level of compensation payable or to become payable by any Seller to any other employee of any Seller, except in the Ordinary Course of Business, (C) grant any unusual or extraordinary bonus, benefit or other direct or indirect compensation to any director, officer or employee except as authorized by the Bankruptcy Court, (D) increase the coverage or benefits available under any (or create any new) Employee Plan ~~or~~-(E) take any action (other than a termination of employment in accordance with clause (xiv) of this Section 8.1(b)), whether in writing or otherwise, that has or could reasonably be expected to have the effect of increasing in any manner the liability of the Buyer or any Seller for any severance or other post-termination payments or benefits otherwise payable or due to any individual or group of individuals, or otherwise enhancing, or accelerating the timing of, such payment or benefit or accelerating the funding thereof, or (F) enter into any employment, deferred compensation, severance, consulting, noncompetition or similar agreement to which any Seller is a party or involving a director, officer or employee of any Seller, except, in each case, as required by applicable Law from time to time in effect or by any of the Employee Plans as in effect on the date hereof;

(xiv) not to terminate the employment of any director, officer or employee of any Seller other than in the Ordinary Course of Business;

(xv) not to enter into, modify or terminate any labor or collective bargaining agreement or, through negotiation or otherwise, make any commitment or incur any liability to any labor organization with respect to any Potential Acquired Asset;

(xvi) not to permit Sears Re to (A) pay any dividend or distribution, (B) issue any debt or equity securities or (C) take any of the actions described in this Section 8.1(b) with respect to its assets or Contracts; and

(xvii) not to enter into any agreement or commitment to take any action prohibited by this Section 8.1(b).

(c) Without in any way limiting any Party's rights or obligations under this Agreement, the Parties understand and agree that (i) nothing contained in this Agreement shall give Buyer, directly or indirectly, the right to control or direct the operations of Sellers, Sellers' business or the Properties prior to the applicable Closing Date and (ii) prior to the Closing Date, Sellers shall exercise, consistent with, and subject to, the terms and conditions of this Agreement, complete control and supervision over the operations of Sellers, the Business and the Properties to the extent permitted by Law, including taking into account Sellers' status as debtors-in-possession in the Bankruptcy Case. Notwithstanding anything herein to the contrary,

Sellers shall be permitted to take all actions that are necessary or desirable to comply with the WARN Act, including providing any notices required under the WARN Act, and no such actions shall constitute a violation of this Section 8.1.

Section 8.2 Bankruptcy Court Matters.

(a) Approval of Expense Reimbursement. In consideration for Buyer having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of Seller, subject to the approval of the Bankruptcy Court, (i) in the event of the Closing, at the Closing in accordance with Section 3.3(a), (ii) if this Agreement is terminated by Buyer or Seller pursuant to Section 12.1(a)(ii) or by Buyer pursuant to Section 12.1(b), within three (3) Business Days of such termination or (iii) if this Agreement is terminated due to consummation of a Competing Transaction pursuant to Section 12.1(a)(iii), within five (5) Business Days after the consummation of the Competing Transaction, Seller (or either of Seller or the successful bidder, in the case of clause (iii)) shall pay Buyer, in accordance with the terms hereof an amount equal to the amount of the reasonable and documented fees, expenses or other disbursements of the Buyer Related Parties incurred in connection with the Transactions, including the reasonable and documented fees and expenses of its professional advisors incurred in connection with the Transactions, including amounts arising from any investigation, prosecution of any claims, causes of action, adversary proceedings or other litigation or threatened litigation into the validity of the Buyer Related Parties' liens or claims and the Buyer Related Parties' ability to credit bid and any defenses prepared in connection therewith, and up to an aggregate amount of \$30,000,000 (the "Expense Reimbursement Amount"). Buyer acknowledges that this Agreement is subject to an overbid at the Auction, and that, in the event this Agreement is terminated pursuant to Section 12.1(a)(iii), Sellers shall have no liability to Buyer under this Agreement other than to pay the Expense Reimbursement Amount as set forth herein; provided, however, that nothing in this sentence shall relieve Sellers from any liability for any willful and material breach of this Agreement prior to its termination. For the avoidance of doubt, payment of the Expense Reimbursement Amount shall not relieve Sellers of any obligation (a) in respect of any Buyer Related Party's secured debt in Sellers or (b) with respect to any other Contracts or other arrangements to which any Buyer Related Party may be a party from time to time.

(b) Bankruptcy Court Filings and Approvals.

(i) Buyer agrees that it will promptly furnish such affidavits or other documents or information for filing with the Bankruptcy Court as are reasonably requested by Sellers to assist Sellers in obtaining entry of the Approval Order, including a finding of adequate assurance of future performance by Buyer. Sellers shall provide Buyer with advance drafts of any motions, pleadings or Bankruptcy Court filings relating to the sale of the Acquired Assets or the Approval Order as soon as reasonably practicable but in any event no later than two (2) Business Days prior to the date Sellers intend to file such motion, pleading or Bankruptcy Court filing. Buyer may file or join in any motion, pleading or Bankruptcy Court filing in support or seeking approval of, and

reply to any response or objection to, the sale of the Acquired Assets hereunder, and the Approval Order.

(ii) Sellers shall file such motions or pleadings as may be appropriate or necessary to assume and assign the Assigned Agreements and to determine the amount of the Cure Costs; provided, that subject to Section 2.7, Section 2.9 and Section 5.2, nothing herein shall preclude Sellers from filing such motions, including from and after the Petition Date, to reject any Contracts that are not Assigned Agreements.

(iii) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Sellers of higher and/or better Competing Transactions.

(iv) Sellers and Buyer acknowledge that Buyer (or any applicable Assignee) must provide adequate assurance of future performance under the Assigned Agreements to be assigned by Sellers, and Buyer hereby agrees to provide such adequate assurance to the extent required under the Bankruptcy Code and the Bidding Procedures Order, including by demonstrating financial wherewithal to pay Cure Costs ~~(subject to the Buyer Cure Costs Cap)~~.

(v) Buyer shall provide any cooperation reasonably requested by any consumer privacy ombudsman appointed in these Cases and shall use commercially reasonable efforts to take all reasonable actions recommended by such ombudsman in any report authored by such ombudsman and provided to the Bankruptcy Court.

(vi) After entry of the Approval Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Approval Order.

(vii) If applicable, Sellers shall cause any plan of reorganization or liquidation approved in the Bankruptcy Cases to permit assumption of Sellers' executory contracts and unexpired leases of real property through the end of the Designation Rights Period.

(c) Back-Up Bidder. Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the Auction, if (i) Buyer submits the second highest or second best bid at the Auction or the terms of this Agreement constitute the second highest or best bid, and (ii) Sellers give written notice to Buyer on or before the tenth (10th) Business Day prior to the Outside Date, stating that Sellers (A) failed to consummate the sale of the Acquired Assets with the winning bidder, and (B) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including the Purchase Price.

(d) Bankruptcy Milestones. The Parties will use reasonable best efforts to comply with the following milestones:

(i) to obtain entry of the Approval Order by the Bankruptcy Court on or before February 4, 2019.

(ii) to close the Transactions on or before February 8, 2019.

Section 8.3 Registrations, Filings and Consents.⁵

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than the fifth (5th) calendar day following the date hereof, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends

to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed (or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the

Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.⁶

(a) From the date hereof to earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Closing Date, Sellers shall provide to Buyer and shall use reasonable best efforts to cause its officers, employees and advisors to provide to Buyer, such cooperation as is customary for financings of the type contemplated by the Commitment Letters and as is reasonably requested by Buyer in connection with arranging and obtaining the Financing, which cooperation includes using reasonable best efforts to (i) cause the participation by one or more representatives of senior management in a reasonable number of meetings, presentations, road shows, drafting sessions and due diligence sessions upon reasonable prior notice and in reasonably convenient locations, (ii) furnish Buyer, its Affiliates and the **Debt** Financing Sources with the Required Information, (iii) reasonably assist Buyer and the **Debt** Financing Sources with the preparation of (A) one or more customary bank information memoranda (and, to the extent necessary, additional information memoranda that do not include material non-public information), (B) customary materials for rating agency presentations, (C) syndication materials, (D) lender presentations and (E) other marketing and similar documents, each in connection with the syndication and marketing of the Debt Financing (including the delivery of customary representation letters and authorization letters), (iv) take all customary actions necessary and requested to permit the **Debt**-Financing Sources to evaluate Sellers' current assets, cash management and accounting systems, policies and procedures relating thereto for the purposes of establishing collateral arrangements as of the Closing and to assist with other collateral audits and due diligence examinations, (v) provide Buyer and the **Debt** Financing Sources with reasonable access to the books and records, properties, officers, directors, agents and representatives of Sellers, (vi) reasonably cooperate with the marketing efforts of Buyer and the **Debt**-Financing Sources for any portion of the Debt Financing, including ensuring that the syndication efforts benefit materially from the existing banking relationships of Sellers, (vii) permit the use by Buyer and its Affiliates of the Sellers' logos and/or Trademarks in connection with the Financing, provided that such logos and/or marks are used in a manner that

is not intended, or reasonably likely, to harm or disparage Sellers, (viii) cause Sellers' accountants, if requested, to consent to the use of their reports in any material relating to the Financing, (ix) coordinate the prepayment and termination of any existing indebtedness of Sellers that is being repaid or otherwise discharged under this Agreement to remain outstanding after the Closing Date, the termination on the Closing Date of all guarantees and security interests in connection therewith and the delivery of customary Payoff Letters (including the delivery of draft Payoff Letters at least five (5) Business Days prior to the anticipated Closing Date), lien releases, termination documentation and instruments of discharge with respect to the foregoing, in each case reasonably satisfactory to Buyer, (x) cause the taking of corporate actions by the Sellers that are necessary to permit the consummation of the Financing on the Closing Date as are reasonably requested by Buyer and (xi) execute and deliver any documents as reasonably requested by Buyer as are customary in financings of such type and as are accurate, and otherwise facilitate the pledging of and granting, recording and perfection of security interests in share certificates, securities and other collateral (including releasing any Liens on the Acquired Assets in connection with any existing indebtedness of Sellers) and the obtaining of appraisals, surveys and title insurance as reasonably requested by Buyer; it being understood and agreed that (A) no such corporate action will take effect prior to the Closing and (B) any such corporate action will only be required of the directors, members, partners, managers or officers of the Sellers who retain their respective positions as of the Closing; provided that no obligation of Sellers shall be effective until the Closing Date; provided, however, that nothing herein shall require Sellers to (A) take any action that would be effective prior to the Closing to the extent it would interfere materially and unreasonably with the business or operations of Sellers, (B) waive or amend any terms of this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (C) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (D) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any material contract to which any of Sellers is a party or (E) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers.

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful

misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis (taking into account the expected timing of the Marketing Period) all terms, conditions, representations and warranties applicable to Buyer set forth in the ~~Debt~~-Commitment Letters~~s~~ (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the ~~Debt~~-Commitment Letters~~s~~) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' failure to furnish Required Information or Sellers' breach of their obligations hereunder), (ii) maintain in effect the ~~Debt~~-Commitment Letters~~s~~ through the Closing Date; (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into definitive agreements with respect thereto on the terms and conditions contemplated by the ~~Debt~~Commitment Letters (other than the Equity Commitment Letter) (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof) and enforce (subject to satisfaction of the conditions in the ~~Debt~~-Commitment Letters~~s~~) its rights under the ~~Debt~~Commitment Letters (other than the Equity Commitment Letter) and (iv) upon satisfaction of the conditions set forth in the ~~Debt~~-Commitment Letters~~s~~, consummate the Debt Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any "flex" provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, in each case other than as a result of a breach by Sellers of any representation, warranty or covenant contained in this Agreement that would cause the ~~Debt~~ Financing not to be available in accordance with the terms of the ~~Debt~~-Commitment Letters~~s~~, Buyer shall use its reasonable best efforts to obtain substitute alternative debt financing (the "Alternative Financing") for all or such portion of ~~the Debt Financing such funds~~ to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter and (ii) that does not expand upon the conditions precedent or contingencies to funding the ~~Debt~~-Financing on the Closing Date as set forth in the ~~Debt~~-Commitment Letters~~s~~ or definitive agreements with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing. For the avoidance of doubt, references to the "Debt Commitment Letter" shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably

be expected to give rise to any material breach or default) by Buyer under the ~~Debt~~-Commitment Letters_s, or to the knowledge of Buyer, any other party to the ~~Debt~~-Commitment Letters_s or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the ~~Debt~~-Commitment Letters_s with respect to any actual or threatened material breach, default, termination or repudiation by any party to the ~~Debt~~-Commitment Letters_s or any definitive agreement related thereto or any provision of the ~~Debt~~-Financing or any definitive agreement related thereto (including any proposal by any ~~Debt~~-Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by ~~Debt~~-Commitment Letters_s). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers' prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the ~~Debt~~-Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the Debt Commitment Letter, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)) (unless such portion is not reasonably required to fund the transactions contemplated by this Agreement) or (B) imposes new or additional conditions precedent or changes the conditions precedent to the ~~Debt~~-Financing or otherwise changes the terms of the ~~Debt~~-Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the ~~Debt~~-Financing materially less likely to occur or adversely impact in any material respect Buyer's ability to enforce its rights under ~~the Debt~~any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend ~~the~~any Debt Commitment Letter to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together with any amendments or modifications to ~~the Debt~~such Commitment Letter in connection therewith, would not result in the occurrence of a modification to ~~the~~Debtsuch Commitment Letter prohibited by this clause (i)) and (ii) early termination of ~~the~~such Debt Commitment Letter (unless, in the case of the Debt Commitment Letter, the Real Estate Commitment Letter or the Cyrus Commitment Letter, Buyer has arranged Alternative Financing to the extent permitted or required by Section 8.5(a)). Buyer shall provide to Sellers copies of any commitment letter associated with a replacement ~~Debt~~-Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter (including the Debt Commitment Letter). For the avoidance of doubt, references to ~~the~~"Debt"any "Commitment Letter" shall include as such ~~Debt~~-Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification. ~~For the avoidance of doubt, the consummation of the Debt Financing is not a condition to the obligations of Buyer under this Agreement.~~

Section 8.6 Trade Payables. The Sellers shall ~~in all material respects~~ make all payments in respect of ~~trade~~-payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers' cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller's obligations pursuant to this Section 8.6 with

ARTICLE IX

Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer's representatives in connection with such investigation and examination, and Buyer and Buyer's representatives shall reasonably cooperate with Sellers and Sellers' representatives and Buyer and Buyer's representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers' business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to

achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes on or before the Closing Date, (iv) implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement or (z) taking or refraining from taking any action required by this Agreement or under the law, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to Sears at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor, (ii) Buyer shall be entitled to an injunction or injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder, and (iii) this Agreement shall not become effective unless the Bankruptcy Court shall have specifically approved and confirmed the availability of such injunctive and specific performance remedy for the benefit of Buyer.

(c) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the

Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a “Straddle Period”), shall be allocated to the Pre-Assignment Tax Period based on a “closing of the books” method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(d) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d) hereof) (“Transfer Taxes”) shall be borne solely by Buyer. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(b) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers’ or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section

382(l)(5) of the Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(b) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h) hereof, Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds. Any payments required to be made under this Section 9.3(b) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(c) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(d) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the "Allocation Schedule").⁷⁶ The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45)

⁷⁶ **Note to Sellers:** Please provide estimate of income and non-income taxes relating to the business and the transaction as soon as possible.

days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the Seller's reasonable determination; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from

winding down their operations and dissolving their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective

bargaining agreement (“Represented Employees”) using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not represented by a labor union (“Non-Represented Employees”), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required by Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as “Transferred Employees.”

(b) Except as otherwise expressly provided in this Section 9.7(b), with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the calendar year in which the first (1st) anniversary of the Closing Date occurs, subject to such Transferred Employee’s continued employment with Buyer or any of its Subsidiaries (as applicable) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date. For the avoidance of doubt, (i) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (ii) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers.

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller’s or its Subsidiaries’ medical, dental or health plans during the portion of the

calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical, dental and health plan provider to provide such waivers and credits contemplated by the first (1st) sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the first (1st) anniversary of the Closing Date that are at least equal to the severance and other separation benefits (excluding any long term incentive, equity incentive, defined benefit pension or retiree welfare and life insurance benefits) provided by Seller and its Subsidiaries to such Transferred Employee, as in effect on the date of this Agreement.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees (i) any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the calendar year prior to calendar year in which the Closing occurs is paid by Sellers, and (ii) a pro rata portion of any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the calendar year in which the Closing occurs is deemed earned under the applicable bonus plans of Sellers, based on the number of days in such calendar year that have elapsed as of and including the Closing Date. The amount to be paid will be (i) determined by multiplying the bonus otherwise payable for the calendar year of the Closing under the applicable Seller's and its Subsidiaries' bonus plans by a fraction, the numerator of which is the number of days between January 1 of the year of the Closing and the Closing and the denominator of which is 365, and (ii) paid in the year following the year of the Closing when Seller's employee bonuses are otherwise paid.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an "M&A

Qualified Beneficiary" (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) [Reserved]

(j) From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay made by any Seller to any employee of any Seller whose employment with any of the Sellers terminates following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be covered by Buyer's obligations as set forth in Section 9.7(e)), to the extent of the cash severance or other cash separation pay that would have been due and payable had such employee's employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(j), the "Severance Reimbursement Obligations").

(jk) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(j), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

(kl) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, use reasonable best efforts to establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code ("Buyer's Savings Plan") that will permit participation by all Transferred Employees who are participating in Seller's or its Subsidiaries' 401(k) Plan, qualified under Sections 401(a) and 401(k) of the Code ("Seller's Savings Plan") as of the Closing Date.

(ii) No assets or liabilities of Seller's Savings Plan shall be transferred to Buyer's Savings Plan, other than in connection with a rollover of a Transferred Employee's account balance under Seller's Savings Plan. Except as could reasonably be expected to cause the Buyer's Savings Plan to cease to qualify under Section 401(a) and

401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer's Savings Plan any rollover distribution (in cash or loan notes of any "eligible rollover distribution" (within the meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause its Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller's Savings Plan shall be fully vested and nonforfeitable.

| (b) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

| (c) Sellers and Buyer hereby agree to follow the "alternate procedure" for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

Section 13.3 Amendment; Waiver. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding unless set forth in writing and duly executed by each Party; provided that this Section 13.3, Section 13.6, Section 13.8, Section 13.10 or Section 13.12, in each case as such Sections relate to the ~~Debt~~-Financing Sources, may not be amended in a manner adverse to the ~~Debt~~-Financing Sources without the prior written consent of the ~~Debt~~applicable Financing Sources under the ~~Debt~~applicable Commitment Letter. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Neither the waiver by any of the Parties of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. No course of dealing between or among the Parties shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights to payment of any Party under or by reason of this Agreement.

Section 13.4 Entire Agreement. This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements, understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction Documents and the Transactions. Accordingly, any rule of law or any legal decision

that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the ~~Debt~~-Financing Sources in connection with the ~~Debt~~ Financing; provided further that that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action (whether in contract or tort) brought against the ~~Debt~~-Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the ~~Debt~~-Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or

provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the ~~Debt~~-Financing Sources in any way relating to this Agreement or any of the transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO

REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the ~~Debt~~-Financing Sources are intended third party beneficiaries of Section 9.14(b)-(e), Section 10.10, this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The costs of any privacy ombudsman shall be borne equally between Buyer, on the one hand, and Sellers, on the other hand, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out of or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. No other Person, including any Buyer Related Party (other than Buyer) or any of the Parties' Affiliates, directors, officers, employees, incorporators, members, partners, managers, stockholders, agents, attorneys, or representatives of, or any financial advisors or lenders to (including the ~~Debt~~-Financing Sources), any of the foregoing (together, the "Non-Recourse Parties") shall have any liabilities for any Claims or Liabilities arising under, out of, in connection with, or related in any manner to, this Agreement, the Transactions or the Debt Financing or based on, in respect of, or by reason of, this Agreement or its negotiation, execution, performance or breach, whether at law, in equity, in contract, in tort or otherwise.

Section 13.13 Schedules; Materiality. The inclusion of any matter in any Schedule shall be deemed to be an inclusion for all purposes of this Agreement, to the extent that the relevance

of such disclosure to any Section is readily apparent from the text of such disclosure, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Schedule shall not be deemed an admission as to whether the fact or item is “material” or would constitute a “Material Adverse Effect.”

Section 13.14 Specific Performance. The Parties acknowledge and agree that (a) irreparable injury, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that any of the provisions of this Agreement are not performed in accordance with the specific terms hereof or are otherwise breached, and (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain (without the posting of any bond) specific performance of the terms of this Agreement by the breaching Party or Parties. If any Proceeding is brought by the non-breaching Party or Parties to enforce this Agreement, the Party in breach shall waive the defense that there is an adequate remedy at Law.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed and delivered by their duly authorized representatives, all as of the Effective Date.

3. Each Required Secured Party agrees that, notwithstanding the sale, transfer, or assignment of any, or all, of such Required Secured Party's Holdings (a "Transfer"), such Required Secured Party shall remain primarily liable in respect to its obligations set out under paragraphs 8, 9 and 11 of this Agreement (the "Payment Obligation") with respect to any Direction or Additional Direction (each as hereafter defined) unless, and until, such Required Secured Party obtains, and delivers to the Collateral Agent, an executed joinder to this Agreement (in form and substance reasonably acceptable to the Collateral Agent) pursuant to which, on the effective date of such joinder, the acquirer, transferee or assignee of such Required Secured Party's Holdings (which acquirer, transferee or assignee shall be reasonably satisfactory to the Collateral Agent) assumes the Payment Obligation of such Required Secured Party with respect to such Holdings and delivers to the Collateral Agent a Custodial Letter with respect to such Holdings. In addition, each Required Secured Party agrees that, in the event of a Transfer by such Required Secured Party, such Required Secured Party shall simultaneously obtain, and deliver to the Collateral Agent, an executed joinder (in form and substance reasonably acceptable to the Collateral Agent) to the Direction and any Additional Direction with respect to all Senior Second Lien Obligations subject to the Transfer for which such purchaser, transferee or assignee is the beneficial holder. The Required Secured Parties acknowledge that Wilmington Trust, National Association, is also the 2010 Trustee and that nothing in this Agreement or in any Direction or Additional Direction given in furtherance of this Agreement is intended to be, or shall be deemed to be, a direction to Wilmington Trust, National Association, in its capacity as 2010 Trustee. enforcement of this Agreement (the “Indemnity”), including, without limitation, each Indemnified Party’s reasonable legal fees, disbursements and expenses (the “Legal Expenses”); together with the Obligations, the “Indemnified Obligations”) incurred in connection with, or in defense of, the Obligations, and the reasonable compensation, time charges, disbursements and expenses of the Collateral Agent, including the reasonable fees and disbursements of its attorneys and other advisors (collectively, the “Collateral Agent’s Fees and Expenses”) in connection with any Instruction, and the preparation and negotiation of this Agreement and any other agreements entered into by the Collateral Agent as contemplated by, or as may be necessary or appropriate to carry into effect, this Agreement (the “Related Agreements”) and the review and analysis of the terms of the Security Agreement, this Agreement, any Related Agreement and any Instruction as set forth herein (collectively, the “Losses”). The Indemnified Parties shall not be indemnified for any fees, charges, expenses, costs, claims, losses, liabilities or damages incurred by any of them as a result of their own willful misconduct or gross negligence, as determined by a judgment of a court of competent jurisdiction that is binding on such Indemnified Party, is final, and is not subject to review or appeal or the time for appeal has expired and no appeal has been taken.

9. Neither the Indemnified Parties nor the Required Secured Parties shall make any settlement of any claim which would give rise to liability on the part of the other under this Agreement, without the prior written consent of the other, which consent shall not be unreasonably withheld or delayed; provided, however, an Indemnified Party shall not be required to consent to any settlement involving the imposition of equitable remedies, any

admission of wrongdoing on the part of an Indemnified Party or the imposition of any material obligations on an Indemnified Party, other than financial obligations for which the Indemnified Party will be indemnified hereunder. An Indemnified Party will not be required to consent to entry of any judgment or to enter into any settlement which does not include as an unconditional term thereof the giving by the payee or plaintiff to the Indemnified Party of a release from all liability in respect of such claim or litigation.

10. To the extent any Required Secured Party shall pay more than its pro rata share of any Indemnity under this Agreement, such Required Secured Party shall be entitled to seek contribution from each Required Secured Party which has not paid its pro rata share of such Indemnity, provided that no such Required Secured Party may recover or retain any contribution amount unless the Indemnified Party shall first be paid in full. Each Required Secured Party's pro rata share shall be a fraction, the numerator of which shall be the principal amount of such Required Secured Party's Holdings as set forth on its signature page and certification annexed hereto and the denominator of which shall be the total aggregate principal amount of the Required Secured Parties' Holdings as set forth on all of the signature pages and certifications annexed hereto, combined.
11. The Required Secured Parties shall promptly pay the Collateral Agent or other Indemnified Party for any Losses upon presentation of any Indemnified Party's invoices or other evidence of such Losses, and in any event within fifteen (15) days from the date of presentation.

12. The Required Secured Parties hereby agree that the Collateral Agent may, but shall not be required to, file in the Chapter 11 Cases any administrative expense request or claim, or any other claim for the Collateral Agent's Fees and Expenses and the Legal Expenses. The Required Secured Parties acknowledge and agree that any failure by the Collateral Agent to seek or obtain reimbursement of the Collateral Agent's Fees and Expenses and the Legal Expenses from the Grantors shall not result in any claim for refund or otherwise against the Collateral Agent or any Indemnified Party. Nothing herein shall limit or affect any right of the Collateral Agent under Section 7.6 of the Security Agreement.
13. To the extent that the Required Secured Parties make payment of the Collateral Agent's Fees and Expenses and the Legal Expenses in full, the Required Secured Parties shall become subrogated to the rights of the Collateral Agent under the Security Agreement to obtain payment from the Grantors therefor, or from any money or property collected by the Collateral Agent to the extent such money or property is available for such use under, and in accordance with the terms of, the Security Agreement; provided, that, notwithstanding the foregoing, the Required Secured Parties hereby acknowledge and agree that in the event the Required Secured Parties are not successful in recovering from the Grantors any payments made by the Required Secured Parties to the Collateral Agent for the Collateral Agent's Fees and Expenses and the Legal Expenses, any such failure to obtain payment from the Grantors shall not result in any claim for refund or otherwise by the required Secured Parties for all or any portion of the Collateral Agent's Fees and Expenses and the Legal Expenses.

14. Each of the Required Secured Parties acknowledges and agrees that nothing contained in this Agreement or in any Instruction shall alter the rights and obligations of the Required Secured Parties or of the Collateral Agent under the Security Agreement including, without limitation, the rights of the Collateral Agent under Sections 5.4, 5.5 and 6.2 of the Security Agreement. The rights and remedies conferred herein shall be cumulative, and the exercise or waiver of any right or remedy shall not prejudice or inhibit the exercise of additional rights or remedies or the subsequent exercise of such right or remedy.
15. Nothing in this Agreement shall be construed to require the Collateral Agent to take any action in conflict with any applicable law, the Security Agreement, the Senior Secured Note Documents, the Intercreditor Agreement, or which the Collateral Agent reasonably believes would expose the Collateral Agent to personal liability, or which could be construed to be unduly prejudicial to the Secured Parties who are not Required Secured Parties.
16. If the fact, condition or event giving rise to a Loss or an Indemnity claim is the assertion of a claim by a third party, the Required Secured Parties will be entitled to participate in, and take charge of the defense against, such Loss or Indemnity claim; provided, however, that the Required Secured Parties and their counsel (which shall be reasonably satisfactory to the Collateral Agent) shall proceed with diligence and in good faith with respect thereto and shall notify the Collateral Agent if they become aware of any actual or potential conflict of interest. Notwithstanding the Required Secured Parties' election to

assume the defense or investigation of such Loss or Indemnity claim, the Collateral Agent shall have the right to employ separate counsel and to participate in the defense or investigation of such Loss or Indemnity claim, and the Required Secured Parties shall bear the expense of such separate counsel in accordance with the terms of this Agreement.

17. If the Collateral Agent's entitlement to and/or payment of the Collateral Agent's Fees and Expenses and Legal Expenses arising under the Security Agreement or this Agreement is challenged in whole or in part as a result of the Collateral Agent's compliance with an Instruction, the Required Secured Parties acknowledge and agree that the Required Secured Parties, at the Collateral Agent's request, shall defend the Collateral Agent against any such challenge and the fees and expenses of such defense are included in the Indemnity set forth herein.
18. This Agreement may be executed in any number of counterparts and each thereof shall be deemed to be an original and all such counterparts shall constitute but one and the same instrument.
19. The Required Secured Parties do not owe to one another any duties pursuant to this Agreement except those which are expressly set forth herein. Specifically, Required Secured Parties do not owe to one another any fiduciary duty on account of being a party to this Agreement.

Section 2.7 Assignments.

At Buyer’s reasonable request, Seller shall make reasonably available to Buyer the appropriate employees of Seller necessary to discuss the Potential Assigned Agreements.

(ii) As soon as practicable after the date hereof, Seller shall file a notice of assignment and assumption (an “Agreement Assignment Notice”) with the Bankruptcy Court and serve such notice via first class mail on each counterparty to a Potential Assigned Agreement consistent with the terms of the Bidding Procedures Order. The Agreement Assignment Notice shall identify all Potential Assigned Agreements of Sellers related to the Acquired Assets that Sellers believe may be assumed and assigned in connection with

the sale of the Acquired Assets and set forth a good faith estimate of the amount of the Cure Costs applicable to each such Contract (and if no Cure Cost is estimated to be applicable with respect to any particular Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(b) Initial Assigned Agreements.

(i) As soon as practicable after delivery of the list of Potential Assigned Agreements by the Seller but no later than five (5) Business Days following such delivery, Buyer shall deliver to the Seller a list of those Potential Assigned Agreements proposed to be assumed by Seller and assigned to Buyer on the Closing Date (the Contracts on such list, the “Initial Assigned Contracts”, the Leases on such list (including, to the extent applicable to such Leases, all non-disturbance agreements with fee owners or senior landlords, subordination, non-disturbance and attornment agreements, waivers and consents in favor of any Seller, estoppel certificates from landlords (to the extent assignable), and landlord waivers or other collateral access agreements in favor of any Seller or any asset-based lenders) the “Initial Assigned Leases”, and together the “Initial Assigned Agreements”).

(ii) Following delivery of the list of Initial Assigned Agreements and to the extent consistent with the Bidding Procedures Order, at any time prior to the second (2nd) Business Day prior to the Closing Date, Buyer will be entitled, after consultation with the Sellers, to add (x) any Initial Assigned Agreement to the list of Excluded Assets by providing written notice thereof to Sellers, and any Initial Assigned Agreement so added will cease to be an Initial Assigned Agreement and will be deemed to be an Excluded Asset (and all Liabilities thereunder Excluded Liabilities) for all purposes hereunder or (y) any Potential Assigned Agreement to the list of Initial Assigned Agreements so long as (1) it is not a Contract to be assumed or available to be assumed pursuant to any other sale previously approved by the Bankruptcy Court in connection with the Bankruptcy Cases; and (2) it is prior to the entry of a Final Order of the Bankruptcy Court approving the rejection of such Contract, in each case subject to the non-Debtor party to such Contract receiving information evidencing Buyer’s adequate assurance of future performance and having an opportunity to object consistent with the Bidding Procedures Order and the Approval Order. No change referred to in this Section 2.7(b)(i) shall reduce or increase the amount of the Purchase Price, except to the extent of any increase or decrease in the assumption of the Assumed Liabilities as a result of the Potential Assigned Agreements being added to or removed from the list of Acquired Leases or Assigned Agreements by Buyer.

(iii) On the Closing Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, and subject to consent if applicable Law requires it, Sellers shall assume and assign to Buyer the Initial Assigned Agreements and Buyer shall pay all Cure Costs with respect to such Initial Assigned Agreements to the appropriate counterparty.

(c) Designatable Leases. On each Assumption Effective Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, Sellers shall assume and assign to the applicable Assignee any Designatable Lease so designated by Buyer for assumption and assignment in

accordance with the terms of this Agreement, and Buyer shall pay all Cure Costs with respect to such Designatable Leases.

(d) Additional Contracts. On each applicable Assumption Effective Date, and in no event later than the date that is five (5) Business Days following the Designation Deadline, pursuant to section 365 of the Bankruptcy Code, the Approval Order, and any other applicable Order, Sellers shall assume and assign to the applicable Assignee any Additional Contract that Buyer designates for assumption and assignment in accordance with Section 2.9, and Buyer shall pay all Cure Costs with respect to such Additional Contract and all Expenses related to or arising under such Additional Contract after the Closing Date.

(e) Adequate Assurance and Consents. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Lease or Contract pursuant to this Section 2.7 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Lease or Contract and such Consent has not been obtained; provided, however, that the Parties shall use their commercially reasonable best efforts to obtain all such Consents.

Section 2.8 Further Assurances.

(a) On and after the Closing Date, each of the Sellers and Buyer shall use its commercially reasonable efforts to further give full effect to, evidence and record the assignments, waivers, ratifications, consents and agreements granted herein, and, Sellers shall, upon Buyer's request, assist Buyer in every reasonable way to obtain, maintain, enforce and defend any rights specified to be owned by or assigned to a Seller, including by testifying in any legal Proceedings, executing all lawful papers and making all rightful oaths required or necessary to aid Buyer or its successors or assigns in obtaining and enforcing its right, title and interest in, to and under the Acquired Assets, including in connection with the IP Assignment Agreement and the Short Form Assignments and in complying with all requirements of the applicable social media sites and Domain Name registrars.

(b) On each Designation Assignment Date, Seller shall, upon the request of Buyer or the applicable Assignee, execute and deliver to such Assignee such instruments of transfer as shall be reasonably necessary or desirable to vest in such Assignee title to the applicable Designatable Leases and related Acquired Lease Rights, Acquired Improvements and all other related Acquired Assets required hereunder to be transferred on such Designation Assignment Date (and evidence the assumption by Seller, and the assignment by Seller to the applicable Assignee, of such Designatable Leases), and Seller, on the one hand, and such Assignee, on the other hand, shall (and Buyer shall use commercially reasonable efforts to cause each Assignee to) take (or cause to be taken) all appropriate action, do (or cause to be done) all things necessary under applicable Law, and execute and deliver such instruments and documents, in each case as may be reasonably requested and reasonably necessary or desirable to consummate the Transactions at or after the Designation Assignment Date. In furtherance and not in limitation of the foregoing, in the event that any of the Acquired Assets shall not have been conveyed at Closing or on the applicable Designation Assignment Date, as applicable, Seller shall convey such Acquired Assets to Buyer or such Assignee, as applicable, as promptly as practicable after the Closing or on the applicable Designation Assignment Date, as applicable. As promptly as practicable following the date on

which Buyer is permitted to receive Customer Data constituting “personally identifiable information” (as defined in the Bankruptcy Code) that was not transferred on the Closing Date, Seller shall deliver to Buyer a copy of the Customer Data constituting Acquired Data to an extent and in a format mutually agreeable to Seller and Buyer that is readable, useable, indexed and searchable and, if any portion of such Customer Data is encrypted, the necessary decryption tools and keys to read such materials contemporaneously.

(c) Not later than ten (10) days prior to the Closing Date, Sellers shall instruct all of Sellers’ outside counsel responsible to maintaining, prosecuting or renewing any of the Acquired Intellectual Property (i) that the ownership of the Acquired Intellectual Property will be assigned to Buyer as of the Closing Date, (ii) to keep all Acquired Intellectual Property (as relevant to such counsel) in full force and effect, including by filing and documentation and paying any fees required therefor, (iii) to release to Buyer or counsel designated by Buyer at locations to be designated by Buyer copies of all the tangible embodiments of the Intellectual Property Related Documentation existing as of the Closing Date and in such counsel’s possession, and (iv) that Buyer or counsel designated by Buyer may contact such Sellers’ counsel for coordination relative to further prosecution of the Acquired Intellectual Property at Buyer’s expense (such correspondence, “Seller Instructions”). Sellers shall also include in the Seller Instructions any other information that Buyer reasonably instructs Sellers to include that is communicated to Sellers prior to the Closing Date.

(d) If after the Closing (i) Buyer or any of its Affiliates holds or is otherwise liable for any Excluded Assets or Excluded Liabilities or (ii) any Seller or any of their respective Affiliates holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller will, and will cause their respective controlled Affiliates to, and will use commercially reasonable efforts to cause their other Affiliates to, (including through the execution and delivery of all appropriate transfer documents) promptly transfer (or cause to be transferred) such Assets or assume, pay or reimburse (or cause to be assumed, paid or reimbursed) such Liabilities to or from (as the case may be) the other party for no additional consideration. Prior to any such transfer, the party receiving or possessing any such asset will hold it in trust for such other party.

(e) No Seller shall take any action following the Closing to hinder relationships between Buyer and any trade counterparty of any Seller who is party to any Assigned Agreement or otherwise maintains ongoing trade relationships with Buyer following the Closing with respect to any Acquired Asset.

Section 2.9 Additional Contracts. If, at any time prior to the date that is sixty (60) days after the Closing Date (the “Designation Deadline”), Buyer so determines as to any Contract that is Related to the Acquired Assets or is an IP License, in each case but is not an Initial Assigned Contract (other than (i) any lease of non-residential real property and (ii) any Excluded Asset set forth in Section 2.2) (each, an “Additional Contract”), Buyer may elect, after consultation with the Sellers, by written notice delivered to Sellers, to designate for assumption and assignment any Additional Contract for no additional consideration. Upon the designation of any such Additional Contract as an Assigned Agreement pursuant to this Section 2.9, Sellers will use their reasonable best efforts to assume and assign to the applicable Assignee such Additional Contract so long as the Buyer pays all Cure Costs and Expenses accrued post-Closing associated with such Additional Contract; provided, however, that nothing herein shall be deemed or construed to obligate Sellers

to retain, or refrain from rejecting or terminating any Lease or Contract after the Designation Deadline that does not constitute an Assigned Agreement. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Contract pursuant to this Section 2.9 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Additional Contract and such Consent has not been obtained, provide that the Parties shall use their reasonable best efforts to obtain all such Consents.

Section 2.10 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement but only to the extent of such amounts as may be required to be deducted and withheld by Buyer with respect to the making of such payments under applicable U.S. federal, state or local or foreign laws, and any such withheld amount shall be properly paid by Buyer to the appropriate Governmental Authority. To the extent that amounts are so deducted and withheld and properly paid to the appropriate Governmental Authority, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers or any other Person in respect of which such deduction and withholding was made.

Section 2.11 Rejection of Outbound IP Licenses. Prior to the Closing Date, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject any Outbound IP Licenses included in the Potential Assigned Agreements that (i) are executory Contracts and (ii) are not designated by Buyer for assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d). Without limiting the foregoing, promptly following the Designation Deadline, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject, any Outbound IP Licenses that (x) are not included in the Potential Assigned Agreements, (y) are executory Contracts and (z) are not designated by Buyer for assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d).

Section 2.12 Tax Reorganization.

(a) The Parties intend that the transactions set forth in this Agreement, as structured and implemented as described in Section 9.2(a), together with the Bankruptcy Plan (as defined below), will, unless and except to the extent that Buyer elects otherwise with respect to a particular Seller or Sellers pursuant to Section 2.12(b), (i) constitute one or more plans of reorganization under section 368(a) of the Code (as defined below) and (ii) as qualifying as one or more reorganizations thereunder (a “Tax Reorganization”).

(b) Buyer may, at any time on or before the earlier of (i) 15 days prior to the effective date of the Bankruptcy Plan and (ii) December 1, 2019, elect, by providing to Sellers written notice of its election, to treat one or more of the transactions (each, a “Designated Sale Transaction”) set forth in this Agreement as not qualifying as a Tax Reorganization, which election shall be effective unless Designated Tax Advisor cannot provide a Tax Opinion that such Designated Sale Transaction can be completed in a manner that would not be treated as a “reorganization” within the meaning of section 368 of the Code; provided, however, that in connection with any such Buyer

election to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), the parties shall identify a business of the Sellers that would become part of the Excluded Assets and shall consider in good faith any other changes to the structure of the transaction that are reasonable and necessary as a commercial, bankruptcy law and other legal matter to achieve that result. Such Tax Opinion shall be based on representations reasonably requested by Designated Tax Advisor to be provided by each of Buyer and Sellers in the form of a representation letter, and each such representation must continue to be true and accurate in all material respects as of immediately before such Tax Opinion is issued. To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable representation letter. For the avoidance of doubt, and notwithstanding anything to the contrary set forth in this Agreement, (i) reliance by Sellers on any Tax Opinion requested or otherwise required pursuant to this Agreement shall not affect Buyer's liability for Taxes that are Assumed Liabilities and (ii) the inability or failure to deliver or receive any Tax Opinion requested or otherwise required pursuant to this Agreement shall not delay or in any way interfere with the consummation and closing of the Transactions. Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B) of Section 9.2(a)) in respect of which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement shall be deemed to be a Designated Sale Transaction.

(c) If Buyer does not elect pursuant to Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), then Buyer and Sellers shall comply with Section 9.2.

Section 2.13 Bulk Transfer Law. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any security interests in the Acquired Assets, including any liens or claims arising out of the bulk transfer Laws. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the "bulk sales," "bulk transfers" or similar Laws in all applicable jurisdictions in respect of the Transactions (including under any applicable Tax Laws).

When the Approval Order and the consents and other actions described in Section 6.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the material breach of any of the terms and provisions of, or constitute a default under, or conflict with, or require consent or the giving of a notice under, or cause any acceleration of any obligation of Sellers under (a) any Order, (b) any Law or (c) the organizational documents of

any Seller except, with respect to (a) or (b), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Each Employee Plan has

As of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseded filing), (a) each Seller SEC Report complied as to form in all material respects with the applicable requirements of the Securities Act, the Exchange Act or the Sarbanes-Oxley Act, as the case may be (including, in each case, the rules and regulations promulgated thereunder), each as in effect on the date such Seller SEC Report was filed, and (b) each Seller SEC Report did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. None of SHC’s Subsidiaries is required to file or furnish (as applicable) any forms, reports or other documents with the SEC or any foreign Governmental Authority that performs a similar function to that of the SEC. No executive officer of SHC has failed to make the certifications required of him or her under Section 302 or Section 906 of the Sarbanes-Oxley Act with respect to any Seller SEC Report, except as disclosed in certifications filed with the Seller SEC Reports. Neither SHC nor any of its executive officers has received notice from any Governmental Authority challenging or questioning the accuracy, completeness, form or manner of filing of such certifications. As of the date of this Agreement, there are no outstanding or unresolved comments in the comment letters received from the SEC staff with respect to the Seller SEC Reports. As of the date hereof, none of the Seller SEC Reports is subject to outstanding SEC comment or, to the Sellers’ Knowledge, investigation.

Section 6.13 Financial Statements.

(a) The consolidated financial statements of SHC and its Subsidiaries included or incorporated by reference into the Seller SEC Reports have been prepared in accordance with GAAP consistently applied during the periods and at the dates involved (except as may be indicated in the notes thereto or, with respect to any unaudited interim financial statements, the absence of footnote disclosures and other presentation items and normal year-end audit adjustments or as permitted by the SEC’s rules and forms), comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto and fairly present in all material respects the consolidated financial position of SHC and its Subsidiaries as of the dates thereof and the consolidated results of operations and cash flows for the periods then ended.

The chief executive officer and chief financial officer of the applicable Seller have evaluated the effectiveness of SHC’s disclosure controls and procedures and, to the extent required by applicable Law, presented in any applicable Seller SEC Report that is a report on Form 10-K or Form 10-Q, or any amendment thereto, their conclusions about the effectiveness of the disclosure controls and procedures as of the end of the period covered by such report or amendment based on such evaluation.

(c) SHC has established and maintains a system of internal controls over financial reporting (as such term is defined in Rule 13a-15 under the Exchange Act), which are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP, including policies and procedures that (i) require the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of SHC and its Subsidiaries, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of SHC and its Subsidiaries are being made in accordance with appropriate authorizations of management and the applicable boards of directors in all material respects and (iii) provide assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the assets of SHC and its Subsidiaries.

None of SHC, the board of directors of SHC, or the audit committee of the board of directors of SHC, or, to the Knowledge of Sellers, SHC's auditors has received any oral or written notification of any (A) "significant deficiency" in the internal controls over financial reporting of the Sellers, (B) "material weakness" in the internal controls over financial reporting of SHC and its Subsidiaries, or (C) any fraud that involves the management or other employees of the Sellers who have a significant role in the internal controls over financial reporting of the Sellers. To the Knowledge of the Sellers, no attorney representing SHC or its Subsidiaries, whether or not employed by SHC or its Subsidiaries, has reported any evidence of any material violation of securities Laws, breach of fiduciary duty or similar violation by SHC or its Subsidiaries or any of their respective officers, directors, employees or agents, in each case, in such capacities, to the board of director of SHC or any of its Subsidiaries or any committee thereof or to any director or officer of SHC or any of its Subsidiaries.

Section 6.15 Sufficiency of Assets. The Acquired Assets are sufficient for the continued conduct of the Business after the Closing in substantially the same manner as conducted prior to the Closing and constitute all of the rights, property and assets necessary to conduct the Business in substantially the same manner as currently conducted. Immediately following the Closing, Buyer shall have the right to use all KCD IP to conduct the Kenmore/DieHard Business in substantially the same manner as Sellers currently conduct the Kenmore/DieHard Business.

Section 6.16 No Other Representations or Warranties; No Survival. Except for the representations and warranties contained in this Article VI (subject to the disclosures set forth on the Schedules) and in the other Transactions Documents, as applicable, neither Sellers nor any other Person on behalf of Sellers makes any express or implied representation or warranty with respect to Sellers, its Subsidiaries, the Business, the Acquired Assets, the Assumed Liabilities, the Transactions or with respect to any information provided by or on behalf of Sellers to Buyer and Seller disclaims any other representations or warranties, whether made by Seller, any Affiliate of Seller or any of their respective officers, directors, employees, agents or representatives. The Seller makes no representations or warranties to Buyer regarding the success or profitability of the Business. The representations and warranties of Sellers will expire upon the Closing Date.

ARTICLE VII

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers that the statements contained in this Article VII are true and correct as of the date hereof:

Section 7.1 Organization and Good Standing; Organizational Documents; Ownership. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and the Acquired Assets and to carry on its business as now

conducted and the Business. Buyer has delivered to Seller true and correct copies of the organizational documents of Buyer in effect as of the date hereof. All of the equity interests in Buyer as of the date hereof are owned of record and beneficially as set forth on Schedule 7.1.

Section 7.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform its obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the Transactions. The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the Transactions have been duly and validly authorized by all requisite corporate, partnership or limited liability company actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document required to be executed and delivered by Buyer at any time will be duly and validly executed and delivered by Buyer. This Agreement and (when duly executed by Buyer) the other Transaction Documents constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the Transactions, except for (a) expiration or termination of any applicable waiting periods under the HSR Act and similar foreign competition Laws and (b) such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a material adverse effect on Buyer's right or ability to consummate the Transactions. There are no consents of any Buyer Related Party required for the execution, delivery and performance of the Transaction Documents and the consummation of the Transactions, including for the satisfaction of any condition set forth in Article X or Article XI.

Section 7.3 No Conflict. When the consents and other actions described in Section 7.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the breach of any of the terms and provisions of, or constitute a default under, or materially conflict with, or require consent or the giving of a notice under, or cause any acceleration of any material obligation of Buyer under (a) any organizational documents of Buyer, (b) any Order or (c) any Law, except to the extent any such default, conflict or consent would not affect in any material respect Buyer's ability to consummate the Transactions.

Section 7.4 Financing; Availability of Funds.

(a) Buyer shall deliver to Sellers concurrently herewith or prior to the execution of this Agreement a true, correct and complete copy of:

(i) an executed equity commitment letter (the "Equity Commitment Letter") to Buyer from ESL Investments, Inc. (the "Sponsor"), including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which the Sponsor has committed to provide Buyer with equity financing in the amount set forth therein (the "Equity Financing") for the purpose of funding the Transactions;

(ii) an executed mortgage loan commitment letter (the “Real Estate Commitment Letter”) to Buyer from the Cyrus Lender and the Sponsor, including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which Cyrus and the Sponsor have committed to provide Buyer with real estate mortgage financing in the amount set forth therein (the “Real Estate Financing”) for the purpose of funding the Transactions;

(iii) the executed Cyrus Commitment Letter; and

(iv) the executed Debt Commitment Letter and the related fee letter (provided that fees, economics and other provisions which are customarily redacted in connection with acquisitions of this type may be redacted in a customary manner (to the extent any such provisions would not adversely affect the conditionality, enforceability, or availability of the Debt Financing)).

(b) As of the date hereof, the Commitment Letters are in full force and effect and has not been withdrawn or terminated or otherwise amended or modified in any respect. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors’ rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the Financing that could affect the availability of the full amount of the Financing on the Closing Date as contemplated by the Commitment Letters and (y) there are no conditions precedent or other contingencies related to the funding of the full amount of the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(c) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder, the net proceeds from the Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer’s ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any

Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Section 7.7 Condition of Acquired Assets; Representations.

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article VI (subject to the disclosures set forth on the Schedules), and Buyer acknowledges and agrees that the Acquired Assets are being transferred on an “as is”, “where is” basis. Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied solely on the results of its own independent investigation. In connection with Buyer’s investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

(vi) not to cancel or compromise any claim or waive or release any right related to any Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets);

(vii) except as required by Section 8.1(a) or permitted under Section 8.1(b)(iii) with respect to Outbound IP Licenses, not to amend, supplement, modify, terminate or enter into any Leases, Outbound IP Licenses (under which a Seller is a licensor) or other Potential Assigned Agreements;

(viii) unless required by Law, not to take any action, without the consent of Buyer (which may not be unreasonably delayed, conditioned or denied), with respect to Taxes or Tax matters that is not in the Ordinary Course Of Business and that would materially adversely affect the Potential Acquired Assets, the Properties, Business and the Assumed Liabilities or otherwise could reasonably be expected to increase the Tax Liability of Buyer or any of its Affiliates;

(xi) not to seek or obtain an order approving rejection of a Lease or other Potential Assigned Agreement;

(xii) not to issue any gift cards, gift certificates, merchandise credits, return credits, customer membership or customer loyalty discount programs, coupons, groupons or other similar credits or programs at a discount or pursuant to any promotion that would result in any Seller receiving less than face value in such issuance;

(c) Without in any way limiting any Party's rights or obligations under this Agreement, the Parties understand and agree that (i) nothing contained in this Agreement shall give Buyer, directly or indirectly, the right to control or direct the operations of Sellers, Sellers' business or the Properties prior to the applicable Closing Date and (ii) prior to the Closing Date, Sellers shall exercise, consistent with, and subject to, the terms and conditions of this Agreement, complete control and supervision over the operations of Sellers, the Business and the Properties to the extent permitted by Law, including taking into account Sellers' status as debtors-in-possession in the Bankruptcy Case. Notwithstanding anything herein to the contrary, Sellers shall be permitted to take all actions that are necessary or desirable to comply with the WARN Act, including providing any notices required under the WARN Act, and no such actions shall constitute a violation of this Section 8.1.

Section 8.2 Bankruptcy Court Matters.

(a) Approval of Expense Reimbursement. In consideration for Buyer having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of Seller, subject to the approval of the Bankruptcy Court, (i) in the event of the Closing, at the Closing in accordance with Section 3.3(a), (ii) if this Agreement is terminated by Buyer or Seller pursuant to Section 12.1(a)(ii) or by Buyer pursuant to Section 12.1(b), within three (3) Business Days of such termination or (iii) if this Agreement is terminated due to consummation of a Competing Transaction pursuant to Section 12.1(a)(iii), within five (5) Business Days after the consummation of the Competing Transaction, Seller (or either of Seller or the successful bidder, in the case of clause (iii)) shall pay Buyer, in accordance with the terms hereof an amount equal to the amount of the reasonable and documented fees,

expenses or other disbursements of the Buyer Related Parties incurred in connection with the Transactions, including the reasonable and documented fees and expenses of its professional advisors incurred in connection with the Transactions, including amounts arising from any investigation, prosecution of any claims, causes of action, adversary proceedings or other litigation or threatened litigation into the validity of the Buyer Related Parties' liens or claims and the Buyer Related Parties' ability to credit bid and any defenses prepared in connection therewith, and up to an aggregate amount of \$30,000,000 (the "Expense Reimbursement Amount"). Buyer acknowledges that this Agreement is subject to an overbid at the Auction, and that, in the event this Agreement is terminated pursuant to Section 12.1(a)(iii), Sellers shall have no liability to Buyer under this Agreement other than to pay the Expense Reimbursement Amount as set forth herein; provided, however, that nothing in this sentence shall relieve Sellers from any liability for any willful and material breach of this Agreement prior to its termination. For the avoidance of doubt, payment of the Expense Reimbursement Amount shall not relieve Sellers of any obligation (a) in respect of any Buyer Related Party's secured debt in Sellers or (b) with respect to any other Contracts or other arrangements to which any Buyer Related Party may be a party from time to time.

(b) Bankruptcy Court Filings and Approvals.

(i) Buyer agrees that it will promptly furnish such affidavits or other documents or information for filing with the Bankruptcy Court as are reasonably requested by Sellers to assist Sellers in obtaining entry of the Approval Order, including a finding of adequate assurance of future performance by Buyer. Sellers shall provide Buyer with advance drafts of any motions, pleadings or Bankruptcy Court filings relating to the sale of the Acquired Assets or the Approval Order as soon as reasonably practicable but in any event no later than two (2) Business Days prior to the date Sellers intend to file such motion, pleading or Bankruptcy Court filing. Buyer may file or join in any motion, pleading or Bankruptcy Court filing in support or seeking approval of, and reply to any response or objection to, the sale of the Acquired Assets hereunder, and the Approval Order.

(ii) Sellers shall file such motions or pleadings as may be appropriate or necessary to assume and assign the Assigned Agreements and to determine the amount of the Cure Costs; provided, that subject to Section 2.7, Section 2.9 and Section 5.2, nothing herein shall preclude Sellers from filing such motions, including from and after the Petition Date, to reject any Contracts that are not Assigned Agreements.

(iii) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Sellers of higher and/or better Competing Transactions.

(iv) Sellers and Buyer acknowledge that Buyer (or any applicable Assignee) must provide adequate assurance of future performance under the Assigned Agreements to be assigned by Sellers, and Buyer hereby agrees to provide such adequate assurance to the extent required under the Bankruptcy Code and the Bidding Procedures Order, including by demonstrating financial wherewithal to pay Cure Costs.

(v) Buyer shall provide any cooperation reasonably requested by any consumer privacy ombudsman appointed in these Cases and shall use commercially reasonable

efforts to take all reasonable actions recommended by such ombudsman in any report authored by such ombudsman and provided to the Bankruptcy Court.

(vi) After entry of the Approval Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Approval Order.

(vii) If applicable, Sellers shall cause any plan of reorganization or liquidation approved in the Bankruptcy Cases to permit assumption of Sellers' executory contracts and unexpired leases of real property through the end of the Designation Rights Period.

(c) Back-Up Bidder. Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the Auction, if (i) Buyer submits the second highest or second best bid at the Auction or the terms of this Agreement constitute the second highest or best bid, and (ii) Sellers give written notice to Buyer on or before the tenth (10th) Business Day prior to the Outside Date, stating that Sellers (A) failed to consummate the sale of the Acquired Assets with the winning bidder, and (B) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including the Purchase Price.

(d) Bankruptcy Milestones. The Parties will use reasonable best efforts to comply with the following milestones:

(i) to obtain entry of the Approval Order by the Bankruptcy Court on or before February 4, 2019.

(ii) to close the Transactions on or before February 8, 2019.

Section 8.3 Registrations, Filings and Consents.⁵

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

⁵ Note to Draft: Subject to completion of antitrust filing analysis.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than the fifth (5th) calendar day following the date hereof, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed

(or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.

(a) From the date hereof to earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Closing Date, Sellers shall provide to Buyer and shall use reasonable best efforts to cause its officers, employees and advisors to provide to Buyer, such cooperation as is customary for financings of the type contemplated by the Commitment Letters and as is reasonably requested by Buyer in connection with arranging and obtaining the Financing, which cooperation includes using reasonable best efforts to (i) cause the participation by one or more representatives of senior management in a reasonable number of meetings, presentations, road shows, drafting sessions and due diligence sessions upon reasonable prior notice and in reasonably convenient locations, (ii) furnish Buyer, its Affiliates and the Financing Sources with

the Required Information, (iii) reasonably assist Buyer and the Financing Sources with the preparation of (A) one or more customary bank information memoranda (and, to the extent necessary, additional information memoranda that do not include material non-public information), (B) customary materials for rating agency presentations, (C) syndication materials, (D) lender presentations and (E) other marketing and similar documents, each in connection with the syndication and marketing of the Debt Financing (including the delivery of customary representation letters and authorization letters), (iv) take all customary actions necessary and requested to permit the Financing Sources to evaluate Sellers' current assets, cash management and accounting systems, policies and procedures relating thereto for the purposes of establishing collateral arrangements as of the Closing and to assist with other collateral audits and due diligence examinations, (v) provide Buyer and the Financing Sources with reasonable access to the books and records, properties, officers, directors, agents and representatives of Sellers, (vi) reasonably cooperate with the marketing efforts of Buyer and the Financing Sources for any portion of the Debt Financing, including ensuring that the syndication efforts benefit materially from the existing banking relationships of Sellers, (vii) permit the use by Buyer and its Affiliates of the Sellers' logos and/or Trademarks in connection with the Financing, provided that such logos and/or marks are used in a manner that is not intended, or reasonably likely, to harm or disparage Sellers, (viii) cause Sellers' accountants, if requested, to consent to the use of their reports in any material relating to the Financing, (ix) coordinate the prepayment and termination of any existing indebtedness of Sellers that is being repaid or otherwise discharged under this Agreement to remain outstanding after the Closing Date, the termination on the Closing Date of all guarantees and security interests in connection therewith and the delivery of customary Payoff Letters (including the delivery of draft Payoff Letters at least five (5) Business Days prior to the anticipated Closing Date), lien releases, termination documentation and instruments of discharge with respect to the foregoing, in each case reasonably satisfactory to Buyer, (x) cause the taking of corporate actions by the Sellers that are necessary to permit the consummation of the Financing on the Closing Date as are reasonably requested by Buyer and (xi) execute and deliver any documents as reasonably requested by Buyer as are customary in financings of such type and as are accurate, and otherwise facilitate the pledging of and granting, recording and perfection of security interests in share certificates, securities and other collateral (including releasing any Liens on the Acquired Assets in connection with any existing indebtedness of Sellers) and the obtaining of appraisals, surveys and title insurance as reasonably requested by Buyer; it being understood and agreed that (A) no such corporate action will take effect prior to the Closing and (B) any such corporate action will only be required of the directors, members, partners, managers or officers of the Sellers who retain their respective positions as of the Closing; provided that no obligation of Sellers shall be effective until the Closing Date; provided, however, that nothing herein shall require Sellers to (A) take any action that would be effective prior to the Closing to the extent it would interfere materially and unreasonably with the business or operations of Sellers, (B) waive or amend any terms of this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (C) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (D) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any material contract to which any of Sellers is a party or (E) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent

such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers.

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis (taking into account the expected timing of the Marketing Period) all terms, conditions, representations and warranties applicable to Buyer set forth in the Commitment Letters (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the Commitment Letters) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' failure to furnish Required Information or Sellers' breach of their obligations hereunder), (ii) maintain in effect the Commitment Letters through the Closing Date (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into definitive agreements with respect thereto on the terms and conditions contemplated by the Commitment Letters (other than the Equity Commitment Letter) (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof) and enforce (subject to satisfaction of the conditions in the Commitment Letters) its rights under the Commitment Letters (other than the Equity Commitment Letter) and (iv) upon satisfaction of the conditions set forth in the Commitment Letters, consummate the Debt Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any "flex" provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, in each case other than as a result of a breach by Sellers of any representation, warranty or covenant contained in this Agreement that would cause the Financing not to be available in accordance with the terms of the Commitment Letters, Buyer shall use its reasonable best efforts to obtain substitute

alternative debt financing (the “Alternative Financing”) for all or such portion of such funds to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter and (ii) that does not expand upon the conditions precedent or contingencies to funding the Financing on the Closing Date as set forth in the Commitment Letters or definitive agreements with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing. For the avoidance of doubt, references to the “Debt Commitment Letter” shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any material breach or default) by Buyer under the Commitment Letters, or to the knowledge of Buyer, any other party to the Commitment Letters or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the Commitment Letters with respect to any actual or threatened material breach, default, termination or repudiation by any party to the Commitment Letters or any definitive agreement related thereto or any provision of the Financing or any definitive agreement related thereto (including any proposal by any Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by Commitment Letters). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers’ prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the Debt Commitment Letter, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)) (unless such portion is not reasonably required to fund the transactions contemplated by this Agreement) or (B) imposes new or additional conditions precedent or changes the conditions precedent to the Financing or otherwise changes the terms of the Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the Financing materially less likely to occur or adversely impact in any material respect Buyer’s ability to enforce its rights under any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend any Debt Commitment Letter to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together with any amendments or modifications to such Commitment Letter in connection therewith, would not result in the occurrence of a modification to such Commitment Letter prohibited by this clause (i)) and (ii) early termination of such Debt Commitment Letter (unless, in the case of the Debt Commitment Letter, the Real Estate Commitment Letter or the Cyrus Commitment Letter, Buyer has arranged Alternative Financing to the extent permitted or required by Section 8.5(a)). Buyer shall provide to Sellers copies of any commitment letter

associated with a replacement Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter (including the Debt Commitment Letter). For the avoidance of doubt, references to any “Commitment Letter” shall include as such Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification.

Section 8.6 Trade Payables. The Sellers shall make all payments in respect of payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers’ cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller’s obligations pursuant to this Section 8.6 with respect to taxes are limited to taxes that are not Assumed Liabilities. Within seven (7) days following the date hereof, the Sellers shall deliver to Buyer an initial report containing an aging report for all payables of the Business allocated by vendor. For the period following the date of this Agreement until the Closing Date, Sellers shall make their employees and advisors (including the Chief Restructuring Officer) reasonably available (during business hours) upon reasonable advance notice from Buyer to answer any questions Buyer may have, and provide such additional information Buyer may reasonably request, with respect to any accrued payables of the Business.

ARTICLE IX

ADDITIONAL AGREEMENTS

Section 9.1 Access to Information. Sellers agree that, prior to the Closing Date, Buyer shall be entitled, through its officers, employees and representatives (including legal advisors, Financing Sources, consultants, appraisers and accountants), to make such investigation of the properties (including non-invasive environmental site assessments), businesses and operations of Sellers’ businesses (including any of the Properties) and such examination of the Books and Records of Sellers’ businesses, the Acquired Assets and the Assumed Liabilities as is reasonable (and reasonably requested) and to make extracts and copies of such Books and Records. Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer’s representatives in connection with such investigation and examination, and Buyer and Buyer’s representatives shall reasonably cooperate with Sellers and Sellers’ representatives and Buyer and Buyer’s representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers’ business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes on or before the Closing Date, (iv) implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement or (z) taking or refraining from taking any action required by this Agreement or under the law, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to Sears at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor, (ii) Buyer shall be entitled to an injunction or

injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder, and (iii) this Agreement shall not become effective unless the Bankruptcy Court shall have specifically approved and confirmed the availability of such injunctive and specific performance remedy for the benefit of Buyer.

(c) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a “Straddle Period”), shall be allocated to the Pre-Assignment Tax Period based on a “closing of the books” method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(d) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d) hereof) (“Transfer Taxes”) shall be borne solely by Buyer. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(b) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale

Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers' or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section 382(l)(5) of the Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(b) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h) hereof, Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds. Any payments required to be made under this Section 9.3(b) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(c) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(d) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the "Allocation Schedule").⁶ The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that

⁶ **Note to Sellers:** Please provide estimate of income and non-income taxes relating to the business and the transaction as soon as possible.

Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45) days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the Seller's reasonable determination; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from winding down their operations and dissolving

their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective bargaining agreement ("Represented Employees") using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not

represented by a labor union (“Non-Represented Employees”), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required by Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as “Transferred Employees.[”]

(b) Except as otherwise expressly provided in this Section 9.7(b), with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the calendar year in which the first (1st) anniversary of the Closing Date occurs, subject to such Transferred Employee’s continued employment with Buyer or any of its Subsidiaries (as applicable) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date. For the avoidance of doubt, (i) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (ii) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers.

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller’s or its Subsidiaries’ medical, dental or health plans during the portion of the calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical, dental and health plan provider to provide such waivers and credits contemplated by the first (1st)

sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the first (1st) anniversary of the Closing Date that are at least equal to the severance and other separation benefits (excluding any long term incentive, equity incentive, defined benefit pension or retiree welfare and life insurance benefits) provided by Seller and its Subsidiaries to such Transferred Employee, as in effect on the date of this Agreement.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees (i) any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the calendar year prior to calendar year in which the Closing occurs is paid by Sellers, and (ii) a pro rata portion of any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the calendar year in which the Closing occurs is deemed earned under the applicable bonus plans of Sellers, based on the number of days in such calendar year that have elapsed as of and including the Closing Date. The amount to be paid will be (i) determined by multiplying the bonus otherwise payable for the calendar year of the Closing under the applicable Seller's and its Subsidiaries' bonus plans by a fraction, the numerator of which is the number of days between January 1 of the year of the Closing and the Closing and the denominator of which is 365, and (ii) paid in the year following the year of the Closing when Seller's employee bonuses are otherwise paid.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an "M&A Qualified Beneficiary" (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) [Reserved]

(j) From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay made by any Seller to any employee of any Seller whose employment with any of the Sellers terminates following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be covered by Buyer's obligations as set forth in Section 9.7(e)), to the extent of the cash severance or other cash separation pay that would have been due and payable had such employee's employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(j), the "Severance Reimbursement Obligations").

(k) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(j), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

(l) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, use reasonable best efforts to establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code ("Buyer's Savings Plan") that will permit participation by all Transferred Employees who are participating in Seller's or its Subsidiaries' 401(k) Plan, qualified under Sections 401(a) and 401(k) of the Code ("Seller's Savings Plan") as of the Closing Date.

(ii) No assets or liabilities of Seller's Savings Plan shall be transferred to Buyer's Savings Plan, other than in connection with a rollover of a Transferred Employee's account balance under Seller's Savings Plan. Except as could reasonably be expected to cause the Buyer's Savings Plan to cease to qualify under Section 401(a) and 401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer's Savings Plan any rollover distribution (in cash or loan notes of any "eligible rollover distribution" (within the

meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause its Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller's Savings Plan shall be fully vested and nonforfeitable.

(m) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

(n) Sellers and Buyer hereby agree to follow the "alternate procedure" for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

(a) Seller shall pay when due any and all Occupancy Expenses with respect to each Owned Real Property solely to the extent arising during the period commencing on the Petition Date through the Closing Date.

(b) From the date hereof through the Closing Date, Seller shall use commercially reasonable efforts to maintain and preserve each Owned Real Property and all related Acquired Assets in a condition substantially similar to their present condition. Prior to Closing, Seller shall not without Buyer's consent, and shall not solicit any other Person to, (A) sell, transfer, assign, convey, lease, license, mortgage, pledge or otherwise encumber any Owned Real Property or related Acquired Asset (other than sales of Inventory in accordance with the terms of this Agreement, Permitted Encumbrances and any applicable statutory liens (solely to the extent that such Owned Real Property or related Acquired Asset will be transferred free and clear of such statutory liens pursuant to the applicable transfer document)), (B) grant or terminate any other interests in any Owned Real Property or related Acquired Asset, (C) cancel or compromise any claim or waive or release any right, in each case that is related to any Owned Real Property or any related Acquired Assets (for the avoidance of doubt, other than any Excluded Assets), (D) take any action with respect to Taxes or Tax matters that could reasonably be expected to result in an Encumbrance on any Owned Real Property or related Acquired Assets (other than Permitted Encumbrances) or (E) enter into any agreement or commitment to take any action prohibited by this Section 9.8(b).

(c) From and after the date hereof through Closing, Sellers shall bear the risk of loss or damage to the Owned Real Property and Seller shall continue all insurance policies with respect to the Owned Real Property or policies providing substantially similar coverages to the extent available at commercially reasonable rates (and in all instances without any reductions in the amounts of available coverage), including comprehensive public liability, casualty and umbrella liability insurance, and shall cause Buyer to be named as a loss payee or additional insured, as applicable, with respect to all such policies. Seller shall pay to Buyer on the Closing Date all insurance recoveries and all warranty and condemnation proceeds received or receivable after the date hereof with respect to the Owned Real Property. In connection with any payment of recoveries or proceeds under this Section 9.8(c), (i) such payment of recoveries or proceeds shall not include any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such payment of recoveries or proceeds shall be reduced by the amount of (x) all actual and documented, reasonable out of pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out of pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

Section 9.9 Title Matters.

(a) Buyer, at its own discretion and sole expense, may order preliminary title reports from a nationally recognized title company (the "Title Company") with respect to any of the Leased Premises or Owned Real Property (the property covered by such reports being referred to herein as the "Titled Property"). Seller shall at no cost, expense or Liability to Seller, cooperate in good faith with Buyer and the Title Company in connection with the compilation of title to the Titled Property and in connection with any efforts by Buyer to obtain title insurance policies pursuant thereto on behalf of itself and/or its lender, including, in the case of any efforts by Buyer to obtain lender's title insurance policies on behalf of its lender, by providing reasonable affidavits and other similar instruments as are reasonably required by the Title Company for the deletion of any standard or printed exceptions in such lender's title insurance policies that are customarily deleted by virtue of a seller delivering such instruments in commercial real estate transactions in the state or province in which the Titled Property which is the subject of such lender's title insurance policy is located. Subject to the foregoing proviso, such cooperation by Seller and its Subsidiaries shall include providing Buyer and the Title Company copies of, with respect to Titled Property, reasonably requested existing surveys, maps, existing title reports and title insurance policies and true and complete copies of the encumbrance documents identified therein, to the extent the same are in the possession of Seller or its Subsidiaries and are not publicly available.

(b) Sellers shall use reasonable best efforts to resolve the claims of mechanic's liens identified in section 2 of Schedule 6.5 prior to Closing, including so that the related Leased Real Property or Owned Real Property in each instance is unencumbered by any lien of record securing such claim. In each case where Sellers fail to resolve the claim identified in such section 2 of

Schedule 6.5 (such resolution to be reflected by customary documentation evidencing a release of the subject claim and of any related liens), including where a lien securing such claim remains of record, as of Closing, the Purchase Price shall be reduced by the amount of such unresolved claim or unreleased lien.

Section 9.10 Use of Name. Sellers agree that they shall (i) as soon as practicable after the Closing Date and in any event within ninety (90) days following the Closing Date, cease to make use of the Trademarks included in the Acquired Intellectual Property and change the Business Names of all of their applicable Affiliates to a Business Name that does not consist of, contain or incorporate any Trademarks included in the Acquired Intellectual Property, (ii) as promptly as practicable after the Closing Date, file a motion with the Bankruptcy Court to amend the caption of the Bankruptcy Cases to reflect a change in the name of the Sellers in accordance with the foregoing clause (i) and (ii) immediately after the Closing, cease to hold themselves out as having any affiliation with the Acquired Assets. (iii) if Sellers accept or agree to any Competing Transaction or upon approval by the Bankruptcy Court of, or the filing by or on behalf of any Seller of a motion or other request to approve, a Competing Transaction; provided, however, that if Seller, pursuant to Section 8.2(c) and the Bidding Procedures Order, has designated Buyer as a “Back-Up Bidder,” then Buyer shall not be permitted to terminate this Agreement prior to the Outside Date except as consistent with the terms of Section 8.2(c) and the Bidding Procedures Order; or

(iv) by mutual written consent of Sellers and Buyer.

(b) by Buyer:

(i) in the event of any breach by any Seller of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 10.1 or Section 10.2 to be satisfied, and the failure of Sellers to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Buyer of their intention to exercise their rights under this Section 12.1(b)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(b)(i) shall not be available to Buyer if Buyer is in breach of any of its representations, warranties, covenants or agreements contained herein in a manner that would result in the failure of a condition set forth in Article XI to be satisfied;

(iii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before January 31, 2019, or if the Approval Order has not been entered on or before January 31, 2019 (or is vacated or stayed as of such date).

(i) in the event of any breach by Buyer of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 11.1 or Section 11.2 to be satisfied, and the failure of Buyer to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Sellers of their intention to exercise their rights under this Section 12.1(c)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(c)(i) shall not be available to Seller if Sellers are themselves in breach of any of their representations, warranties, covenants or agreements contained herein, in each case in a manner that results in the failure of a condition set forth in Article X to be satisfied; or

(ii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before January 31, 2019, or if the Approval Order has not been entered on or before January 31, 2019 (or is vacated or stayed as of such date).

Section 12.2 Effect of Termination.

(a) Subject to Section 8.2(a) and the first sentence of Section 12.2(b), in the event of any termination of this Agreement pursuant to Section 12.1, this Agreement (other than the provisions set forth in this Section 12.2, Section 12.3 and Article XIII) shall forthwith become null and void and be deemed of no further force and effect. Subject to Section 8.2(a), Section 12.2(b) and the provisions set forth in the immediately preceding sentence, there shall be no liability or obligation thereafter on the part of any Party. Notwithstanding the foregoing, subject to the second sentence of Section 12.2(b), any such termination shall not limit any Party's liability for any willful and material breach prior to the time of such termination. For purposes of this Agreement, "willful

and material breach" means a material inaccuracy or breach of any material representation, warranty or covenant or other agreement set forth in this Agreement that is a consequence of an act or failure to act by or on behalf of the breaching Party with knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, result in a breach of this Agreement. In the event of any termination of this Agreement pursuant to Section 12.1 (other than a termination by Sellers pursuant to Section 12.1(c)(i)), Sellers shall promptly (and in no event later than two (2) Business Days following such termination) return to Buyer the Deposit Amount and any other deposit delivered by Buyer to Sellers pursuant to the Bidding Procedures Order. Notwithstanding anything to the contrary in this Agreement, except for a case of a willful and material breach, the maximum liability of the Seller and its Subsidiaries under this Agreement shall not exceed the Expense Reimbursement Amount.

(b) In the event of any valid termination of this Agreement by Sellers pursuant to Section 12.1(c)(i), then Sellers, as Sellers' sole and exclusive remedy as a result of such termination, shall have the right to retain the Deposit Amount, if any. Notwithstanding anything to the contrary in this Agreement, the maximum liability of Buyer under this Agreement shall not exceed the Deposit Amount.

Section 12.3 Termination and Adjustment Rights of Buyer as to Properties and Related Acquired Assets.

(a) If a material portion of any Lease Premises, a material portion of any Owned Real Property, or a material portion of the Potential Acquired Assets related to the Lease Premises is materially damaged or destroyed, or the physical condition thereof is materially and adversely changed (including as a result of failure of proper repair or maintenance or environmental contamination that occurs from and after December 28, 2018), or any Lease Premises or Owned Real Property is subject to a condemnation or other governmental taking of a material portion thereof or any shopping center in which a Lease Premises is located is damaged, destroyed or condemned such that the operations of such Lease Premises are materially and adversely affected (each of the foregoing, a "Casualty / Condemnation Event") at any time from the date of this Agreement up to and including the Closing, Sellers shall provide prompt written notice of such Casualty / Condemnation Event to Buyer. If such Casualty / Condemnation Event is such that (i) restoration of such Lease Premises or Owned Real Property to substantially the same condition as prior to such Casualty / Condemnation Event would take six (6) months or longer, (ii) in the case of a condemnation, to the extent such Lease Premises, Owned Real Property, shopping center or other area cannot be substantially restored to the same condition as prior to such condemnation or alternate modifications made to enable operations in a substantially similar manner, (iii) the applicable landlord shall have the right to terminate the related Lease and such right has not been waived or has not expired or (iv) any applicable landlord, lender or other third party is entitled to receive the awards or proceeds otherwise attributable to the leasehold interest, in the case of a Lease Premises (and is not required to make such award or proceeds available for purposes of restoration and repair or replacement) (each, a "Material Casualty / Condemnation Event"), Buyer shall elect within ten (10) days after notice of such Casualty / Condemnation Event from Sellers (which notice, in the case of a Material Casualty / Condemnation Event, shall specify that such Casualty / Condemnation Event constitutes a Material Casualty / Condemnation Event), together with Sellers' best estimate of the net amount of insurance proceeds and/or condemnation award

available to Buyer pursuant to Section 12.3(c) (including any deductions pursuant to Section 12.3(c)), to either (A) in the case of a Lease Premises, acquire Designation Rights with respect to such Lease Premises at the Closing or, in the case of Owned Real Property, acquire such Owned Real Property at the Closing and, in either case, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award or proceeds relating to such Casualty/Condemnation Event at the Closing (with a credit to Buyer against the Purchase Price for any deductible required under such insurance but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) or (B) in the case of a Lease Premises, decline to acquire Designation Rights with respect to such Lease Premises or, in the case of Owned Real Property, decline to acquire such Owned Real Property, in which case the Purchase Price shall be reduced by the portion thereof allocated to such Lease Premises or Owned Real Property, as determined by agreement of the parties hereto or by the Bankruptcy Court. For the avoidance of doubt, Casualty / Condemnation Events that are subject to this Section 12.3(a) are only those occurring during the period from the date of this Agreement up to and including the Closing. Additionally, in the case of any Owned Real Property identified in section 4 of Schedule 6.6(a) with respect to which a claim for damages to buildings or fixtures is pending as of the date of this Agreement, (i) Sellers shall assign to Buyer any right Sellers have to any insurance proceeds relating to such claim at the Closing (with a credit to Buyer against the Purchase Price for any deductible required under such insurance but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) and (ii) to the extent the insurance proceeds assigned to Buyer pursuant to clause (i) are less than the amount of such claim (minus any applicable deductible) as set forth in such section 4 of Schedule 6.6(a), the Purchase Price shall be reduced by the amount of such deficiency.

(b) In the case of a casualty or condemnation occurring prior to Closing other than a Material Casualty / Condemnation Event, Sellers shall give Buyer prompt written notice thereof and (i) Sellers may elect to restore such Lease Premises or Owned Real Property but shall have no obligation to do so (and shall give Buyer prompt written notice of such election), and (ii) if, in the case of a Lease Premises, Buyer shall elect to acquire the related Designation Rights or, in the case of Owned Real Property, Buyer shall elect to acquire such Owned Real Property, in either case pursuant to Section 12.3(a)(A) above Sellers shall, at the Closing, assign to Buyer all awards or other proceeds for such taking by eminent domain or condemnation or the right to receive proceeds of any insurance for such damage or destruction (to the extent not applied as provided in clause (i) of this Section 12.3(b) and not attributable to Sellers' lost rents or like amounts applicable to any period prior to the applicable Closing and with a credit to Buyer against the Purchase Price for any deductible required under such insurance).

(c) In connection with any assignment of awards, proceeds or insurance under this Section 12.3, (i) such assignment of proceeds or awards shall not include any awards, proceeds or insurance to the extent attributable to lost rents or similar costs applicable to any period prior to the applicable Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such assignment of proceeds or awards shall be

reduced by the amount of (x) all actual and documented, reasonable out-of-pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out-of-pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

(d) Buyer shall have the right, prior to Closing, to decline to acquire (i) Designation Rights with respect to any Lease and related Potential Acquired Assets or (ii) any Acquired Assets, in each case if and only if any Consent from any Person (other than a Governmental Authority) has not been obtained from such Person or has not otherwise been provided for pursuant to the Approval Order, the absence of which prevents the acquisition or exercise of the Designation Rights with respect to such Lease and related Potential Acquired Assets or the acquisition of such Acquired Assets; provided, that if the failure to obtain such Consent is curable, Sellers shall have until the earlier of (i) the Closing Date or (ii) ten (10) days after receipt of Buyer's notice of intent to terminate to obtain such Consent; and provided, (c) further that, for the avoidance of doubt, the provisions of this Section 12.3(d) shall not apply with respect to any license (incoming or outgoing) of any Intellectual Property.

This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements,

understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction Documents and the Transactions. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the Financing Sources in connection with the Financing; provided further that that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection

with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action (whether in contract or tort) brought against the Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the

transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the Financing Sources are intended third party beneficiaries of Section 9.14(b)-(e), Section 10.10, this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The costs of any privacy ombudsman shall be borne equally between Buyer, on the one hand, and Sellers, on the other hand, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. No other Person, including any Buyer Related Party (other than Buyer) or any of the Parties' Affiliates, directors, officers, employees, incorporators, members, partners, managers, stockholders, agents, attorneys, or representatives of, or any

financial advisors or lenders to (including the Financing Sources), any of the foregoing (together, the “Non-Recourse Parties”) shall have any liabilities for any Claims or Liabilities arising under, out of, in connection with, or related in any manner to, this Agreement, the Transactions or the Debt Financing or based on, in respect of, or by reason of, this Agreement or its negotiation, execution, performance or breach, whether at law, in equity, in contract, in tort or otherwise.

Section 13.13 Schedules; Materiality. The inclusion of any matter in any Schedule shall be deemed to be an inclusion for all purposes of this Agreement, to the extent that the relevance of such disclosure to any Section is readily apparent from the text of such disclosure, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Schedule shall not be deemed an admission as to whether the fact or item is “material” or would constitute a “Material Adverse Effect.”

Section 13.14 Specific Performance. The Parties acknowledge and agree that (a) irreparable injury, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that any of the provisions of this Agreement are not performed in accordance with the specific terms hereof or are otherwise breached, and (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain (without the posting of any bond) specific performance of the terms of this Agreement by the breaching Party or Parties. If any Proceeding is brought by the non-breaching Party or Parties to enforce this Agreement, the Party in breach shall waive the defense that there is an adequate remedy at Law.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed and delivered by their duly authorized representatives, all as of the Effective Date.

Ladies and Gentlemen,

Reference is made to the definitive bid proposal submitted by Transform Holdco LLC (“Buyer”), a newly formed entity controlled by ESL Investments, Inc. (“ESL”) on December 28, 2018 (the “Going Concern Proposal”), which is attached to this letter as Exhibit A.¹ The Going Concern Proposal on the terms reflected in the December 28, 2018 letter expired in accordance with its terms on January 4, 2019 and this letter (this “Revised Proposal”) indicates certain revisions to the terms on which Buyer is prepared to acquire substantially all of the go-forward retail footprint and other assets and component businesses (the “Assets”) of Sears as a going concern. Except as modified by this Revised Proposal, the terms set forth in the Going Concern Proposal are incorporated by reference herein. This Revised Proposal constitutes a Qualified Bid (as defined in the Bidding Procedures) in accordance with the oral rulings of the Court and the agreements reached among ESL, the Debtors and the Consulting Parties (as defined in the Bidding Procedures) at the Chambers Conference and the Status Conference before the Court on January 8, 2019 (the “Hearing”).

This Revised Proposal includes the assumption of additional liabilities that may increase the total purchase price presented by Buyer’s proposal by over \$600 million, which, together with the purchase price set forth in the Going Concern Proposal, would provide aggregate consideration to the Debtors in excess of \$5 billion. In connection with the Revised Proposal, Buyer is providing counsel to the Debtors with a revised Asset Purchase Agreement (the “Revised Asset Purchase Agreement”), which sets forth in further detail the proposed terms of the Revised Proposal. The Revised Proposal includes the following revisions:

1. **Assumption of Liabilities.** In addition to the liabilities described in the Going Concern Proposal, Buyer proposes to assume up to \$663 million in additional liabilities identified in consultation with the Debtors. This amount consists of the following, to be paid by Buyer in accordance with the Revised Asset Purchase Agreement:
 - a. Up to \$166 million of payment obligations with respect to goods ordered by Debtors prior to the closing of the proposed transactions (but as to which goods Debtors have not yet taken delivery and title prior to closing);
 - b. Up to \$139 million of 503(b)(9) administrative priority claims;
 - c. Up to \$43 million of additional severance costs to be incurred by the Debtors;
 - d. All cure costs related to contracts to be assumed by Buyer (estimated to be up to \$180 million); and
 - e. Up to \$135 million of property taxes with respect to the properties to be acquired by Buyer.

In the event that the sum of the amounts outstanding under Debtors’ first lien ABL DIP facility and Debtors’ junior DIP facility (net of any cash available to pay down such amounts) is less than \$1.2 billion at the time of closing the proposed transactions, Buyer’s obligation to assume the foregoing liabilities

¹ Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Going Concern Proposal.

shall be reduced dollar-for-dollar to the extent of such shortfall, with such reduction allocated in accordance with the Revised Asset Purchase Agreement. In a schedule shared with Buyer's representatives on January 6, 2019, the Debtors estimated cash available to pay down such outstanding amounts was \$89 million.

2. **Acquired Assets.** The Revised Proposal includes the acquisition by Buyer of additional assets that were proposed to be left with the Debtors' estate under the Going Concern Proposal, including:
 - a. Approximately 57 additional real estate properties;
 - b. Accounts receivable with respect to certain home warranties sold in FY 2018 with a book value of approximately \$53.6 million;
 - c. Other accounts receivable with a book value of at least \$256 million, inclusive of netting for allowances for bad debts;
 - d. Additional inventory with a book value of up to \$166 million with respect to which Buyer shall assume payment obligations as described in item 1.a. above (and as to which inventory Debtors have not yet taken delivery and title prior to closing);
 - e. Prepaid inventory with a book value of at least \$147 million as to which Debtors have not yet taken delivery and title prior to closing; and
 - f. All of the Debtors' rights relating to the claims set forth in the class actions consolidated in the multi-district litigation *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, No. 1:05-MD-01720 (E.D.N.Y.).
3. **Release.** The proposed consideration for the release of liabilities of ESL and certain ESL-related parties as further described in the Going Concern Proposal is comprised of \$35 million in cash, and the assumption of the additional liabilities of the Debtors described above.

Buyer is prepared to execute the Revised Asset Purchase Agreement in the form provided to Debtors' counsel, subject to agreement with the Debtors as to the form and substance of the schedules and exhibits to be attached thereto (with such form and substance to be acceptable to Buyer's financing sources). Buyer is prepared to work with Debtors and their counsel with the goal of reaching such agreement prior to commencement of the Auction.

In addition to the Revised Asset Purchase Agreement, we are separately providing updated executed copies of a debt commitment letter from the lenders named therein with regard to a new ABL facility (the "ABL Commitment"), a debt commitment letter from ESL and funds managed by Cyrus Capital Partners with respect to the rollover of certain debt facilities of the Debtors (the "Rollover Commitment"), a debt commitment letter from ESL and funds managed by Cyrus Capital Partners with respect to a new secured real estate loan (the "Real Estate Commitment"), and an equity commitment letter from ESL (the "Equity Commitment") to Debtors' counsel. Upon receipt of the funds described in the Debt Commitment, the Rollover Commitment, the Real Estate Commitment and the Equity Commitment, Buyer will have sufficient funds available to consummate the transactions contemplated by our Going Concern Proposal.

We are separately providing to Debtors' counsel with an updated copy of a letter executed by the collateral agent for the Second Lien Facilities authorizing the credit bid of the second lien debt. The letter executed by the administrative agent for the Dove Loan Agreement provided to Debtors' counsel at the time of the Going Concern Proposal remains in effect.

Pursuant to the Bid Procedures, and subject to the terms of the Escrow Agreement between Buyer, Sears and the Escrow Agent, we have deposited \$120 million in cash with the Escrow Agent selected by the Debtors (inclusive of the \$17.9 million deposit amount described at the Hearing and the amounts previously deposited at the time of submitting the Going Concern Proposal). The amounts deposited represent in excess of 10% of the cash component of the purchase price.

Based on the foregoing and our familiarity with the business of the Debtors, we are confident that Buyer can move quickly towards the consummation of a transaction as soon as possible following the conclusion of the Auction and approval by the Court.

This Revised Proposal, together with the Going Concern Proposal which it modifies, reflects our formal and binding offer for the assets on the terms and subject only to the conditions set forth in the Revised Asset Purchase Agreement. We agree to serve as a back-up bidder to the extent the Revised Proposal is selected as the next highest or next best bid after another successful bidder. We waive any claim or right to assert any substantial contribution administrative expense claim under section 503(b) of the Bankruptcy Code in connection with bidding for the Assets and/or participating in the Auction. We will not be entitled to any break-up fee and shall only be entitled to the expense reimbursement set forth in the Revised Asset Purchase Agreement on the conditions set forth therein if agreed to by the Debtors and approved by the Court.

This Revised Proposal and the Revised Asset Purchase Agreement shall automatically terminate and be deemed withdrawn at the earlier of (i) 5:00 p.m., New York time, on January 13, 2019, if Debtors have not confirmed in writing to Buyer that an "Auction" pursuant to the Bidding Procedures will be held on January 14, 2019 at which Buyer shall be allowed to participate and (ii) 5:00 p.m., New York time, on January 16, 2019, if Debtors have not confirmed in writing to Buyer that Buyer has been selected as a "Successful Bidder" (in connection with the transaction contemplated by the Revised Proposal) pursuant to the Bidding Procedures.

Ladies and Gentlemen,

This letter indicates the terms upon which Transform Holdco LLC (“Buyer”), a newly formed entity controlled by ESL Investments, Inc. (“ESL”), would be prepared to acquire substantially all of the go-forward retail footprint and other assets and component businesses of Sears Holdings Corporation (together with its subsidiaries, “Sears”) as a going concern (the “Going Concern Proposal”). This letter is being submitted in response to the process letter filed with the United States Bankruptcy Court for the Southern District of New York (the “Court”) on behalf of the debtors (the “Debtors”) in the Chapter 11 cases captioned as *In re Sears Holdings Corporation, et al.*, Case No. 18-23538 (Bankr. S.D.N.Y.) (RDD) on November 21, 2018 (the “Process Letter”) [Docket No. 862] and the Global Bidding Procedures (the “Bidding Procedures”) set forth in the Global Bidding Procedures Order entered on November 19, 2018 [Docket No. 816].

Sears is an iconic fixture in American retail and we continue to believe in the company’s immense potential to evolve and operate profitably as a going concern with a new capitalization and organizational structure. Our proposed business plan envisages significant strategic initiatives and investments in a right-sized network of large format and small retail stores, digital assets and interdependent operating businesses. We believe that our strategy will enable Sears to prosper in an integrated consumer and retail landscape and view a going concern transaction as essential to providing optimal value to creditors and shareholders.

We believe that a future for Sears as a going concern is the only way to preserve tens of thousands of jobs and bring continued economic benefits to the many communities across the United States that are touched by Sears and Kmart stores. We also believe that our Going Concern Proposal creates the best path for creating the most value for the Debtors’ estates, including creditors who would receive only minimal or no recoveries in a liquidation. We are prepared to move as quickly as possible to finalize and enter into the definitive agreements for the transactions contemplated by this letter. Our proposed Asset Purchase Agreement for the Going Concern Proposal, executed by Buyer, is being separately provided to Debtors’ counsel (the “Asset Purchase Agreement”).

We believe there are significant benefits to preserving and maximizing the relationships between and among Sears’ retail business and its other operating businesses. Purchasing them together enhances the value and potential of each by continuing to build on long-held commercial relationships and supporting the synergies created by shared marketing, manufacturing, technology and administrative teams, to name just a few. Our Going Concern Proposal includes substantially all of the assets of Debtors. To preserve intact as much as possible of Sears’ existing real estate footprint as part of the going concern, we also propose to acquire the equity of non-Debtors SRC O.P., LLC, SRC Facilities LLC and SRC Real Estate (TX), LLC (the “SRC Entities”) outside of the bankruptcy process, for total consideration anticipated to be approximately \$592,000,000 as of the closing of such acquisition (inclusive of the purchase price for equity and the assumption of all of the outstanding liabilities of the SRC Entities). Furthermore, our Going Concern Proposal contemplates our acquisition of all of the outstanding KCD IP Notes currently held by non-debtor Sears Reinsurance Company Ltd. (“Sears Re”), which are secured by the intellectual property comprising Kenmore and DieHard. Our proposed consideration for the KCD IP Notes is comprised of the assumption of the

protection agreement liabilities currently reinsured by Sears Re. We also would be willing to acquire the underlying Kenmore and DieHard intellectual property directly from non-Debtor KCD IP, LLC for additional cash consideration.

1. **Scope of Transaction.** As discussed above, Buyer proposes to acquire substantially all of the assets of Debtors pursuant to a sale under section 363 of the U.S. Bankruptcy Code. The purchased assets would include (a) the go-forward retail footprint of approximately 425 stores and related real estate interests (including headquarters and distribution locations) and certain designation rights with regard to additional real estate interests, inventory, infrastructure and material related contracts and (b) Sears Auto Centers, Shop Your Way, Monark, Innoval, Sears Home Services (including the PartsDirect business unit), material related contracts and the KCD IP Notes. Based on information provided by the Debtors, the Going Concern Proposal is based on the purchased assets including Sears' retail inventory and credit card and pharmacy receivables with a book value of no less than approximately \$1.7 billion.

As part of the transaction contemplated herein, Buyer expects to provide offers of ongoing employment to up to 50,000 Sears employees, depending on any further actions Sears may take between now and closing. Buyer also expects to reinstate the prepetition Sears severance program for the benefit of all eligible employees that accept their employment offer and to honor the promise made to millions of customers by assuming certain Sears' liabilities relating to protection agreements issued by the Sears Home Services business, gift card liabilities and Shop Your Way points liabilities as described below.

Our proposal provides that Buyer would have the option to acquire Sears' tax assets, the value of which we have incorporated into the Going Concern Proposal. Our Going Concern Proposal also assumes, consistent with the Debtors' projections, that the amounts outstanding under the Debtors' first lien ABL DIP facility will be no greater than \$850 million at the time of closing the transactions contemplated herein.

2. **Consideration; Other Value.** The total purchase price for our Going Concern Proposal would provide approximately \$4.4 billion in total consideration to Sears, based on information provided by the Debtors. This consideration would comprise:

- a. \$850 million in cash to be funded with the proceeds of a new \$1.3 billion ABL facility described in the Debt Commitment;
- b. a credit bid of approximately \$1.3 billion¹, consisting of:
 - i. approximately \$544 million in respect of certain owned real estate assets that are collateral under the Dove Loan Agreement;
 - ii. approximately \$231 million in respect of certain intellectual property and ground leases and related assets that are collateral under the IP/Ground Lease Loan Agreement;
 - iii. approximately \$559 million in respect of the acquired inventory and receivables that are collateral under the Second Lien Facilities and the FILO Facility;
- c. the roll-over of (and release of the Debtors with respect to) \$501 million of senior indebtedness (up to \$230 million of the Junior DIP facility and approximately \$271 million of the L/C Facility);²
- d. the assumption of all of the outstanding liabilities of the SRC Entities, in the amount of approximately \$592,000,000;

¹ In the event that Buyer and its Affiliates are not the holder of all of the outstanding obligations under such first lien secured facilities as of the Closing Date, Buyer will pay to the applicable Debtors cash in the amount of any obligations owed to lenders other than Buyer or its Affiliates as of the Closing Date, to be held in separate segregated accounts of the Debtors. Any liens on such collateral purchased by Buyer shall attach to the proceeds from the sale held in such accounts. We currently expect that the amount of such cash may be up to approximately \$220 million.

² Buyer understands that the holders of the amounts outstanding under these facilities have consented, or will consent, to the above-described roll-overs.

- e. \$35 million in cash and rights to purchase up to \$100 million of non-voting securities of Buyer as consideration for the release of ESL and certain ESL-related parties from certain liabilities as described further below; and
- f. the assumption of the Debtors' liabilities with respect to (i) protection agreements issued by Sears Homes Services, (ii) certain gift cards and (iii) accrued points under the Shop Your Way program, in each case on terms to be agreed with the Debtors. We estimate these liabilities to be approximately \$1.1 billion.

Over the last several years, ESL has extended more than \$2.4 billion of secured financing to the Debtors, which has enabled Sears to continue operations and seek to implement its transformation plan, while significantly reducing the exposure of the Debtors' other creditors (including Sears' pension plan). These secured financings were approved by Sears' board of directors (comprised of a majority of directors independent from management and the company) and also approved by the Related Party Transactions Committee comprised of independent directors and advised by separate and independent financial and legal advisors. As the holder of valid and enforceable liens and claims, the Going Concern Proposal is conditioned on (1) confirmation of Buyer's right to credit bid the secured debt in the amounts described herein (and without any requirement to cash collateralize or otherwise backstop any portion of the credit bid) and (2) a full release by the Debtors of ESL and certain ESL-related parties from any liability related to any prepetition transactions involving ESL. To the extent any parties are challenging Buyer's credit bidding capability for any reason, Buyer requests that such challenges are adjudicated to conclusion at or prior to the sale hearing with regard to the asset purchases.

3. **Required Approvals.** We anticipate that the consummation of the transactions described in this letter will require expiration or early termination of any waiting periods under the Hart Scott Rodino Antitrust Improvements Act of 1976, and we are ready to make all necessary filings in a timely manner as further described in the Asset Purchase Agreement. To the extent any other governmental or other regulatory approvals are required to purchase the assets described herein, we commit to pursue such approvals as expeditiously as possible, subject to the reasonable assistance of Sears and its applicable advisors. Buyer will cooperate with the Debtors to provide pertinent factual information regarding Buyer's operations as reasonably required to analyze issues arising with respect to any applicable antitrust laws and other applicable regulatory requirements.
4. **Financial Wherewithal.** We are separately providing executed copies of a debt commitment letter from the lenders named therein (the "Debt Commitment") and an equity commitment letter from ESL (the "Equity Commitment") to Debtors' counsel. Upon receipt of the funds described in the Debt Commitment and the Equity Commitment, Buyer will have sufficient funds available to consummate the transactions contemplated by our Going Concern Proposal.

As you will note, the Debt Commitment includes certain conditions that are not typical for acquisition financings, including a requirement that a \$175 million secured real estate loan be funded at closing. We intend to work expeditiously with the lenders to satisfy these conditions as soon as possible. ESL has committed to provide one-half of real estate secured loan (and we have provided Debtors' counsel a copy of a commitment letter for that amount) and we currently expect that other lenders will provide the balance of the commitment in the near term. As a result of these unusual conditions, the Asset Purchase Agreement contains a condition related to the availability of debt financing. We would expect to eliminate this condition at the time the foregoing conditions are satisfied.

We are separately providing to Debtors' counsel (i) a letter executed by the administrative agent for the Dove Loan Agreement that is included in the credit bid authorizing such credit bid, and (ii) a letter executed by the collateral agent for the Second Lien Facilities authorizing the credit bid of the second lien debt.

5. **Allocation.** The allocation of the proposed consideration to each category of purchased asset (including the inventory and receivables, real estate, intellectual property and ground lease collateral, and the unencumbered assets) is set forth under Item 2 above. Our proposed allocation of value with regard to the proposed purchases of the SRC Entities outside of the bankruptcy process are also noted above.

6. **Alternative Bid Proposal.** As noted above, we have allocated very considerable value to the benefits of preserving Sears as an integrated business that would include both its retail and non-retail components. If we were required to bid on the different component assets separately, the aggregate consideration we would be prepared to offer would be significantly less than we have submitted in our Going Concern Proposal. While we strongly believe that our Going Concern Proposal will provide the best outcome for the Debtors and their creditors and other stakeholders, we also are submitting bids with respect to individual assets in the event that our Going Concern Proposal is not declared a “Qualifying Bid” and subsequently accepted. Accordingly, we are submitting bids to purchase the following assets at the following purchase prices pursuant to the Alternative Asset Purchase Agreement separately provided to Debtors’ counsel (the “Alternative APA”) solely in the event that the Going Concern Proposal is not qualified or accepted (the “Alternative Proposal”):
 - a. Innotel: \$5 million in cash, conditioned on the continued operation of at least 250 stores as a going concern;
 - b. Sears Home Services:
 - i. For substantially all of this business (including Parts Direct, the in-home repair business and assignment and assumption of the Assurant and Cross Country Home Services agreements, but excluding any assumption of liabilities related to protection agreements): \$25 million, conditioned on the continued operation of at least 250 stores as a going concern; and
 - ii. For only the Parts Direct business: \$5 million plus 50% of the value of the Parts Direct inventory acquired at closing.
 - c. Shop Your Way (data and IP only; excludes any assumption of liabilities with respect to accrued points under the program): \$100,000 in cash;
 - d. Certain intellectual property, including the “Sears” marks and the rights to receive royalties with respect thereto, secured by the IP/Ground Lease Loan Agreement: credit bid of approximately \$150 million;
 - e. Certain real estate assets, including ground leases, as described in the indication of interest submitted pursuant to the Real Estate Process Letter on the date hereof.

The Equity Commitment also provides that Buyer will have available cash to consummate the purchases of any or all of the assets described above. The Alternative Proposal and the Alternative APA are being provided solely in the event that the purchase of substantially all of the assets of the Debtors as described above is not consummated, and solely for the purpose of establishing Buyer as a qualified bidder in such circumstance. Under no circumstance will we be obligated to enter into both the Alternative APA and the Asset Purchase Agreement or to make any duplicative payments for any of the assets described herein or therein.

7. **Good Faith Deposit.** We have deposited \$3,010,000 in cash with the Escrow Agent selected by the Debtors, which represents our estimate of 10% of the cash component of Buyer’s Alternative Proposal. Subject to confirmation from the Debtors that they are prepared to declare our Going Concern Proposal as a “Qualifying Bid” pursuant to the Bidding Procedures, Buyer is prepared to deposit additional cash with the Escrow Agent, which, together with the amount previously deposited, would represent 10% of the cash component of the Going Concern Proposal.
8. **Representations and Warranties.** Buyer affirms that it has had an opportunity to conduct any and all due diligence regarding the assets described in this letter. Buyer confirms that it and ESL have relied solely upon their own independent review, investigation, and/or inspection of the relative documents and the assets in submitting this letter and did not rely on any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express or implied, by operation of law or otherwise, regarding the assets described in the Asset Purchase Agreement or the Alternative APA or the completeness of any information provided in connection therewith, except as expressly stated in the representations and warranties contained in the Asset Purchase Agreement or the Alternative APA. We have not engaged in any collusion with respect to the submission of this letter. The Going Concern Proposal and the Alternative Proposal are not subject to any diligence contingencies of any kind.

Based on the foregoing and our familiarity with the business of the Debtors, we are confident that it can move quickly towards the consummation of a transaction as soon as possible following the conclusion of the auction and approval by the Bankruptcy Court.

We have retained Moelis & Company as financial advisor and Cleary Gottlieb Steen & Hamilton LLP as legal counsel. Please feel free to reach out to any of the below regarding this letter.

This letter reflects our formal and binding offer for the assets on the terms and subject only to the conditions set forth in the Asset Purchase Agreement or the Alternative APA (as the case may be). We agree to serve as a back-up bidder to the extent the Going Concern Proposal or the Alternative Proposal (as the case may be) is selected as the next highest or next best bid after another successful bidder. We waive any claim or right to assert any substantial contribution administrative expense claim under section 503(b) of the Bankruptcy Code in connection with bidding for the Assets and/or participating in the Auction. We will not be entitled to any break-up fee and shall only be entitled to the expense reimbursement set forth in the Asset Purchase Agreement or Alternative APA (as the case may be) on the conditions set forth therein if agreed to by the Debtors and approved by the Bankruptcy Court.

If the Going Concern Proposal has not been determined to be a "Qualifying Bid" prior to 4:00 p.m., New York time, on January 4, 2019, the Going Concern Proposal and the executed Asset Purchase Agreement shall automatically terminate and be deemed withdrawn as of such time and notwithstanding anything to the contrary contained in this letter or any other document, none of Buyer, ESL or any of their respective affiliates or representatives shall have any further liability or obligation in respect of the Going Concern Proposal. If the Alternative Proposal has not been determined to be a "Qualifying Bid" prior to 4:00 p.m., New York time, on January 4, 2019, the Alternative Proposal and the executed Alternative APA shall automatically terminate and be deemed withdrawn as of such time and notwithstanding anything to the contrary contained in this letter or any other document, none of Buyer, ESL or any of their respective affiliates or representatives shall have any further liability or obligation in respect of the Alternative Proposal.

Transform Holdco LLC
1170 Kane Concourse, Suite 200
Bay Harbor Islands, FL 33154
Attention: Edward S. Lampert, Chief Executive Officer

Ladies and Gentlemen:

This letter agreement (this “Agreement”) sets forth the commitment of ESL Investments, Inc., a Delaware corporation (the “Investor”), subject to the terms and conditions contained herein, to purchase, directly or indirectly through one or more intermediate entities, certain equity interests of Transform Holdco LLC, a Delaware limited liability company (“Buyer”), in connection with the acquisition by Buyer of all of the go-forward retail footprint and other assets and component businesses of Sears Holdings Corporation (together with its subsidiaries, “Sears”) as a going concern (the “Going Concern Transaction”). This Agreement is being delivered to demonstrate the financial wherewithal of Buyer in accordance with the process letter filed with the United States Bankruptcy Court for the Southern District of New York (the “Court”) on behalf of the debtors (the “Debtors”) in the Chapter 11 cases captioned as *In re Sears Holdings Corporation, et al.*, Case No. 18-23538 (Bankr. S.D.N.Y.) (RDD) on November 21, 2018 (the “Process Letter”) [Docket No. 862] and the Global Bidding Procedures (the “Bidding Procedures”) set forth in the Global Bidding Procedures Order entered on November 19, 2018 [Docket No. 816]. This Agreement replaces the letter agreement provided by the Investor to Sellers on December 28, 2018, which terminated in accordance with its terms on January 4, 2019.

It is contemplated that, on the terms and subject to the conditions set forth in that certain asset purchase agreement outlining the Going Concern Transaction (as amended, restated, supplemented or otherwise modified from time to time, the “Going Concern Purchase Agreement”), by and between Buyer, Sears Holdings Corporation and its affiliates party thereto (“Sellers”), delivered to the Debtors on the date hereof (or as modified in form and substance to be mutually agreed between the parties thereto, each in its sole discretion), Sellers shall, among other things, sell, transfer and assign to Buyer, and Buyer shall purchase from Sellers, the Designation Rights and Acquired Assets, and Buyer shall assume from Sellers the Assumed Liabilities, as defined in the Going Concern Purchase Agreement.

Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Going Concern Purchase Agreement.

1. **Commitments.** The Investor hereby irrevocably commits, on the terms and subject to the conditions set forth herein (the “Going Concern Commitment”), that, at or prior to

the Closing, it shall (A) contribute, or cause to be contributed, to Buyer, directly or indirectly through one or more intermediate entities, its rights and obligations under certain credit facilities as specified in the Going Concern Purchase Agreement in an aggregate principal amount of \$1,334,000,000 as to which Buyer would credit bid pursuant to Section 3.1(b) of the Going Concern Purchase Agreement and (B) purchase, or shall cause the purchase of, directly or indirectly through one or more intermediate entities, equity securities of Buyer with an aggregate purchase price in cash in an amount that, when combined with the proceeds from the financing contemplated by the Debt Commitment Letter in an amount not less than \$900,000,000 and the contribution of rights and obligations under certain credit facilities contemplated by the Cyrus Financing, would permit Buyer to pay (i) all amounts payable to Sellers under Section 3.3(a) of the Going Concern Purchase Agreement, (ii) all amounts required to acquire all rights and obligations under certain credit facilities as specified in the Going Concern Purchase Agreement as to which the Investor would credit bid pursuant to Section 3.1(b) of the Going Concern Purchase Agreement which are not contributed pursuant to clause (A) above (taking into account any proceeds from the sale or other disposition of the underlying collateral for such credit bids to which the liens of the holders of claims secured by such collateral has attached), and (iii) costs and expenses related to the Going Concern Purchase Agreement; provided that the aggregate amount described in clauses (B) will not exceed \$106,000,000. The Going Concern Commitment is limited as specified in this Section 1. Buyer will use the Going Concern Commitment to satisfy the payment obligations set forth in this Section 1 if and when payable pursuant to the Going Concern Purchase Agreement.

2. Conditions. The obligations of the Investor (together with its permitted assigns) to fund the Going Concern Commitment shall be subject to (i) the terms and conditions of this Agreement, (ii) the execution and delivery of the Going Concern Purchase Agreement by Seller, (iii) the satisfaction or waiver (provided that, in order for the Buyer to be able to grant such waiver, such waiver must be approved by the Investor in writing) of each of the conditions to effect the Closing set forth in Article X of the Going Concern Purchase Agreement other than those conditions that (a) by their terms require the delivery of a document or taking of any other action at the Closing, but subject to the satisfaction or waiver (which waiver has been approved by the Investor in writing) of all conditions at the Closing or (b) are not satisfied as a result of a breach by Buyer, (iv) the substantially simultaneous funding of the Debt Financing, the Real Estate Financing and the Cyrus Financing in accordance with the terms of the applicable Commitment Letter(s), and (v) the substantially simultaneous consummation of the Going Concern Transaction in accordance with the terms of the Going Concern Purchase Agreement. Subject to Section 11, the Investor may allocate all or any portion of its Going Concern Commitment to one or more other Persons and its Going Concern Commitment hereunder will be reduced by any amounts actually contributed to Buyer by such Persons (and not returned) at or prior to the Closing Date for the purpose of funding a portion of the amount described in Section 1.

3. Parties in Interest; Third Party Beneficiaries. The parties hereto agree that their respective agreements and obligations set forth herein are solely for the benefit of the other party hereto and their respective successors and permitted assigns, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto and their respective successors and permitted assigns any benefits, rights or remedies under or by reason of, or any rights to enforce or cause Buyer to

enforce, the obligations set forth herein; provided, that Sears Holdings Corporation is an express third-party beneficiary hereof solely for purposes of the enforcement rights provided in Section 4(b)(ii) and no others. The Investor accordingly agrees, if and only if specific performance of Buyer's obligations to consummate the Closing is available under Section 13.14 of the Going Concern Purchase Agreement and Sears Holdings Corporation has the right to enforce this Agreement in accordance with Section 4(b)(ii), not to oppose the granting of an order, injunction, specific performance or other equitable relief with respect thereto on the basis that Sellers have an adequate remedy at law or an award of specific performance with respect thereto is not an appropriate remedy for any reason at law or equity, in each case subject to the limitations in Section 4(b)(ii). The Investor further agrees that Sears Holdings Corporation shall not be required to post a bond or undertaking in connection with such order, injunction, specific performance or other equitable relief sought in accordance with Section 13.14 of the Going Concern Purchase Agreement.

4. Limited Recourse; Enforceability.

(a) Notwithstanding anything that may be express or implied in this Agreement or any document or instrument delivered in connection herewith, Buyer, by acceptance of the benefits of the Going Concern Commitment provided herein, covenants and acknowledges that no Person other than the Investor and its successors and permitted assigns hereunder shall have any obligation hereunder or in connection with the transactions contemplated hereby and that, notwithstanding that the Investor or any of its successors or permitted assigns may be a partnership or limited liability company, no Person, including Buyer, has any rights of recovery against any past, present or future director, officer, employee incorporator, member, manager, partner, shareholder, Affiliate, agent, attorney or representative (each a "Related Party") of the Investor or Buyer, through Buyer or otherwise, whether by or through attempted piercing of the corporate veil, by or through a claim (whether at law or equity in tort, contract or otherwise) by or on behalf of Buyer against any Related Party of the Investor or of the Buyer, by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, or otherwise, it being agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Related Party of the Investor or of Buyer for any obligations of the Investor or any of its successors or permitted assigns under this Agreement or any documents or instrument delivered in connection herewith or in respect of any oral representations made or alleged to be made in connection herewith or therewith or for any claim (whether at law or equity or in tort, contract or otherwise) based on, in respect of, or by reason of such obligations or their creation. For the avoidance of doubt, no Seller nor any of any Seller's Subsidiaries shall constitute a Related Party of the Investor or Buyer.

(b) This Agreement may only be enforced by (i) the parties hereto or (ii) solely for purposes of (A) the Investor's obligation to fund the Going Concern Commitment on the terms and subject to the conditions set forth herein, (B) Buyer's obligation to use the Going Concern Commitment to satisfy the payment obligations referred to in Section 1 if and when payable pursuant to the Going Concern Purchase Agreement or (C) the proviso to the first sentence of Section 5, Sears Holdings

Corporation. Buyer's creditors shall have no right to enforce this Agreement or to cause Buyer to enforce this Agreement.

5. No Modification; Entire Agreement. This Agreement may not be amended and no provision of this Agreement may be waived or modified, without the prior written consent of the parties hereto; provided, however, that the prior written consent of Sears Holdings Corporation shall be required for any amendment or modification that adversely affects the rights of Sears Holdings Corporation. Together with the Going Concern Purchase Agreement, this Agreement constitutes the sole agreement, and supersedes all prior agreements, understandings and statements, written or oral, between the Investor or any of its Affiliates, on the one hand, and Buyer or any of its Affiliates, on the other, with respect to the transactions contemplated hereby. Except as expressly permitted in Section 2 and Section 11, no transfer of any rights or obligations hereunder shall be permitted without the consent of the other party hereto. Any transfer in violation of the preceding sentence shall be null and void.

6. Governing Law; Jurisdiction; Venue; Waiver of Jury Trial.

(a) EXCEPT TO THE EXTENT THE MANDATORY PROVISIONS OF THE BANKRUPTCY CODE APPLY, THIS AGREEMENT AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT (INCLUDING ANY CLAIM OR CAUSE OF ACTION BASED UPON, ARISING OUT OR RELATED TO ANY REPRESENTATION OR WARRANTY MADE IN OR IN CONNECTION WITH THIS AGREEMENT OR AS AN INDUCEMENT TO ENTER INTO THIS AGREEMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO THE CONTRACTS MADE AND TO BE PERFORMED ENTIRELY IN SUCH STATE WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OR CHOICE OF LAWS OR ANY OTHER LAW THAT WOULD MAKE THE LAWS OF ANY OTHER JURISDICTION OTHER THAN THE STATE OF DELAWARE APPLICABLE HERETO.

(b) Without limitation of any party's right to appeal any order of the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Going Concern Transaction and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the parties hereto hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such proceeding; provided, however, that, if the Bankruptcy Case is closed, all proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby

(a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such proceeding shall be heard and determined in such courts and agrees not to commence any proceeding relating to this Agreement or the Going Concern Transaction (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any proceeding based upon, arising out of or relating to this Agreement or the Going Concern Transaction and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. The parties hereto agree that any violation of this Section 6 shall constitute a material breach of this Agreement and shall constitute irreparable harm.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.

8. Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile or by .pdf delivered via email), each such counterpart when executed being deemed to be an original instrument, and all such counterparts shall together constitute one and the same agreement.

9. Confidentiality. This Agreement shall be treated as confidential and is being provided to Buyer solely in connection with the Going Concern Transaction. This Agreement may not be used, circulated, quoted or otherwise referred to in any document (other than the Going Concern Purchase Agreement as expressly contemplated thereunder) by Buyer except with the prior written consent of the Investor in each instance; provided, that no such written consent is required for any disclosure of the existence of this Agreement to (i) the extent required by applicable Law (provided, that Buyer will provide the Investor an opportunity to review such required disclosure, and will consider in good faith the Investor's comments thereto, in each case in advance of such public disclosure being made) or (ii) Sellers or their Representatives who need to know of the existence of this Agreement and who have agreed to keep this Agreement confidential on terms identical to the terms contained in the Confidentiality Agreement, dated as of May 15, 2018, by and between the Investor and Sears Holdings Corporation. 10. Termination. The obligations of the Investor under or in connection with this Agreement will terminate automatically and immediately upon the earliest to occur of (a) the Closing of the Going Concern Transaction and the payment of the amounts payable to Sellers under Section 3.3(a) of the Going Concern Purchase Agreement, (b) the failure of Sellers to execute the Going Concern Purchase Agreement by 5:00 pm Eastern Time on January 16, 2019, (c) following the execution of the Going Concern Purchase Agreement, the termination of the agreement pursuant to its terms and (d) without limiting any of any Sellers' rights against Buyer, the commencement of any Action in connection with this Agreement or the Going Concern Purchase Agreement, at law or in equity or arbitration, by any Seller or any of its Affiliates or by Buyer (only if such Action by Buyer is brought at the written request and direction of any Seller or any of its Affiliates) against (i) the Investor or any Related Party of the Investor relating to this Agreement (except, as to the Investor, to the extent provided in Section 4(b)(ii)) or (ii) the Investor or any Related Party of the Investor relating to the Going Concern Purchase Agreement or any of the transactions contemplated hereby or thereby (including in respect of any oral representations made or alleged to be made in connection therewith) (except, as to the Investor, to the extent provided in Section 4(b)(ii)). Upon termination of this Agreement, no party hereto shall have any further obligations or liabilities hereunder.

11. No Assignment. The rights and obligations under this Agreement may not be assigned by any party hereto without the prior written consent of the other party hereto, and any attempted assignment shall be null and void and of no force or effect. Notwithstanding the foregoing, (i) the Investor may assign all or any portion of its obligations to fund the Going Concern Commitment to one or more of its Affiliates, (ii) the Investor may assign all or any portion of its obligation to fund the Going Concern Commitment to one or more entities formed by or on behalf of the Investor or any of its Affiliates and (iii) Buyer may assign all or a portion of its obligations hereunder to an entity or entities that own, directly or indirectly, all or substantially all of the equity interests of Buyer; provided that, in each case, such assignment is not reasonably expected to have the effect of impairing or delaying the Closing or the funding of the Going Concern Commitment at the time set forth in Section 1, but may not otherwise assign its rights or obligations hereunder; provided that, in each case, no such assignment shall relieve the assigning party of its obligations hereunder. Any purported assignment in contravention of this Section 11 shall be null and void *ab initio*.

12. Representations and Warranties. The Investor hereby represents and warrants to Buyer that (a) it has all corporate or other organizational power and authority to execute, deliver and perform this Agreement, (b) the execution, delivery and performance of this Agreement by it has been duly and validly authorized and approved by all necessary corporate or other organizational action by it, (c) this Agreement has been duly and validly executed and delivered by it and constitutes a valid and legally binding obligation of it, enforceable against it in accordance with the terms of this Agreement, (d) it has and will have through the Closing Date or, if earlier, termination of the Going Concern Purchase Agreement in accordance with its terms, uncalled capital commitments or otherwise has and will have immediately available funds in excess of the amount required to fund the cash portion of the Going Concern Commitment hereunder plus the aggregate amount of all other commitments and obligations it has outstanding and (e) the execution, delivery and performance by the undersigned of this Agreement do not (i) violate the organizational documents of the Investor or (ii) violate any applicable Law or judgment.

Buyer shall be solely responsible for any of the matters described in the preceding sentence for the portion of the calendar year in which the Closing Date occurs following each applicable Lease Assignment and all subsequent calendar years, and Buyer shall fully indemnify and hold Sellers harmless with respect thereto. For the avoidance of doubt, the sale, transfer, assignment and conveyance of the Designation Rights provided for herein on the Closing Date shall not effectuate a sale, transfer, assignment or conveyance of any Designatable Lease to Buyer or any other Assignee, which shall only be effectuated on a Designation Assignment Date; provided, that, notwithstanding the foregoing, Buyer shall be responsible for all Expenses arising under or related to any Designatable Lease from and after the Closing Date until, if applicable, the rejection of such Designatable Lease in accordance with this Agreement. Subject to the terms and conditions of this Agreement, the Approval Order and the requirements of section 365(b) of the Bankruptcy Code, Buyer shall have the right to designate itself or, with the consent of Seller, any other Person as the Assignee to which a Designatable Lease is to be assumed and assigned. The Designation Rights shall terminate upon the expiration of the Designation Rights Period.

Section 2.7 Assignments.

(a) Potential Transferred Agreements.

(i) Schedule 2.7(a) contains a list of all Potential Transferred Agreements (including, to the extent in the possession or control of any Seller, the material underlying agreements). Subject to section 365 of the Bankruptcy Code, Buyer may elect to have the Potential Transferred Agreements that are assigned to Buyer or assumed by Seller and assigned to Buyer on the applicable Assumption Effective Date (which shall be deemed to be “Assigned Agreements” in accordance with the definition thereof). At Buyer’s reasonable request, Seller shall make reasonably available to Buyer the appropriate employees of Seller necessary to discuss the Potential Transferred Agreements.

(ii) To the extent a Potential Transferred Agreement is an executory contract or lease, as soon as practicable after the date hereof, Seller shall file a notice of assignment and assumption (an “Agreement Assignment Notice”) with the Bankruptcy Court and serve such notice via electronic or first class mail on each counterparty to a Potential Transferred Agreement that is an executory contract or lease, consistent with the terms of the Bidding Procedures Order. The Agreement Assignment Notice shall identify all Potential Transferred Agreements that are executory contracts or leases and related to the Acquired Assets that Sellers believe may be assigned or assumed and assigned in connection with the sale of the Acquired Assets and set forth a good faith estimate of the amount of the Cure Costs applicable to each such Contract (and if no Cure Cost is estimated to be applicable with respect to any particular Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(b) Initial Assigned Agreements.

(i) As soon as practicable after delivery of the list of Potential Transferred Agreements by the Seller but no later than five (5) Business Days following such delivery, Buyer shall deliver to the Seller a list of those Potential Transferred Agreements proposed to be assigned to Buyer or assumed by Seller and assigned to Buyer on the Closing Date (the Contracts on such list, the “Initial Assigned Contracts”, the Leases on such list (including, to the extent applicable to such Leases, all non-disturbance agreements with fee owners or senior landlords, subordination, non-disturbance and attornment agreements, waivers and consents in favor of any Seller, estoppel certificates from landlords (to the extent assignable), and landlord waivers or other collateral access agreements in favor of any Seller or any asset-based lenders) the “Initial Assigned Leases”, and together the “Initial Assigned Agreements”).

(ii) Following delivery of the list of Initial Assigned Agreements and to the extent consistent with the Bidding Procedures Order, at any time prior to the second (2nd) Business Day prior to the Closing Date, Buyer will be entitled, after consultation with the Sellers, to add (x) any Initial Assigned Agreement to the list of Excluded Assets by providing written notice thereof to Sellers, and any Initial Assigned Agreement so added will cease to be an Initial Assigned Agreement and will be deemed to be an Excluded Asset

(and all Liabilities thereunder Excluded Liabilities) for all purposes hereunder or (y) any Potential Transferred Agreement to the list of Initial Assigned Agreements so long as (1) it is not a Contract to be assumed or available to be assumed pursuant to any other sale previously approved by the Bankruptcy Court in connection with the Bankruptcy Cases; and (2) it is prior to the entry of a Final Order of the Bankruptcy Court approving the rejection of such Contract, in each case subject to the non-Debtor party to such Contract receiving information evidencing Buyer's adequate assurance of future performance and having an opportunity to object consistent with the Bidding Procedures Order and the Approval Order. No change referred to in this Section 2.7(b)(i) shall reduce or increase the amount of the Purchase Price, except to the extent of any increase or decrease in the assumption of the Assumed Liabilities, including Cure Costs, as a result of the Potential Transferred Agreements being added to or removed from the list of Acquired Leases or Assigned Agreements by Buyer.

(iii) On the Closing Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, and subject to consent if applicable Law requires it, Sellers shall assume and assign to Buyer the Initial Assigned Agreements and Buyer shall pay all Cure Costs with respect to such Initial Assigned Agreements to the appropriate counterparty or establish a reserve for disputed cure amounts in accordance with the Bidding Procedures Order and Approval Order.

(c) Designatable Leases. On each Assumption Effective Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, Sellers shall assume and assign to the applicable Assignee any Designatable Lease so designated by Buyer for assumption and assignment in accordance with the terms of this Agreement, and Buyer shall pay all or be responsible for Cure Costs with respect to such Designatable Leases.

(d) Additional Contracts. On each applicable Assumption Effective Date, and in no event later than the date that is five (5) Business Days following the Designation Deadline, pursuant to section 365 of the Bankruptcy Code, the Approval Order, and any other applicable Order, Sellers shall assume and assign to the applicable Assignee any Additional Contract that Buyer designates for assumption and assignment in accordance with Section 2.9, and Buyer shall pay all Cure Costs with respect to such Additional Contract and all Expenses related to or arising under such Additional Contract after the Closing Date.

(e) Adequate Assurance and Consents. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Lease or Contract pursuant to this Section 2.7 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Lease or Contract and such Consent has not been obtained; provided, however, that the Parties shall use their commercially reasonable best efforts to obtain all such Consents.

Section 2.8 Further Assurances.

(a) On and after the Closing Date, each of the Sellers and Buyer shall use its commercially reasonable efforts to further give full effect to, evidence and record the assignments,

waivers, ratifications, consents and agreements granted herein, and, Sellers shall, upon Buyer's request, assist Buyer in a commercially reasonable way to obtain, maintain, enforce and defend any rights specified to be owned by or assigned to a Seller, including by testifying in any legal Proceedings, executing all lawful papers and making all rightful oaths required or necessary to aid Buyer or its successors or assigns in obtaining and enforcing its right, title and interest in, to and under the Acquired Assets, including in connection with the IP Assignment Agreement and the Short Form Assignments and in complying with all requirements of the applicable social media sites and Domain Name registrars.

(b) On each Designation Assignment Date, Seller shall, upon the request of Buyer or the applicable Assignee, execute and deliver to such Assignee such instruments of transfer as shall be reasonably necessary or desirable to vest in such Assignee title to the applicable Designatable Leases and related Acquired Lease Rights, Acquired Improvements and all other related Acquired Assets required hereunder to be transferred on such Designation Assignment Date (and evidence the assumption by Seller, and the assignment by Seller to the applicable Assignee, of such Designatable Leases), and Seller, on the one hand, and such Assignee, on the other hand, shall (and Buyer shall use commercially reasonable efforts to cause each Assignee to) take (or cause to be taken) all appropriate action, do (or cause to be done) all things necessary under applicable Law, and execute and deliver such instruments and documents, in each case as may be reasonably requested and reasonably necessary or desirable to consummate the Transactions at or after the Designation Assignment Date. In furtherance and not in limitation of the foregoing, in the event that any of the Acquired Assets shall not have been conveyed at Closing or on the applicable Designation Assignment Date, as applicable, Seller shall convey such Acquired Assets to Buyer or such Assignee, as applicable, as promptly as practicable after the Closing or on the applicable Designation Assignment Date, as applicable. As promptly as practicable following the date on which Buyer is permitted to receive Customer Data constituting "personally identifiable information" (as defined in the Bankruptcy Code) that was not transferred on the Closing Date, Seller shall deliver to Buyer a copy of the Customer Data constituting Acquired Data to an extent and in a format mutually agreeable to Seller and Buyer that is readable, useable, indexed and searchable and, if any portion of such Customer Data is encrypted, the necessary decryption tools and keys to read such materials contemporaneously.

(c) Not later than ten (10) days prior to the Closing Date, Sellers shall instruct all of Sellers' outside counsel responsible to maintaining, prosecuting or renewing any of the Acquired Intellectual Property (i) that the ownership of the Acquired Intellectual Property will be assigned to Buyer as of the Closing Date, (ii) to keep all Acquired Intellectual Property (as relevant to such counsel) in full force and effect, including by filing and documentation and paying any fees required therefor, (iii) to release to Buyer or counsel designated by Buyer at locations to be designated by Buyer copies of all the tangible embodiments of the Intellectual Property Related Documentation existing as of the Closing Date and in such counsel's possession, and (iv) that Buyer or counsel designated by Buyer may contact such Sellers' counsel for coordination relative to further prosecution of the Acquired Intellectual Property at Buyer's expense (such correspondence, "Seller Instructions"). Sellers shall also include in the Seller Instructions any other information that Buyer reasonably instructs Sellers to include that is communicated to Sellers prior to the Closing Date.

(d) If after the Closing (i) Buyer or any of its Affiliates holds or is otherwise liable for any Excluded Assets or Excluded Liabilities or (ii) any Seller or any of their respective Affiliates holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller will, and will cause their respective controlled Affiliates to, and will use commercially reasonable efforts to cause their other Affiliates to, (including through the execution and delivery of all appropriate transfer documents) promptly transfer (or cause to be transferred) such Assets or assume, pay or reimburse (or cause to be assumed, paid or reimbursed) such Liabilities to or from (as the case may be) the other party for no additional consideration. Prior to any such transfer, the party receiving or possessing any such asset will hold it in trust for such other party.¹⁰

Section 2.9 Additional Contracts. If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019 (the “Designation Deadline”), Buyer so determines as to any Contract that is Related to the Acquired Assets or is an IP License, in each case but is not an Initial Assigned Contract (other than (i) any lease of non-residential real property and (ii) any Excluded Asset set forth in Section 2.2) (each, an “Additional Contract”), Buyer may elect, after consultation with the Sellers, by written notice delivered to Sellers, to designate for assignment or assumption and assignment any Additional Contract for no additional consideration. Upon the designation of any such Additional Contract as an Assigned Agreement pursuant to this Section 2.9, Sellers will use their reasonable best efforts to assume and assign to the applicable Assignee such Additional Contract so long as the Buyer pays all Expenses accrued post-Closing and all Cure Costs associated with such Additional Contract; provided, however, that nothing herein shall be deemed or construed to obligate Sellers to retain, or refrain from rejecting or terminating any Lease or Contract after the Designation Deadline that does not constitute an Assigned Agreement. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Contract pursuant to this Section 2.9 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Additional Contract and such Consent has not been obtained, provide that the Parties shall use their reasonable best efforts to obtain all such Consents.

Section 2.10 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement but only to the extent of such amounts as may be required to be deducted and withheld by Buyer with respect to the making of such payments under applicable U.S. federal, state or local or foreign laws, and any such withheld amount shall be properly paid by Buyer to the appropriate Governmental Authority. To the extent that amounts are so deducted and withheld and properly paid to the appropriate Governmental Authority, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers or any other Person in respect of which such deduction and withholding was made.

Section 2.11 Rejection of Outbound IP Licenses. Prior to the Closing Date, subject to section 365(n) of the Bankruptcy Code, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to

¹⁰ **Note to Buyer:** We have deleted the previously included Section 2.8(e). Buyer should be comfortable with the protection offered by the interim operating covenants.

reject any Outbound IP Licenses included in the Potential Transferred Agreements that (i) are executory Contracts and (ii) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d). Without limiting the foregoing, promptly following the Designation Deadline, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject, any Outbound IP Licenses that (x) are not included in the Potential Transferred Agreements, (y) are executory Contracts and (z) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d).

Section 2.12 Tax Reorganization.

(a) The Parties intend that the transactions set forth in this Agreement, as structured and implemented as described in Section 9.2(a), together with the Bankruptcy Plan (as defined below), will, unless and except to the extent that Buyer elects otherwise with respect to a particular Seller or Sellers pursuant to Section 2.12(b), (i) constitute one or more plans of reorganization under section 368(a) of the Code (as defined below) and (ii) as qualifying as one or more reorganizations thereunder (a “Tax Reorganization”).

(b) Buyer may, at any time on or before the earlier of (i) 15 days prior to the effective date of the Bankruptcy Plan and (ii) December 1, 2019, elect, by providing to Sellers written notice of its election, to treat one or more of the transactions (each, a “Designated Sale Transaction”) set forth in this Agreement as not qualifying as a Tax Reorganization, which election shall be effective unless Designated Tax Advisor cannot provide a Tax Opinion that such Designated Sale Transaction can be completed in a manner that would not be treated as a “reorganization” within the meaning of section 368 of the Code; provided, however, that in connection with any such Buyer election to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), the Parties shall, if requested by Sellers in writing, identify a business of the Sellers that would become part of the Excluded Assets and consider in good faith any other changes to the structure of the transaction that are reasonable and necessary as a commercial, bankruptcy law and other legal matter to achieve that result. Such Tax Opinion shall be based on representations reasonably requested by Designated Tax Advisor to be provided by each of Buyer and Sellers in the form of a representation letter, and each such representation must continue to be true and accurate in all material respects as of immediately before such Tax Opinion is issued. To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable representation letter. For the avoidance of doubt, and notwithstanding anything to the contrary set forth in this Agreement, (i) reliance by Sellers on any Tax Opinion requested or otherwise required pursuant to this Agreement shall not affect Buyer’s liability for Taxes that are Assumed Liabilities and (ii) the inability or failure to deliver or receive any Tax Opinion requested or otherwise required pursuant to this Agreement shall not delay or in any way interfere with the consummation and closing of the Transactions. Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B) of Section 9.2(a)) in respect of

which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement shall be deemed to be a Designated Sale Transaction.

(c) If Buyer does not elect pursuant to Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), then Buyer and Sellers shall comply with Section 9.2.

Section 2.13 Bulk Transfer Law. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any security interests in the Acquired Assets, including any liens or claims arising out of the bulk transfer Laws. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the "bulk sales," "bulk transfers" or similar Laws in all applicable jurisdictions in respect of the Transactions (including under any applicable Tax Laws).

ARTICLE VII

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers that the statements contained in this Article VII are true and correct as of the date hereof:

Section 7.1 Organization and Good Standing; Organizational Documents; Ownership. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and the Acquired Assets and to carry on its business as now conducted and the Business. Buyer has delivered to Seller true and correct copies of the organizational documents of Buyer in effect as of the date hereof. All of the equity interests in Buyer as of the date hereof are owned of record and beneficially as set forth on Schedule 7.1.

Section 7.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform its obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the Transactions. The execution, delivery

and performance of this Agreement by Buyer and the consummation by Buyer of the Transactions have been duly and validly authorized by all requisite corporate, partnership or limited liability company actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document required to be executed and delivered by Buyer at any time will be duly and validly executed and delivered by Buyer. This Agreement and (when duly executed by Buyer) the other Transaction Documents constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the Transactions, except for (a) expiration or termination of any applicable waiting periods under the HSR Act and (b) such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a material adverse effect on Buyer's right or ability to consummate the Transactions. There are no consents of any Buyer Related Party required for the execution, delivery and performance of the Transaction Documents and the consummation of the Transactions, including for the satisfaction of any condition set forth in Article X or Article XI.

Section 7.3 No Conflict. When the consents and other actions described in Section 7.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the breach of any of the terms and provisions of, or constitute a default under, or materially conflict with, or require consent or the giving of a notice under, or cause any acceleration of any material obligation of Buyer under (a) any organizational documents of Buyer, (b) any Order or (c) any Law, except to the extent any such default, conflict or consent would not affect in any material respect Buyer's ability to consummate the Transactions.

Section 7.4 Financing; Availability of Funds.

(a) Buyer shall deliver to Sellers concurrently herewith or prior to the execution of this Agreement a true, correct and complete copy of:

(i) an executed equity commitment letter (the "Equity Commitment Letter") to Buyer from ESL Investments, Inc. (the "Sponsor"), including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which the Sponsor has committed to provide Buyer with equity financing in the amount set forth therein (the "Equity Financing") for the purpose of funding the Transactions;

(ii) an executed mortgage loan commitment letter (the "Real Estate Commitment Letter") to Buyer from the Cyrus Lender and the Sponsor, including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which Cyrus and the Sponsor have committed to provide Buyer with real estate mortgage financing in the amount set forth therein (the "Real Estate Financing") for the purpose of funding the Transactions;

(iii) the executed Cyrus Commitment Letter; and

(iv) the executed Debt Commitment Letter and the related fee letter (provided that fees, economics and other provisions which are customarily redacted in connection with acquisitions of this type may be redacted in a customary manner (to the extent any such provisions would not adversely affect the conditionality, enforceability, or availability of the full amount of the Debt Financing)).

(b) As of the date hereof, the Commitment Letters are in full force and effect and has not been withdrawn or terminated or otherwise amended or modified in any respect. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the Financing that could affect the availability of the full amount of the Financing on the Closing Date as contemplated by the Commitment Letters and (y) there are no conditions precedent or other contingencies related to the funding of the full amount of the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(c) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder in a manner sufficient to satisfy the condition specified in Section 10.2, the net proceeds from the Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

(d) The obligations of Buyer under this Agreement are not contingent on the availability of the Debt Financing.

(e) Buyer owns of record and beneficially [debt held under IP/Ground Lease Real Estate Loan, Filo and Second Lien Debt to detailed]. Buyer has [the right to direct the Second Lien trustee to credit bid 100% of Second Lien Debt].

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Section 7.7 Condition of Acquired Assets; Representations.

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article VI (subject to the disclosures set forth on the Schedules), and Buyer acknowledges and agrees that the Acquired Assets are being transferred on an “as is”, “where is” basis. Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied solely on the results of its own independent investigation. In connection with Buyer’s investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

(vi) not to cancel or compromise any claim or waive or release any right related to any Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets);

(vii) except as required by Section 8.1(a) or permitted under Section 8.1(b)(iii) with respect to Outbound IP Licenses, not to amend, supplement, modify, terminate or enter into any Leases, Outbound IP Licenses (under which a Seller is a licensor) or other Potential Transferred Agreements;

¹⁷ **Note to Buyer:** Buyer's additions subject to Seller's review and sign-off.

(a) Bankruptcy Court Filings and Approvals.

(i) Buyer agrees that it will promptly furnish such affidavits or other documents or information for filing with the Bankruptcy Court as are reasonably requested by Sellers to assist Sellers in obtaining entry of the Approval Order, including a finding of adequate assurance of future performance by Buyer. Sellers shall provide Buyer with advance drafts of any motions, pleadings or Bankruptcy Court filings relating to the sale of the Acquired Assets or the Approval Order no later than two (2) Business Days prior to the date Sellers intend to file such motion, pleading or Bankruptcy Court filing to the extent practicable (or, to the extent not practicable, as soon as reasonably practicable prior to the filing of such pleading). Buyer may file or join in any motion, pleading or Bankruptcy Court filing in support or seeking approval of, and reply to any response or objection to, the sale of the Acquired Assets hereunder, and the Approval Order.

(ii) Sellers shall file such motions or pleadings as may be appropriate or necessary to assume and assign the Assigned Agreements and to determine the amount of the Cure Costs; provided, that subject to Section 2.7, Section 2.9 and Section 5.2, nothing herein shall preclude Sellers from filing such motions, including from and after the Petition Date, to reject any Contracts that are not Assigned Agreements.

(iii) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Sellers of higher or better Competing Transactions.

(iv) Sellers and Buyer acknowledge that Buyer (or any applicable Assignee) must provide adequate assurance of future performance under the Assigned Agreements to be assigned by Sellers, and Buyer hereby agrees to provide such adequate assurance to the extent required under the Bankruptcy Code and the Bidding Procedures Order, including by demonstrating financial wherewithal to pay Cure Costs.

(v) [Buyer shall provide any cooperation reasonably requested by any consumer privacy ombudsman appointed in these Cases and shall use commercially reasonable efforts to take all reasonable actions recommended by such ombudsman in any report authored by such ombudsman and provided to the Bankruptcy Court.]¹⁸

(vi) After entry of the Approval Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Approval Order.

(vii) If applicable, Sellers shall cause any plan of reorganization or liquidation approved in the Bankruptcy Cases to permit assumption of Sellers' executory contracts and unexpired leases of real property through the end of the Designation Rights Period.

(b) Back-Up Bidder. Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the Auction, if (i) Buyer submits the second highest or second best bid at the Auction or the terms of this Agreement constitute the second highest or best bid, and (ii) Sellers

give written notice to Buyer on or before the tenth (10th) Business Day prior to the Outside Date, stating that Sellers (A) failed to consummate the sale of the Acquired Assets with the winning bidder, and (B) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including the Purchase Price.

(c) Bankruptcy Milestones. The Parties will use reasonable best efforts to comply with the following milestones:

- (i) to obtain entry of the Approval Order by the Bankruptcy Court on or before February 4, 2019.
- (ii) to close the Transactions on or before February 18, 2019.

Section 8.3 Registrations, Filings and Consents.

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than January 18, 2019, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or

authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed (or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such

new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.

(a) From the date hereof to earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Closing Date, Sellers shall provide to Buyer and shall use reasonable best efforts to cause its officers, employees and advisors to provide to Buyer, such cooperation as is customary for financings of the type contemplated by the Commitment Letters and as is reasonably requested by Buyer in connection with arranging and obtaining the Debt Financing, which cooperation includes using reasonable best efforts to (i) cause the participation by one or more representatives of senior management in a reasonable number of meetings and presentations upon reasonable prior notice and in reasonably convenient locations, (ii) furnish Buyer and its Affiliates with the Required Information, (iii) reasonably assist Buyer with the preparation of (A) one or more customary bank information memoranda (and, to the extent necessary, additional information memoranda that do not include material non-public information), (B) syndication materials, (C) lender presentations and (D) other customary marketing and similar documents, each in connection with the syndication and marketing of the Debt Financing ([including the delivery of customary representation letters and authorization letters]), (iv) furnish to Buyer such customary financial and other pertinent information regarding Sellers (including information regarding the business, operations and financial projections thereof) as may be reasonably requested by Buyer to assist in the preparation of a customary confidential information memorandum or other customary information documents used in financings of the type contemplated by the Debt Commitment Letter, (v) take all reasonable customary actions necessary and requested to assist with collateral audits and due diligence examinations, (vi) reasonably cooperate with the marketing efforts of Buyer and the Financing Sources for any portion of the Debt Financing, (vii) permit the use by Buyer and its Affiliates of the Sellers' logos and/or Trademarks included in the Acquired Assets in connection with the syndication of the Debt

Financing, provided that such logos and/or marks are used in a manner that is not intended, or reasonably likely, to harm or disparage Sellers, (viii) cause the taking of corporate actions by the Sellers that are necessary to permit the consummation of the Financing on the Closing Date as are reasonably requested by Buyer and (ix) execute and deliver any documents as reasonably requested by Buyer as are customary in financings of such type and as are accurate, and otherwise facilitate the pledging of and granting, recording and perfection of security interests in share certificates, securities and other collateral (including releasing any Liens on the Acquired Assets in connection with any existing indebtedness of Sellers) and the obtaining of appraisals, surveys and title insurance as reasonably requested by Buyer; it being understood and agreed that (A) no such corporate action will take effect prior to the Closing and (B) any such corporate action will only be required of the directors, members, partners, managers or officers of the Sellers who retain their respective positions as of the Closing; provided that no obligation of Sellers shall be effective until the Closing Date; provided, however, that nothing herein shall require Sellers to (A) take any action that would be effective prior to the Closing, (B) waive or amend any terms of this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (C) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (D) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any material contract to which any of Sellers is a party or (E) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers. Notwithstanding anything to the contrary in this Agreement, the covenants set forth in this Section 8.4(a) shall be deemed satisfied unless the Seller shall have knowingly and willfully materially breached its obligations under this Section 8.4(a) and such breach has directly resulted in the Debt Financing not being obtained.

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis all terms, conditions, representations and warranties applicable to Buyer set forth in the Commitment Letters (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the Commitment Letters) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' breach of their obligations hereunder in a manner that would cause the condition in Section 10.2 not to be satisfied), (ii) maintain in effect the Commitment Letters through the Closing Date (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into definitive agreements with respect thereto on the terms and conditions contemplated by the Commitment Letters (other than the Equity Commitment Letter) (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof) and enforce its rights under the Commitment Letters and (iv) upon satisfaction of the conditions set forth in the Commitment Letters, consummate the Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any "flex" provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, Buyer shall use its reasonable best efforts to obtain substitute alternative debt financing (the "Alternative Financing") for all or such portion of such funds to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the Debt Commitment Letter, the Real Estate Commitment Letter and/or the Cyrus Commitment Letter, as applicable, and (ii) that does not expand upon the conditions precedent or contingencies to funding the Financing on the Closing Date as set forth in the relevant Commitment Letters or definitive agreements with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing, the Cyrus Financing and the Real Estate Financing, as applicable. For the avoidance of doubt, references to the "Debt Commitment Letter" shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any material breach or default) by Buyer under the Commitment Letters, or to the knowledge of Buyer, any other party to the Commitment Letters or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the Commitment Letters with respect to any actual or threatened material breach, default, termination or repudiation by any party to the Commitment Letters or any definitive agreement related thereto or any provision of the Financing or any definitive agreement related thereto (including any proposal by any Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by Commitment Letters). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under any Commitment

Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers' prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the Cyrus Commitment Letter, the Debt Commitment Letter or the Real Estate Financing Commitment Letter, as applicable, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)) (unless such portion is not reasonably required to fund the transactions contemplated by this Agreement) or (B) imposes new or additional conditions precedent or changes the conditions precedent to the Financing or otherwise changes the terms of the Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the Financing materially less likely to occur or adversely impact in any material respect Buyer's ability to enforce its rights under any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend the Cyrus Commitment Letter, the Debt Commitment Letter or the Real Estate Financing Commitment Letter, as applicable, to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together with any amendments or modifications to such Commitment Letter in connection therewith, would not result in the occurrence of a modification to such Commitment Letter prohibited by this clause (i) and (ii) early termination of such Commitment Letter (unless, in the case of the Debt Commitment Letter, the Real Estate Commitment Letter or the Cyrus Commitment Letter, Buyer has arranged Alternative Financing to the extent permitted or required by Section 8.5(a))). Buyer shall provide to Sellers copies of any commitment letter associated with a replacement Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter (including the Debt Commitment Letter). For the avoidance of doubt, references to any "Commitment Letter" shall include as such Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification. For the avoidance of doubt, the consummation of the Debt Financing is not a condition to the obligations of Buyer under this Agreement.

Section 8.6 Trade Payables. The Sellers shall make all payments in respect of payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers' cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller's obligations pursuant to this Section 8.6 with respect to taxes are limited to taxes that are not Assumed Liabilities. Within fourteen (14) days following the date hereof, the Sellers shall deliver to Buyer an initial report containing an aging report for all payables of the Business allocated by vendor. For the period following the date of this Agreement until the Closing Date, Sellers shall make their employees and advisors (including the Chief Restructuring Officer) reasonably available (during business hours) upon reasonable advance notice from Buyer to answer any questions Buyer may have, and provide such additional information Buyer may reasonably request, with respect to any accrued payables of the Business.

ARTICLE IX

ADDITIONAL AGREEMENTS

Section 9.1 Access to Information. Sellers agree that, prior to the Closing Date, Buyer shall be entitled, through its officers, employees and representatives (including legal advisors, Financing Sources, consultants, appraisers and accountants), to make such investigation of the properties (including non-invasive environmental site assessments), businesses and operations of Sellers' businesses (including any of the Properties) and such examination of the Books and Records of Sellers' businesses, the Acquired Assets and the Assumed Liabilities as is reasonable (and reasonably requested) and to make extracts and copies of such Books and Records. Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer's representatives in connection with such investigation and examination, and Buyer and Buyer's representatives shall reasonably cooperate with Sellers and Sellers' representatives and Buyer and Buyer's representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers' business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts after the approval of the Bankruptcy Plan and on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries after the approval of the Bankruptcy Plan and on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect after the approval of the Bankruptcy Plan and on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect after the approval of the Bankruptcy Plan and on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes after the approval of the Bankruptcy Plan and on or before the Closing Date, (iv)

implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement (z) taking or refraining from taking any action required by this Agreement or under the law, including if such actions would be inconsistent with its obligations under the Bankruptcy Code or that would prejudice the rights of Sellers' creditors, equity holders and constituents, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to SHC at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor, and (ii) Buyer shall be entitled to an injunction or injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder.

(c) Buyer (or its regarded owner for U.S. federal income Tax purposes, if applicable) shall make (if not previously made) a valid election, effective on or prior to the Closing Date, to be classified as an association taxable as a corporation for U.S. federal income Tax purposes (unless one or more Affiliated Designees shall acquire all of the Acquired Assets and assume all of the Assumed Liabilities). Buyer shall cause any Affiliated Designee (or its regarded owner for U.S. federal income Tax purposes, if applicable) to be classified as a corporation or an association taxable as a corporation for U.S. federal income Tax purposes at all times during the period beginning on the Closing Date and ending on the effective date of the Bankruptcy Plan.

(d) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a “Straddle Period”), shall be allocated to the Pre-Assignment Tax Period based on a “closing of the books” method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller (and its Affiliates) harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) For purposes of Section 3.1(a)(iv), no later than thirty (30) days prior to the Closing Date, Seller shall deliver to Buyer a schedule showing the estimated amount of Transfer Taxes, together with supporting calculations and workpapers. Such schedule shall be deemed final unless Buyer notifies Seller in writing that Buyer objects to one or more items reflected in such schedule within ten (10) days after delivery of the schedule. In the event of any such objection, Buyer and Seller shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Seller are unable to resolve any dispute with respect to the estimated Transfer Taxes within twenty (20) days after the delivery of the schedule, such dispute shall be resolved by the CPA Firm, the determination of which shall be final. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. For the avoidance of doubt, the estimated amount of Transfer Taxes determined pursuant to this Section 9.3(a) shall not preclude the determination of a different amount pursuant to Section 9.3(e).

(b) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d)) (“Transfer Taxes”) shall be borne solely by Buyer. For the avoidance of doubt, regardless of the amount of estimated Transfer Taxes applied to reduce Purchase Price pursuant to Section 3.1(a)(iv), Buyer shall bear 100% of Transfer Taxes. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax

Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(c) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers' or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section 382(l)(5) of the Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(c) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h), Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Sellers' ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(d) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Buyer's ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(d) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as

a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(e) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the “Allocation Schedule”). The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45) days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the determination of the CPA Firm; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any

such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from winding down their operations and dissolving their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation

of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective bargaining agreement ("Represented Employees") using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not represented by a labor union ("Non-Represented Employees"), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required by and in accordance with Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as "Transferred Employees."

(b) Subject to the last sentence of this Section 9.7(b) and except as otherwise expressly provided in this Section 9.7(b),¹⁹ with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the calendar year in which the first (1st) anniversary of the Closing Date occurs, subject to such Transferred Employee's continued employment with Buyer or any of its Subsidiaries (as applicable) (i) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date and (ii) a group health and welfare plan and a 401(k) plan, qualified under Sections 401(a) and 401(k) of the Code ("401(k) Plan"), that are substantially comparable in the aggregate to the group health and welfare plan and 401(k) Plan under which such Transferred Employee participates as of the date hereof. For the avoidance of doubt, (x) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (y) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers. The Parties agree to cooperate in

¹⁹ **Note to Buyer:** Seller acknowledges that Buyer wishes to limit its commitment on substantially comparable benefits and the severance protection period to December 31, 2019. To be discussed.

good faith to coordinate the establishment of benefit plans and arrangements so as to satisfy the obligations set forth in this Section 9.7(b)(ii).

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller's or its Subsidiaries' medical, dental or health plans during the portion of the calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical, dental and health plan provider to provide such waivers and credits contemplated by the first (1st) sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the last day of the calendar year in which the first (1st) anniversary of the Closing Date occurs that are at least equal to the severance and other separation benefits provided by Seller and its Subsidiaries to such Transferred Employee as in effect immediately prior to the Petition Date.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the

Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the fiscal year ending February 2, 2019.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an "M&A Qualified Beneficiary" (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) [From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay, and Seller's portion of any related employment and payroll Taxes, made by any Seller to any employee of any Seller whose employment with any of the Sellers terminated following the Petition Date or terminates on, or following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be covered by Buyer's obligations as set forth in Section 9.7(b)), to the extent of the cash severance or other cash separation pay that has been paid on or following the Petition Date and prior to the Closing Date or would have been due and payable had such employee's employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(i), the "Severance Reimbursement Obligations").]²⁰

(j) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(i), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

²⁰ Note to Buyer: Subject to Seller's further review.

(k) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code (“Buyer’s Savings Plan”) that will permit participation by all Transferred Employees who are participating in Seller’s or its Subsidiaries’ 401(k) Plan (“Seller’s Savings Plan”) as of the Closing Date.

(ii) No assets or liabilities of Seller’s Savings Plan shall be transferred to Buyer’s Savings Plan, other than in connection with a rollover of a Transferred Employee’s account balance under Seller’s Savings Plan. Except as could reasonably be expected to cause the Buyer’s Savings Plan to cease to qualify under Section 401(a) and 401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer’s Savings Plan any rollover distribution (in cash or loan notes of any “eligible rollover distribution” (within the meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause it Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller’s Savings Plan shall be fully vested and nonforfeitable.

(l) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

(m) Sellers and Buyer hereby agree to follow the “alternate procedure” for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

(a) Seller shall pay when due any and all Occupancy Expenses with respect to each Owned Real Property solely to the extent arising during the period commencing on the Petition Date through the Closing Date.

(b) From the date hereof through the Closing Date, Seller shall use commercially reasonable efforts to maintain and preserve each Owned Real Property and all related Acquired Assets in a condition substantially similar to their present condition. Prior to Closing, Seller shall not without Buyer's consent, and shall not solicit any other Person to, (A) sell, transfer, assign, convey, lease, license, mortgage, pledge or otherwise encumber any Owned Real Property or related Acquired Asset (other than sales of Inventory in accordance with the terms of this Agreement, Permitted Encumbrances and any applicable statutory liens (solely to the extent that such Owned Real Property or related Acquired Asset will be transferred free and clear of such statutory liens pursuant to the applicable transfer document)), (B) grant or terminate any other interests in any Owned Real Property or related Acquired Asset, (C) cancel or compromise any claim or waive or release any right, in each case that is related to any Owned Real Property or any related Acquired Assets (for the avoidance of doubt, other than any Excluded Assets), (D) take any action with respect to Taxes or Tax matters that could reasonably be expected to result in an Encumbrance on any Owned Real Property or related Acquired Assets (other than Permitted Encumbrances) or (E) enter into any agreement or commitment to take any action prohibited by this Section 9.8(b).

(c) From and after the date hereof through Closing, Sellers shall bear the risk of loss or damage to the Owned Real Property and Seller shall continue all insurance policies with respect to the Owned Real Property or policies providing substantially similar coverages to the extent available at commercially reasonable rates (and in all instances without any reductions in the amounts of available coverage), including comprehensive public liability, casualty and umbrella liability insurance, and shall cause Buyer to be named as a loss payee or additional insured, as applicable, with respect to all such policies. Seller shall pay to Buyer on the Closing Date all insurance recoveries and all warranty and condemnation proceeds received or receivable after the date hereof with respect to the Owned Real Property. In connection with any payment of recoveries or proceeds under this Section 9.8(c), (i) such payment of recoveries or proceeds shall not include any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such payment of recoveries or proceeds shall be reduced by the amount of (x) all actual and documented, reasonable out of pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out of pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

Section 9.9 Title Matters.

(a) Buyer, at its own discretion and sole expense, may order preliminary title reports from a nationally recognized title company (the "Title Company") with respect to any of the Leased Premises or Owned Real Property (the property covered by such reports being referred to herein as the "Titled Property"). Seller shall at no cost, expense or liability to Seller, cooperate in good faith with Buyer and the Title Company in connection with the compilation of title to the

Titled Property and in connection with any efforts by Buyer to obtain title insurance policies pursuant thereto on behalf of itself and/or its lender, including, in the case of any efforts by Buyer to obtain lender's title insurance policies on behalf of its lender, by providing reasonable affidavits and other similar instruments as are reasonably required by the Title Company for the deletion of any standard or printed exceptions in such lender's title insurance policies that are customarily deleted by virtue of a seller delivering such instruments in commercial real estate transactions in the state or province in which the Titled Property which is the subject of such lender's title insurance policy is located. Subject to the foregoing proviso, such cooperation by Seller and its Subsidiaries shall include providing Buyer and the Title Company copies of, with respect to Titled Property, reasonably requested existing surveys, maps, existing title reports and title insurance policies and true and complete copies of the encumbrance documents identified therein, to the extent the same are in the possession of Seller or its Subsidiaries and are not publicly available.

Section 9.10 Use of Name. Sellers agree that they shall (i) as soon as practicable after the Closing Date and in any event within one (1) year following the Closing Date, cease to make use of the Trademarks included in the Acquired Intellectual Property and change the Business Names of all of their applicable Affiliates to a Business Name that does not consist of, contain or incorporate any Trademarks included in the Acquired Intellectual Property, (ii) as promptly as practicable after the Closing Date, file a motion with the Bankruptcy Court to amend the caption of the Bankruptcy Cases to reflect a change in the name of the Sellers in accordance with the foregoing clause (i) and (iii) immediately after the Closing, cease to hold themselves out as having any affiliation with the Acquired Assets. Sellers shall promptly deliver to Buyer any relevant documentation evidencing such name change, including any name change amendment and name change notice filed with or submitted to any Governmental Authority in each jurisdiction in which such Seller or Affiliates of Seller is qualified to do business. Nothing in this Section 9.10 shall prohibit Sellers' use of such Trademarks to the extent that such use (a) is required to wind down Sellers' estate or (b) constitutes nominative or descriptive fair use under United States Laws, which refers to Sellers and would not cause confusion as to the origin of a good or service, including in accurately stating the historical relationship between Sellers and Buyer for information purposes (and in a non-Trademark manner) in historical, tax and similar records.

Section 9.11 Apportionments.²¹ All charges and fees payable for telephone services, water, sewer rents heat, steam, electric power, gas and other utilities, at the price charged by the suppliers, including any taxes thereon and based upon applicable meter readings, where available, made on or immediately prior to or immediately after the Closing Date (and credits therefor to the extent paid prior to the Closing Date) that relate to Owned Real Property shall be apportioned between Sellers, on the one hand, and Buyer, on the other hand, as of midnight on the Closing Date for the period that begins prior to the Closing Date and ends after the Closing Date.

Section 9.12 [Reserved].²²

Section 9.13 Release.

²¹ **Note to Draft:** Subject to confirmation that this is consistent with Buyer assuming Excluded Asset-Sale Taxes in connection with a Tax Reorganization and with Section 2.1(i).

²² **Note to Buyer:** Parties to discuss termination of Intercompany IP Agreements.

(a) Effective upon the Closing, in consideration for the payment by Buyer of the Release Consideration, each Seller, for itself and on behalf of each of its former, present and future Subsidiaries and controlled Affiliates (each of the foregoing, a "Seller Releasing Party"), hereby releases and forever discharges each Buyer Related Party, from any and all Claims of every kind and nature, whether foreseen or unforeseen, contingent or actual, and whether now known or hereafter discovered, which any of the Seller Releasing Parties had, now has or may in the future have, at law or in equity, including, without limitation, and for the avoidance of doubt, any Claims arising under or relating to sections 502(d), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code against any Buyer Related Party in any way arising out of, in connection with, pertaining to or by reason of (a) any transactions between any Seller and any Buyer Related Party prior to the Closing Date, except for claims under this Agreement or (b) where applicable, the service at any time by any Buyer Related Party as an officer or director of any Seller or any Seller's Affiliate (the "Buyer Party Release"). Each Seller Releasing Party covenants and agrees that (x) it is and will continue to be bound by the Buyer Party Release, (y) will not take any action inconsistent with such release (including commencing any Proceeding with respect to, or directly or indirectly transferring to another Person, any claim so released), and (z) will not take any action to support in any way whatsoever, any action by another Person to assert any Claim against a Buyer Related Party, provided, however, that the foregoing shall not limit the ability of a Seller Releasing Party to comply with any legal obligation to provide documents or testimony in connection with any Claim asserted by another Person.

(b) Effective upon the Closing, each Buyer Related Party, for itself and on behalf of each of its former, present and future Subsidiaries and controlled Affiliates (each of the foregoing, a "Buyer Releasing Party"), hereby (i) waives its deficiency claims with respect to the [Second Lien Credit Agreement, Second Lien Term Loan, and Second Lien PIK Notes]; (ii) waives all of its Claims pursuant to section 507(b) of the Bankruptcy Code; and (iii) releases and forever discharges each Seller, from any and all Claims of every kind and nature, whether foreseen or unforeseen, contingent or actual, and whether now known or hereafter discovered, which any of the Buyer Releasing Parties had, now has or may in the future have, at law or in equity, including, without limitation, and for the avoidance of doubt, any Claims arising under or relating to sections 502(d), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code against any Seller in any way arising out of, in connection with, pertaining to or by reason of (a) any transactions between any Seller and any Buyer Related Party prior to the Closing Date, except for claims under this Agreement or (b) where applicable, the service at any time by any Buyer Related Party as an officer or director of any Seller or any Seller's Affiliate (the "Seller Release"). Each Buyer Releasing Party covenants and agrees that (x) it is and will continue to be bound by the Seller Release, (y) will not take any action inconsistent with such release (including commencing any Proceeding with respect to, or directly or indirectly transferring to another Person, any claim so released), and (z) will not take any action to support in any way whatsoever, any action by another Person to assert any Claim against a Seller, provided, however, that the foregoing shall not limit the ability of a Releasing Party to comply with any legal obligation to provide documents or testimony in connection with any Claim asserted by another Person.

Section 9.14 KCD IP and KCD Notes Covenants. [Subject to any applicable contract restrictions and Bankruptcy Court approval:]

(a) Commencing as of the date hereof (and, for the avoidance of doubt, continuing after the Closing Date), Sellers shall not, and shall cause all of their Affiliates (including KCD IP, LLC) not to, (i) sell, transfer, assign, encumber, allow to lapse, abandon, cancel, fail to renew, fail to continue to prosecute, protect or defend, or otherwise dispose of or convey, any KCD IP, (ii) license, sublicense or grant any Person (other than Buyer and its Affiliates) any rights to, as applicable, any KCD IP or (iii) amend, renew (or fail to exercise termination rights or option rights with respect to) any Contract pursuant to which any Seller or any of its Affiliates has granted, prior to the date hereof, any license, sublicense, covenant not to sue or other rights under any KCD IP, in each case of (i) – (iii), except in the Ordinary Course of Business or with the prior written consent of Buyer in its sole discretion.

(b) As soon as reasonably practicable after the date hereof and in any event prior to the Closing Date, Sellers shall use reasonable best efforts to cause KCD IP, LLC to grant, effective as of the Closing, a perpetual, irrevocable, worldwide, sublicensable, transferable exclusive license (but subject to (i) any licenses in effect as of such date and (ii) the license to Service.com contemplated to be entered into in connection with the SHIP Purchase Agreement) to Buyer under all of the KCD IP used by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the Buyer's businesses (including the Business) and the natural evolutions thereof; such license shall otherwise be in the form proposed by Buyer and reasonably acceptable to Sellers (Sellers' review and approval not to be unreasonably withheld, delayed or conditioned), and shall be subject to royalties equal to those in effect as of the date hereof under (i) with respect to the Kenmore Marks, the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and Sears, Roebuck and Co., as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009, that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and that certain Third Amendment to Kenmore License Agreement dated as of April 24, 2017 and (ii) with respect to the DieHard Marks, the DieHard License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and Sears, Roebuck and Co., as amended by that certain First Amendment to DieHard License Agreement dated as of November 29, 2009, that certain Second Amendment to DieHard License Agreement dated as of March 7, 2012, and that certain Third Amendment to DieHard License Agreement dated as of April 24, 2017 (the "Exclusive License").²³

(d) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC's Consent described in the above clause (c) is not obtained five (5) days prior to the Closing, and provided

that any such delay is not due to Buyer's acts or omissions, then (i) Sellers shall, prior to the Closing, assume all KCD Agreements that provide Sellers with the right to sublicense KCD IP to Buyer that are designated for assumption only by written notice of Buyer and (ii) effective as of the Closing Date, Sellers hereby grant to Buyer, a perpetual, irrevocable, worldwide, royalty-bearing (as described in Section 9.14(b)) further sublicensable, transferable sublicense under all of the KCD IP used by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the businesses of Buyer (including the Business) and the natural evolutions thereof, provided that to the extent Sellers cannot grant the foregoing, Sellers hereby grant to Buyer a sublicense of the broadest scope that Sellers can grant under all the KCD Agreements assumed by Sellers pursuant to this clause (d). For the purpose of this Section 9.14(d)(ii), any such sublicense granted to Buyer is subject to (x) any licenses in effect as of such date and (y) the license to Service.com contemplated to be entered into in connection with the SHIP Purchase Agreement), and shall be substantially on the same terms as, and shall be subject and subordinate to, the terms of the relevant KCD Agreement. Buyer shall ensure that its use of the KCD IP, as provided in this Section 9.14(d), shall only be with respect to goods and services of a substantially similar level of quality to the goods and services with respect to which Sellers used the KCD IP prior to the Closing.

(e) Buyer agrees that (A) Sellers and their Affiliates (including KCD IP, LLC) shall have no responsibility for claims by Third Parties arising out of, or relating to, Buyer's use of the KCD IP in any manner and (B) in addition to any and all remedies, from and after the Closing, Buyer shall indemnify, defend and hold harmless Sellers and their Affiliates (including KCD IP, LLC), for so long as any Seller or Affiliate of Seller is in existence, from and against any and all Third Party claims that may arise out of use of such KCD IP by or on behalf of Buyer or any of its Affiliates or assignees. All Intellectual Property licensed under this Section 9.14 is licensed "as-is" with all faults, without warranty of any kind (whether express, implied, statutory or otherwise), and Seller does not make, and Buyer hereby specifically disclaims, any representations or warranties (whether express or implied, statutory or otherwise).

(f) For clarity, and not in limitation of the foregoing, Buyer (or its applicable designee) may grant a security interest in any or all of its rights and benefits under Section 9.14(b), Section 9.14(c) or Section 9.14(d) for collateral purposes to the Financing Sources in connection with the Financing.

(g) Notwithstanding anything to the contrary contained in this Agreement, Seller shall not transfer the KCD Notes to Buyer, and Buyer shall not assume the PA Liabilities from Seller, unless and until Seller has received the requisite consent of the Bermuda Monetary Authority to the transfer of the KCD Notes (the "BMA Consent"). Immediately following receipt of the BMA Consent, the transfer of the KCD Notes and the assumption of the PA Liabilities shall take place simultaneously.²⁴

²⁴ **Note to Buyer:** Feasibility of this provision to be discussed. First, can protection agreements can be assumed in this delayed basis? And second, how will consumers be protected during this interim period?

ARTICLE XII

TERMINATION

Section 12.1 Termination Events. Anything contained in this Agreement to the contrary notwithstanding, this Agreement may be terminated at any time prior to the Closing:

(a) by either Sellers or Buyer:

(i) if the Bankruptcy Court shall have determined that it will not enter the Approval Order or if a Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any final and non-appealable applicable Law (including any Order) which is in effect and has the effect of making the Transactions illegal or otherwise restraining or prohibiting consummation of the Transactions and which is not satisfied, resolved or preempted by the Approval Order; provided, however, that the

(ii) if the Closing shall not have occurred by 11:59 p.m. New York City time on February 19, 2019 (the “Outside Date”);²⁸ provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(a)(ii) shall not be available to any Party whose material breach of any of its representations, warranties, covenants or agreements contained herein results in the failure of the Closing to be consummated by such time;

(iii) if Sellers accept or agree to any Competing Transaction or upon approval by the Bankruptcy Court of, or the filing by or on behalf of any Seller of a motion or other request to approve, a Competing Transaction; provided, however, that if Seller, pursuant to Section 8.2(b) and the Bidding Procedures Order, has designated Buyer as a “Back-Up Bidder,” then Buyer shall not be permitted to terminate this Agreement prior to the Outside Date except as consistent with the terms of Section 8.2(b) and the Bidding Procedures Order; or

(iv) by mutual written consent of Sellers and Buyer.

(b) by Buyer:

(i) in the event of any breach by any Seller of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 10.1 or Section 10.2 to be satisfied, and the failure of Sellers to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Buyer of their intention to exercise their rights under this Section 12.1(b)(i) as a result of such breach; provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(b)(i) shall not be available to Buyer if Buyer is in breach of any of its representations, warranties, covenants or agreements contained herein in a manner that would result in the failure of a condition set forth in Article XI to be satisfied;

(iii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 4, 2019, or if the Approval Order has not been entered on or before February 4, 2019 (or is vacated or stayed as of such date).

such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Sellers of their intention to exercise their rights under this Section 12.1(c)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(c)(i) shall not be available to Seller if Sellers are themselves in breach of any of their representations, warranties, covenants or agreements contained herein, in each case in a manner that results in the failure of a condition set forth in Article X to be satisfied;

(ii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 4, 2019, or if the Approval Order has not been entered on or before February 4, 2019 (or is vacated or stayed as of such date); or

(iii) if (A) all of the conditions set forth in Article X have been satisfied (other than those conditions that by their nature are to be satisfied by actions taken at the Closing, but which would be satisfied if the Closing Date were the date of such termination, or would have been satisfied, assuming the Closing had in fact occurred), (B) Buyer failed to consummate the transactions contemplated by this Agreement by the time set forth in Section 4.1, (C) Sellers have irrevocably confirmed to Buyer in writing that all the conditions in Article XI have been satisfied (or that it is willing to waive any unsatisfied conditions set forth in Article XI) and that Sellers have indicated to Buyer in writing that Sellers are ready, willing and able to consummate the transactions contemplated by this Agreement, (D) Sellers have given Buyer written notice at least two (2) Business Days prior to such termination stating Sellers' intention to terminate this Agreement pursuant to this Section 12.1(c)(iii), and (E) Buyer fails to consummate the transactions contemplated by this Agreement within such two (2) Business Day period.

Section 12.2 Effect of Termination.

(a) Subject to the first sentence of Section 12.2(b), in the event of any termination of this Agreement pursuant to Section 12.1, this Agreement (other than the provisions set forth in this Section 12.2, Section 12.3 and Article XIII) shall forthwith become null and void and be deemed of no further force and effect. Subject to Section 12.2(b) and the provisions set forth in the immediately preceding sentence, there shall be no liability or obligation thereafter on the part of any Party. Notwithstanding the foregoing, any such termination shall not limit any Party's liability for any willful and material breach prior to the time of such termination. For purposes of this Agreement, "willful and material breach" means a material inaccuracy or breach of any material representation, warranty or covenant or other agreement set forth in this Agreement that is a consequence of an act or failure to act by or on behalf of the breaching Party with knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, result in a breach of this Agreement. In the event of any valid termination of this Agreement by Buyer pursuant to [Section 12.1(a) or] Section 12.1(b)(i), Sellers shall promptly (and in no event later than two (2) Business Days following such termination) return to Buyer the Deposit Amount and any other deposit delivered by Buyer to Sellers pursuant to the Bidding Procedures Order, *less* the \$17.9 million non-refundable amount deposited with the Escrow Agent for the benefit of Sellers. Notwithstanding anything to the contrary in this Agreement, except for a case of a willful and

material breach, the maximum liability of the Seller and its Subsidiaries under this Agreement shall not exceed [●].

(b) In the event of any valid termination of this Agreement by Sellers pursuant to Section 12.1(c)(iii), then Sellers shall have the right to retain the Deposit Amount [and seek such other relief as is appropriate].²⁹

Section 12.3 Termination and Adjustment Rights of Buyer as to Properties and Related Acquired Assets.

(a) If a material portion of any Lease Premises, a material portion of any Owned Real Property, or a material portion of the Potential Acquired Assets related to the Lease Premises is materially damaged or destroyed, or the physical condition thereof is materially and adversely changed (including as a result of failure of proper repair or maintenance or environmental contamination that occurs from and after the date hereof), or any Lease Premises or Owned Real Property is subject to a condemnation or other governmental taking of a material portion thereof or any shopping center in which a Lease Premises is located is damaged, destroyed or condemned such that the operations of such Lease Premises are materially and adversely affected (each of the foregoing, a "Casualty / Condemnation Event") at any time from the date of this Agreement up to and including the Closing, Sellers shall provide prompt written notice of such Casualty / Condemnation Event to Buyer. If such Casualty / Condemnation Event is such that (i) restoration of such Lease Premises or Owned Real Property to substantially the same condition as prior to such Casualty / Condemnation Event would take six (6) months or longer, (ii) in the case of a condemnation, to the extent such Lease Premises, Owned Real Property, shopping center or other area cannot be substantially restored to the same condition as prior to such condemnation or alternate modifications made to enable operations in a substantially similar manner, (iii) the applicable landlord shall have the right to terminate the related Lease and such right has not been waived or has not expired or (iv) any applicable landlord, lender or other third party is entitled to receive the awards or proceeds otherwise attributable to the leasehold interest, in the case of a Lease Premises (and is not required to make such award or proceeds available for purposes of restoration and repair or replacement) (each, a "Material Casualty / Condemnation Event"), Buyer shall elect within ten (10) days after notice of such Casualty / Condemnation Event from Sellers (which notice, in the case of a Material Casualty / Condemnation Event, shall specify that such Casualty / Condemnation Event constitutes a Material Casualty / Condemnation Event), together with Sellers' best estimate of the net amount of insurance proceeds and/or condemnation award available to Buyer pursuant to Section 12.3(c) (including any deductions pursuant to Section 12.3(c)), to either (A) in the case of a Lease Premises, acquire Designation Rights with respect to such Lease Premises at the Closing or, in the case of Owned Real Property, acquire such Owned Real Property at the Closing and, in either case, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award or proceeds relating to such Casualty/Condemnation Event at the Closing (with a credit to Buyer against the Purchase Price for any deductible required under such insurance but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or

proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) or (B) in the case of a Lease Premises, decline to acquire Designation Rights with respect to such Lease Premises or, in the case of Owned Real Property, decline to acquire such Owned Real Property, in which case the Purchase Price shall be reduced by the portion thereof allocated to such Lease Premises or Owned Real Property, as determined by agreement of the parties hereto or by the Bankruptcy Court. For the avoidance of doubt, Casualty / Condemnation Events that are subject to this Section 12.3(a) are only those occurring during the period from the date of this Agreement up to and including the Closing. Additionally, in the case of any Owned Real Property identified in section 4 of Schedule 6.6(a) with respect to which a claim for damages to buildings or fixtures is pending as of the date of this Agreement, (i) Sellers shall assign to Buyer any right Sellers have to any insurance proceeds relating to such claim at the Closing (with a credit to Buyer against the Purchase Price for any deductible required under such insurance but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) and (ii) to the extent the insurance proceeds assigned to Buyer pursuant to clause (i) are less than the amount of such claim (minus any applicable deductible) as set forth in such section 4 of Schedule 6.6(a), the Purchase Price shall be reduced by the amount of such deficiency.

(b) In the case of a casualty or condemnation occurring prior to Closing other than a Material Casualty / Condemnation Event, Sellers shall give Buyer prompt written notice thereof and (i) Sellers may elect to restore such Lease Premises or Owned Real Property but shall have no obligation to do so (and shall give Buyer prompt written notice of such election), and (ii) if, in the case of a Lease Premises, Buyer shall elect to acquire the related Designation Rights or, in the case of Owned Real Property, Buyer shall elect to acquire such Owned Real Property, in either case pursuant to Section 12.3(a)(A) above Sellers shall, at the Closing, assign to Buyer all awards or other proceeds for such taking by eminent domain or condemnation or the right to receive proceeds of any insurance for such damage or destruction (to the extent not applied as provided in clause (i) of this Section 12.3(b) and not attributable to Sellers' lost rents or like amounts applicable to any period prior to the applicable Closing and with a credit to Buyer against the Purchase Price for any deductible required under such insurance).

(c) In connection with any assignment of awards, proceeds or insurance under this Section 12.3, (i) such assignment of proceeds or awards shall not include any awards, proceeds or insurance to the extent attributable to lost rents or similar costs applicable to any period prior to the applicable Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such assignment of proceeds or awards shall be reduced by the amount of (x) all actual and documented, reasonable out-of-pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out-of-pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

(d) Buyer shall have the right, prior to Closing, to decline to acquire (i) Designation Rights with respect to any Lease and related Potential Acquired Assets or (ii) any Acquired Assets, in each case if and only if any Consent from any Person (other than a Governmental Authority) has not been obtained from such Person or has not otherwise been provided for pursuant to the Approval Order, the absence of which prevents the acquisition or exercise of the Designation Rights with respect to such Lease and related Potential Acquired Assets or the acquisition of such Acquired Assets; provided, that if the failure to obtain such Consent is curable, Sellers shall have until the earlier of (i) the Closing Date or (ii) ten (10) days after receipt of Buyer's notice of intent to terminate to obtain such Consent; and provided, (c) further that, for the avoidance of doubt, the provisions of this Section 12.3(d) shall not apply with respect to any license (incoming or outgoing) of any Intellectual Property.

ARTICLE XIII

Section 13.3 Amendment; Waiver. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding unless set forth in writing and duly executed by each Party; provided that this Section 13.3, Section 13.6, Section 13.8, Section 13.10 or Section 13.12, in each case as such Sections relate to the Financing Sources, may not be amended in a manner adverse to the Financing Sources without the prior written consent of the applicable Financing Source under the applicable Commitment Letter. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Neither the waiver by any of the Parties of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. No course of dealing between or among the Parties shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights to payment of any Party under or by reason of this Agreement.

Section 13.4 Entire Agreement. This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements, understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or

only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction Documents and the Transactions. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the Financing Sources in connection with the Financing; provided further that that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action

(whether in contract or tort) brought against the Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the Financing Sources are intended third party beneficiaries of this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The costs of any privacy ombudsman shall be borne by Buyer, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. No other Person, including any Buyer Related Party (other than Buyer) or any of the Parties' Affiliates, directors, officers, employees, incorporators, members, partners, managers, stockholders, agents, attorneys, or representatives of, or any financial advisors or lenders to (including the Financing Sources in their capacities as such), any of the foregoing (together, the "Non-Recourse Parties") shall have any liabilities for any Claims or Liabilities arising under, out of, in connection with, or related in any manner to, this Agreement, the Transactions or the Debt Financing or based on, in respect of, or by reason of, this Agreement

or its negotiation, execution, performance or breach, whether at law, in equity, in contract, in tort or otherwise.

Section 13.13 Schedules; Materiality. The inclusion of any matter in any Schedule shall be deemed to be an inclusion for all purposes of this Agreement, to the extent that the relevance of such disclosure to any Section is readily apparent from the text of such disclosure, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Schedule shall not be deemed an admission as to whether the fact or item is “material” or would constitute a “Material Adverse Effect.”

Section 13.14 Specific Performance. The Parties acknowledge and agree that (a) irreparable injury, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that any of the provisions of this Agreement are not performed in accordance with the specific terms hereof or are otherwise breached, and (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain (without the posting of any bond) specific performance of the terms of this Agreement by the breaching Party or Parties. If any Proceeding is brought by the non-breaching Party or Parties to enforce this Agreement, the Party in breach shall waive the defense that there is an adequate remedy at Law.

(g) except as otherwise provided for in Section 2.3(n), all Liabilities of the Seller or any of its Subsidiaries relating to (i) fines or penalties arising from noncompliance with Environmental Laws occurring prior to the Closing Date, including (ii) Claims for personal injury or property damage related to exposure occurring prior to the Closing Date to Hazardous Substances present at, on, in, under or migrating to or from any Acquired Asset or (iii) the offsite disposal of Hazardous Substances occurring prior to the Closing Date;

(h) any Excluded Asset-Reorganization Taxes;

(i) if (A) Buyer makes the election under Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer) or (B) the Internal Revenue Service successfully asserts (for which assertion there is a final determination), that none of Sellers' Tax attributes transferred to Buyer, Excluded Asset-Sale Taxes (but in the case of clause (B) in respect of a Tax arising in any period prior to any such final determination, only to the extent Sellers actually obtain a refund or other current economic Tax reduction in respect of the applicable Taxes); provided, however, that Excluded Asset-Sale Taxes shall not be an Excluded Liability if the Internal Revenue Service successfully asserts that a transfer of any such Tax attributes to Buyer shall have occurred notwithstanding such Buyer election;

(j) all Liabilities with respect to any brokerage or finders' fees or agents' commissions or other similar payment in connection with the Transactions incurred by any Seller;

(k) all Liabilities under this Agreement or any documents or instruments executed and delivered by Seller and its Affiliates pursuant to this Agreement;

(p) the SHIP Purchase Agreement Liabilities; and

(q) other than Cure Costs, accounts payable incurred in the Ordinary Course of Business existing on the Closing Date (including (i) invoiced amounts payable and (ii) accrued but uninvoiced accounts payable).

For the avoidance of doubt, all Taxes of any Seller shall be Assumed Liabilities, regardless of the time and circumstances giving rise to any such Taxes, except for any Tax expressly excluded under Section 2.2(h) or Section 2.4(i).

Section 2.5 Year-End Adjustments. For the avoidance of doubt, notwithstanding anything to the contrary set forth in this Agreement, neither Buyer nor any Assignee shall have any obligations in respect of any portion of any year-end (or other) adjustment (including for royalties, rents, utilities, Taxes, insurance, fees, any common area or other maintenance charges, promotional funds and percentage rent) arising under any of the Acquired Leases or any other Assigned Agreements for the calendar year in which the applicable Lease Assignment occurs that is attributable to (x) the portion of such calendar year occurring prior to such Lease Assignment or (y) any previous calendar year, and Sellers shall fully indemnify and hold harmless Buyer and the applicable Assignee with respect thereto. Buyer shall be solely responsible for any of the matters described in the preceding sentence for the portion of the calendar year in which the Closing Date occurs following each applicable Lease Assignment and all subsequent calendar years, and Buyer shall fully indemnify and hold Sellers harmless with respect thereto. Following the applicable Lease Assignment Date, except as expressly set forth in this Agreement or the Approval Order, Sellers shall have no further liabilities or obligations with respect to each of the Acquired Leases and the other Assigned Agreements (including obligations related to royalties rents, utilities, Taxes, insurance and common area maintenance, regardless of when due and payable), and Sellers shall be released from all such obligations and Buyer shall indemnify and hold harmless Sellers with respect thereto.

Section 2.6 Purchase and Sale of Designation Rights. Upon the terms and subject to the conditions of this Agreement and the Approval Order, on the Closing Date, Sellers shall sell, transfer, assign and convey, or cause to be sold, transferred, assigned and conveyed, to Buyer, and Buyer shall purchase from Sellers, the Designation Rights. For the avoidance of doubt, the sale, transfer, assignment and conveyance of the Designation Rights provided for herein on the Closing Date shall not effectuate a sale, transfer, assignment or conveyance of any Designatable Lease to Buyer or any other Assignee, which shall only be effectuated on a Designation Assignment Date;

provided, that, notwithstanding the foregoing, Buyer shall be responsible for all Expenses arising under or related to any Designatable Lease from and after the Closing Date until, if applicable, the rejection of such Designatable Lease in accordance with this Agreement. Subject to the terms and conditions of this Agreement, the Approval Order and the requirements of section 365(b) of the Bankruptcy Code, Buyer shall have the right to designate itself or, with the consent of Seller, any other Person as the Assignee to which a Designatable Lease is to be assumed and assigned. The Designation Rights shall terminate upon the expiration of the Designation Rights Period.

Section 2.7 Assignments.

(a) Potential Transferred Agreements.

(i) Schedule 2.7(a) contains a list of all Potential Transferred Agreements (including, to the extent in the possession or control of any Seller, the underlying agreements). Subject to section 365 of the Bankruptcy Code, Buyer may elect to have the Potential Transferred Agreements assigned to Buyer or assumed by Seller and assigned to Buyer on the applicable Assumption Effective Date (which shall be deemed to be “Assigned Agreements” in accordance with the definition thereof). At Buyer’s reasonable request, Seller shall make reasonably available to Buyer the appropriate employees of Seller necessary to discuss the Potential Transferred Agreements.

(ii) To the extent a Potential Transferred Agreement is an executory contract or lease, as soon as practicable after the date hereof, Seller shall file a notice of assignment and assumption (an “Agreement Assignment Notice”) with the Bankruptcy Court and serve such notice via electronic or first class mail on each counterparty to a Potential Transferred Agreement that is an executory contract or lease, consistent with the terms of the Bidding Procedures Order. The Agreement Assignment Notice shall identify all Potential Transferred Agreements that are executory contracts or leases and related to the Acquired Assets that Sellers believe may be assigned or assumed and assigned in connection with the sale of the Acquired Assets and set forth a good faith estimate of the amount of the Cure Costs applicable to each such Contract (and if no Cure Cost is estimated to be applicable with respect to any particular Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(b) Initial Assigned Agreements.

(i) As soon as practicable after delivery of the list of Potential Transferred Agreements by the Seller but no later than five (5) Business Days following such delivery, Buyer shall deliver to the Seller a list of those Potential Transferred Agreements proposed to be assigned to Buyer or assumed by Seller and assigned to Buyer on the Closing Date (the Contracts on such list, the “Initial Assigned Contracts”, the Leases on such list (including, to the extent applicable to such Leases, all non-disturbance agreements with fee owners or senior landlords, subordination, non-disturbance and attornment agreements, waivers and consents in favor of any Seller, estoppel certificates from landlords (to the extent assignable), and landlord waivers or other collateral access agreements in favor of

any Seller or any asset-based lenders) the “Initial Assigned Leases”, and together the “Initial Assigned Agreements”).

(ii) Following delivery of the list of Initial Assigned Agreements and to the extent consistent with the Bidding Procedures Order, at any time prior to the second (2nd) Business Day prior to the Closing Date, Buyer will be entitled, after consultation with the Sellers, to add (x) any Initial Assigned Agreement to the list of Excluded Assets by providing written notice thereof to Sellers, and any Initial Assigned Agreement so added will cease to be an Initial Assigned Agreement and will be deemed to be an Excluded Asset (and all Liabilities thereunder Excluded Liabilities) for all purposes hereunder or (y) any Potential Transferred Agreement to the list of Initial Assigned Agreements so long as (1) it is not a Contract to be assumed or available to be assumed pursuant to any other sale previously approved by the Bankruptcy Court in connection with the Bankruptcy Cases; and (2) it is prior to the entry of a Final Order of the Bankruptcy Court approving the rejection of such Contract, in each case subject to the non-Debtor party to such Contract receiving information evidencing Buyer’s adequate assurance of future performance and having an opportunity to object consistent with the Bidding Procedures Order and the Approval Order. No change referred to in this Section 2.7(b)(i) shall reduce or increase the amount of the Purchase Price, except to the extent of any increase or decrease in the assumption of the Assumed Liabilities, including Cure Costs, as a result of the Potential Transferred Agreements being added to or removed from the list of Acquired Leases or Assigned Agreements by Buyer.

(iii) On the Closing Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, and subject to consent if applicable Law requires it, Sellers shall assume and assign to Buyer the Initial Assigned Agreements and Buyer shall pay all Cure Costs with respect to such Initial Assigned Agreements to the appropriate counterparty or establish a reserve for disputed cure amounts in accordance with the Bidding Procedures Order and Approval Order.

(c) Designatable Leases. On each Assumption Effective Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, Sellers shall assume and assign to the applicable Assignee any Designatable Lease so designated by Buyer for assumption and assignment in accordance with the terms of this Agreement, and Buyer shall pay all or be responsible for Cure Costs with respect to such Designatable Leases.

(d) Additional Contracts. On each applicable Assumption Effective Date, and in no event later than the date that is five (5) Business Days following the Designation Deadline, pursuant to section 365 of the Bankruptcy Code, the Approval Order, and any other applicable Order, Sellers shall assume and assign to the applicable Assignee any Additional Contract that Buyer designates for assumption and assignment in accordance with Section 2.9, and Buyer shall pay all Cure Costs with respect to such Additional Contract and all Expenses related to or arising under such Additional Contract after the Closing Date.

(e) Adequate Assurance and Consents. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Lease or Contract pursuant to

this Section 2.7 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Lease or Contract and such Consent has not been obtained; provided, however, that the Parties shall use their commercially reasonable best efforts to obtain all such Consents.

Section 2.8 Further Assurances.

(a) On and after the Closing Date, each of the Sellers and Buyer shall use its commercially reasonable efforts to further give full effect to, evidence and record the assignments, waivers, ratifications, consents and agreements granted herein, and, Sellers shall, upon Buyer's request, assist Buyer in every reasonable way to obtain, maintain, enforce and defend any rights specified to be owned by or assigned to a Seller, including by testifying in any legal Proceedings, executing all lawful papers and making all rightful oaths required or necessary to aid Buyer or its successors or assigns in obtaining and enforcing its right, title and interest in, to and under the Acquired Assets, including in connection with the IP Assignment Agreement and the Short Form Assignments and in complying with all requirements of the applicable social media sites and Domain Name registrars.

(b) On each Designation Assignment Date, Seller shall, upon the request of Buyer or the applicable Assignee, execute and deliver to such Assignee such instruments of transfer as shall be reasonably necessary or desirable to vest in such Assignee title to the applicable Designatable Leases and related Acquired Lease Rights, Acquired Improvements and all other related Acquired Assets required hereunder to be transferred on such Designation Assignment Date (and evidence the assumption by Seller, and the assignment by Seller to the applicable Assignee, of such Designatable Leases), and Seller, on the one hand, and such Assignee, on the other hand, shall (and Buyer shall use commercially reasonable efforts to cause each Assignee to) take (or cause to be taken) all appropriate action, do (or cause to be done) all things necessary under applicable Law, and execute and deliver such instruments and documents, in each case as may be reasonably requested and reasonably necessary or desirable to consummate the Transactions at or after the Designation Assignment Date. In furtherance and not in limitation of the foregoing, in the event that any of the Acquired Assets shall not have been conveyed at Closing or on the applicable Designation Assignment Date, as applicable, Seller shall convey such Acquired Assets to Buyer or such Assignee, as applicable, as promptly as practicable after the Closing or on the applicable Designation Assignment Date, as applicable. As promptly as practicable following the date on which Buyer is permitted to receive Customer Data constituting "personally identifiable information" (as defined in the Bankruptcy Code) that was not transferred on the Closing Date, Seller shall deliver to Buyer a copy of the Customer Data constituting Acquired Data to an extent and in a format mutually agreeable to Seller and Buyer that is readable, useable, indexed and searchable and, if any portion of such Customer Data is encrypted, the necessary decryption tools and keys to read such materials contemporaneously.

(c) Not later than ten (10) days prior to the Closing Date, Sellers shall instruct all of Sellers' outside counsel responsible to maintaining, prosecuting or renewing any of the Acquired Intellectual Property (i) that the ownership of the Acquired Intellectual Property will be assigned to Buyer as of the Closing Date, (ii) to keep all Acquired Intellectual Property (as relevant to such counsel) in full force and effect, including by filing and documentation and paying any fees

required therefor, (iii) to release to Buyer or counsel designated by Buyer at locations to be designated by Buyer copies of all the tangible embodiments of the Intellectual Property Related Documentation existing as of the Closing Date and in such counsel's possession, and (iv) that Buyer or counsel designated by Buyer may contact such Sellers' counsel for coordination relative to further prosecution of the Acquired Intellectual Property at Buyer's expense (such correspondence, "Seller Instructions"). Sellers shall also include in the Seller Instructions any other information that Buyer reasonably instructs Sellers to include that is communicated to Sellers prior to the Closing Date.

(d) If after the Closing (i) Buyer or any of its Affiliates holds or is otherwise liable for any Excluded Assets or Excluded Liabilities or (ii) any Seller or any of their respective Affiliates holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller will, and will cause their respective controlled Affiliates to, and will use commercially reasonable efforts to cause their other Affiliates to, (including through the execution and delivery of all appropriate transfer documents) promptly transfer (or cause to be transferred) such Assets or assume, pay or reimburse (or cause to be assumed, paid or reimbursed) such Liabilities to or from (as the case may be) the other party for no additional consideration. Prior to any such transfer, the party receiving or possessing any such asset will hold it in trust for such other party.

Section 2.9 Additional Contracts. If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019 (the "Designation Deadline"), Buyer so determines as to any Contract that is Related to the Acquired Assets or is an IP License, in each case but is not an Initial Assigned Contract (other than (i) any lease of non-residential real property and (ii) any Excluded Asset set forth in Section 2.2) (each, an "Additional Contract"), Buyer may elect, after consultation with the Sellers, by written notice delivered to Sellers, to designate for assignment or assumption and assignment any Additional Contract for no additional consideration. Upon the designation of any such Additional Contract as an Assigned Agreement pursuant to this Section 2.9, Sellers will use their reasonable best efforts to assume and assign to the applicable Assignee such Additional Contract so long as the Buyer pays all Expenses accrued post-Closing and all Cure Costs associated with such Additional Contract; provided, however, that nothing herein shall be deemed or construed to obligate Sellers to retain, or refrain from rejecting or terminating any Lease or Contract after the Designation Deadline that does not constitute an Assigned Agreement. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Contract pursuant to this Section 2.9 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Additional Contract and such Consent has not been obtained, provide that the Parties shall use their reasonable best efforts to obtain all such Consents.

Section 2.10 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement but only to the extent of such amounts as may be required to be deducted and withheld by Buyer with respect to the making of such payments under applicable U.S. federal, state or local or foreign laws, and any such withheld amount shall be properly paid by Buyer to the appropriate Governmental Authority. To the extent that amounts are so deducted and withheld and properly paid to the appropriate Governmental Authority, such deducted and withheld amounts

shall be treated for all purposes of this Agreement as having been paid to Sellers or any other Person in respect of which such deduction and withholding was made.

Section 2.11 Rejection of Outbound IP Licenses. Prior to the Closing Date, subject to section 365(n) of the Bankruptcy Code, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject any Outbound IP Licenses included in the Potential Transferred Agreements that (i) are executory Contracts and (ii) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d). Without limiting the foregoing, promptly following the Designation Deadline, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject, any Outbound IP Licenses that (x) are not included in the Potential Transferred Agreements, (y) are executory Contracts and (z) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d).

Section 2.12 Tax Reorganization.

(a) The Parties intend that the transactions set forth in this Agreement, as structured and implemented as described in Section 9.2(a), together with the Bankruptcy Plan (as defined below), will, unless and except to the extent that Buyer elects otherwise with respect to a particular Seller or Sellers pursuant to Section 2.12(b), (i) constitute one or more plans of reorganization under section 368(a) of the Code (as defined below) and (ii) as qualifying as one or more reorganizations thereunder (a “Tax Reorganization”).

(b) Buyer may, at any time on or before the earlier of (i) 15 days prior to the effective date of the Bankruptcy Plan and (ii) December 1, 2019, elect, by providing to Sellers written notice of its election, to treat one or more of the transactions (each, a “Designated Sale Transaction”) set forth in this Agreement as not qualifying as a Tax Reorganization, which election shall be effective unless Designated Tax Advisor cannot provide a Tax Opinion that such Designated Sale Transaction can be completed in a manner that would not be treated as a “reorganization” within the meaning of section 368 of the Code; provided, however, that in connection with any such Buyer election to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), the Parties shall, if requested by Sellers in writing, identify a business of the Sellers that would become part of the Excluded Assets and consider in good faith any other changes to the structure of the transaction that are reasonable and necessary as a commercial, bankruptcy law and other legal matter to achieve that result. Such Tax Opinion shall be based on representations reasonably requested by Designated Tax Advisor to be provided by each of Buyer and Sellers in the form of a representation letter, and each such representation must continue to be true and accurate in all material respects as of immediately before such Tax Opinion is issued. To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable representation letter. For the avoidance of doubt, and notwithstanding anything to the contrary set forth in this Agreement, (i) reliance by Sellers on any Tax Opinion requested or otherwise required pursuant to this Agreement

shall not affect Buyer's liability for Taxes that are Assumed Liabilities and (ii) the inability or failure to deliver or receive any Tax Opinion requested or otherwise required pursuant to this Agreement shall not delay or in any way interfere with the consummation and closing of the Transactions. Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B) of Section 9.2(a)) in respect of which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement shall be deemed to be a Designated Sale Transaction.

(c) If Buyer does not elect pursuant to Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), then Buyer and Sellers shall comply with Section 9.2.

Section 2.13 Foreign Assets.

(a) On the Closing Date, Sellers shall use reasonable best efforts to cause each of the Foreign Subsidiaries to sell, transfer, assign, convey and deliver, or cause to be sold, transferred assigned, conveyed and delivered to Buyer or the applicable Assignee, and Buyer or such applicable Assignee shall use reasonable best efforts to purchase, all right, title and interest of each of the Foreign Subsidiaries, in, to or under all assets, properties and rights Related to the Business other than the Excluded Assets and any other assets of the type that would have been Acquired Assets had they had been owned by Sellers as of the Closing Date (collectively, the "Acquired Foreign Assets"), in each case free and clear of any and all Encumbrances of any kind, nature or description and any Claims, other than Permitted Post-Closing Encumbrances. If the transfer of any Acquired Foreign Assets does not occur at the Closing Date, Seller and Buyer shall use reasonable best efforts to complete such transfer as promptly as practicable following the Closing Date and shall enter into such agreements as may be reasonably required to provide Buyer or the applicable Assignee the benefit of such assets until such transfer is consummated.

(b) If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019, Buyer determines (in its sole discretion) that it is necessary or desirable to acquire the equity interests of any Foreign Subsidiary so as to ensure that Buyer or the applicable Assignee shall be able to secure the benefit of the applicable Foreign Assets, Buyer may elect, by written notice delivered to Sellers, to acquire such equity interests directly from Seller. Following any such election, Buyer and Seller shall promptly execute all documentation required to effectuate the purchase and sale of such equity interests under applicable Law.

(c) No purchase of Acquired Foreign Assets or equity interests pursuant to this Section 2.13 shall require the delivery of any additional consideration by Buyer; provided, that solely to the extent required by applicable Law, Buyer and Seller shall reasonably agree to either (a) allocate a portion of the Purchase Price to the purchase of such equity interests or (b) provide for nominal consideration to be paid by Buyer to Sellers in an amount no greater than the minimum amount required by applicable Law.

Section 2.14 Bulk Transfer Law. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any security interests in the Acquired Assets, including any liens or claims arising out of the bulk transfer Laws.

In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws in all applicable jurisdictions in respect of the Transactions (including under any applicable Tax Laws).

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers that the statements contained in this Article VII are true and correct as of the date hereof:

Section 7.1 Organization and Good Standing; Organizational Documents; Ownership.

Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and the Acquired Assets and to carry on its business as now conducted and the Business. Buyer has delivered to Seller true and correct copies of the organizational documents of Buyer in effect as of the date hereof. All of the equity interests in Buyer as of the date hereof are owned of record and beneficially as set forth on Schedule 7.1.

Section 7.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform its obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the Transactions. The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the Transactions have been duly and validly authorized by all requisite corporate, partnership or limited liability company actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document required to be executed and delivered by Buyer at any time will be duly and validly executed and delivered by Buyer. This Agreement and (when duly executed by Buyer) the other Transaction Documents constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the Transactions, except for (a) expiration or termination of any applicable waiting periods under the HSR Act and (b) such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a material adverse effect on Buyer's right or ability to consummate the Transactions. There are no consents of any Buyer Related Party required for the execution, delivery and performance of the Transaction Documents and the consummation of the Transactions, including for the satisfaction of any condition set forth in Article X or Article XI.

Section 7.3 No Conflict. When the consents and other actions described in Section 7.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the breach of any of the terms and provisions of, or constitute a default under, or materially conflict with, or require consent or the giving of a notice under, or cause any acceleration of any material obligation of Buyer under (a) any organizational documents of Buyer, (b) any Order or (c) any Law, except to the extent any such default, conflict or consent would not affect in any material respect Buyer's ability to consummate the Transactions.

Section 7.4 Financing; Availability of Funds.

(a) Buyer shall deliver to Sellers concurrently herewith or prior to the execution of this Agreement a true, correct and complete copies of:

(i) an executed equity commitment letter (the “Equity Commitment Letter”) to Buyer from ESL Investments, Inc. (ii) an executed mortgage loan commitment letter (the “Real Estate Commitment Letter”) to Buyer from the Cyrus Lender and the Sponsor, including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which Cyrus and the Sponsor have committed to provide Buyer with real estate mortgage financing in the amount set forth therein (the “Real Estate Financing”) for the purpose of funding the Transactions;

(iii) the executed Cyrus Commitment Letter; and

(iv) the executed ABL Commitment Letter and the related fee letter (provided that fees, economics and other provisions which are customarily redacted in connection with acquisitions of this type may be redacted in a customary manner (to the extent any such provisions would not adversely affect the conditionality, enforceability, or availability of the amount of the Debt Financing necessary to consummate the Transactions contemplated hereby)).¹⁶

(b) As of the date hereof, the Commitment Letters are in full force and effect and have not been withdrawn or terminated or otherwise amended or modified in any respect. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors’ rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the Financing that could affect the availability of the amount of the Financing funded on the Closing Date necessary to consummate the Transaction contemplated hereby and (y) there are no conditions precedent or other contingencies related to the funding the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence

¹⁶ **Note to Sellers:** increase in OID will affect the “full” amount of the financing but will not impact the amount of financing that we need to consummate the transactions.

that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(c) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder in a manner sufficient to satisfy the condition specified in Section 10.2, the net proceeds from the Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

(d) The obligations of Buyer under this Agreement are not contingent on the availability of the Debt Financing.¹⁷

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied solely on the results of its own independent investigation. In connection with Buyer's investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of

¹⁷ **Note to Sellers:** To discuss inclusion of reps on ownership of debt. Buyer's previous formulation would contemplate ability to buy or otherwise cash out such debt at closing, and Buyer accordingly is not providing a representation as to ownership of all debt as of signing date.

the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

- (ii) to close the Transactions on or before February 18, 2019.

Section 8.3 Registrations, Filings and Consents.

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than January 18, 2019, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information

under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed (or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as

reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.

²³ **Note to Sellers:** we are OK deleting this bracketed language only to the extent our Compliant construct is accepted, which we think should get us to the same place.

²⁴ **Note to Sellers:** It is customary to obtain payoff letters even with a Sale 363 order. This is also a requirement of our Financing Sources to evidence satisfaction of our refinancing condition.

this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (B) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (C) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any Material Contract to which any of Sellers is a party or (D) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers.²⁷

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis (taking into account the expected timing of the Marketing Period) all terms, conditions, representations and warranties applicable to Buyer set forth in the Commitment Letters (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the Commitment Letters) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' failure to furnish the Required Information (or from the failure of the Required Information to be Compliant) or breach of their obligations hereunder in a manner that would cause the condition in Section 10.2 not to be satisfied), (ii) maintain in effect the Commitment Letters through the Closing Date (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into Debt Financing Documents and enforce its rights under the Debt Commitment Letters (other than pursuant to any Action) and (iv) upon satisfaction of the conditions set forth in the Commitment Letters, consummate the Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in

²⁷ **Note to Sellers:** We cannot accept this last sentence as it off-market and guts the entire provision.

the Debt Commitment Letters become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any “flex” provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, in each case other than as a result of a breach by Sellers of any representation, warranty or covenant contained in this agreement in a manner that would cause the conditions in Section 10.1 or Section 10.2 not to be satisfied, Buyer shall use its reasonable best efforts to obtain substitute alternative debt financing (the “Alternative Financing”) for all or such portion of such funds to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the applicable Debt Commitment Letter and (ii) that does not expand upon the conditions precedent or contingencies to funding the Financing on the Closing Date as set forth in the applicable Debt Commitment Letter or Debt Financing Documents with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing. For the avoidance of doubt, references to the “Debt Commitment Letter” shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any material breach or default) by Buyer under the Commitment Letters, or to the knowledge of Buyer, any other party to the Commitment Letters or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the Commitment Letters with respect to any actual or threatened material breach, default, termination or repudiation by any party to the Commitment Letters or any definitive agreement related thereto or any provision of the Financing or any definitive agreement related thereto (including any proposal by any Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by Commitment Letters). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under any Commitment Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers’ prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the the Debt Commitment Letters, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)), unless such portion is not reasonably required to fund the transactions contemplated by this Agreement or (B) imposes new or additional conditions precedent or changes the conditions precedent to the Financing or otherwise changes the terms of the Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the Financing materially less likely to occur or adversely impact in any material respect Buyer’s ability to enforce its rights under any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend the Debt Commitment Letters to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together

with any amendments or modifications to such Debt Commitment Letter in connection therewith, would not result in the occurrence of a modification to such Commitment Letter prohibited by this clause (i) and (ii) termination of such Commitment Letter prior to the Closing Date (unless, in the case of the Debt Commitment Letter, Buyer has arranged for Alternative Financing to the extent permitted or required by Section 8.5(a)). Buyer shall provide to Sellers copies of any commitment letter associated with a replacement Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter.²⁸ For the avoidance of doubt, references to “Commitment Letter” shall include as such Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification.²⁹

Section 8.6 Trade Payables. The Sellers shall make all payments in respect of payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers’ cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller’s obligations pursuant to this Section 8.6 with respect to taxes are limited to taxes that are not Assumed Liabilities. Within fourteen (14) days following the date hereof, the Sellers shall deliver to Buyer an initial report containing an aging report for all payables of the Business allocated by vendor. For the period following the date of this Agreement until the Closing Date, Sellers shall make their employees and advisors (including the Chief Restructuring Officer) reasonably available (during business hours) upon reasonable advance notice from Buyer to answer any questions Buyer may have, and provide such additional information Buyer may reasonably request, with respect to any accrued payables of the Business.

ARTICLE IX

ADDITIONAL AGREEMENTS

Sellers agree that, prior to the Closing Date, Buyer shall be entitled, through its officers, employees and representatives (including legal advisors, Financing Sources, consultants, appraisers and accountants), to make such investigation of the properties (including non-invasive environmental site assessments), businesses and operations of Sellers’ businesses (including any of the Properties) and such examination of the Books and Records of Sellers’ businesses, the Acquired Assets and the Assumed Liabilities as is reasonable (and reasonably requested) and to make extracts and copies of such Books and Records. Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer’s representatives in connection with such investigation and examination, and Buyer and Buyer’s representatives shall reasonably cooperate with Sellers and

²⁹ **Note to Sellers:** deleted as duplicative – we already give you a rep to this effect and it is not a covenant.

Sellers' representatives and Buyer and Buyer's representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers' business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts after the approval of the Bankruptcy Plan and on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries after the approval of the Bankruptcy Plan and on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect after the approval of the Bankruptcy Plan and on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect after the approval of the Bankruptcy Plan and on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes after the approval of the Bankruptcy Plan and on or before the Closing Date, (iv) implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement (z) taking or refraining from taking any action required by this Agreement or under the law, including if such actions would be inconsistent with its obligations under the Bankruptcy Code or that would prejudice the rights of Sellers' creditors, equity holders and constituents, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more

plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to SHC at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor, and (ii) Buyer shall be entitled to an injunction or injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder.

(c) Buyer (or its regarded owner for U.S. federal income Tax purposes, if applicable) shall make (if not previously made) a valid election, effective on or prior to the Closing Date, to be classified as an association taxable as a corporation for U.S. federal income Tax purposes (unless one or more Affiliated Designees shall acquire all of the Acquired Assets and assume all of the Assumed Liabilities). Buyer shall cause any Affiliated Designee (or its regarded owner for U.S. federal income Tax purposes, if applicable) to be classified as a corporation or an association taxable as a corporation for U.S. federal income Tax purposes at all times during the period beginning on the Closing Date and ending on the effective date of the Bankruptcy Plan.

(d) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a “Straddle Period”), shall be allocated to the Pre-Assignment Tax Period based on a “closing of the books” method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller (and its Affiliates) harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) For purposes of Section 3.1(a)(iv), no later than thirty (30) days prior to the Closing Date, Seller shall deliver to Buyer a schedule showing the estimated amount of Transfer Taxes, together with supporting calculations and workpapers. Such schedule shall be deemed final unless Buyer notifies Seller in writing that Buyer objects to one or more items reflected in such schedule within ten (10) days after delivery of the schedule. In the event of any such objection, Buyer and Seller shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Seller are unable to resolve any dispute with respect to the estimated Transfer Taxes within twenty (20) days after the delivery of the schedule, such dispute shall be resolved by the CPA Firm, the determination of which shall be final. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. For the avoidance of doubt, the estimated amount of Transfer Taxes determined pursuant to this Section 9.3(a) shall not preclude the determination of a different amount pursuant to Section 9.3(e).

(b) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d)) ("Transfer Taxes") shall be borne solely by Buyer. For the avoidance of doubt, regardless of the amount of estimated Transfer Taxes applied to reduce Purchase Price pursuant to Section 3.1(a)(iv), Buyer shall bear 100% of Transfer Taxes. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(c) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers' or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section 382(l)(5) of the

Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(c) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h), Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Sellers' ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(d) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Buyer's ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(d) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(e) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the "Allocation Schedule"). The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45) days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days

after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the determination of the CPA Firm; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from winding down their operations and dissolving their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b)) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective bargaining agreement ("Represented Employees") using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not represented by a labor union ("Non-Represented Employees"), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required

by and in accordance with Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as "Transferred Employees."

(b) Subject to the last sentence of this Section 9.7(b) and except as otherwise expressly provided in this Section 9.7(b), with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the calendar year in which the Closing Date occurs, subject to such Transferred Employee's continued employment with Buyer or any of its Subsidiaries (as applicable) (i) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date and (ii) a group health and welfare plan and a 401(k) plan, qualified under Sections 401(a) and 401(k) of the Code ("401(k) Plan"), that are substantially comparable in the aggregate to the group health and welfare plan and 401(k) Plan under which such Transferred Employee participates as of the date hereof. For the avoidance of doubt, (x) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (y) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers. The Parties agree to cooperate in good faith to coordinate the establishment of benefit plans and arrangements so as to satisfy the obligations set forth in this Section 9.7(b)(ii).

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller's or its Subsidiaries' medical, dental or health plans during the portion of the calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical,

dental and health plan provider to provide such waivers and credits contemplated by the first (1st) sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the last day of the calendar year in which the Closing Date occurs that are at least equal to the severance and other separation benefits provided by Seller and its Subsidiaries to such Transferred Employee as in effect immediately prior to the Petition Date.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the fiscal year ending February 2, 2019.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an "M&A Qualified Beneficiary" (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay, and Seller's portion of any related employment and payroll Taxes, made by any Seller to any employee of any Seller whose employment with any of the Sellers terminated following the Petition Date or terminates on, or following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be

covered by Buyer's obligations as set forth in Section 9.7(b)), to the extent of the cash severance or other cash separation pay that has been paid on or following the Petition Date and prior to the Closing Date or would have been due and payable had such employee's employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(i), the "Severance Reimbursement Obligations").

(j) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(i), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

(k) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code ("Buyer's Savings Plan") that will permit participation by all Transferred Employees who are participating in Seller's or its Subsidiaries' 401(k) Plan ("Seller's Savings Plan") as of the Closing Date.

(ii) No assets or liabilities of Seller's Savings Plan shall be transferred to Buyer's Savings Plan, other than in connection with a rollover of a Transferred Employee's account balance under Seller's Savings Plan. Except as could reasonably be expected to cause the Buyer's Savings Plan to cease to qualify under Section 401(a) and 401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer's Savings Plan any rollover distribution (in cash or loan notes of any "eligible rollover distribution" (within the meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause its Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller's Savings Plan shall be fully vested and nonforfeitable.

(l) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan,

program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

(m) Sellers and Buyer hereby agree to follow the "alternate procedure" for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

(a) Seller shall pay when due any and all Occupancy Expenses with respect to each Owned Real Property solely to the extent arising during the period commencing on the Petition Date through the Closing Date.

(b) From the date hereof through the Closing Date, Seller shall use commercially reasonable efforts to maintain and preserve each Owned Real Property and all related Acquired Assets in a condition substantially similar to their present condition. Prior to Closing, Seller shall not without Buyer's consent, and shall not solicit any other Person to, (A) sell, transfer, assign, convey, lease, license, mortgage, pledge or otherwise encumber any Owned Real Property or related Acquired Asset (other than sales of Inventory in accordance with the terms of this Agreement, Permitted Encumbrances and any applicable statutory liens (solely to the extent that such Owned Real Property or related Acquired Asset will be transferred free and clear of such statutory liens pursuant to the applicable transfer document)), (B) grant or terminate any other interests in any Owned Real Property or related Acquired Asset, (C) cancel or compromise any claim or waive or release any right, in each case that is related to any Owned Real Property or any related Acquired Assets (for the avoidance of doubt, other than any Excluded Assets), (D) take any action with respect to Taxes or Tax matters that could reasonably be expected to result in an Encumbrance on any Owned Real Property or related Acquired Assets (other than Permitted Encumbrances) or (E) enter into any agreement or commitment to take any action prohibited by this Section 9.8(b).

(c) From and after the date hereof through Closing, Sellers shall bear the risk of loss or damage to the Owned Real Property and Seller shall continue all insurance policies with respect to the Owned Real Property or policies providing substantially similar coverages to the extent available at commercially reasonable rates (and in all instances without any reductions in the amounts of available coverage), including comprehensive public liability, casualty and umbrella liability insurance, and shall cause Buyer to be named as a loss payee or additional insured, as applicable, with respect to all such policies. Seller shall pay to Buyer on the Closing Date all insurance recoveries and all warranty and condemnation proceeds received or receivable after the

date hereof with respect to the Owned Real Property. In connection with any payment of recoveries or proceeds under this Section 9.8(c), (i) such payment of recoveries or proceeds shall not include any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such payment of recoveries or proceeds shall be reduced by the amount of (x) all actual and documented, reasonable out of pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out of pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

Section 9.9 Title Matters.

(a) Buyer, at its own discretion and sole expense, may order preliminary title reports from a nationally recognized title company (the "Title Company") with respect to any of the Leased Premises or Owned Real Property (the property covered by such reports being referred to herein as the "Titled Property"). Seller shall at no cost, expense or Liability to Seller, cooperate in good faith with Buyer and the Title Company in connection with the compilation of title to the Titled Property and in connection with any efforts by Buyer to obtain title insurance policies pursuant thereto on behalf of itself and/or its lender, including, in the case of any efforts by Buyer to obtain lender's title insurance policies on behalf of its lender, by providing reasonable affidavits and other similar instruments as are reasonably required by the Title Company for the deletion of any standard or printed exceptions in such lender's title insurance policies that are customarily deleted by virtue of a seller delivering such instruments in commercial real estate transactions in the state or province in which the Titled Property which is the subject of such lender's title insurance policy is located. Subject to the foregoing proviso, such cooperation by Seller and its Subsidiaries shall include providing Buyer and the Title Company copies of, with respect to Titled Property, reasonably requested existing surveys, maps, existing title reports and title insurance policies and true and complete copies of the encumbrance documents identified therein, to the extent the same are in the possession of Seller or its Subsidiaries and are not publicly available.

(b) [Sellers shall use reasonable best efforts to resolve the claims of mechanic's liens identified in section 2 of Schedule 6.5 prior to Closing, including so that the related Leased Real Property or Owned Real Property in each instance is unencumbered by and lien of record securing such claim. In each case where Sellers fail to resolve the claim identified in such section 2 of Schedule 6.5 (such resolution to be reflected by customary documentation evidencing a release of the subject claim and of any related liens), including where a lien securing such claim remains of record, as of Closing, the Purchase Price shall be reduced by the amount of such unresolved claim or unreleased lien.]³⁰

³⁰ Note to Draft: Treatment of mechanics' liens subject to ongoing business discussions.

Section 9.10 Use of Name. Sellers agree that they shall (i) as soon as practicable after the Closing Date and in any event within one (1) year following the Closing Date, cease to make use of the Trademarks included in the Acquired Intellectual Property and change the Business Names of all of their applicable Affiliates to a Business Name that does not consist of, contain or incorporate any Trademarks included in the Acquired Intellectual Property, provided that as soon as practicable after the Closing Date and in any event within thirty (30) days following the Closing Date, Sellers shall cease to make use of the Trademarks included in the Acquired Intellectual Property in connection with the Business and (ii) as promptly as practicable after the Closing Date, file a motion with the Bankruptcy Court to amend the caption of the Bankruptcy Cases to reflect a change in the name of the Sellers in accordance with the foregoing clause (i) and (iii) immediately after the Closing, cease to hold themselves out as having any affiliation with the Acquired Assets. Sellers shall promptly deliver to Buyer any relevant documentation evidencing such name change, including any name change amendment and name change notice filed with or submitted to any Governmental Authority in each jurisdiction in which such Seller or Affiliates of Seller is qualified to do business. Nothing in this Section 9.10 shall prohibit Sellers' use of such Trademarks to the extent that such use (a) is required by Law to wind down Sellers' estate or (b) constitutes nominative or descriptive fair use under United States Laws, which refers to Sellers and would not cause confusion as to the origin of a good or service, including in accurately stating the historical relationship between Sellers and Buyer for information purposes (and in a non-Trademark manner) in historical, tax and similar records.

Section 9.11 Apportionments.³¹ All charges and fees payable for telephone services, water, sewer rents heat, steam, electric power, gas and other utilities, at the price charged by the suppliers, including any taxes thereon and based upon applicable meter readings, where available, made on or immediately prior to or immediately after the Closing Date (and credits therefor to the extent paid prior to the Closing Date) that relate to Owned Real Property shall be apportioned between Sellers, on the one hand, and Buyer, on the other hand, as of midnight on the Closing Date for the period that begins prior to the Closing Date and ends after the Closing Date.

Section 9.12 Intercompany IP Agreement; Sublicenses. As of the Closing Date, all Intercompany IP Agreements and all sublicenses to any Person thereunder, in each case that are not assigned to Buyer or assumed and assigned in accordance with this Agreement, shall be, and are hereby, automatically terminated. Sellers shall take all necessary actions to cause such licenses, grants or sublicenses that are not terminated by virtue of the foregoing sentence to be terminated at the Closing Date. The foregoing provision shall not affect any sublicenses under which neither any Seller nor any Affiliate of any Seller is the sublicensee and that are not terminated pursuant to this Section 9.12 and that continue pursuant to the terms of the Intercompany IP Agreements or the relevant sublicense agreement.

Section 9.13 Release.

(a) Effective upon the Closing, in consideration for the payment by Buyer of the Release Consideration, each Seller, for itself and on behalf of each of its former, present and future

³¹ **Note to Draft:** Subject to confirmation that this is consistent with Buyer assuming Excluded Asset-Sale Taxes in connection with a Tax Reorganization and with Section 2.1(i).

Subsidiaries and controlled Affiliates (each of the foregoing, a “Seller Releasing Party”), hereby releases and forever discharges each Buyer Related Party, from any and all Claims of every kind and nature, whether foreseen or unforeseen, contingent or actual, and whether now known or hereafter discovered, which any of the Seller Releasing Parties had, now has or may in the future have, at law or in equity, including, without limitation, and for the avoidance of doubt, any Claims arising under or relating to sections 502(d), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code against any Buyer Related Party in any way arising out of, in connection with, pertaining to or by reason of (a) any transactions between any Seller and any Buyer Related Party prior to the Closing Date, except for claims under this Agreement or (b) where applicable, the service at any time by any Buyer Related Party as an officer or director of any Seller or any Seller’s Affiliate (the “Buyer Party Release”). Each Seller Releasing Party covenants and agrees that (x) it is and will continue to be bound by the Buyer Party Release, (y) will not take any action inconsistent with such release (including commencing any Proceeding with respect to, or directly or indirectly transferring to another Person, any claim so released), and (z) will not take any action to support in any way whatsoever, any action by another Person to assert any Claim against a Buyer Related Party, provided, however, that the foregoing shall not limit the ability of a Seller Releasing Party to comply with any legal obligation to provide documents or testimony in connection with any Claim asserted by another Person.

Section 9.14 KCD IP and KCD Notes Covenants. Subject to any applicable contractual restrictions and Bankruptcy Court approval:

(a) Commencing as of the date hereof (and, for the avoidance of doubt, continuing after the Closing Date), Sellers shall not, and shall cause all of their Affiliates (including KCD IP, LLC) not to, (i) sell, transfer, assign, encumber, allow to lapse, abandon, cancel, fail to renew, fail to continue to prosecute, protect or defend, or otherwise dispose of or convey, any KCD IP, (ii) license, sublicense or grant any Person (other than Buyer and its Affiliates) any rights to, as applicable, any KCD IP or (iii) amend, renew (or fail to exercise termination rights or option rights with respect to) any Contract pursuant to which any Seller or any of its Affiliates has granted, prior to the date hereof, any license, sublicense, covenant not to sue or other rights under any KCD IP, in each case of the foregoing without the prior written consent of Buyer in its sole discretion.

(b) As soon as reasonably practicable after the date hereof and in any event prior to the Closing Date, Sellers shall use reasonable best efforts to cause KCD IP, LLC to grant, effective as of the Closing, a perpetual, irrevocable (provided that, if Buyer commits a material breach of its obligations under the Exclusive License, and KCD IP, LLC gives notice to Buyer specifying the basis for termination and Buyer fails to cure, resolve or remediate the basis for the breach within ninety (90) days after such notice is provided, KCD IP, LLC may convert the exclusive license granted under the Exclusive License to a non-exclusive license), worldwide, sublicensable (subject to the consent of KCD IP, LLC in certain circumstances that shall be set forth in the Exclusive License, such consent not to be unreasonably withheld or delayed), transferable (subject to the consent of KCD IP, LLC in certain circumstances that shall be set forth in the Exclusive License, such consent not to be unreasonably withheld or delayed) exclusive license (but subject to (i) any licenses under the KCD IP in effect as of the Closing Date and (ii) the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement) to Buyer under all of the KCD IP used or held for

use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the Buyer's businesses (including the Business) and the natural evolutions thereof; such license shall otherwise be in the form proposed by Buyer and reasonably acceptable to Sellers (Sellers' review and approval not to be unreasonably withheld, delayed or conditioned, provided that it shall not be unreasonable for Sellers to not accept any license that it reasonably considers to constitute a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC), and shall be subject to royalties equal to those in effect as of the date hereof under, (i) with respect to the Kenmore Marks, the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009 and that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and (ii) with respect to the DieHard Marks, the DieHard License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to DieHard License Agreement dated as of November 29, 2009 and that certain Second Amendment to DieHard License Agreement dated as of March 7, 2012, provided that the terms of the foregoing license taken collectively shall not constitute a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC.

(c) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC has not irrevocably agreed to grant Buyer the Exclusive License effective as of the Closing Date by the date that is ten (10) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then at Buyer's election, Sellers shall, prior to the Closing, use reasonable best efforts to obtain any Consent from KCD IP, LLC necessary to assign to Buyer those KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement, and assume and assign such KCD Agreements in accordance with this Agreement (such that such KCD Agreements are Assigned Agreements as contemplated herein).

(d) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC's Consent described in the above clause (c) is not obtained by the date that is five (5) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then (i) Sellers shall, prior to the Closing, assume all KCD Agreements that provide Sellers with the right to sublicense KCD IP to Buyer that are designated only for assumption by written notice of Buyer and (ii) effective as of the Closing Date, Sellers hereby grant to Buyer, a perpetual, irrevocable, worldwide, royalty-bearing (as described in Section 9.14(b)) further sublicensable, transferable sublicense under all of the KCD IP used or held for use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the businesses of Buyer (including the Business) and the natural evolutions thereof, provided that to the extent Sellers cannot grant the foregoing, Sellers hereby grant to Buyer a sublicense of the broadest scope that Sellers can grant under all the KCD Agreements assumed by Sellers pursuant to this clause (d). For the purpose of this Section 9.14(d)(ii), any such sublicense granted to Buyer is subject to (x) any licenses under the KCD IP in effect as of the Closing Date and (y) the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement), and shall be of the broadest scope that Sellers can grant under, and subject to the terms of the relevant KCD Agreement. Buyer shall ensure that its use of the KCD

IP, as provided in this Section 9.14(d), shall only be with respect to goods and services of a substantially similar level of quality to the goods and services with respect to which Sellers used the KCD IP prior to the Closing. For the avoidance of doubt, (i) Sellers shall not reject, seek to terminate or agree to terminate the KCD Agreements assumed pursuant to this Section 9.14(d) or amend or agree to amend such Contracts in any manner that narrows any of the licenses thereunder and (ii) to the extent that Sellers cease to exist or the KCD Agreements assumed pursuant to this Section 9.14(d) expire or terminate, the sublicense granted herein shall survive.

(e) Solely with respect to the Exclusive License or any sublicense granted pursuant to Section 9.14(d)(ii), Buyer agrees that (A) Sellers and their Affiliates (including KCD IP, LLC) shall have no responsibility for claims by third parties arising out of, or relating to, Buyer's use of the KCD IP in any manner and (B) in addition to any and all remedies, from and after the Closing, Buyer shall indemnify, defend and hold harmless Sellers and their Affiliates (including KCD IP, LLC), for so long as any Seller or Affiliate of Seller is in existence, from and against any and all third party claims that may arise out of use of such KCD IP by or on behalf of Buyer or any of its Affiliates or assignees, in each case other than claims that the KCD IP infringes the Intellectual Property of any third party. Except as provided in the foregoing sentence, all Intellectual Property licensed under this Section 9.14(b) or Section 9.14(d) is licensed "as-is" with all faults, without warranty of any kind (whether express, implied, statutory or otherwise), and Seller does not make, and Buyer hereby specifically disclaims, any representations or warranties (whether express or implied, statutory or otherwise). For the avoidance of doubt, with respect to Section 9.14(c), the allocation of the foregoing shall be determined by the applicable KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement.

(f) For clarity, and not in limitation of the foregoing, Buyer (or its applicable designee) may grant a security interest in any or all of its rights and benefits under Section 9.14(b), Section 9.14(c) or Section 9.14(d) for collateral purposes to the Financing Sources in connection with the Debt Financing.

(g) Notwithstanding anything to the contrary contained in this Agreement, Seller shall not transfer the KCD Notes to Buyer, and Buyer shall not assume the PA Liabilities from Seller, unless and until Seller has received the requisite consent of the Bermuda Monetary Authority to the transfer of the KCD Notes (the "BMA Consent"). Immediately following receipt of the BMA Consent, the transfer of the KCD Notes and the assumption of the PA Liabilities shall take place simultaneously.³²

(a) by either Sellers or Buyer:

(i) if the Bankruptcy Court shall have determined that it will not enter the Approval Order or if a Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any final and non-appealable applicable Law (including any Order) which is in effect and has the effect of making the Transactions illegal or otherwise restraining or prohibiting consummation of the Transactions and which is not satisfied, resolved or preempted by the Approval Order; provided, however, that the

In the event of any valid termination of this Agreement pursuant to Section 12.1 (other than a termination by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii)), Sellers shall promptly (and in no event later than two (2) Business Days following such termination) return to Buyer the Deposit Amount and any other deposit delivered by Buyer to Sellers pursuant to the Bidding Procedures Order. (b) In the event of any valid termination of this Agreement by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii), then Sellers, as Sellers' sole and exclusive remedy as a result of such termination, shall have the right to retain the Deposit Amount, if any. Notwithstanding anything to the contrary in this Agreement, the maximum liability of Buyer under this Agreement shall not exceed the Deposit Amount

Section 12.3 Termination and Adjustment Rights of Buyer as to Properties and Related Acquired Assets.

(a) If a material portion of any Lease Premises, a material portion of any Owned Real Property, or a material portion of the Potential Acquired Assets related to the Lease Premises is materially damaged or destroyed, or the physical condition thereof is materially and adversely changed (including as a result of failure of proper repair or maintenance or environmental contamination that occurs from and after the date hereof), or any Lease Premises or Owned Real Property is subject to a condemnation or other governmental taking of a material portion thereof or any shopping center in which a Lease Premises is located is damaged, destroyed or condemned such that the operations of such Lease Premises are materially and adversely affected (each of the foregoing, a "Casualty / Condemnation Event") at any time from the date of this Agreement up to and including the Closing, Sellers shall provide prompt written notice of such Casualty / Condemnation Event to Buyer. For the avoidance of doubt, Casualty / Condemnation Events that are subject to this Section 12.3(a) are only those occurring during the period from the date of this Agreement up to and including the Closing. Additionally, in the case of any Owned Real Property with respect to which a claim for damages to buildings or fixtures is pending as of the date of this Agreement, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds relating to such claim (but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) and the Purchase Price shall not be reduced.

(c) Buyer shall have the right, prior to Closing, to decline to acquire (i) Designation Rights with respect to any Lease and related Potential Acquired Assets or (ii) any Acquired Assets, in each case if and only if any Consent from any Person (other than a Governmental Authority) has not been obtained from such Person or has not otherwise been provided for pursuant to the Approval Order, the absence of which prevents the acquisition or exercise of the Designation Rights with respect to such Lease and related Potential Acquired Assets or the acquisition of such Acquired Assets; provided, that if the failure to obtain such Consent is curable, Sellers shall have until the earlier of (i) the Closing Date or (ii) ten (10) days after receipt of Buyer's notice of intent to terminate to obtain such Consent; and provided, (c) further that, for the avoidance of doubt, the provisions of this Section 12.3(d) shall not apply with respect to any license (incoming or outgoing) of any Intellectual Property.

Section 13.3 Amendment; Waiver. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding unless set forth in writing and duly executed by each Party; provided that this Section 13.3, Section 13.6, Section 13.8, Section 13.10 or Section 13.12, in each case as such Sections relate to the Financing Sources, may not be amended in a manner adverse to the Financing Sources without the prior written consent of the applicable Financing Source under the applicable Debt Commitment Letter. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Neither the waiver by any of the Parties of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. No course of dealing between or among the Parties

shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights to payment of any Party under or by reason of this Agreement.

Section 13.4 Entire Agreement. This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements, understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction Documents and the Transactions. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the Financing Sources in connection with the Debt Financing; provided further that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action (whether in contract or tort) brought against the Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum;

and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the Financing Sources are intended third party beneficiaries of this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The pre-Closing costs of any privacy ombudsman shall be borne equally between Buyer, on the one hand, and Sellers, on the other hand, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. No other Person, including any Buyer Related Party (other than Buyer) or any of the Parties' Affiliates, directors, officers, employees, incorporators, members, partners, managers, stockholders, agents, attorneys, or representatives of, or any financial advisors or lenders to (including the Financing Sources in their capacities as such), any of the foregoing (together, the "Non-Recourse Parties") shall have any liabilities for any Claims or Liabilities arising under, out of, in connection with, or related in any manner to, this Agreement, the Transactions or the Debt Financing or based on, in respect of, or by reason of, this Agreement or its negotiation, execution, performance or breach, whether at law, in equity, in contract, in tort or otherwise.

Section 13.13 Schedules; Materiality. The inclusion of any matter in any Schedule shall be deemed to be an inclusion for all purposes of this Agreement, to the extent that the relevance of such disclosure to any Section is readily apparent from the text of such disclosure, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Schedule shall not be deemed an admission as to whether the fact or item is "material" or would constitute a "Material Adverse Effect."

Section 13.14 Specific Performance. The Parties acknowledge and agree that (a) irreparable injury, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that any of the provisions of this Agreement are not performed in accordance with the specific terms hereof or are otherwise breached, and (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain (without the posting of any bond) specific performance of the terms of this Agreement by the breaching Party or Parties. If any Proceeding is brought by the non-breaching Party or Parties to enforce this Agreement, the Party in breach shall waive the defense that there is an adequate remedy at Law.

(g) except as otherwise provided for in Section 2.3(n), all Liabilities of the Seller or any of its Subsidiaries relating to (i) fines or penalties arising from noncompliance with Environmental Laws occurring prior to the Closing Date, including (ii) Claims for personal injury or property damage related to exposure occurring prior to the Closing Date to Hazardous Substances present at, on, in, under or migrating to or from any Acquired Asset or (iii) the offsite disposal of Hazardous Substances occurring prior to the Closing Date;

(h) any Excluded Asset-Reorganization Taxes;

(i) if (A) Buyer makes the election under Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), (B) such transactions do not result in a transfer of substantially all of Sellers' Tax attributes to Buyer solely as a result of Sellers' failure to make good faith efforts to comply with Section 9.2, or (C) the Internal Revenue Service successfully asserts (for which assertion there is a final determination), that none of Sellers' Tax attributes transferred to Buyer, Excluded Asset-Sale Taxes (but in the case of clause (C) in respect of a Tax arising in any period prior to any such final determination, only to the extent Sellers actually obtain a refund or other current economic Tax reduction in respect of the applicable Taxes); provided, however, that if Buyer makes the election under Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions and the Internal Revenue Service successfully asserts that a transfer of any such Tax attributes to Buyer shall have occurred notwithstanding such Buyer election, then Excluded Asset-Sale Taxes shall not be an Excluded Liability to the extent any such tax would have been reduced or eliminated had the Sellers' Tax attributes not transferred to Buyer (taking into account Tax attributes Sellers would have had if all transactions described in Article II were Designated Sale Transactions and respected as such by the Internal Revenue Service);

(j) all Liabilities with respect to any brokerage or finders' fees or agents' commissions or other similar payment in connection with the Transactions incurred by any Seller;

(k) all Liabilities under this Agreement or any documents or instruments executed and delivered by Seller and its Affiliates pursuant to this Agreement;

(l) all Liabilities relating to or arising, whether before, on or after the Closing Date or, subject to Article V, any applicable Designation Assignment Date, out of, or in connection with, the Excluded Assets;

(m) all Liabilities in respect of any gift cards, gift certificates, merchandise credits, return credits, customer membership or customer loyalty discount programs, coupons, groupons or other similar credits or programs issued by, on behalf of or in relation to Sellers other than the Assumed Customer Credits;

(n) all Liabilities related to or arising from, whether before, on or after the Closing Date, use by Sellers of any of the Trademarks or Business Names included in the Acquired Intellectual Property pursuant to Section 9.10;

(o) except as otherwise provided in this Agreement, all Liabilities for the rejection of any Contract to which a Seller is a party;

(p) the SHIP Purchase Agreement Liabilities; and

(q) other than Cure Costs, accounts payable incurred in the Ordinary Course of Business existing on the Closing Date (including (i) invoiced amounts payable and (ii) accrued but uninvited accounts payable).

For the avoidance of doubt, all Taxes of any Seller shall be Assumed Liabilities, regardless of the time and circumstances giving rise to any such Taxes, except for any Tax expressly excluded under Section 2.2(h) or Section 2.4(i).

Section 2.5 Year-End Adjustments. For the avoidance of doubt, notwithstanding anything to the contrary set forth in this Agreement, neither Buyer nor any Assignee shall have any obligations in respect of any portion of any year-end (or other) adjustment (including for royalties, rents, utilities, Taxes, insurance, fees, any common area or other maintenance charges, promotional funds and percentage rent) arising under any of the Acquired Leases or any other Assigned Agreements for the calendar year in which the applicable Lease Assignment occurs that is attributable to (x) the portion of such calendar year occurring prior to such Lease Assignment or (y) any previous calendar year, and Sellers shall fully indemnify and hold harmless Buyer and the applicable Assignee with respect thereto. Buyer shall be solely responsible for any of the matters described in the preceding sentence for the portion of the calendar year in which the Closing Date occurs following each applicable Lease Assignment and all subsequent calendar years, and Buyer shall fully indemnify and hold Sellers harmless with respect thereto. Following the applicable Lease Assignment Date, except as expressly set forth in this Agreement or the Approval Order, Sellers shall have no further liabilities or obligations with respect to each of the Acquired Leases and the other Assigned Agreements (including obligations related to royalties rents, utilities, Taxes, insurance and common area maintenance, regardless of when due and payable), and Sellers shall be released from all such obligations and Buyer shall indemnify and hold harmless Sellers with respect thereto.

Section 2.6 Purchase and Sale of Designation Rights. Upon the terms and subject to the conditions of this Agreement and the Approval Order, on the Closing Date, Sellers shall sell, transfer, assign and convey, or cause to be sold, transferred, assigned and conveyed, to Buyer, and Buyer shall purchase from Sellers, the Designation Rights. For the avoidance of doubt, the sale, transfer, assignment and conveyance of the Designation Rights provided for herein on the Closing Date shall not effectuate a sale, transfer, assignment or conveyance of any Designatable Lease to Buyer or any other Assignee, which shall only be effectuated on a Designation Assignment Date; provided, that, notwithstanding the foregoing, Buyer shall be responsible for all Expenses arising under or related to any Designatable Lease from and after the Closing Date until, if applicable, the rejection of such Designatable Lease in accordance with this Agreement. Subject to the terms and conditions of this Agreement, the Approval Order and the requirements of section 365(b) of the Bankruptcy Code, Buyer shall have the right to designate itself or, with the consent of Seller, any other Person as the Assignee to which a Designatable Lease is to be assumed and assigned. The Designation Rights shall terminate upon the expiration of the Designation Rights Period.

Section 2.7 Assignments.

(a) Potential Transferred Agreements.

(i) Schedule 2.7(a) contains a list of all Potential Transferred Agreements (including, to the extent in the possession or control of any Seller, the underlying agreements). Subject to section 365 of the Bankruptcy Code, Buyer may elect to have the Potential Transferred Agreements assigned to Buyer or assumed by Seller and assigned to Buyer on the applicable Assumption Effective Date (which shall be deemed to be “Assigned Agreements” in accordance with the definition thereof). At Buyer’s reasonable request, Seller shall make reasonably available to Buyer the appropriate employees of Seller necessary to discuss the Potential Transferred Agreements.

(ii) To the extent a Potential Transferred Agreement is an executory contract or lease, as soon as practicable after the date hereof, Seller shall file a notice of assignment and assumption (an “Agreement Assignment Notice”) with the Bankruptcy Court and serve such notice via electronic or first class mail on each counterparty to a Potential Transferred Agreement that is an executory contract or lease, consistent with the terms of the Bidding Procedures Order. The Agreement Assignment Notice shall identify all Potential Transferred Agreements that are executory contracts or leases and related to the Acquired Assets that Sellers believe may be assigned or assumed and assigned in connection with the sale of the Acquired Assets and set forth a good faith estimate of the amount of the Cure Costs applicable to each such Contract (and if no Cure Cost is estimated to be applicable with respect to any particular Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(b) Initial Assigned Agreements.

(i) As soon as practicable after delivery of the list of Potential Transferred Agreements by the Seller but no later than five (5) Business Days following such delivery, Buyer shall deliver to the Seller a list of those Potential Transferred Agreements proposed to be assigned to Buyer or assumed by Seller and assigned to Buyer on the Closing Date (the Contracts on such list, the “Initial Assigned Contracts”, the Leases on such list (including, to the extent applicable to such Leases, all non-disturbance agreements with fee owners or senior landlords, subordination, non-disturbance and attornment agreements, waivers and consents in favor of any Seller, estoppel certificates from landlords (to the extent assignable), and landlord waivers or other collateral access agreements in favor of any Seller or any asset-based lenders) the “Initial Assigned Leases”, and together the “Initial Assigned Agreements”).

(ii) Following delivery of the list of Initial Assigned Agreements and to the extent consistent with the Bidding Procedures Order, at any time prior to the second (2nd) Business Day prior to the Closing Date, Buyer will be entitled, after consultation with the Sellers, to add (x) any Initial Assigned Agreement to the list of Excluded Assets by providing written notice thereof to Sellers, and any Initial Assigned Agreement so added will cease to be an Initial Assigned Agreement and will be deemed to be an Excluded Asset

(and all Liabilities thereunder Excluded Liabilities) for all purposes hereunder or (y) any Potential Transferred Agreement to the list of Initial Assigned Agreements so long as (1) it is not a Contract to be assumed or available to be assumed pursuant to any other sale previously approved by the Bankruptcy Court in connection with the Bankruptcy Cases; and (2) it is prior to the entry of a Final Order of the Bankruptcy Court approving the rejection of such Contract, in each case subject to the non-Debtor party to such Contract receiving information evidencing Buyer's adequate assurance of future performance and having an opportunity to object consistent with the Bidding Procedures Order and the Approval Order. No change referred to in this Section 2.7(b)(i) shall reduce or increase the amount of the Purchase Price, except to the extent of any increase or decrease in the assumption of the Assumed Liabilities, including Cure Costs, as a result of the Potential Transferred Agreements being added to or removed from the list of Acquired Leases or Assigned Agreements by Buyer.

(iii) On the Closing Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, and subject to consent if applicable Law requires it, Sellers shall assume and assign to Buyer the Initial Assigned Agreements and Buyer shall pay all Cure Costs with respect to such Initial Assigned Agreements to the appropriate counterparty or establish a reserve for disputed cure amounts in accordance with the Bidding Procedures Order and Approval Order.

(c) Designatable Leases. On each Assumption Effective Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, Sellers shall assume and assign to the applicable Assignee any Designatable Lease so designated by Buyer for assumption and assignment in accordance with the terms of this Agreement, and Buyer shall pay all or be responsible for Cure Costs with respect to such Designatable Leases.

(d) Additional Contracts. On each applicable Assumption Effective Date, and in no event later than the date that is five (5) Business Days following the Designation Deadline, pursuant to section 365 of the Bankruptcy Code, the Approval Order, and any other applicable Order, Sellers shall assume and assign to the applicable Assignee any Additional Contract that Buyer designates for assumption and assignment in accordance with Section 2.9, and Buyer shall pay all Cure Costs with respect to such Additional Contract and all Expenses related to or arising under such Additional Contract after the Closing Date.

(e) Adequate Assurance and Consents. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Lease or Contract pursuant to this Section 2.7 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Lease or Contract and such Consent has not been obtained; provided, however, that the Parties shall use their commercially reasonable best efforts to obtain all such Consents.

Section 2.8 Further Assurances.

(a) On and after the Closing Date, each of the Sellers and Buyer shall use its commercially reasonable efforts to further give full effect to, evidence and record the assignments,

wavers, ratifications, consents and agreements granted herein, and, Sellers shall, upon Buyer's request, assist Buyer in a commercially reasonable way to obtain, maintain, enforce and defend any rights specified to be owned by or assigned to a Seller, including by testifying in any legal Proceedings, executing all lawful papers and making all rightful oaths required or necessary to aid Buyer or its successors or assigns in obtaining and enforcing its right, title and interest in, to and under the Acquired Assets, including in connection with the IP Assignment Agreement and the Short Form Assignments and in complying with all requirements of the applicable social media sites and Domain Name registrars.

(b) On each Designation Assignment Date, Seller shall, upon the request of Buyer or the applicable Assignee, execute and deliver to such Assignee such instruments of transfer as shall be reasonably necessary or desirable to vest in such Assignee title to the applicable Designatable Leases and related Acquired Lease Rights, Acquired Improvements and all other related Acquired Assets required hereunder to be transferred on such Designation Assignment Date (and evidence the assumption by Seller, and the assignment by Seller to the applicable Assignee, of such Designatable Leases), and Seller, on the one hand, and such Assignee, on the other hand, shall (and Buyer shall use commercially reasonable efforts to cause each Assignee to) take (or cause to be taken) all appropriate action, do (or cause to be done) all things necessary under applicable Law, and execute and deliver such instruments and documents, in each case as may be reasonably requested and reasonably necessary or desirable to consummate the Transactions at or after the Designation Assignment Date. In furtherance and not in limitation of the foregoing, in the event that any of the Acquired Assets shall not have been conveyed at Closing or on the applicable Designation Assignment Date, as applicable, Seller shall convey such Acquired Assets to Buyer or such Assignee, as applicable, as promptly as practicable after the Closing or on the applicable Designation Assignment Date, as applicable. As promptly as practicable following the date on which Buyer is permitted to receive Customer Data constituting "personally identifiable information" (as defined in the Bankruptcy Code) that was not transferred on the Closing Date, Seller shall deliver to Buyer a copy of the Customer Data constituting Acquired Data to an extent and in a format mutually agreeable to Seller and Buyer that is readable, useable, indexed and searchable and, if any portion of such Customer Data is encrypted, the necessary decryption tools and keys to read such materials contemporaneously.

(c) Not later than ten (10) days prior to the Closing Date, Sellers shall instruct all of Sellers' outside counsel responsible to maintaining, prosecuting or renewing any of the Acquired Intellectual Property (i) that the ownership of the Acquired Intellectual Property will be assigned to Buyer as of the Closing Date, (ii) to keep all Acquired Intellectual Property (as relevant to such counsel) in full force and effect, including by filing and documentation and paying any fees required therefor, (iii) to release to Buyer or counsel designated by Buyer at locations to be designated by Buyer copies of all the tangible embodiments of the Intellectual Property Related Documentation existing as of the Closing Date and in such counsel's possession, and (iv) that Buyer or counsel designated by Buyer may contact such Sellers' counsel for coordination relative to further prosecution of the Acquired Intellectual Property at Buyer's expense (such correspondence, "Seller Instructions"). Sellers shall also include in the Seller Instructions any other information that Buyer reasonably instructs Sellers to include that is communicated to Sellers prior to the Closing Date.

(d) If after the Closing (i) Buyer or any of its Affiliates holds or is otherwise liable for any Excluded Assets or Excluded Liabilities or (ii) any Seller or any of their respective Affiliates holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller will, and will cause their respective controlled Affiliates to, and will use commercially reasonable efforts to cause their other Affiliates to, (including through the execution and delivery of all appropriate transfer documents) promptly transfer (or cause to be transferred) such Assets or assume, pay or reimburse (or cause to be assumed, paid or reimbursed) such Liabilities to or from (as the case may be) the other party for no additional consideration. Prior to any such transfer, the party receiving or possessing any such asset will hold it in trust for such other party.

Section 2.9 Additional Contracts. If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019 (the “Designation Deadline”), Buyer so determines as to any Contract that is Related to the Acquired Assets or is an IP License, in each case but is not an Initial Assigned Contract (other than (i) any lease of non-residential real property and (ii) any Excluded Asset set forth in Section 2.2) (each, an “Additional Contract”), Buyer may elect, after consultation with the Sellers, by written notice delivered to Sellers, to designate for assignment or assumption and assignment any Additional Contract for no additional consideration. Upon the designation of any such Additional Contract as an Assigned Agreement pursuant to this Section 2.9, Sellers will use their reasonable best efforts to assume and assign to the applicable Assignee such Additional Contract so long as the Buyer pays all Expenses accrued post-Closing and all Cure Costs associated with such Additional Contract; provided, however, that nothing herein shall be deemed or construed to obligate Sellers to retain, or refrain from rejecting or terminating any Lease or Contract after the Designation Deadline that does not constitute an Assigned Agreement. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Contract pursuant to this Section 2.9 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Additional Contract and such Consent has not been obtained, provide that the Parties shall use their reasonable best efforts to obtain all such Consents.

Section 2.10 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement but only to the extent of such amounts as may be required to be deducted and withheld by Buyer with respect to the making of such payments under applicable U.S. federal, state or local or foreign laws, and any such withheld amount shall be properly paid by Buyer to the appropriate Governmental Authority. To the extent that amounts are so deducted and withheld and properly paid to the appropriate Governmental Authority, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers or any other Person in respect of which such deduction and withholding was made.

Section 2.11 Rejection of Outbound IP Licenses. Prior to the Closing Date, subject to section 365(n) of the Bankruptcy Code, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject any Outbound IP Licenses included in the Potential Transferred Agreements that (i) are executory Contracts and (ii) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely

assumption pursuant to Section 9.14(d). Without limiting the foregoing, promptly following the Designation Deadline, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject, any Outbound IP Licenses that (x) are not included in the Potential Transferred Agreements, (y) are executory Contracts and (z) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d).

Section 2.12 Tax Reorganization.

(a) The Parties intend that the transactions set forth in this Agreement, as structured and implemented as described in Section 9.2(a), together with the Bankruptcy Plan (as defined below), will, unless and except to the extent that Buyer elects otherwise with respect to a particular Seller or Sellers pursuant to Section 2.12(b), (i) constitute one or more plans of reorganization under section 368(a) of the Code (as defined below) and (ii) as qualifying as one or more reorganizations thereunder (a “Tax Reorganization”).

(b) Buyer may, at any time on or before the earlier of (i) 15 days prior to the effective date of the Bankruptcy Plan and (ii) December 1, 2019, elect, by providing to Sellers written notice of its election, to treat one or more of the transactions (each, a “Designated Sale Transaction”) set forth in this Agreement as not qualifying as a Tax Reorganization, which election shall be effective unless Designated Tax Advisor cannot provide a Tax Opinion that such Designated Sale Transaction can be completed in a manner that would not be treated as a “reorganization” within the meaning of section 368 of the Code; provided, however, that in connection with any such Buyer election to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), the Parties shall, if requested by Sellers in writing, identify a business of the Sellers that would become part of the Excluded Assets and consider in good faith any other changes to the structure of the transaction that are reasonable and necessary as a commercial, bankruptcy law and other legal matter to achieve that result. If Buyer does not elect pursuant to this Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), then Buyer and Sellers shall comply with Section 9.2.

(c) Each Tax Opinion shall be based on representations reasonably requested by Designated Tax Advisor to be provided by each of Buyer and Sellers in the form of a representation letter, and each such representation must continue to be true and accurate in all material respects as of immediately before such Tax Opinion is issued. To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable representation letter. For the avoidance of doubt, and notwithstanding anything to the contrary set forth in this Agreement, (i) reliance by Sellers on any Tax Opinion requested or otherwise required pursuant to this Agreement shall not affect Buyer’s liability for Taxes that are Assumed Liabilities and (ii) the inability or failure to deliver or receive any Tax Opinion requested or otherwise required pursuant to this Agreement shall not delay or in any way interfere with the consummation and closing of the Transactions. Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B)

of Section 9.2(a)) in respect of which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement (other than a Tax Opinion described in Section 2.12(b)) shall be deemed to be a Designated Sale Transaction.

Section 2.13 Foreign Assets.

(a) On the Closing Date, Sellers shall use reasonable best efforts to cause each of the Foreign Subsidiaries to sell, transfer, assign, convey and deliver, or cause to be sold, transferred assigned, conveyed and delivered to Buyer or the applicable Assignee, and Buyer or such applicable Assignee shall use reasonable best efforts to purchase, all right, title and interest of each of the Foreign Subsidiaries, in, to or under all assets, properties and rights Related to the Business other than the Excluded Assets and any other assets of the type that would have been Acquired Assets had they had been owned by Sellers as of the Closing Date (collectively, the “Acquired Foreign Assets”), in each case free and clear of any and all Encumbrances of any kind, nature or description and any Claims, other than Permitted Post-Closing Encumbrances. If the transfer of any Acquired Foreign Assets does not occur at the Closing Date, Seller and Buyer shall use reasonable best efforts to complete such transfer as promptly as practicable following the Closing Date and shall enter into such agreements as may be reasonably required to provide Buyer or the applicable Assignee the benefit of such assets until such transfer is consummated.

(b) If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019, Buyer determines (in its sole discretion) that it is necessary or desirable to acquire the equity interests of any Foreign Subsidiary so as to ensure that Buyer or the applicable Assignee shall be able to secure the benefit of the applicable Foreign Assets, Buyer may elect, by written notice delivered to Sellers, to acquire such equity interests directly from Seller. Following any such election, Buyer and Seller shall promptly execute all documentation required to effectuate the purchase and sale of such equity interests under applicable Law.

(c) No purchase of Acquired Foreign Assets or equity interests pursuant to this Section 2.13 shall require the delivery of any additional consideration by Buyer; provided, that solely to the extent required by applicable Law, Buyer and Seller shall reasonably agree to either (a) allocate a portion of the Purchase Price to the purchase of such equity interests or (b) provide for nominal consideration to be paid by Buyer to Sellers in an amount no greater than the minimum amount required by applicable Law.

Section 2.14 Bulk Transfer Law. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any security interests in the Acquired Assets, including any liens or claims arising out of the bulk transfer Laws. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws in all applicable jurisdictions in respect of the Transactions (including under any applicable Tax Laws).

(g) Except as would not, individually or in the aggregate, reasonably be expected to be material to the Business or the ownership or operation of the Acquired Assets, since the beginning of the Current Fiscal Year, and to the Knowledge of Sellers, since January 1, 2017, (i) Sellers have complied with all applicable Laws and contractual obligations relating to the collection, transfer, storage, disposal, use, processing and disclosure of the Customer Data included in the Acquired Data, and (ii) to the Knowledge of Sellers, there have been no losses or thefts of Customer Data or any other data held by or on behalf of Sellers, and in each case, included in the Acquired Data. As of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseded filing), (a) each Seller SEC Report complied as to form in all material respects with the applicable requirements of the Securities Act, the Exchange Act or the Sarbanes-Oxley Act, as the case may be (including, in each case, the rules and regulations promulgated thereunder), each as in effect on the date such Seller SEC Report was filed, and (b) each Seller SEC Report did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

Section 6.15 No Other Representations or Warranties; No Survival. Except for the representations and warranties contained in this Article VI (subject to the disclosures set forth on the Schedules) and in the other Transactions Documents, as applicable, neither Sellers nor any other Person on behalf of Sellers makes any express or implied representation or warranty with respect to Sellers, its Subsidiaries, the Business, the Acquired Assets, the Assumed Liabilities, the Transactions or with respect to any information provided by or on behalf of Sellers to Buyer and Seller disclaims any other representations or warranties, whether made by Seller, any Affiliate of Seller or any of their respective officers, directors, employees, agents or representatives. Except for the representations and warranties contained in this Article VI and in the other Transactions

Documents, as applicable, the Sellers (a) expressly disclaim and negate any representation or warranty, expressed or implied, at common law, by statute, or otherwise, relating to the condition of the Acquired Assets (including any implied or expressed warranty of merchantability or fitness for a particular purpose, or of conformity to models or samples of materials) and (b) disclaim all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Buyer or its Affiliates or their respective representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any Representative of Seller or any of its Affiliates). The Seller makes no representations or warranties to Buyer regarding the success or profitability of the Business. The representations and warranties of Sellers will expire upon the Closing Date.

ARTICLE VII

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers that the statements contained in this Article VII are true and correct as of the date hereof:

Section 7.1 Organization and Good Standing; Organizational Documents; Ownership. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and the Acquired Assets and to carry on its business as now conducted and the Business. Buyer has delivered to Seller true and correct copies of the organizational documents of Buyer in effect as of the date hereof. All of the equity interests in Buyer as of the date hereof are owned of record and beneficially as set forth on Schedule 7.1.

Section 7.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform its obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the Transactions. The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the Transactions have been duly and validly authorized by all requisite corporate, partnership or limited liability company actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document required to be executed and delivered by Buyer at any time will be duly and validly executed and delivered by Buyer. This Agreement and (when duly executed by Buyer) the other Transaction Documents constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the Transactions, except for (a) expiration or termination of any applicable waiting periods under the HSR Act and (b) such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a material adverse effect on Buyer's right or ability to consummate the Transactions. There are no consents of any Buyer Related Party required for the

execution, delivery and performance of the Transaction Documents and the consummation of the Transactions, including for the satisfaction of any condition set forth in Article X or Article XI.

Section 7.3 No Conflict. When the consents and other actions described in Section 7.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the breach of any of the terms and provisions of, or constitute a default under, or materially conflict with, or require consent or the giving of a notice under, or cause any acceleration of any material obligation of Buyer under (a) any organizational documents of Buyer, (b) any Order or (c) any Law, except to the extent any such default, conflict or consent would not affect in any material respect Buyer's ability to consummate the Transactions.

Section 7.4 Financing; Availability of Funds.

(a) Buyer shall deliver to Sellers concurrently herewith or prior to the execution of this Agreement a true, correct and complete copies of:

(i) an executed equity commitment letter (the "Equity Commitment Letter") to Buyer from ESL Investments, Inc. (the "Sponsor"), including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which the Sponsor has committed to provide Buyer with equity financing in the amount set forth therein (the "Equity Financing") for the purpose of funding the Transactions;

(ii) an executed mortgage loan commitment letter (the "Real Estate Commitment Letter") to Buyer from the Cyrus Lender and the Sponsor, including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which Cyrus and the Sponsor have committed to provide Buyer with real estate mortgage financing in the amount set forth therein (the "Real Estate Financing") for the purpose of funding the Transactions;

(iii) the executed Cyrus Commitment Letter; and

(iv) the executed ABL Commitment Letter and the related fee letter (provided that fees, economics and other provisions which are customarily redacted in connection with acquisitions of this type may be redacted in a customary manner (to the extent any such provisions would not adversely affect the conditionality, enforceability, or availability of the amount of the Debt Financing necessary to consummate the Transactions contemplated hereby)).

(b) As of the date hereof, the Commitment Letters are in full force and effect and have not been withdrawn or terminated or otherwise amended or modified in any respect. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the Financing that could affect the availability of the amount of the Financing funded

on the Closing Date necessary to consummate the Transactions contemplated hereby and (y) there are no conditions precedent or other contingencies related to the funding the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(c) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder in a manner sufficient to satisfy the condition specified in Section 10.2, the net proceeds from the Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

(d) The obligations of Buyer under this Agreement are not contingent on the availability of the Debt Financing.¹⁵

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Section 7.7 Condition of Acquired Assets; Representations.

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article VI (subject to the disclosures set forth on the Schedules), and Buyer acknowledges and agrees that the Acquired Assets are being transferred on an "as is", "where is" basis. Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied

¹⁵ **Note to Sellers:** To discuss inclusion of reps on ownership of debt. Buyer's previous formulation would contemplate ability to buy or otherwise cash out such debt at closing, and Buyer accordingly is not providing a representation as to ownership of all debt as of signing date.

solely on the results of its own independent investigation. In connection with Buyer's investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

ARTICLE VIII

ACTION PRIOR TO THE CLOSING DATE

Section 8.1 Operations.

(a) From the date hereof and prior to the Closing, except (i) as required by applicable Law, (ii) as expressly contemplated by this Agreement or (iii) with the prior written consent of Buyer (which consent shall not be unreasonably withheld, delayed or conditioned), Sellers covenant and agree to comply with applicable Law in all material respects and to use commercially reasonable efforts to conduct their business in the Ordinary Course of Business (taking into account Sellers' status as debtors-in-possession), including (A) to maintain and preserve the Potential Acquired Assets in their condition as of October 15, 2018 (including by using commercially reasonable efforts to comply with instructions from Buyer as to the renewal (or lack of renewal) of each Lease and other Potential Transferred Agreement that comes up for renewal), other than reasonable wear and tear, casualty and condemnation (which shall be governed by Section 12.3), and sales of Inventory in the Ordinary Course of Business, (B) by using commercially reasonable efforts to cause the landlord under the respective Leases and any applicable counterparty under the Outbound IP Licenses and any other Potential Transferred Agreements to perform such parties' covenants, agreements and obligations under the respective Leases, Outbound IP Licenses and other Potential Transferred Agreements and (C) managing Inventory in the Ordinary Course of Business, including with regard to Inventory in transit and Inventory located in distribution centers (and for the avoidance of doubt, Sellers shall not delay taking delivery of Inventory that would be Acquired Inventory on the Closing Date if delivery of such Inventory were managed in the Ordinary Course of Business prior to the Closing Date; provided, that Sellers shall be permitted to reasonably manage the amount of Inventory in consultation with Buyer in the event that Sellers reasonably expect to have more than the minimum

amount of Inventory necessary to satisfy the condition set forth in Section 10.10 as of the Closing). Sellers shall promptly notify Buyer of (x) any notice or other written communication from any Person alleging that the consent of such Person is or may be required in connection with the consummation of the Transactions; and (y) the commencement of any material Proceedings related to the business conducted by Sellers, the Designations Rights or the Potential Acquired Assets; provided, however, that the delivery of any notice pursuant to this Section 8.1(a) will not (A) limit or otherwise affect any remedies available to Buyer or Sellers, or (B) be deemed to amend or supplement any Schedule or prevent or cure any misrepresentations or breach of representation or warranty.

(b) Without limiting the generality of the foregoing, from the date hereof and prior to the Closing, Sellers covenant and agree:

- (i) not to sell, lease (as lessor), license (as licensor), transfer or otherwise dispose of, or mortgage or pledge, or voluntarily impose or suffer to be imposed any Encumbrance (other than Permitted Pre-Closing Encumbrances) on, any Potential Acquired Assets (excluding the Acquired Intellectual Property and Acquired Data, which are addressed below), other than sales of Inventory in the Ordinary Course of Business;

- (v) not to modify any privacy policies, notices or statements in a manner that (A) limits the ability or right of a Seller to sell and transfer the Acquired Data to Buyer, or (B) limits the use of the Acquired Data by Buyer after the Closing;
- (vi) not to settle, pay, discharge or satisfy any material Action that, in each case, would constitute a Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets) or Assumed Liability where such settlement, payment, discharge or

satisfaction would impose any restrictions or limitations upon the operation of Sellers' business or any Acquired Assets, whether before or after the Closing Date;

(vii) not to cancel or compromise any claim or waive or release any right related to any Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets);

(viii) except as required by Section 8.1(a) or permitted under Section 8.1(b)(iv) with respect to Outbound IP Licenses, not to amend, supplement, modify, terminate or enter into any Leases, Outbound IP Licenses (under which a Seller is a licensor) or other Potential Transferred Agreements;

(ix) unless required by Law, not to take any action, without the consent of Buyer (which may not be unreasonably delayed, conditioned or denied), with respect to Taxes or Tax matters that is not in the Ordinary Course Of Business and that (A) would materially adversely affect the Potential Acquired Assets, the Properties, Business and the Assumed Liabilities or (B) otherwise could reasonably be expected to increase the Tax Liability of Buyer or any of its Affiliates;

(x) to use commercially reasonable efforts to cause any applicable counterparty under the IP Licenses included in the Assigned Agreements to perform such party's covenants, agreements and obligations under such IP Licenses, including with respect to quality control;

(xi) not to grant or terminate any other interests in any Potential Acquired Asset (other than sales of Inventory in the Ordinary Course of Business);

(xiii) not to issue any gift cards, gift certificates, merchandise credits, return credits, customer membership or customer loyalty discount programs, coupons, groupons or other similar credits or programs at a discount or pursuant to any promotion that would result in any Seller receiving less than face value in such issuance;

(xiv) not to (A) increase the annual level of compensation payable or to become payable by any Seller to any director or officer of any Seller, except in the Ordinary Course of Business, (B) increase the annual level of compensation payable or to become payable by any Seller to any other employee of any Seller, except in the Ordinary Course of Business, (C) grant any unusual or extraordinary bonus, benefit or other direct or indirect compensation to any director, officer or employee except as authorized by the Bankruptcy Court, (D) increase the coverage or benefits available under any (or create any new) Employee Plan (E) take any action (other than a termination of employment in accordance with clause (xiv) of this Section 8.1(b)), whether in writing or otherwise, that has or could reasonably be expected to have the effect of increasing in any manner the liability of the Buyer or any Seller for any severance or other post-termination payments or benefits otherwise payable or due to any individual or group of individuals, or otherwise enhancing,

or accelerating the timing of, such payment or benefit or accelerating the funding thereof, or (F) enter into any employment, deferred compensation, severance, consulting, noncompetition or similar agreement to which any Seller is a party or involving a director, officer or employee of any Seller, except, in each case, as required by applicable Law from time to time in effect or by any of the Employee Plans as in effect on the date hereof;

(xvii) not to permit Sears Re to (A) pay any dividend or distribution, (B) issue any debt or equity securities or (C) take any of the actions described in this Section 8.1(b) with respect to its assets or Contracts; and

(xviii) not to enter into any agreement or commitment to take any action prohibited by this Section 8.1(b).

(c) Without in any way limiting any Party's rights or obligations under this Agreement, the Parties understand and agree that (i) nothing contained in this Agreement shall give Buyer, directly or indirectly, the right to control or direct the operations of Sellers, Sellers' business or the Properties prior to the applicable Closing Date and (ii) prior to the Closing Date, Sellers shall exercise, consistent with, and subject to, the terms and conditions of this Agreement, complete control and supervision over the operations of Sellers, the Business and the Properties to the extent permitted by Law, including taking into account Sellers' status as debtors-in-possession in the Bankruptcy Case. Notwithstanding anything herein to the contrary, Sellers shall be permitted to take all actions that are necessary or desirable to comply with the WARN Act, including providing any notices required under the WARN Act, and no such actions shall constitute a violation of this Section 8.1.

Section 8.2 Bankruptcy Court Matters.

(a) [Reserved].

(b) Bankruptcy Court Filings and Approvals.

(i) Buyer agrees that it will promptly furnish such affidavits or other documents or information for filing with the Bankruptcy Court as are reasonably requested by Sellers to assist Sellers in obtaining entry of the Approval Order, including a finding of adequate assurance of future performance by Buyer. Sellers shall provide Buyer with advance drafts of any motions, pleadings or Bankruptcy Court filings relating to the sale of the Acquired Assets or the Approval Order no later than two (2) Business Days prior to the date Sellers intend to file such motion, pleading or Bankruptcy Court filing to the extent practicable (or, to the extent not practicable, as soon as reasonably practicable prior to the filing of such pleading). Buyer may file or join in any motion, pleading or Bankruptcy Court filing

in support or seeking approval of, and reply to any response or objection to, the sale of the Acquired Assets hereunder, and the Approval Order.

(ii) Sellers shall file such motions or pleadings as may be appropriate or necessary to assume and assign the Assigned Agreements and to determine the amount of the Cure Costs; provided, that subject to Section 2.7, Section 2.9 and Section 5.2, nothing herein shall preclude Sellers from filing such motions, including from and after the Petition Date, to reject any Contracts that are not Assigned Agreements.

(iii) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Sellers of higher or better Competing Transactions.

(iv) Sellers and Buyer acknowledge that Buyer (or any applicable Assignee) must provide adequate assurance of future performance under the Assigned Agreements to be assigned by Sellers, and Buyer hereby agrees to provide such adequate assurance to the extent required under the Bankruptcy Code and the Bidding Procedures Order, including by demonstrating financial wherewithal to pay Cure Costs.

(v) Buyer and Sellers shall provide any cooperation reasonably requested by the consumer privacy ombudsman appointed in these Bankruptcy Cases and shall use commercially reasonable efforts to take all reasonable actions recommended by such ombudsman in any report authored by such ombudsman and approved or adopted by the Bankruptcy Court in accordance with Section 10.9.

(vi) After entry of the Approval Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Approval Order.

(vii) If applicable, Sellers shall cause any plan of reorganization or liquidation approved in the Bankruptcy Cases to permit assumption of Sellers' executory contracts and unexpired leases of real property through the end of the Designation Rights Period.

(c) Back-Up Bidder. Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the Auction, if (i) Buyer submits the second highest or second best bid at the Auction or the terms of this Agreement constitute the second highest or best bid, and (ii) Sellers give written notice to Buyer on or before the tenth (10th) Business Day prior to the Outside Date, stating that Sellers (A) failed to consummate the sale of the Acquired Assets with the winning bidder, and (B) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including the Purchase Price.

(d) Bankruptcy Milestones. The Parties will use reasonable best efforts to comply with the following milestones:

(i) to obtain entry of the Approval Order by the Bankruptcy Court on or before February 4, 2019.

(ii) to close the Transactions on or before February 18, 2019.

Section 8.3 Registrations, Filings and Consents.

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than January 18, 2019, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or

making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed (or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.

(a) (I) Prior to the Closing Date Sellers shall furnish to Buyer and the ABL Financing Sources the Required Information as practicable as possible (and, with respect to the documents in clause (z) thereof, upon request) (and, with respect to clauses (x) and (y) of the definition of Required Information, such Required Information shall be Compliant at the time furnished) and (II) from the date hereof to earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Closing Date, Sellers shall provide to Buyer and shall use reasonable best efforts to cause its officers, employees and advisors to provide to Buyer, such cooperation as is customary for financings of the type contemplated by the Debt Commitment Letters and as is reasonably requested by Buyer in connection with arranging and obtaining the Debt Financing, which cooperation includes using reasonable best efforts to (i) cause the participation by one or more representatives of senior management in a reasonable number of meetings, due diligence sessions and presentations upon reasonable prior notice and in reasonably convenient locations, (ii) reasonably assist Buyer and the ABL Financing Sources with the preparation of (A) one or more customary bank information memoranda (and, to the extent necessary, additional information memoranda that do not include material non-public information), (B) customary materials for rating agency presentations, (C) syndication materials, (D) lender presentations and (E) other customary marketing and similar documents, each in connection with the syndication and marketing of the ABL Financing, (iii) furnish to Buyer, on a timely basis, such customary financial and other pertinent information regarding Sellers (including information regarding the business, operations and financial projections thereof) as may be reasonably requested by Buyer to assist in the preparation of a customary confidential information memorandum or other customary information documents used in financings of the type contemplated by the ABL Commitment Letter, (iv) cooperate with the Buyer's and the ABL Financing Sources' reasonable evaluation of the applicable Sellers for the purpose of establishing collateral arrangements (including conducting, at the Buyer's sole cost and expense, appraisals and field audits contemplated by the ABL Commitment Letter and providing information reasonably requested with respect to inventory, receivables, cash management and accounting systems, deposit accounts and related assets and procedures), in each case, to the extent customary in asset-based revolving credit facilities (including by providing Buyer and the Financing Sources with reasonable and customary access to the books and records, properties and applicable representatives of Sellers), (v) (A) reasonably cooperate with the marketing efforts of Buyer and the Financing Sources for any portion of the Debt Financing and (B) ensure that the syndication efforts for the ABL Financing benefit materially from the existing banking relationships of the Sellers, (vi) permit the use by Buyer and its Affiliates of the Sellers' logos and/or Trademarks included in the Acquired Assets in connection with the syndication of the Debt Financing, provided that such logos and/or marks

are used in a manner that is not intended, or reasonably likely, to harm or disparage Sellers, (vii) cause the taking of corporate actions by the Sellers that are necessary to permit the consummation of the Financing on the Closing Date as are reasonably requested by Buyer, (viii) facilitate the release and termination, effective upon the Closing, of liens and security interests, including obtaining customary release letters (including delivery of draft Payoff Letters at least three (3) Business Days prior to the anticipated Closing Date), lien terminations and releases and other similar documents as may reasonably be requested by Buyer and (ix) execute and deliver any documents as reasonably requested by Buyer as are customary in financings of such type and as are accurate, and otherwise facilitate the pledging of and granting, recording and perfection of security interests in share certificates, securities and other collateral (including releasing any Liens on the Acquired Assets in connection with any existing indebtedness of Sellers) and the obtaining of appraisals, surveys and title insurance as reasonably requested by Buyer; it being understood and agreed that (A) no such corporate action will take effect prior to the Closing and (B) any such corporate action will only be required of the directors, members, partners, managers or officers of the Sellers who retain their respective positions as of the Closing; provided that no obligation of Sellers shall be effective until the Closing Date; provided, however, that nothing herein shall require Sellers to (A) waive or amend any terms of this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (B) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (C) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any Material Contract to which any of Sellers is a party or (D) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers. It is agreed that the failure to deliver the Required Information pursuant to this Section 8.4 shall be deemed a material breach by Sellers of this Section 8.4.

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis all terms, conditions, representations and warranties applicable to Buyer set forth in the Commitment Letters (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the Commitment Letters) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' failure to furnish the Required Information pursuant to Section 8.4 or breach of their obligations hereunder in a manner that would cause the condition in Section 10.2 not to be satisfied), (ii) maintain in effect the Commitment Letters through the Closing Date (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into Debt Financing Documents and enforce its rights under the Debt Commitment Letters (other than pursuant to any Action taken prior to the satisfaction of the conditions set forth in Article X and Article XI hereunder) and (iv) upon satisfaction of the conditions set forth in the Commitment Letters, consummate the Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in the Debt Commitment Letters become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any "flex" provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, in each case other than as a result of a breach by Sellers of any representation, warranty or covenant contained in this agreement in a manner that would cause the conditions in Section 10.1 or Section 10.2 not to be satisfied, Buyer shall use its reasonable best efforts to obtain substitute alternative financing (the "Alternative Financing") for all or such portion of such funds to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the applicable Debt Commitment Letter and (ii) that does not expand upon the conditions precedent or contingencies to funding the Financing on the Closing Date as set forth in the applicable Debt Commitment Letter or Debt Financing Documents with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing. For the avoidance of doubt, references to the "Debt Commitment Letter" shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any material breach or default) by Buyer under the Commitment Letters, or to the knowledge of Buyer, any other party to the Commitment Letters or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the Commitment Letters with respect to any actual or threatened material breach, default, termination or repudiation by any party to the Commitment Letters or any definitive agreement related thereto or any provision of the Financing or any definitive agreement related thereto (including any proposal by any Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by Commitment Letters). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under any Commitment

Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers' prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the Debt Commitment Letters, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)), unless such portion is not reasonably required to fund the transactions contemplated by this Agreement or (B) imposes new or additional conditions precedent or changes the conditions precedent to the Financing or otherwise changes the terms of the Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the Financing materially less likely to occur or adversely impact in any material respect Buyer's ability to enforce its rights under any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend the Debt Commitment Letters to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together with any amendments or modifications to such Debt Commitment Letter in connection therewith, would not result in the occurrence of a modification to such Commitment Letter prohibited by this clause (i) and (ii) termination of such Commitment Letter prior to the Closing Date (unless, in the case of the Debt Commitment Letter, Buyer has arranged for Alternative Financing to the extent permitted or required by Section 8.5(a))). Buyer shall provide to Sellers copies of any commitment letter associated with a replacement Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter. For the avoidance of doubt, references to "Commitment Letter" shall include as such Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification.

Section 8.6 Trade Payables. The Sellers shall make all payments in respect of payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers' cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller's obligations pursuant to this Section 8.6 with respect to taxes are limited to taxes that are not Assumed Liabilities. Within fourteen (14) days following the date hereof, the Sellers shall deliver to Buyer an initial report containing an aging report for all payables of the Business allocated by vendor. For the period following the date of this Agreement until the Closing Date, Sellers shall make their employees and advisors (including the Chief Restructuring Officer) reasonably available (during business hours) upon reasonable advance notice from Buyer to answer any questions Buyer may have, and provide such additional information Buyer may reasonably request, with respect to any accrued payables of the Business.

ARTICLE IX

ADDITIONAL AGREEMENTS

Section 9.1 Access to Information. Sellers agree that, prior to the Closing Date, Buyer shall be entitled, through its officers, employees and representatives (including legal advisors, Financing Sources, consultants, appraisers and accountants), to make such investigation of the

properties (including non-invasive environmental site assessments), businesses and operations of Sellers' businesses (including any of the Properties) and such examination of the Books and Records of Sellers' businesses, the Acquired Assets and the Assumed Liabilities as is reasonable (and reasonably requested) and to make extracts and copies of such Books and Records. Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer's representatives in connection with such investigation and examination, and Buyer and Buyer's representatives shall reasonably cooperate with Sellers and Sellers' representatives and Buyer and Buyer's representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers' business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts after the approval of the Bankruptcy Plan and on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries after the approval of the Bankruptcy Plan and on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect after the approval of the Bankruptcy Plan and on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect after the approval of the Bankruptcy Plan and on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes after the approval of the Bankruptcy Plan and on or before the Closing Date, (iv) implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other

provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement (z) taking or refraining from taking any action required by this Agreement or under the law, including if such actions would be inconsistent with its obligations under the Bankruptcy Code, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to SHC at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor and (ii) Buyer shall be entitled to an injunction or injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder.

(c) Buyer (or its regarded owner for U.S. federal income Tax purposes, if applicable) shall make (if not previously made) a valid election, effective on or prior to the Closing Date, to be classified as an association taxable as a corporation for U.S. federal income Tax purposes (unless one or more Affiliated Designees shall acquire all of the Acquired Assets and assume all of the Assumed Liabilities). Buyer shall cause any Affiliated Designee (or its regarded owner for U.S. federal income Tax purposes, if applicable) to be classified as a corporation or an association taxable as a corporation for U.S. federal income Tax purposes at all times during the period beginning on the Closing Date and ending on the effective date of the Bankruptcy Plan.

(d) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a "Straddle Period"), shall be allocated to the Pre-Assignment Tax Period based on a "closing of the books" method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the

numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller (and its Affiliates) harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) For purposes of Section 3.1(a)(iv), no later than thirty (30) days prior to the Closing Date, Seller shall deliver to Buyer a schedule showing the estimated amount of Transfer Taxes, together with supporting calculations and workpapers. Such schedule shall be deemed final unless Buyer notifies Seller in writing that Buyer objects to one or more items reflected in such schedule within ten (10) days after delivery of the schedule. In the event of any such objection, Buyer and Seller shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Seller are unable to resolve any dispute with respect to the estimated Transfer Taxes within twenty (20) days after the delivery of the schedule, such dispute shall be resolved by the CPA Firm, the determination of which shall be final. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. For the avoidance of doubt, the estimated amount of Transfer Taxes determined pursuant to this Section 9.3(a) shall not preclude the determination of a different amount pursuant to Section 9.3(e).

(b) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d)) (“Transfer Taxes”) shall be borne solely by Buyer. For the avoidance of doubt, regardless of the amount of estimated Transfer Taxes applied to reduce Purchase Price pursuant to Section 3.1(a)(iv), Buyer shall bear 100% of Transfer Taxes. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(c) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the

filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers' or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section 382(l)(5) of the Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(c) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h), Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Sellers' ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(d) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Buyer's ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(d) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(e) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the "Allocation Schedule"). The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to

treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers' Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45) days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the determination of the CPA Firm; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall

prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from winding down their operations and dissolving their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective bargaining agreement (“Represented Employees”) using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not represented by a labor union (“Non-Represented Employees”), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required by and in accordance with applicable Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as “Transferred Employees.”

(b) Subject to the last sentence of this Section 9.7(b) and except as otherwise expressly provided in this Section 9.7(b), with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the Sellers’ fiscal year ending in 2020, subject to such Transferred Employee’s continued employment with Buyer or any of its Subsidiaries (as applicable) (i) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date and (ii) a group health and welfare plan and, subject to and in accordance with Section 9.7(k), a 401(k) plan, qualified under Sections 401(a) and 401(k) of the Code (“401(k) Plan”), that are substantially comparable in the aggregate to the group health and welfare plan and 401(k) Plan under which such Transferred Employee participates as of the date hereof. For the avoidance of doubt, (x) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (y) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers. The Parties agree to cooperate in good faith to coordinate the establishment of benefit plans and arrangements so as to satisfy the obligations set forth in this Section 9.7(b)(ii).

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller's or its Subsidiaries' medical, dental or health plans during the portion of the calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical, dental and health plan provider to provide such waivers and credits contemplated by the first (1st) sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the last day of the calendar year in which the Closing Date occurs that are at least equal to the severance and other separation benefits provided by Seller and its Subsidiaries to such Transferred Employee as in effect immediately prior to the Petition Date, it being understood that such severance and other separation benefits do not include any long-term incentive, equity incentive, defined benefit pension or retiree welfare or life insurance benefits.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the fiscal year ending February 2, 2019.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer

shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an “M&A Qualified Beneficiary” (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay, and Seller’s portion of any related employment and payroll Taxes, made by any Seller to any employee of any Seller whose employment with any of the Sellers terminated following the Petition Date or terminates on, or following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be covered by Buyer’s obligations as set forth in Section 9.7(b)), to the extent of the cash severance or other cash separation pay that has been paid on or following the Petition Date and prior to the Closing Date or would have been due and payable had such employee’s employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(i), including with respect to any related employment and payroll Taxes, the “Severance Reimbursement Obligations”).

(j) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(j), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

(k) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code (“Buyer’s Savings Plan”) that will permit participation by all Transferred Employees who are participating in Seller’s or its Subsidiaries’ 401(k) Plan (“Seller’s Savings Plan”) as of the Closing Date.

(ii) No assets or liabilities of Seller’s Savings Plan shall be transferred to Buyer’s Savings Plan, other than in connection with a rollover of a Transferred Employee’s

account balance under Seller's Savings Plan. Except as could reasonably be expected to cause the Buyer's Savings Plan to cease to qualify under Section 401(a) and 401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer's Savings Plan any rollover distribution (in cash or loan notes of any "eligible rollover distribution" (within the meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause its Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller's Savings Plan shall be fully vested and nonforfeitable.

(l) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

(m) Sellers and Buyer hereby agree to follow the "alternate procedure" for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

(a) Seller shall pay when due any and all Occupancy Expenses with respect to each Owned Real Property solely to the extent arising during the period commencing on the Petition Date through the Closing Date.

(b) From the date hereof through the Closing Date, Seller shall use commercially reasonable efforts to maintain and preserve each Owned Real Property and all related Acquired Assets in a condition substantially similar to their present condition. Prior to Closing, Seller shall not without Buyer's consent, and shall not solicit any other Person to, (A) sell, transfer, assign, convey, lease, license, mortgage, pledge or otherwise encumber any Owned Real Property or related Acquired Asset (other than sales of Inventory in accordance with the terms of this Agreement, Permitted Encumbrances and any applicable statutory liens (solely to the extent that such Owned Real Property or related Acquired Asset will be transferred free and clear of such statutory liens pursuant to the applicable transfer document)), (B) grant or terminate any other interests in any Owned Real Property or related Acquired Asset, (C) cancel or compromise any claim or waive or release any right, in each case that is related to any Owned Real Property or any

related Acquired Assets (for the avoidance of doubt, other than any Excluded Assets), (D) take any action with respect to Taxes or Tax matters that could reasonably be expected to result in an Encumbrance on any Owned Real Property or related Acquired Assets (other than Permitted Encumbrances) or (E) enter into any agreement or commitment to take any action prohibited by this Section 9.8(b).

(c) From and after the date hereof through Closing, Sellers shall bear the risk of loss or damage to the Owned Real Property and Seller shall continue all insurance policies with respect to the Owned Real Property or policies providing substantially similar coverages to the extent available at commercially reasonable rates (and in all instances without any reductions in the amounts of available coverage), including comprehensive public liability, casualty and umbrella liability insurance, and shall cause Buyer to be named as a loss payee or additional insured, as applicable, with respect to all such policies. Seller shall pay to Buyer on the Closing Date all insurance recoveries and all warranty and condemnation proceeds received or receivable after the date hereof with respect to the Owned Real Property. In connection with any payment of recoveries or proceeds under this Section 9.8(c), (i) such payment of recoveries or proceeds shall not include any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such payment of recoveries or proceeds shall be reduced by the amount of (x) all actual and documented, reasonable out of pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out of pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

Section 9.9 Title Matters.

(a) Buyer, at its own discretion and sole expense, may order preliminary title reports from a nationally recognized title company (the "Title Company") with respect to any of the Leased Premises or Owned Real Property (the property covered by such reports being referred to herein as the "Titled Property"). Seller shall at no cost, expense or Liability to Seller, cooperate in good faith with Buyer and the Title Company in connection with the compilation of title to the Titled Property and in connection with any efforts by Buyer to obtain title insurance policies pursuant thereto on behalf of itself and/or its lender, including, in the case of any efforts by Buyer to obtain lender's title insurance policies on behalf of its lender, by providing reasonable affidavits and other similar instruments as are reasonably required by the Title Company for the deletion of any standard or printed exceptions in such lender's title insurance policies that are customarily deleted by virtue of a seller delivering such instruments in commercial real estate transactions in the state or province in which the Titled Property which is the subject of such lender's title insurance policy is located. Subject to the foregoing proviso, such cooperation by Seller and its Subsidiaries shall include providing Buyer and the Title Company copies of, with respect to Titled Property, reasonably requested existing surveys, maps, existing title reports and title insurance

policies and true and complete copies of the encumbrance documents identified therein, to the extent the same are in the possession of Seller or its Subsidiaries and are not publicly available.

(b) [Sellers shall use reasonable best efforts to resolve the claims of mechanic's liens identified in section 2 of Schedule 6.5 prior to Closing, including so that the related Leased Real Property or Owned Real Property in each instance is unencumbered by and lien of record securing such claim. In each case where Sellers fail to resolve the claim identified in such section 2 of Schedule 6.5 (such resolution to be reflected by customary documentation evidencing a release of the subject claim and of any related liens), including where a lien securing such claim remains of record, as of Closing, the Purchase Price shall be reduced by the amount of such unresolved claim or unreleased lien.]¹⁶

Section 9.10 Use of Name. Sellers agree that they shall (i) as soon as practicable after the Closing Date and in any event within six (6) months following the Closing Date, cease to make use of the Trademarks included in the Acquired Intellectual Property and change the Business Names of all of their applicable Affiliates to a Business Name that does not consist of, contain or incorporate any Trademarks included in the Acquired Intellectual Property, provided that as soon as practicable after the Closing Date and in any event within thirty (30) days following the Closing Date, Sellers shall cease to make use of the Trademarks included in the Acquired Intellectual Property in connection with the Business and (ii) as promptly as practicable after the Closing Date, file a motion with the Bankruptcy Court to amend the caption of the Bankruptcy Cases to reflect a change in the name of the Sellers in accordance with the foregoing clause (i) and (ii) immediately after the Closing, cease to hold themselves out as having any affiliation with the Acquired Assets. Sellers shall promptly deliver to Buyer any relevant documentation evidencing such name change, including any name change amendment and name change notice filed with or submitted to any Governmental Authority in each jurisdiction in which such Seller or Affiliates of Seller is qualified to do business. Nothing in this Section 9.10 shall prohibit Sellers' use of such Trademarks to the extent that such use (a) is required by Law to wind down Sellers' estate or (b) constitutes nominative or descriptive fair use under United States Laws, which refers to Sellers and would not cause confusion as to the origin of a good or service, including in accurately stating the historical relationship between Sellers and Buyer for information purposes (and in a non-Trademark manner) in historical, tax and similar records.

Section 9.11 Apportionments.¹⁷ All charges and fees payable for telephone services, water, sewer rents heat, steam, electric power, gas and other utilities, at the price charged by the suppliers, including any taxes thereon and based upon applicable meter readings, where available, made on or immediately prior to or immediately after the Closing Date (and credits therefor to the extent paid prior to the Closing Date) that relate to Owned Real Property shall be apportioned between Sellers, on the one hand, and Buyer, on the other hand, as of midnight on the Closing Date for the period that begins prior to the Closing Date and ends after the Closing Date.

¹⁶ **Note to Draft:** Treatment of mechanics' liens subject to ongoing business discussions.

¹⁷ **Note to Draft:** Subject to confirmation that this is consistent with Buyer assuming Excluded Asset-Sale Taxes in connection with a Tax Reorganization and with Section 2.1(i).

Section 9.12 Intercompany IP Agreement; Sublicenses. As of the Closing Date, all Intercompany IP Agreements and all sublicenses to any Person thereunder, in each case that are not assigned to Buyer or assumed and assigned in accordance with this Agreement, shall be, and are hereby, automatically terminated. Sellers shall take all necessary actions to cause such licenses, grants or sublicenses that are not terminated by virtue of the foregoing sentence to be terminated at the Closing Date. The foregoing provision shall not affect any sublicenses (i) under which neither any Seller nor any Affiliate of any Seller is the sublicensee, (ii) that are not terminated pursuant to this Section 9.12 and (iii) that continue pursuant to the terms of the Intercompany IP Agreements or the relevant sublicense agreement.

Section 9.13 Release. Effective upon the Closing, in consideration for the payment by Buyer of the Release Consideration, each Seller, for itself and on behalf of each of its former, present and future Subsidiaries and controlled Affiliates (each of the foregoing, a “Seller Releasing Party”), hereby releases and forever discharges each Buyer Related Party, from any and all Claims of every kind and nature, whether foreseen or unforeseen, contingent or actual, and whether now known or hereafter discovered, which any of the Seller Releasing Parties had, now has or may in the future have, at law or in equity, including, without limitation, and for the avoidance of doubt, any Claims arising under or relating to sections 502(d), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code against any Buyer Related Party in any way arising out of, in connection with, pertaining to or by reason of (a) any transactions between any Seller and any Buyer Related Party prior to the Closing Date, except for claims under this Agreement or (b) where applicable, the service at any time by any Buyer Related Party as an officer or director of any Seller or any Seller’s Affiliate (the “Buyer Party Release”). Each Seller Releasing Party covenants and agrees that (x) it is and will continue to be bound by the Buyer Party Release, (y) will not take any action inconsistent with such release (including commencing any Proceeding with respect to, or directly or indirectly transferring to another Person, any claim so released), and (z) will not take any action to support in any way whatsoever, any action by another Person to assert any Claim against a Buyer Related Party, provided, however, that the foregoing shall not limit the ability of a Seller Releasing Party to comply with any legal obligation to provide documents or testimony in connection with any Claim asserted by another Person.

Section 9.14 KCD IP and KCD Notes Covenants.

(a) Commencing as of the date hereof (and, for the avoidance of doubt, continuing after the Closing Date), Sellers shall not, and shall cause all of their Affiliates (including KCD IP, LLC) not to, (i) sell, transfer, assign, encumber, allow to lapse, abandon, cancel, fail to renew, fail to continue to prosecute, protect or defend, or otherwise dispose of or convey, any KCD IP, (ii) license, sublicense or grant any Person (other than Buyer and its Affiliates) any rights to, as applicable, any KCD IP or (iii) amend, renew or terminate (or fail to exercise termination rights or option rights with respect to) any Contract pursuant to which any Seller or any of its Affiliates has granted, prior to the date hereof, any license, sublicense, covenant not to sue or other rights under any KCD IP, in each case of the foregoing without the prior written consent of Buyer in its sole discretion.

(b) As soon as reasonably practicable after the date hereof and in any event prior to the Closing Date, Sellers shall use reasonable best efforts to cause KCD IP, LLC to grant, effective as

of the Closing, a perpetual, irrevocable (provided that, if Buyer commits a material breach of its obligations under the Exclusive License and KCD IP, LLC gives notice to Buyer specifying the basis for termination and Buyer fails to cure, resolve or remediate the basis for the breach within ninety (90) days after such notice is provided, KCD IP, LLC may convert the exclusive license granted under the Exclusive License to a non-exclusive license; and provided, further, that if Buyer fails to cure, resolve or remediate the basis for such material breach within one hundred twenty (120) days after such notice is provided, KCD IP, LLC may, upon notice to Buyer, suspend the license with respect to the uses that cause the material breach until such cure, resolution or remediation has been effected), worldwide, sublicensable (in connection with uses and sublicensees of the same type and scope as those for which sublicenses were granted by Sellers under the KCD IP prior to the date hereof and, subject to the consent of KCD IP, LLC, such consent not to be unreasonably withheld, conditioned or delayed, in connection with other uses and sublicensees), transferable (A) in whole to an Affiliate of Buyer or (B) in connection with a sale of assets, properties, rights or businesses associated with the Kenmore Marks included in the KCD IP or with the DieHard Marks included in the KCD IP, provided that all of the rights and obligations under the applicable Exclusive License are assigned, provided that such third party assumes in writing all of the rights and responsibilities of Buyer under the Exclusive License) exclusive license (but subject to (i) any licenses under the KCD IP in effect as of the Closing Date and (ii) the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement) to Buyer under all of the KCD IP used or held for use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the Buyer's businesses (including the Business) and the natural evolutions thereof. The Exclusive License shall include the same quality control provisions as set forth in the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009 and that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and shall provide that KCD IP, LLC, as licensor, will continue to maintain its rights to enforce, maintain and defend the Intellectual Property licensed under the Exclusive License in the first instance. The Exclusive License shall otherwise be in the form proposed by Buyer and any additional terms (other than the terms set forth above) must be reasonably acceptable to Sellers (Sellers' review and approval not to be unreasonably withheld, delayed or conditioned, provided that it shall not be unreasonable for Sellers to not accept any such additional terms that they reasonably consider render the license a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC). The Exclusive License shall be subject to royalties equal to those in effect as of the date hereof under, (x) with respect to the Kenmore Marks, the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009 and that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and (y) with respect to the DieHard Marks, the DieHard License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to DieHard License Agreement dated as of November 29, 2009 and that certain Second Amendment to DieHard License Agreement dated as of March 7, 2012, provided that the terms of the Exclusive License

taken collectively shall not constitute a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC.

(c) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC has not agreed to grant Buyer the Exclusive License effective as of the Closing Date by the date that is ten (10) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then at Buyer's election, Sellers shall, prior to the Closing, use reasonable best efforts to obtain any Consent from KCD IP, LLC necessary to assign to Buyer those KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement, and assume and assign such KCD Agreements in accordance with this Agreement (such that such KCD Agreements are Assigned Agreements as contemplated herein).

(d) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC's Consent described in the above clause (c) is not obtained by the date that is five (5) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then (i) Sellers shall, prior to the Closing, assume all KCD Agreements that provide Sellers with the right to sublicense KCD IP to Buyer that are designated only for assumption by written notice of Buyer and (ii) effective as of the Closing Date, Sellers hereby grant to Buyer, a perpetual, irrevocable, worldwide, royalty-bearing (as described in Section 9.14(b)) further sublicensable, transferable sublicense under all of the KCD IP used or held for use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the businesses of Buyer (including the Business) and the natural evolutions thereof, provided that to the extent Sellers cannot grant the foregoing, Sellers hereby grant to Buyer a sublicense of the broadest scope that Sellers can grant under all the KCD Agreements assumed by Sellers pursuant to this clause (d). For the purpose of this Section 9.14(d)(ii), any such sublicense granted to Buyer is subject to (x) any licenses under the KCD IP in effect as of the Closing Date and (y) the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement), and shall be of the broadest scope that Sellers can grant under, and subject to the terms of the relevant KCD Agreement. Buyer shall ensure that its use of the KCD IP, as provided in this Section 9.14(d), shall only be with respect to goods and services of a substantially similar level of quality to the goods and services with respect to which Sellers used the KCD IP prior to the Closing. For the avoidance of doubt, (i) Sellers shall not reject, seek to terminate or agree to terminate the KCD Agreements assumed pursuant to this Section 9.14(d) or amend or agree to amend such Contracts in any manner that narrows any of the licenses thereunder and (ii) to the extent that Sellers cease to exist or the KCD Agreements assumed pursuant to this Section 9.14(d) expire or terminate, the sublicense granted herein shall survive.

(e) Solely with respect to the Exclusive License or any sublicense granted pursuant to Section 9.14(d)(ii), Buyer agrees that (A) Sellers and their Affiliates (including KCD IP, LLC) shall have no responsibility for claims by third parties arising out of, or relating to, Buyer's use of the KCD IP in any manner and (B) in addition to any and all remedies, from and after the Closing, Buyer shall indemnify, defend and hold harmless Sellers and their Affiliates (including KCD IP, LLC), for so long as any Seller or Affiliate of Seller is in existence, from and against any and all third party claims that may arise out of use of such KCD IP by or on behalf of Buyer or any of its Affiliates or assignees, in each case other than claims that the KCD IP infringes the Intellectual

Property of any third party. Except as provided in the foregoing sentence, all Intellectual Property licensed under this Section 9.14(b) or Section 9.14(d)(ii) is licensed “as-is” with all faults, without warranty of any kind (whether express, implied, statutory or otherwise), and Seller does not make, and Buyer hereby specifically disclaims, any representations or warranties (whether express or implied, statutory or otherwise). For the avoidance of doubt, with respect to Section 9.14(c), the allocation of the foregoing shall be determined by the applicable KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement.

(f) For clarity, and not in limitation of the foregoing, Buyer (or its applicable designee) may grant a security interest in any or all of its rights and benefits under Section 9.14(b), Section 9.14(c) or Section 9.14(d) for collateral purposes to the Financing Sources in connection with the Debt Financing.

(g) Notwithstanding anything to the contrary contained in this Agreement, Seller shall not transfer the KCD Notes to Buyer, and Buyer shall not assume the PA Liabilities from Seller, unless and until Seller has received the requisite consent of the Bermuda Monetary Authority to the transfer of the KCD Notes (the “BMA Consent”). Immediately following receipt of the BMA Consent, the transfer of the KCD Notes and the assumption of the PA Liabilities shall take place simultaneously. From the Closing Date until such time as the transfer of the KCD Notes and the assumption of the PA Liabilities occurs, pursuant to a services agreement to be in a form mutually agreeable to Seller and Buyer, (i) Buyer shall provide services to the applicable Sellers sufficient to enable Sellers to perform the PA Liabilities and (ii) in consideration for such services, Sellers shall pay to Buyer an amount equal to the aggregate of all amounts paid by Buyer with respect to any licenses under which Buyer licenses the KCD IP.

Sellers' obligation to consummate the Transactions is subject to the satisfaction or waiver, as of the Closing, of each of the following conditions; provided, however, that Seller may not rely on the failure of any condition set forth in this Article XI if such failure was caused by Seller's failure to comply with any provision of this Agreement:

Section 11.1 Accuracy of Representations. The representations and warranties of Buyer contained in Article VII shall be true and correct as of the Closing Date as though made on and as of the Closing Date (except that those representations and warranties which address matters only as of a particular date need only be true and correct as of such date); provided, however, that the condition in this Section 11.1 shall be deemed to be satisfied so long as any failure of such representations and warranties to be true and correct (without giving effect to any limitation as to "materiality" or "material adverse effect" set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to prevent or materially impair the ability of Buyer to perform, or to consummate the Transactions. Sellers shall have received a certificate of Buyer, signed by a duly authorized officer of Buyer, to that effect.

Section 11.2 Buyer's Performance. Buyer shall have performed and complied with in all material respects the covenants and agreements that Buyer is required to perform or comply with pursuant to this Agreement at or prior to the Closing, and Sellers shall have received a certificate of Buyer to such effect signed by a duly authorized officer thereof.

ARTICLE XII

TERMINATION

Section 12.1 Termination Events. Anything contained in this Agreement to the contrary notwithstanding, this Agreement may be terminated at any time prior to the Closing:

(a) by either Sellers or Buyer:

(i) if the Bankruptcy Court shall have determined that it will not enter the Approval Order or if a Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any final and non-appealable applicable Law (including any Order) which is in effect and has the effect of making the Transactions illegal or otherwise restraining or prohibiting consummation of the Transactions and which is not satisfied, resolved or preempted by the Approval Order; provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(a)(i) shall not be available to any Party whose material breach of any of its representations, warranties, covenants or agreements contained herein results in or causes such event;

(ii) if the Closing shall not have occurred by 11:59 p.m. New York City time on February 19, 2019 (the “Outside Date”); provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(a)(ii) shall not be available to any Party whose material breach of any of its representations, warranties, covenants or agreements contained herein results in the failure of the Closing to be consummated by such time;

(iii) if Sellers accept or agree to any Competing Transaction or upon approval by the Bankruptcy Court of, or the filing by or on behalf of any Seller of a motion or other request to approve, a Competing Transaction; provided, however, that if Seller, pursuant to Section 8.2(c) and the Bidding Procedures Order, has designated Buyer as a “Back-Up Bidder,” then Buyer shall not be permitted to terminate this Agreement prior to the Outside Date except as consistent with the terms of Section 8.2(c) and the Bidding Procedures Order; or

(iv) by mutual written consent of Sellers and Buyer.

(b) by Buyer:

(i) in the event of any breach by any Seller of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 10.1 or Section 10.2 to be satisfied, and the failure of Sellers to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Buyer of their intention to exercise their rights under this Section 12.1(b)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(b)(i) shall not be available to Buyer if Buyer is in breach of any of its representations, warranties, covenants or agreements contained herein in a manner that would result in the failure of a condition set forth in Article XI to be satisfied;

(ii) if any of the Bankruptcy Cases is dismissed or converted to a case under chapter 7 of the Bankruptcy Code; or

(iii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 4, 2019, or if the Approval Order has not been entered on or before February 4, 2019 (or is vacated or stayed as of such date).

(c) by Sellers:

(i) in the event of any breach by Buyer of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 11.1 or Section 11.2 to be satisfied, and the failure of Buyer to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Sellers of their intention to exercise their rights under this Section 12.1(c)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(c)(i) shall not be available to Seller if Sellers are themselves in breach of any of their representations, warranties, covenants or agreements contained herein, in each case in a manner that results in the failure of a condition set forth in Article X to be satisfied;

(ii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 4, 2019, or if the Approval Order has not been entered on or before February 4, 2019 (or is vacated or stayed as of such date); or

(iii) if (A) all of the conditions set forth in Article X have been satisfied (other than those conditions that by their nature are to be satisfied by actions taken at the Closing, but which would be satisfied if the Closing Date were the date of such termination, or would have been satisfied, assuming the Closing had in fact occurred), (B) Buyer failed to consummate the transactions contemplated by this Agreement by the time set forth in Section 4.1, (C) Sellers have irrevocably confirmed to Buyer in writing that all the conditions in Article XI have been satisfied (or that it is willing to waive any unsatisfied conditions set forth in Article XI) and that Sellers have indicated to Buyer in writing that

Sellers are ready, willing and able to consummate the transactions contemplated by this Agreement, (D) Sellers have given Buyer written notice at least two (2) Business Days prior to such termination stating Sellers' intention to terminate this Agreement pursuant to this Section 12.1(c)(iii), and (E) Buyer fails to consummate the transactions contemplated by this Agreement within such two (2) Business Day period.

Section 12.2 Effect of Termination.

(a) Subject to the first sentence of Section 12.2(b), in the event of any termination of this Agreement pursuant to Section 12.1, this Agreement (other than the provisions set forth in this Section 12.2, Section 12.3 and Article XIII) shall forthwith become null and void and be deemed of no further force and effect. Subject to Section 12.2(b) and the provisions set forth in the immediately preceding sentence, there shall be no liability or obligation thereafter on the part of any Party. Notwithstanding the foregoing, subject to the second sentence of Section 12.2(b), any such termination shall not limit any Party's liability for any willful and material breach prior to the time of such termination. For purposes of this Agreement, "willful and material breach" means a material inaccuracy or breach of any material representation, warranty or covenant or other agreement set forth in this Agreement that is a consequence of an act or failure to act by or on behalf of the breaching Party with knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, result in a breach of this Agreement. In the event of any valid termination of this Agreement pursuant to Section 12.1 (other than a termination by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii)), Sellers shall promptly (and in no event later than two (2) Business Days following such termination) return to Buyer the Deposit Amount and any other deposit delivered by Buyer to Sellers pursuant to the Bidding Procedures Order. Notwithstanding anything to the contrary in this Agreement, except for a case of a willful and material breach, the maximum liability of the Seller and its Subsidiaries under this Agreement shall not exceed \$30,000,000.

(b) In the event of any valid termination of this Agreement by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii), then Sellers, as Sellers' sole and exclusive remedy as a result of such termination, shall have the right to retain the Deposit Amount, if any. Notwithstanding anything to the contrary in this Agreement, the maximum liability of Buyer under this Agreement shall not exceed the Deposit Amount

Section 12.3 Termination and Adjustment Rights of Buyer as to Properties and Related Acquired Assets.

(a) If a material portion of any Lease Premises, a material portion of any Owned Real Property, or a material portion of the Potential Acquired Assets related to the Lease Premises is materially damaged or destroyed, or the physical condition thereof is materially and adversely changed (including as a result of failure of proper repair or maintenance or environmental contamination that occurs from and after the date hereof), or any Lease Premises or Owned Real Property is subject to a condemnation or other governmental taking of a material portion thereof or any shopping center in which a Lease Premises is located is damaged, destroyed or condemned such that the operations of such Lease Premises are materially and adversely affected at any time from the date of this Agreement up to and including the Closing (each of the foregoing, a "Casualty

/ Condemnation Event”), Sellers shall provide prompt written notice of such Casualty / Condemnation Event to Buyer. Buyer shall elect within ten (10) days after notice of such Casualty / Condemnation Event from Sellers, together with Sellers’ best estimate of the net amount of insurance proceeds and/or condemnation award available to Buyer pursuant to Section 12.3(b) (including any deductions pursuant to Section 12.3(b)), to either (A) in the case of a Lease Premises, acquire Designation Rights with respect to such Lease Premises at the Closing or, in the case of Owned Real Property, acquire such Owned Real Property at the Closing and, in either case, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award or proceeds relating to such Casualty/Condemnation Event at the Closing (including any insurance proceeds actually received by Sellers with respect to such Casualty/Condemnation Event, but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) or (B) in the case of a Lease Premises, decline to acquire Designation Rights with respect to such Lease Premises or, in the case of Owned Real Property, decline to acquire such Owned Real Property, in which case the Purchase Price shall not be reduced (but, in the case of Owned Real Property, Seller shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award relating to any such Casualty/Condemnation Event at Closing. For the avoidance of doubt, Casualty / Condemnation Events that are subject to this Section 12.3(a) are only those occurring during the period from the date of this Agreement up to and including the Closing. Additionally, in the case of any Owned Real Property with respect to which a claim for damages to buildings or fixtures is pending as of the date of this Agreement, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds relating to such claim (but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) and the Purchase Price shall not be reduced.

(b) In connection with any assignment of awards, proceeds or insurance under this Section 12.3, (i) such assignment of proceeds or awards shall not include any awards, proceeds or insurance to the extent attributable to lost rents or similar costs applicable to any period prior to the applicable Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such assignment of proceeds or awards shall be reduced by the amount of (x) all actual and documented, reasonable out-of-pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out-of-pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord’s lender as required pursuant to any of such lender’s financing, as applicable.

(c) Buyer shall have the right, prior to Closing, to decline to acquire (i) Designation Rights with respect to any Lease and related Potential Acquired Assets or (ii) any Acquired Assets, in each case if and only if any Consent from any Person (other than a Governmental Authority) has not been obtained from such Person or has not otherwise been provided for pursuant to the Approval Order, the absence of which prevents the acquisition or exercise of the Designation Rights with respect to such Lease and related Potential Acquired Assets or the acquisition of such

Acquired Assets; provided, that if the failure to obtain such Consent is curable, Sellers shall have until the earlier of (i) the Closing Date or (ii) ten (10) days after receipt of Buyer's notice of intent to terminate to obtain such Consent; and provided, (c) further that, for the avoidance of doubt, the provisions of this Section 12.3(d) shall not apply with respect to any license (incoming or outgoing) of any Intellectual Property.

ARTICLE XIII

Section 13.3 Amendment; Waiver. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding unless set forth in writing and duly executed by each Party; provided that this Section 13.3, Section 13.6, Section 13.8, Section 13.10 or Section 13.12, in each case as such Sections relate to the Financing Sources, may not be amended in a manner adverse to the Financing Sources without the prior written consent of the applicable Financing Source under the applicable Debt Commitment Letter. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Neither the waiver by any of the Parties of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. No course of dealing between or among the Parties shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights to payment of any Party under or by reason of this Agreement.

Section 13.4 Entire Agreement. This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements, understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction

Documents and the Transactions. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the Financing Sources in connection with the Debt Financing; provided further that that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action (whether in contract or tort) brought against the Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other

jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR

OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the Financing Sources are intended third party beneficiaries of this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The pre-Closing costs of any privacy ombudsman shall be borne equally between Buyer, on the one hand, and Sellers, on the other hand, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. The Designation Rights shall terminate upon the expiration of the Designation Rights Period.

Section 2.7 Assignments.

(a) Potential Transferred Agreements.

(i) Schedule 2.7(a) contains a list of all Potential Transferred Agreements (including, to the extent in the possession or control of any Seller, the underlying agreements). Subject to section 365 of the Bankruptcy Code, Buyer may elect to have the Potential Transferred Agreements assigned to Buyer or assumed by Seller and assigned to Buyer on the applicable Assumption Effective Date (which shall be deemed to be “Assigned Agreements” in accordance with the definition thereof). At Buyer’s reasonable request, Seller shall make reasonably available to Buyer the appropriate employees of Seller necessary to discuss the Potential Transferred Agreements.

(ii) To the extent a Potential Transferred Agreement is an executory contract or lease, as soon as practicable after the date hereof, Seller shall file a notice of assignment and assumption (an “Agreement Assignment Notice”) with the Bankruptcy Court and serve such notice via electronic or first class mail on each counterparty to a Potential Transferred Agreement that is an executory contract or lease, consistent with the terms of the Bidding Procedures Order. The Agreement Assignment Notice shall identify all Potential Transferred Agreements that are executory contracts or leases and related to the Acquired Assets that Sellers believe may be assigned or assumed and assigned in connection with the sale of the Acquired Assets and set forth a good faith estimate of the amount of the Cure Costs applicable to each such Contract (and if no Cure Cost is estimated to be applicable with respect to any particular Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(b) Initial Assigned Agreements.

(i) As soon as practicable after delivery of the list of Potential Transferred Agreements by the Seller but no later than five (5) Business Days following such delivery, Buyer shall deliver to the Seller a list of those Potential Transferred Agreements proposed to be assigned to Buyer or assumed by Seller and assigned to Buyer on the Closing Date (the Contracts on such list, the “Initial Assigned Contracts”, the Leases on such list (including, to the extent applicable to such Leases, all non-disturbance agreements with fee owners or senior landlords, subordination, non-disturbance and attornment agreements, waivers and consents in favor of any Seller, estoppel certificates from landlords (to the

(ii) Following delivery of the list of Initial Assigned Agreements and to the extent consistent with the Bidding Procedures Order, at any time prior to the second (2nd) Business Day prior to the Closing Date, Buyer will be entitled, after consultation with the Sellers, to add (x) any Initial Assigned Agreement to the list of Excluded Assets by providing written notice thereof to Sellers, and any Initial Assigned Agreement so added will cease to be an Initial Assigned Agreement and will be deemed to be an Excluded Asset (and all Liabilities thereunder Excluded Liabilities) for all purposes hereunder or (y) any Potential Transferred Agreement to the list of Initial Assigned Agreements so long as (1) it is not a Contract to be assumed or available to be assumed pursuant to any other sale previously approved by the Bankruptcy Court in connection with the Bankruptcy Cases; and (2) it is prior to the entry of a Final Order of the Bankruptcy Court approving the rejection of such Contract, in each case subject to the non-Debtor party to such Contract receiving information evidencing Buyer’s adequate assurance of future performance and having an opportunity to object consistent with the Bidding Procedures Order and the Approval Order. No change referred to in this Section 2.7(b)(i) shall reduce or increase the amount of the Purchase Price, except to the extent of any increase or decrease in the assumption of the Assumed Liabilities, including Cure Costs, as a result of the Potential Transferred Agreements being added to or removed from the list of Acquired Leases or Assigned Agreements by Buyer.

(iii) On the Closing Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, and subject to consent if applicable Law requires it, Sellers shall assume and assign to Buyer the Initial Assigned Agreements and Buyer shall pay all Cure Costs with respect to such Initial Assigned Agreements to the appropriate counterparty or establish a reserve for disputed cure amounts in accordance with the Bidding Procedures Order and Approval Order.

(c) Designatable Leases. On each Assumption Effective Date, pursuant to section 365 of the Bankruptcy Code and the Approval Order, Sellers shall assume and assign to the applicable Assignee any Designatable Lease so designated by Buyer for assumption and assignment in accordance with the terms of this Agreement, and Buyer shall pay all or be responsible for Cure Costs with respect to such Designatable Leases.

(d) Additional Contracts. On each applicable Assumption Effective Date, and in no event later than the date that is five (5) Business Days following the Designation Deadline, pursuant to section 365 of the Bankruptcy Code, the Approval Order, and any other applicable Order, Sellers shall assume and assign to the applicable Assignee any Additional Contract that Buyer designates for assumption and assignment in accordance with Section 2.9, and Buyer shall pay all Cure Costs with respect to such Additional Contract and all Expenses related to or arising under such Additional Contract after the Closing Date.

(e) Adequate Assurance and Consents. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Lease or Contract pursuant to this Section 2.7 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Lease or Contract and such Consent has not been obtained; provided, however, that the Parties shall use their commercially reasonable best efforts to obtain all such Consents.

Section 2.8 Further Assurances.

(a) On and after the Closing Date, each of the Sellers and Buyer shall use its commercially reasonable efforts to further give full effect to, evidence and record the assignments, waivers, ratifications, consents and agreements granted herein, and, Sellers shall, upon Buyer's request, assist Buyer in a commercially reasonable way to obtain, maintain, enforce and defend any rights specified to be owned by or assigned to a Seller, including by testifying in any legal Proceedings, executing all lawful papers and making all rightful oaths required or necessary to aid Buyer or its successors or assigns in obtaining and enforcing its right, title and interest in, to and under the Acquired Assets, including in connection with the IP Assignment Agreement and the Short Form Assignments and in complying with all requirements of the applicable social media sites and Domain Name registrars.

(b) On each Designation Assignment Date, Seller shall, upon the request of Buyer or the applicable Assignee, execute and deliver to such Assignee such instruments of transfer as shall be reasonably necessary or desirable to vest in such Assignee title to the applicable Designatable Leases and related Acquired Lease Rights, Acquired Improvements and all other related Acquired Assets required hereunder to be transferred on such Designation Assignment Date (and evidence the assumption by Seller, and the assignment by Seller to the applicable Assignee, of such Designatable Leases), and Seller, on the one hand, and such Assignee, on the other hand, shall (and Buyer shall use commercially reasonable efforts to cause each Assignee to) take (or cause to be taken) all appropriate action, do (or cause to be done) all things necessary under applicable Law, and execute and deliver such instruments and documents, in each case as may be reasonably requested and reasonably necessary or desirable to consummate the Transactions at or after the Designation Assignment Date. In furtherance and not in limitation of the foregoing, in the event that any of the Acquired Assets shall not have been conveyed at Closing or on the applicable Designation Assignment Date, as applicable, Seller shall convey such Acquired Assets to Buyer or such Assignee, as applicable, as promptly as practicable after the Closing or on the applicable Designation Assignment Date, as applicable. As promptly as practicable following the date on which Buyer is permitted to receive Customer Data constituting "personally identifiable information" (as defined in the Bankruptcy Code) that was not transferred on the Closing Date, Seller shall deliver to Buyer a copy of the Customer Data constituting Acquired Data to an extent and in a format mutually agreeable to Seller and Buyer that is readable, useable, indexed and searchable and, if any portion of such Customer Data is encrypted, the necessary decryption tools and keys to read such materials contemporaneously.

(c) Not later than ten (10) days prior to the Closing Date, Sellers shall instruct all of Sellers' outside counsel responsible to maintaining, prosecuting or renewing any of the Acquired Intellectual Property (i) that the ownership of the Acquired Intellectual Property will be assigned

to Buyer as of the Closing Date, (ii) to keep all Acquired Intellectual Property (as relevant to such counsel) in full force and effect, including by filing and documentation and paying any fees required therefor, (iii) to release to Buyer or counsel designated by Buyer at locations to be designated by Buyer copies of all the tangible embodiments of the Intellectual Property Related Documentation existing as of the Closing Date and in such counsel's possession, and (iv) that Buyer or counsel designated by Buyer may contact such Sellers' counsel for coordination relative to further prosecution of the Acquired Intellectual Property at Buyer's expense (such correspondence, "Seller Instructions"). Sellers shall also include in the Seller Instructions any other information that Buyer reasonably instructs Sellers to include that is communicated to Sellers prior to the Closing Date.

(d) If after the Closing (i) Buyer or any of its Affiliates holds or is otherwise liable for any Excluded Assets or Excluded Liabilities or (ii) any Seller or any of their respective Affiliates holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller will, and will cause their respective controlled Affiliates to, and will use commercially reasonable efforts to cause their other Affiliates to, (including through the execution and delivery of all appropriate transfer documents) promptly transfer (or cause to be transferred) such Assets or assume, pay or reimburse (or cause to be assumed, paid or reimbursed) such Liabilities to or from (as the case may be) the other party for no additional consideration. Prior to any such transfer, the party receiving or possessing any such asset will hold it in trust for such other party.

(e) Notwithstanding anything to the contrary contained in this Agreement, Seller shall not transfer the KCD Notes to Buyer, and Buyer shall not assume the PA Liabilities from Seller, unless and until Seller has received the requisite consent of the Bermuda Monetary Authority or any other applicable Bermuda regulatory authority to the transfer of the KCD Notes (the "BMA Consent"). Immediately following receipt of the BMA Consent, the transfer of the KCD Notes and the assumption of the PA Liabilities shall take place simultaneously. From the Closing Date until such time as the transfer of the KCD Notes and the assumption of the PA Liabilities occurs, pursuant to a services agreement to be in a form reasonably agreed to by Sellers and Buyer (the "PA Liabilities Services Agreement"), (i) Buyer shall provide services to the applicable Sellers sufficient to enable Sellers to perform the PA Liabilities and (ii) in consideration for such services, Sellers shall pay to Buyer an amount equal to the aggregate of all amounts paid by Buyer to Sellers with respect to any licenses under which Buyer licenses the KCD IP.

Section 2.9 Additional Contracts. If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019 (the "Designation Deadline"), Buyer so determines as to any Contract that is Related to the Acquired Assets or is an IP License, in each case but is not an Initial Assigned Contract (other than (i) any lease of non-residential real property and (ii) any Excluded Asset set forth in Section 2.2) (each, an "Additional Contract"), Buyer may elect, after consultation with the Sellers, by written notice delivered to Sellers, to designate for assignment or assumption and assignment any Additional Contract for no additional consideration. Upon the designation of any such Additional Contract as an Assigned Agreement pursuant to this Section 2.9, Sellers will use their reasonable best efforts to assume and assign to the applicable Assignee such Additional Contract so long as the Buyer pays all Expenses accrued post-Closing and all Cure Costs associated with such Additional Contract; provided, however, that nothing herein shall be deemed or construed to obligate Sellers to retain, or refrain from rejecting or

terminating any Lease or Contract after the Designation Deadline that does not constitute an Assigned Agreement. Notwithstanding anything to the contrary herein, Sellers shall not be obligated to assume and assign any Contract pursuant to this Section 2.9 with respect to which Buyer fails to satisfy the Bankruptcy Court as to adequate assurance of future performance or for which Consent is required to assume and assign such Additional Contract and such Consent has not been obtained, provide that the Parties shall use their reasonable best efforts to obtain all such Consents.

Section 2.10 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement but only to the extent of such amounts as may be required to be deducted and withheld by Buyer with respect to the making of such payments under applicable U.S. federal, state or local or foreign laws, and any such withheld amount shall be properly paid by Buyer to the appropriate Governmental Authority. To the extent that amounts are so deducted and withheld and properly paid to the appropriate Governmental Authority, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers or any other Person in respect of which such deduction and withholding was made.

Section 2.11 Rejection of Outbound IP Licenses. Prior to the Closing Date, subject to section 365(n) of the Bankruptcy Code, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject any Outbound IP Licenses included in the Potential Transferred Agreements that (i) are executory Contracts and (ii) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d). Without limiting the foregoing, promptly following the Designation Deadline, Sellers shall file a motion to reject, and take all actions (including actions required under section 365 of the Bankruptcy Code) reasonably necessary to reject, any Outbound IP Licenses that (x) are not included in the Potential Transferred Agreements, (y) are executory Contracts and (z) are not designated by Buyer for assignment or assumption and assignment as an Assigned Agreement in accordance with the terms of this Agreement or for solely assumption pursuant to Section 9.14(d).

Section 2.12 Tax Reorganization.

(a) The Parties intend that the transactions set forth in this Agreement, as structured and implemented as described in Section 9.2(a), together with the Bankruptcy Plan (as defined below), will, unless and except to the extent that Buyer elects otherwise with respect to a particular Seller or Sellers pursuant to Section 2.12(b), (i) constitute one or more plans of reorganization under section 368(a) of the Code (as defined below) and (ii) as qualifying as one or more reorganizations thereunder (a “Tax Reorganization”).

(b) Buyer may, at any time on or before the earlier of (i) 15 days prior to the effective date of the Bankruptcy Plan and (ii) December 1, 2019, elect, by providing to Sellers written notice of its election, to treat one or more of the transactions (each, a “Designated Sale Transaction”) set forth in this Agreement as not qualifying as a Tax Reorganization, which election shall be effective unless Designated Tax Advisor cannot provide a Tax Opinion that such Designated Sale

Transaction can be completed in a manner that would not be treated as a “reorganization” within the meaning of section 368 of the Code; provided, however, that in connection with any such Buyer election to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), the Parties shall, if requested by Sellers in writing, identify a business of the Sellers that would become part of the Excluded Assets and consider in good faith any other changes to the structure of the transaction that are reasonable and necessary as a commercial, bankruptcy law and other legal matter to achieve that result. If Buyer does not elect pursuant to this Section 2.12(b) to treat all the transactions described in this Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), or any such election is not effective, then Buyer and Sellers shall continue to comply with Section 9.2(a).

(c) Each Tax Opinion shall be based on representations reasonably requested by Designated Tax Advisor to be provided by each of Buyer and Sellers in the form of a representation letter, and each such representation must continue to be true and accurate in all material respects as of immediately before such Tax Opinion is issued. To the extent requested by Designated Tax Advisor, each of Sellers and Buyer shall confirm to Designated Tax Advisor the accuracy and completeness, as of immediately before such Tax Opinion is issued, of the applicable representation letter. For the avoidance of doubt, and notwithstanding anything to the contrary set forth in this Agreement, (i) reliance by Sellers on any Tax Opinion requested or otherwise required pursuant to this Agreement shall not affect Buyer’s liability for Taxes that are Assumed Liabilities and (ii) the inability or failure to deliver or receive any Tax Opinion requested or otherwise required pursuant to this Agreement shall not delay or in any way interfere with the consummation and closing of the Transactions. Notwithstanding anything to the contrary set forth in this Agreement, any transaction or transactions (including any transaction described in clause (B) of Section 9.2(a)) in respect of which any Tax Opinion is not or cannot be delivered as otherwise required under this Agreement (other than a Tax Opinion described in Section 2.12(b)) shall be deemed to be a Designated Sale Transaction.

Section 2.13 Foreign Assets.

(a) On the Closing Date, Sellers shall use reasonable best efforts to cause each of the Foreign Subsidiaries to sell, transfer, assign, convey and deliver, or cause to be sold, transferred assigned, conveyed and delivered to Buyer or the applicable Assignee, and Buyer or such applicable Assignee shall use reasonable best efforts to purchase, all right, title and interest of each of the Foreign Subsidiaries, in, to or under all assets, properties and rights Related to the Business other than the Excluded Assets and any other assets of the type that would have been Acquired Assets had they had been owned by Sellers as of the Closing Date or any minority equity interests held by the Foreign Subsidiaries (collectively, the “Acquired Foreign Assets”), in each case free and clear of any and all Encumbrances of any kind, nature or description and any Claims, other than Permitted Post-Closing Encumbrances. If the transfer of any Acquired Foreign Assets does not occur at the Closing Date, Seller and Buyer shall use reasonable best efforts to complete such transfer as promptly as practicable following the Closing Date and shall enter into such agreements as may be reasonably required to provide Buyer or the applicable Assignee the benefit of such assets until such transfer is consummated.

(b) If, at any time prior to the date that is sixty (60) days after the Closing Date, but in no event later than May 3, 2019, Buyer determines (in its sole discretion) that it is necessary or desirable to acquire other minority equity interests in non-U.S. Persons held by Subsidiaries of Seller (other than any Subsidiary who is a Seller) so as to ensure that Buyer or the applicable Assignee shall be able to secure the benefit of the applicable Acquired Foreign Assets, Buyer may elect, by written notice delivered to Sellers, to acquire such equity interests directly from Seller. Following any such election, Buyer and Seller shall promptly execute all documentation required to effectuate the purchase and sale of such equity interests under applicable Law.

(c) No purchase of Acquired Foreign Assets or equity interests pursuant to this Section 2.13 shall require the delivery of any additional consideration by Buyer; provided, that to the extent required by applicable Law (including, for the avoidance of doubt, Tax Law), Buyer and Seller shall in accordance with Section 9.3(d) either (i) allocate a portion of the Purchase Price to the purchase of such equity interests or (ii) provide for nominal consideration to be paid by Buyer to Sellers in an amount no greater than the minimum amount required by applicable Law.

Section 2.14 Bulk Transfer Law. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any security interests in the Acquired Assets, including any liens or claims arising out of the bulk transfer Laws. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws in all applicable jurisdictions in respect of the Transactions (including under any applicable Tax Laws).

(g) Except as would not, individually or in the aggregate, reasonably be expected to be material to the Business or the ownership or operation of the Acquired Assets, since the beginning of the Current Fiscal Year, and to the Knowledge of Sellers, since January 1, 2017, (i) Sellers have complied with all applicable Laws and contractual obligations relating to the collection, transfer, storage, disposal, use, processing and disclosure of the Customer Data included in the Acquired Data, and (ii) to the Knowledge of Sellers, there have been no losses or thefts of Customer Data or any other data held by or on behalf of Sellers, and in each case, included in the Acquired Data.

As of its filing date (or, if amended or superseded by a filing prior to the date of this Agreement, on the date of such amended or superseded filing), (a) each Seller SEC Report complied as to form in all material respects with the applicable requirements of the Securities Act, the Exchange Act or the Sarbanes-Oxley Act, as the case may be (including, in each case, the rules and regulations promulgated thereunder), each as in effect on the date such Seller SEC Report was filed, and (b) each Seller SEC Report did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

Section 6.15 No Other Representations or Warranties; No Survival. Except for the representations and warranties contained in this Article VI and in the other Transactions Documents, as applicable, the Sellers (a) expressly disclaim and negate any representation or warranty, expressed or implied, at common law, by statute, or otherwise, relating to the condition of the Acquired Assets (including any implied or expressed warranty of merchantability or fitness for a particular purpose, or of conformity to models or samples of materials) and (b) disclaim all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Buyer or its Affiliates or their respective representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any Representative of Seller or any of its Affiliates). It is expressly acknowledged and agreed that Sellers make no representations or warranties to Buyer regarding the success or profitability of the Business or with respect to the assets, liabilities or business of the Business (as defined in the SHIP Purchase Agreement). The representations and warranties of Sellers will expire upon the Closing Date.

ARTICLE VII

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers that the statements contained in this Article VII are true and correct as of the date hereof:

Section 7.1 Organization and Good Standing; Organizational Documents; Ownership. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and the Acquired Assets and to carry on its business as now conducted and the Business. Buyer has delivered to Seller true and correct copies of the organizational documents of Buyer in effect as of the date hereof. All of the equity interests in Buyer as of the date hereof are owned of record and beneficially as set forth on Schedule 7.1.

Section 7.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform its obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the Transactions. The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the Transactions have been duly and validly authorized by all requisite corporate, partnership or limited liability company actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document required to be executed and delivered by Buyer at any time will be duly and validly executed and delivered by Buyer. This Agreement and (when duly executed by Buyer) the other Transaction Documents constitute the legal, valid

and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the Transactions, except for (a) expiration or termination of any applicable waiting periods under the HSR Act and (b) such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a material adverse effect on Buyer's right or ability to consummate the Transactions. There are no consents of any Buyer Related Party required for the execution, delivery and performance of the Transaction Documents and the consummation of the Transactions, including for the satisfaction of any condition set forth in Article X or Article XI.

Section 7.3 No Conflict. When the consents and other actions described in Section 7.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the Transactions will not result in the breach of any of the terms and provisions of, or constitute a default under, or materially conflict with, or require consent or the giving of a notice under, or cause any acceleration of any material obligation of Buyer under (a) any organizational documents of Buyer, (b) any Order or (c) any Law, except to the extent any such default, conflict or consent would not affect in any material respect Buyer's ability to consummate the Transactions.

Section 7.4 Financing; Availability of Funds.

(a) Buyer shall deliver to Sellers concurrently herewith or prior to the execution of this Agreement a true, correct and complete copies of:

(i) an executed equity commitment letter (the "Equity Commitment Letter") to Buyer from ESL Investments, Inc. (the "Sponsor"), including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which the Sponsor has committed to provide Buyer with equity financing in the amount set forth therein (the "Equity Financing") for the purpose of funding the Transactions;

(ii) an executed mortgage loan commitment letter (the "Real Estate Financing Commitment Letter") to Buyer from the Cyrus Lender and the Sponsor, including all annexes, exhibits, schedules and other attachments thereto, dated as of the date hereof, pursuant to which Cyrus and the Sponsor have committed to provide Buyer with real estate mortgage financing in the amount set forth therein (the "Real Estate Financing") for the purpose of funding the Transactions;

(iii) the executed Cyrus Commitment Letter; and

(iv) the executed ABL Commitment Letter and the related fee letter (provided that fees, economics and other provisions which are customarily redacted in connection with acquisitions of this type may be redacted in a customary manner (to the extent any

such provisions would not adversely affect the conditionality, enforceability, or availability of the amount of the Debt Financing necessary to consummate the Transactions)).

(b) As of the date hereof, the Commitment Letters are in full force and effect and have not been withdrawn or terminated or otherwise amended or modified in any respect. As of the date hereof, the Commitment Letters are a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto (subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and to general principles of equity). As of the date hereof, (x) there are no side letters or other agreements, contracts or arrangements to which Buyer or any of its Affiliates is a party relating to the Financing that could affect the availability of the amount of the Financing funded on the Closing Date necessary to consummate the Transactions and (y) there are no conditions precedent or other contingencies related to the funding the Financing that could adversely affect the availability of the Financing or the timing of the Closing, other than as expressly set forth in the Commitment Letters. Buyer has fully paid any and all commitment fees or other fees required by the Commitment Letters to be paid by it on or prior to the date of this Agreement. Assuming the satisfaction of the conditions set forth in Article X, as of the date hereof, Buyer has no reason to believe that any of the conditions to the Financing in the Commitment Letters will not be satisfied. As of the date hereof, Buyer is not aware of any fact or occurrence that, with or without notice, lapse of time or both, would reasonably be expected to result in the Financing not being available on a timely basis in order to consummate the Transactions.

(c) Assuming (i) the accuracy of the representations and warranties set forth in Article VI of this Agreement and (ii) the performance by Sellers of their respective obligations hereunder in a manner sufficient to satisfy the condition specified in Section 10.2, the net proceeds from the Financing will be sufficient to consummate the Transactions, including the payment by Buyer of all obligations pursuant to this Agreement and any fees and expenses payable by Buyer on the Closing Date (including in respect of the Debt Financing).

(d) The obligations of Buyer under this Agreement are not contingent on the availability of the Debt Financing.

(e) Buyer owns of record and beneficially obligations in the amount it is credit bidding under Section 3.1(b)(i) and a sufficient amount of the aggregate obligations outstanding under the Second Lien Term Loan, Second Lien Line of Credit Facility and the Second Lien PIK Notes to direct the Second Lien Trustee to credit bid 100% of such amount as provided in Section 3.1(b)(ii).

Section 7.5 Litigation. There are no Proceedings pending or, to the knowledge of Buyer, threatened, or to which Buyer is otherwise a party before any Governmental Authority, that would affect in any material respect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the Transactions.

Section 7.6 Brokers or Finders. Except for any brokers utilized by Buyer in the normal course of business (which brokers shall be compensated, if at all, by Buyer), neither Buyer nor any Person acting on behalf of Buyer has paid or become obligated to pay any fee or commission to any broker, finder, investment banker, agent or intermediary for or on account of the Transactions

for which Sellers are or will become liable, and Buyer shall hold harmless and indemnify Sellers from any claims with respect to any such fees or commissions.

Section 7.7 Condition of Acquired Assets; Representations.

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article VI (subject to the disclosures set forth on the Schedules), and Buyer acknowledges and agrees that the Acquired Assets are being transferred on an “as is”, “where is” basis. Buyer acknowledges and accepts the disclaimers made by Sellers in Section 6.16. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business, the Acquired Assets and Assumed Liabilities and, in making the determination to proceed with the Transactions, Buyer has relied solely on the results of its own independent investigation. In connection with Buyer’s investigation, Buyer has received or may receive from Sellers certain projections, forward-looking statements and other forecasts and certain business plan information. Buyer acknowledges that Sellers make no representation or warranty with respect to forward-looking estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans). Buyer acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Buyer shall have no claim against anyone with respect thereto. Accordingly, Buyer acknowledges that Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans) or the success or profitability of the Business.

Section 7.8 No Survival. The representations and warranties of Buyer will expire upon the Closing Date.

ARTICLE VIII

ACTION PRIOR TO THE CLOSING DATE

Section 8.1 Operations.

(a) From the date hereof and prior to the Closing, except (i) as required by applicable Law, (ii) as expressly contemplated by this Agreement or (iii) with the prior written consent of Buyer (which consent shall not be unreasonably withheld, delayed or conditioned), Sellers covenant and agree to comply with applicable Law in all material respects and to use commercially reasonable efforts to conduct their business in the Ordinary Course of Business (taking into account Sellers’ status as debtors-in-possession), including (A) to maintain and preserve the Potential Acquired Assets in their condition as of October 15, 2018 (including by using commercially reasonable efforts to comply with instructions from Buyer as to the renewal (or lack

of renewal) of each Lease and other Potential Transferred Agreement that comes up for renewal), other than reasonable wear and tear, casualty and condemnation (which shall be governed by Section 12.3), and sales of Inventory in the Ordinary Course of Business, (B) by using commercially reasonable efforts to cause the landlord under the respective Leases and any applicable counterparty under the Outbound IP Licenses and any other Potential Transferred Agreements to perform such parties' covenants, agreements and obligations under the respective Leases, Outbound IP Licenses and other Potential Transferred Agreements and (C) managing Inventory in the Ordinary Course of Business, including with regard to Inventory in transit and Inventory located in distribution centers (and for the avoidance of doubt, Sellers shall not delay taking delivery of Inventory that would be Acquired Inventory on the Closing Date if delivery of such Inventory were managed in the Ordinary Course of Business prior to the Closing Date; provided, that Sellers shall be permitted to reasonably manage the amount of Inventory in consultation with Buyer in order to satisfy the condition set forth in Section 10.9 and Section 10.10 as of the Closing). Sellers shall promptly notify Buyer of (x) any notice or other written communication from any Person alleging that the consent of such Person is or may be required in connection with the consummation of the Transactions; and (y) the commencement of any material Proceedings related to the business conducted by Sellers, the Designations Rights or the Potential Acquired Assets; provided, however, that the delivery of any notice pursuant to this Section 8.1(a) will not (A) limit or otherwise affect any remedies available to Buyer or Sellers, or (B) be deemed to amend or supplement any Schedule or prevent or cure any misrepresentations or breach of representation or warranty.

(b) Without limiting the generality of the foregoing, from the date hereof and prior to the Closing, Sellers covenant and agree:

(ii) not to assign, transfer, otherwise dispose of or convey any Patent, Trademark, registered or applied-for Copyright or Domain Name included in the Acquired Intellectual Property, or any other material Acquired Intellectual Property or any Acquired Data, except, with respect to the purging of any Acquired Data, as required by the consumer privacy ombudsman or the Bankruptcy Court; provided Sellers provide Buyer written notice describing the steps that Sellers plan to take in order to accomplish such requirement, at least five (5) Business Days prior to any response that would violate this covenant absent such requirement;

(iii) not to allow to lapse, abandon, cancel, fail to renew or fail to continue to prosecute, protect or defend any (A) Patent, Trademark, registered or applied-for Copyright or Domain Name included in the Acquired Intellectual Property, or any other material Acquired Intellectual Property, in each case, other than registered Trademarks (x) that Sellers have ceased to use and intend not to resume use of and (y) that have entered the grace period for renewal, or (B) Acquired Data, except, with respect to the purging of any

Acquired Data, as required by the consumer privacy ombudsman or the Bankruptcy Court; provided Sellers provide Buyer written notice describing the steps that Sellers plan to take in order to accomplish such requirement, at least five (5) Business Days prior to any response that would violate this covenant absent such requirement;

(iv) not to license or grant any Person any rights to any Acquired Intellectual Property or any Acquired Data (other than, in each case, non-exclusive licenses granted to customers, vendors, suppliers and other service providers of Sellers to the extent necessary for their respective use of the products and services of Sellers or for the provision of services to Sellers in connection therewith and entered into in the Ordinary Course of Business);

(v) not to modify any privacy policies, notices or statements in a manner that (A) limits the ability or right of a Seller to sell and transfer the Acquired Data to Buyer, or (B) limits the use of the Acquired Data by Buyer after the Closing;

(vi) not to settle, pay, discharge or satisfy any material Action that, in each case, would constitute a Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets) or Assumed Liability where such settlement, payment, discharge or satisfaction would impose any restrictions or limitations upon the operation of Sellers' business or any Acquired Assets, whether before or after the Closing Date;

(vii) not to cancel or compromise any claim or waive or release any right related to any Potential Acquired Asset (for the avoidance of doubt, other than any Excluded Assets);

(viii) except as required by Section 8.1(a) or permitted under Section 8.1(b)(iv) with respect to Outbound IP Licenses, not to amend, supplement, modify, terminate or enter into any Leases, Outbound IP Licenses (under which a Seller is a licensor) or other Potential Transferred Agreements;

(ix) unless required by Law, not to take any action, without the consent of Buyer (which may not be unreasonably delayed, conditioned or denied), with respect to Taxes or Tax matters that is not in the Ordinary Course Of Business and that (A) would materially adversely affect the Potential Acquired Assets, the Properties, Business and the Assumed Liabilities or (B) otherwise could reasonably be expected to increase the Tax Liability of Buyer or any of its Affiliates;

(x) to use commercially reasonable efforts to cause any applicable counterparty under the IP Licenses included in the Assigned Agreements to perform such party's covenants, agreements and obligations under such IP Licenses, including with respect to quality control;

(xi) not to grant or terminate any other interests in any Potential Acquired Asset (other than sales of Inventory in the Ordinary Course of Business);

(xii) not to seek or obtain an order approving rejection of a Lease or other Potential Transferred Agreement;

(xiii) not to issue any gift cards, gift certificates, merchandise credits, return credits, customer membership or customer loyalty discount programs, coupons, groupons or other similar credits or programs at a discount or pursuant to any promotion that would result in any Seller receiving less than face value in such issuance;

(xiv) not to (A) increase the annual level of compensation payable or to become payable by any Seller to any director or officer of any Seller, except in the Ordinary Course of Business, (B) increase the annual level of compensation payable or to become payable by any Seller to any other employee of any Seller, except in the Ordinary Course of Business, (C) grant any unusual or extraordinary bonus, benefit or other direct or indirect compensation to any director, officer or employee except as authorized by the Bankruptcy Court, (D) increase the coverage or benefits available under any (or create any new) Employee Plan (E) take any action (other than a termination of employment in accordance with clause (xiv) of this Section 8.1(b)), whether in writing or otherwise, that has or could reasonably be expected to have the effect of increasing in any manner the liability of the Buyer or any Seller for any severance or other post-termination payments or benefits otherwise payable or due to any individual or group of individuals, or otherwise enhancing, or accelerating the timing of, such payment or benefit or accelerating the funding thereof, or (F) enter into any employment, deferred compensation, severance, consulting, noncompetition or similar agreement to which any Seller is a party or involving a director, officer or employee of any Seller, except, in each case, as required by applicable Law from time to time in effect or by any of the Employee Plans as in effect on the date hereof;

(xv) not to terminate the employment of any director, officer or employee of any Seller other than in the Ordinary Course of Business;

(xviii) not to enter into any agreement or commitment to take any action prohibited by this Section 8.1(b).

(c) Without in any way limiting any Party's rights or obligations under this Agreement, the Parties understand and agree that (i) nothing contained in this Agreement shall give Buyer, directly or indirectly, the right to control or direct the operations of Sellers, Sellers' business or the Properties prior to the applicable Closing Date and (ii) prior to the Closing Date, Sellers shall exercise, consistent with, and subject to, the terms and conditions of this Agreement, complete control and supervision over the operations of Sellers, the Business and the Properties to the extent

permitted by Law, including taking into account Sellers' status as debtors-in-possession in the Bankruptcy Case. Notwithstanding anything herein to the contrary, Sellers shall be permitted to take all actions that are necessary or desirable to comply with the WARN Act, including providing any notices required under the WARN Act, and no such actions shall constitute a violation of this Section 8.1.

Section 8.2 Bankruptcy Court Matters.

(a) [Reserved].

(b) Bankruptcy Court Filings and Approvals.

(i) Buyer agrees that it will promptly furnish such affidavits or other documents or information for filing with the Bankruptcy Court as are reasonably requested by Sellers to assist Sellers in obtaining entry of the Approval Order, including a finding of adequate assurance of future performance by Buyer. Sellers shall provide Buyer with advance drafts of any motions, pleadings or Bankruptcy Court filings relating to the sale of the Acquired Assets or the Approval Order no later than two (2) Business Days prior to the date Sellers intend to file such motion, pleading or Bankruptcy Court filing to the extent practicable (or, to the extent not practicable, as soon as reasonably practicable prior to the filing of such pleading). Buyer may file or join in any motion, pleading or Bankruptcy Court filing in support or seeking approval of, and reply to any response or objection to, the sale of the Acquired Assets hereunder, and the Approval Order.

(ii) Sellers shall file such motions or pleadings as may be appropriate or necessary to assume and assign the Assigned Agreements and to determine the amount of the Cure Costs; provided, that subject to Section 2.7, Section 2.9 and Section 5.2, nothing herein shall preclude Sellers from filing such motions, including from and after the Petition Date, to reject any Contracts that are not Assigned Agreements.

(iii) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Sellers of higher or better Competing Transactions.

(iv) Sellers and Buyer acknowledge that Buyer (or any applicable Assignee) must provide adequate assurance of future performance under the Assigned Agreements to be assigned by Sellers, and Buyer hereby agrees to provide such adequate assurance to the extent required under the Bankruptcy Code and the Bidding Procedures Order, including by demonstrating financial wherewithal to pay Cure Costs.

(v) Buyer and Sellers shall reasonably cooperate as requested by the consumer privacy ombudsman appointed in these Bankruptcy Cases and shall use commercially reasonable efforts to take actions recommended by such ombudsman pursuant to 11 U.S.C. § 332 in any report authored by such ombudsman and approved or adopted by the Bankruptcy Court in the Approval Order.

(vi) After entry of the Approval Order, Sellers shall not take any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, modification or staying of the Approval Order.

(vii) If applicable, Sellers shall cause any plan of reorganization or liquidation approved in the Bankruptcy Cases to permit assumption of Sellers' executory contracts and unexpired leases of real property through the end of the Designation Rights Period.

(c) Back-Up Bidder. Sellers and Buyer agree that, in the event that Buyer is not the winning bidder at the Auction, if (i) Buyer submits the second highest or second best bid at the Auction or the terms of this Agreement constitute the second highest or best bid, and (ii) Sellers give written notice to Buyer on or before the tenth (10th) Business Day prior to the Outside Date, stating that Sellers (A) failed to consummate the sale of the Acquired Assets with the winning bidder, and (B) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including the Purchase Price.

(d) Bankruptcy Milestones. The Parties will use reasonable best efforts to comply with the following milestones:

(i) to obtain entry of the Approval Order by the Bankruptcy Court on or before February 6, 2019.

(ii) to close the Transactions on or before February 19, 2019.

Section 8.3 Registrations, Filings and Consents.

(a) Subject to the Parties' additional obligations under this Section 8.3, each Party shall use its respective reasonable best efforts and, as applicable, cooperate with the other Parties, to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Laws to consummate and make effective the Transactions, including using its respective reasonable best efforts (i) to fulfill all conditions to the other Party's obligation to effect the Closing in Article X, (ii) to execute, acknowledge and deliver in proper form any further documents, certificates, agreements and other writings, and take such other action as such other Party may reasonably require, in order to effectively carry out the intent of the Transaction Documents, (iii) to make or cause to be made all registrations, filings, notifications, submissions and applications with, to give all notices to and to obtain any consents, governmental transfers, approvals, orders, qualifications and waivers from any Governmental Authority necessary for the consummation of the Transactions and (iv) not take any action that could reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any such consents, approvals or waivers.

(b) The Parties shall duly file with the FTC and the Antitrust Division the notification and report forms (each an "HSR Filing"), that may be required under the HSR Act necessary to consummate the Transactions, as promptly as possible and in no event later than January 18, 2019, including with respect to Buyer causing to be filed by its Affiliates and interest holders any HSR Filings necessary to consummate the Transactions. If an HSR Filing is required, each Party shall

cooperate with the other Party to the extent necessary to assist the other Party in the preparation of its HSR Filing, to request early termination of the waiting period required by the HSR Act with respect to the HSR Filing and, if requested, to promptly amend or furnish additional information under its HSR Filing. Each Party shall as promptly as practicable comply with any Laws that are applicable to any of the Transactions and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary. Subject to applicable Laws and the preservation of any applicable attorney-client privilege, the Parties shall promptly furnish to each other all such information as is necessary to prepare any such registration, declaration or filing. The Parties shall have joint decision-making authority with respect to the strategy for obtaining any necessary consents, approvals, orders or authorizations from any Governmental Authority, including under any Antitrust Laws. Neither Buyer nor Sellers, nor their respective counsel, shall independently participate in any substantive call or meeting with any Governmental Authority regarding the Transactions without giving the other Party or its counsel prior notice of such call or meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. In furtherance of the foregoing and to the extent permitted by applicable Law: (i) each Party shall notify the other, as far in advance as practicable, of any material or substantive communication or inquiry it or any of its Affiliates or Subsidiaries intends to make with any Governmental Authority relating to the matters that are the subject of this Section 8.3; (ii) prior to submitting or making any such communication or inquiry, such Party shall provide the other Party and its counsel a reasonable opportunity to review, and shall consider in good faith the comments of the other Party in connection with, any such communication or inquiry; (iii) promptly following the submission or making such communication or inquiry, provide the other Party with a copy of any such communication or inquiry, if in written form; and (iv) consult with the other Party in connection with any inquiry, hearing, investigation or litigation by, or negotiations with, any Governmental Authority relating to the Transactions, including the scheduling of, and strategic planning for, any meetings with any Governmental Authority relating thereto. In exercising the foregoing cooperation rights, Buyer and Sellers each shall act reasonably and as promptly as reasonably practicable. Notwithstanding the foregoing, materials provided pursuant to this Section 8.3 may be reasonably redacted (A) to remove references concerning the valuation of the Transactions, (B) as necessary to comply with contractual arrangements, (C) as necessary to address reasonable privilege concerns or (D) as otherwise required by Law. The Parties shall bear their own costs and expenses incurred with respect to the preparation of their respective filings contemplated in this Section 8.3(b), provided, however, that Buyer shall pay the filing fees, if any, in connection therewith.

(c) Each of Seller and Buyer agrees that it will (and will cause its Affiliates to), if necessary to enable the Parties to consummate the Transactions, use reasonable best efforts to defend against any Actions that would prevent, delay or challenge the Transaction Documents or the consummation of the Transactions, including by seeking to vacate or reverse any temporary restraining order, preliminary injunction or other legal restraint or prohibition entered or imposed (or which becomes reasonably foreseeable to be entered or imposed) by any court or other Governmental Authority that is not yet final and nonappealable, in order that the Transactions shall occur as promptly as reasonably practicable and in any event no later than the Outside Date.

(d) Buyer shall, at Buyer's sole cost, take, or cause to be taken, any and all actions and do, or cause to be done, any and all things necessary, proper or advisable to avoid, eliminate and resolve each and every impediment and obtain all Consents required to permit the satisfaction of the conditions in Section 10.4, Section 10.5, Section 11.3, and Section 11.4, as promptly as reasonably practicable and in any event no later than the Outside Date, including by offering and causing its Affiliates to offer to: (i) sell or otherwise dispose of, or hold separate and agree to sell or otherwise dispose of specific assets or categories of assets or businesses constituting the Business or any of the Acquired Assets or any other assets or businesses owned by Buyer or its Affiliates; (ii) terminate any existing relationships and contractual rights and obligations of Buyer or its Affiliates including, after the Closing, the Business or any of the Acquired Assets; (iii) amend or terminate such existing licenses or other intellectual property agreements and to enter into such new licenses or other intellectual property agreements; (iv) take any and all actions and make any and all behavioral commitments, whether or not they limit or modify Buyer's or its Affiliates' rights of ownership in, or ability to conduct the business of, one or more of its or their operations, divisions, businesses, product lines, customers or assets, including, after the Closing, the Business or any of the Acquired Assets; and (v) enter into agreements, including with the relevant Governmental Authority, giving effect to the foregoing clauses (i) through (iv) (such actions in clauses (i) through (v), "Antitrust Actions"); provided, that such Antitrust Actions are conditioned upon and become effective only from and after the Closing. In furtherance of the foregoing, prior to the Closing, Buyer shall keep Sellers reasonably informed of all matters, discussions and activities relating to any of the matters described in or contemplated by clauses (i) through (v) of this Section 8.3(d).

(e) Notwithstanding anything herein to the contrary, neither Buyer nor Seller, without the other Party's prior written consent, shall (i) enter into any timing, settlement or similar agreement, or otherwise agree or commit to any arrangement that would have the effect of extending, suspending, lengthening or otherwise tolling the expiration or termination of the waiting period applicable to the Transactions under the HSR Act or any Antitrust Laws, or (ii) enter into any timing or similar agreement, or otherwise agree or commit to any arrangement, that would bind or commit the Parties not to complete the Transactions (or that would otherwise prevent or prohibit the Parties from completing the Transactions).

Section 8.4 Financing Assistance; Additional Information.

(a) From the date hereof to earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Closing Date, Sellers shall provide to Buyer and shall use reasonable best efforts to cause its officers, employees and advisors to provide to Buyer, such cooperation as is customary for financings of the type contemplated by the Debt Commitment Letters and as is reasonably requested by Buyer in connection with arranging and obtaining the Debt Financing, which cooperation includes using reasonable best efforts to (i) cause the participation by one or more representatives of senior management in a reasonable number of meetings, due diligence sessions and presentations upon reasonable prior notice and in reasonably convenient locations, (ii) reasonably assist Buyer and the ABL Financing Sources with the preparation of (A) one or more customary bank information memoranda (and, to the extent necessary, additional information memoranda that do not include material non-public information), (B) customary materials for rating agency presentations, (C) syndication materials,

(D) lender presentations and (E) other customary marketing and similar documents, each in connection with the syndication and marketing of the ABL Financing (including customary authorization and representation letters), (iii) furnish to Buyer and the ABL Financing Sources, on a timely basis, the Required Information and such other customary financial and other pertinent information regarding Sellers (including information regarding the business, operations and financial projections thereof) as may be reasonably requested by Buyer to assist in the preparation of a customary confidential information memorandum or other customary information documents used in financings of the type contemplated by the ABL Commitment Letter, (iv) cooperate with the Buyer's and the ABL Financing Sources' reasonable evaluation of the applicable Sellers for the purpose of establishing collateral arrangements (including conducting, at the Buyer's sole cost and expense, appraisals and field audits contemplated by the ABL Commitment Letter and providing information reasonably requested with respect to inventory, receivables, cash management and accounting systems, deposit accounts and related assets and procedures), in each case, to the extent customary in asset-based revolving credit facilities (including by providing Buyer and the Financing Sources with reasonable and customary access to the books and records, properties and applicable representatives of Sellers), (v) (A) reasonably cooperate with the marketing efforts of Buyer and the Financing Sources for any portion of the Debt Financing and (B) ensure that the syndication efforts for the ABL Financing benefit materially from the existing banking relationships of the Sellers, (vi) permit the use by Buyer and its Affiliates of the Sellers' logos and/or Trademarks included in the Acquired Assets in connection with the syndication of the Debt Financing, provided that such logos and/or marks are used in a manner that is not intended, or reasonably likely, to harm or disparage Sellers, (vii) cause the taking of corporate actions by the Sellers that are necessary to permit the consummation of the Financing on the Closing Date as are reasonably requested by Buyer, (viii) facilitate the release and termination, effective upon the Closing, of liens and security interests, including obtaining customary release letters (including delivery of draft Payoff Letters at least three (3) Business Days prior to the anticipated Closing Date), lien terminations and releases and other similar documents as may reasonably be requested by Buyer and (ix) execute and deliver any documents as reasonably requested by Buyer as are customary in financings of such type and as are accurate, and otherwise facilitate the pledging of and granting, recording and perfection of security interests in share certificates, securities and other collateral (including releasing any Liens on the Acquired Assets in connection with any existing indebtedness of Sellers) and the obtaining of appraisals, surveys and title insurance as reasonably requested by Buyer; it being understood and agreed that (A) no such corporate action will take effect prior to the Closing and (B) any such corporate action will only be required of the directors, members, partners, managers or officers of the Sellers who retain their respective positions as of the Closing; provided that no obligation of Sellers shall be effective until the Closing Date; provided, however, that nothing herein shall require Sellers to (A) waive or amend any terms of this Agreement or cause any condition to Closing set forth in Article X to not be satisfied or otherwise cause any breach of this Agreement, (B) authorize, execute, and/or deliver any certificate, document or instrument pursuant to the Debt Financing that will be effective prior to the Closing Date, (C) take any action that would conflict with any applicable Law, the organizational documents of Sellers or result in the contravention of, or would reasonably be expected to result in the violation or breach of, or default under, any Material Contract to which any of Sellers is a party or (D) prepare, assist in the preparation of, or otherwise provide any information that is not in the possession or control of Sellers or any other information to the extent

such disclosure (x) may result in a waiver of attorney-client privilege, work product doctrine or similar privilege, provided that Sellers shall use reasonable best efforts to provide such information in a form or manner that would not waive such legal privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) would violate any confidentiality obligation of Sellers.

(b) Sellers shall not be required to pay any commitment fees or other fees or make any other payment (other than reasonable out-of-pocket costs) or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or any of the foregoing that would be effective prior to the Closing. Buyer shall promptly reimburse Sellers for all out-of-pocket costs and expenses (including attorneys' fees) incurred by Sellers or any of their Affiliates in connection with the cooperation of the Sellers contemplated by this Section 8.4 and shall indemnify and hold harmless Sellers, their Affiliates and their respective representatives from and against any and all losses suffered or incurred by any of them of any type in connection with the arrangement of any Financing and any information used in connection therewith, except in the event such loss or damage arises out of or results from the gross negligence, willful misconduct or bad faith by Sellers or their Affiliates or, in each case, their respective representatives.

Section 8.5 Financing.

(a) Buyer shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, as promptly as possible, all things necessary, advisable or desirable to (i) satisfy on a timely basis all terms, conditions, representations and warranties applicable to Buyer set forth in the Commitment Letters (including any flex provisions) (or, if deemed advisable by Buyer, seek a waiver of conditions applicable to Buyer contained in the Commitment Letters) (and, for the avoidance of doubt, this clause (i) shall have no effect where the failure to satisfy such terms, conditions, representations and warranties results directly from the Sellers' failure to furnish the Required Information or breach of their obligations hereunder in a manner that would cause the condition in Section 10.2 not to be satisfied), (ii) maintain in effect the Commitment Letters through the Closing Date (as such may be amended, supplemented, modified and replaced in accordance with the terms hereof), (iii) negotiate and enter into Debt Financing Documents and enforce its rights under the Debt Commitment Letters (other than pursuant to any Action taken prior to the satisfaction or waiver of the conditions set forth in Article X and Article XI hereunder) and (iv) upon satisfaction of the conditions set forth in the Commitment Letters, consummate the Financing at the Closing; provided, however, that, if all or any portion of funds in the amounts and on the terms set forth in the Debt Commitment Letters become, or would be reasonably expected to become, unavailable to Buyer on the terms and conditions set forth therein (including any "flex" provisions related thereto) and such portion is reasonably required to fund the transactions contemplated by this Agreement and all fees, expenses and other amounts contemplated to be paid (or caused to be paid) by Buyer pursuant to this Agreement, in each case other than as a result of a breach by Sellers of any representation, warranty or covenant contained in this agreement in a manner that would cause the conditions in Section 10.1 or Section 10.2 not to be satisfied, Buyer shall use its reasonable best efforts to obtain substitute alternative financing (the "Alternative Financing") for all or such portion of such funds to the extent so unavailable, (i) in amounts and otherwise on terms and conditions no less favorable to Buyer than as set forth in the applicable Debt Commitment Letter and (ii) that does not expand upon the conditions precedent or

contingencies to funding the Financing on the Closing Date as set forth in the applicable Debt Commitment Letter or Debt Financing Documents with respect to the Alternative Financing; provided, further, that, if Buyer proceeds with Alternative Financing, it shall be subject to the same obligations with respect to such Alternative Financing as set forth in this Section 8.5 as with respect to the Debt Financing. For the avoidance of doubt, references to the “Debt Commitment Letter” shall include such document as permitted or required by this Section 8.5 for such Alternative Financing from the time of such substitution.

(b) Buyer shall provide prompt written notice of (i) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any material breach or default) by Buyer under the Commitment Letters, or to the knowledge of Buyer, any other party to the Commitment Letters or definitive agreement related thereto and (ii) receipt by Buyer of any written notice or other written communication from any party to the Commitment Letters with respect to any actual or threatened material breach, default, termination or repudiation by any party to the Commitment Letters or any definitive agreement related thereto or any provision of the Financing or any definitive agreement related thereto (including any proposal by any Financing Source to withdraw, terminate, reduce the amount of financing necessary to consummate the transactions contemplated hereby or materially delay the timing of the financing contemplated by Commitment Letters). Buyer shall not consent to (i) any replacement, amendment or waiver of any provision or remedy under any Commitment Letter (including, for the avoidance of doubt, any provision of any fee letter or engagement letter related thereto) without Sellers’ prior written consent if such replacement, amendment or waiver (A) reduces the aggregate amount of the Financing (including by changing the amount of fees to be paid or original issue discount thereof, unless, in the case of the Debt Commitment Letters, any such change is matched from Alternative Financing to the extent required or permitted pursuant to Section 8.5(a)), unless such portion is not reasonably required to fund the transactions contemplated by this Agreement or (B) imposes new or additional conditions precedent or changes the conditions precedent to the Financing or otherwise changes the terms of the Financing, in each case, in a manner that would reasonably be expected to delay in any material respect or prevent the Closing or make the funding of the Financing materially less likely to occur or adversely impact in any material respect Buyer’s ability to enforce its rights under any such Commitment Letter or to consummate the transactions contemplated hereby (for the avoidance of doubt, it is understood that, subject to the limitations set forth in this Section 8.5, Buyer may amend the Debt Commitment Letters to add lenders, lead arrangers, bookrunners, syndication agents or similar entities, but if and only if the addition of such additional parties, individually or in the aggregate, and together with any amendments or modifications to such Debt Commitment Letter in connection therewith, would not result in the occurrence of a modification to such Commitment Letter prohibited by this clause (i)) and (ii) termination of such Commitment Letter prior to the Closing Date (unless, in the case of the Debt Commitment Letter, Buyer has arranged for Alternative Financing to the extent permitted or required by Section 8.5(a)). Buyer shall provide to Sellers copies of any commitment letter associated with a replacement Financing or Alternative Financing as well as any amendment or waiver of any Commitment Letter. For the avoidance of doubt, references to “Commitment Letter” shall include as such Commitment Letter is modified in accordance with this Section 8.5(b) from the time of such modification.

Section 8.6 Trade Payables. The Sellers shall make all payments in respect of payables of the Business (including rent payments and sales taxes) arising from the date of this Agreement until the Closing Date in all material respects on a timely basis and shall otherwise manage the accounts payable of the business in accordance with the Sellers' cash management policies and practices (as in effect prior to the Petition Date) in the Ordinary Course of Business; provided that Seller's obligations pursuant to this Section 8.6 with respect to taxes are limited to taxes that are not Assumed Liabilities. Within fourteen (14) days following the date hereof, the Sellers shall deliver to Buyer an initial report containing an aging report for all payables of the Business allocated by vendor. For the period following the date of this Agreement until the Closing Date, Sellers shall make their employees and advisors (including the Chief Restructuring Officer) reasonably available (during business hours) upon reasonable advance notice from Buyer to answer any questions Buyer may have, and provide such additional information Buyer may reasonably request, with respect to any accrued payables of the Business.

Section 8.7 SHIP Purchase Agreement. From the date hereof until the earlier of (a) the SHIP Closing or (b) any Termination (as defined in the SHIP Purchase Agreement), Sellers shall not amend or modify the SHIP Purchase Agreement or waive any rights under the SHIP Purchase Agreement without the prior written consent of Buyer.

Section 8.8 Transition Services Agreement; Management Services Agreement.

(a) The Parties shall work together in good faith and use their respective reasonable best efforts to agree as to the terms of, and execute, a transition services agreement pursuant to which Sellers shall provide Buyer and Buyer shall provide Sellers, as applicable, with certain services for a transitional period following the Closing Date.

(b) To the extent permitted by applicable Law, during the Management Services Period, the applicable Sellers shall remain the manager, controller or operator of each Acquired Property, Occupancy Leased Premise and Sparrow Property solely to the limited extent required for any Permit applicable to such Acquired Property, Occupancy Leased Premise or Sparrow Property (in the case of the Sparrow Properties, solely to the extent of any Sellers' rights related to the Sparrow Properties) to remain effective (the "Management Services"). Notwithstanding the foregoing, to the fullest extent permitted by applicable Law, each of the Sellers hereby appoints Buyer and its Affiliated Designees as agent of such Seller to manage, control and operate each of (i) the Acquired Properties, (ii) Occupancy Leased Premises and (iii) the Sparrow Properties (in the case of the Sparrow Properties, solely to the extent of any Sellers' rights related to the Sparrow Properties) at which Management Services are being provided (collectively, the "Managed Properties"). Pursuant to their appointment as Sellers' agent, Buyer and its Affiliated Designees shall be entitled to manage, control and operate each of the Managed Properties as they see fit in their sole discretion and collect and retain all revenues generated by each Managed Property. In furtherance thereof, the Parties acknowledge and agree that Sellers shall have no economic interest in the Managed Properties other than the right to receive the Management Services Reimbursements. As consideration for the provision of the Management Services, Buyer shall reimburse Sellers, or cause Sellers to be reimbursed, for any reasonable and documented out-of-pocket costs, fees and expenses incurred at any time in providing the Management Services, including any income and other taxes incurred by Seller and its Subsidiaries in respect of the

payment and receipt of such reimbursement (the “Management Services Reimbursements”) and indemnify the Sellers from any Liability arising from the provision of the Management Services, except for any such Liability arising from gross negligence or willful misconduct of the Sellers. For the avoidance of doubt, all employees of the Managed Properties shall be employed by Buyer or its Affiliated Designee and no Seller shall have any authority to take action as an employer with respect to any such employee or to enter into any Contract on behalf of Buyer or any Affiliated Designee.

Section 8.9 Sparrow Rent. Sellers shall pay on the Closing Date all accrued and unpaid rent to each of SRC O.P. LLC, SRC Facilities LLC and SRC Real Estate (TX), LLC that are not “dark.”

ARTICLE IX

ADDITIONAL AGREEMENTS

Section 9.1 Access to Information. Sellers agree that, prior to the Closing Date, Buyer shall be entitled, through its officers, employees and representatives (including legal advisors, Financing Sources, consultants, appraisers and accountants), to make such investigation of the properties (including non-invasive environmental site assessments), businesses and operations of Sellers’ businesses (including any of the Properties) and such examination of the Books and Records of Sellers’ businesses, the Acquired Assets and the Assumed Liabilities as is reasonable (and reasonably requested) and to make extracts and copies of such Books and Records. Any such investigation and examination shall be conducted in a reasonable manner (and shall not unreasonably interfere with the operations of Sellers), during regular business hours upon reasonable advance notice and under reasonable circumstances and shall be subject to any applicable restrictions under applicable Law. Sellers shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of Sellers to reasonably cooperate with Buyer and Buyer’s representatives in connection with such investigation and examination, and Buyer and Buyer’s representatives shall reasonably cooperate with Sellers and Sellers’ representatives and Buyer and Buyer’s representatives shall, at all times and at the discretion of Sellers, take all reasonable measures to minimize any disruption to Sellers’ business. Notwithstanding anything herein to the contrary, no such investigation or examination shall be permitted to the extent that it would (x) require any Seller to disclose information subject to attorney-client privilege, provided that Sellers shall use reasonable best efforts to provide information in response to such an investigation or examination in a form or manner that would not waive such attorney-client privilege (including by redacting or otherwise not disclosing any portion thereof the disclosure of which would jeopardize such privilege) or (y) conflict with any confidentiality obligations to which the Sellers or any of their Subsidiaries are bound.

Section 9.2 Tax-Related Undertakings and Characterization of the Transaction.

(a) Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer): (1) Buyer shall provide to Sellers detailed instructions as to steps to take (or not take) in order to secure and preserve the qualification of any of the transactions set forth in this

Agreement as a Tax Reorganization (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller) and to achieve the Tax Result, including, without limitation, with respect to (i) repayment, cancellation or settlement of, or other actions with respect to, intercompany accounts after the approval of the Bankruptcy Plan and on or before the Closing Date, (ii) the merger of any of Sellers' Subsidiaries with another Sellers' Subsidiaries after the approval of the Bankruptcy Plan and on or before the Closing Date or conversion of any of Sellers' Subsidiaries into limited liability companies with effect after the approval of the Bankruptcy Plan and on or before the Closing Date, (iii) the filing of any Tax elections to treat any such Subsidiaries as disregarded entities for U.S. federal income tax purposes with effect after the approval of the Bankruptcy Plan and on or before the Closing Date or otherwise taking such action to establish that such Subsidiaries have liquidated for tax purposes after the approval of the Bankruptcy Plan and on or before the Closing Date, (iv) implementation of the Distribution Requirement in a manner that is consistent with section 507 of the Bankruptcy Code, (v) satisfaction of the ownership requirements set forth in section 382(l)(5)(A)(ii) of the Code, and (vi) any other instructions that in the reasonable opinion of tax counsel for Buyer are necessary or desirable to ensure the qualification of the Tax Reorganization and the achievement of the Tax Result, and Sellers shall follow such instructions; provided that (A) such instructions shall not limit Sellers' discretion or actions in respect of (x) operating the Business and its other Assets in the Ordinary Course of Business and in compliance with the other provisions of this Agreement for all periods through the Closing Date, (y) disposing of any of its Assets if and to the extent permitted under the other provisions of this Agreement (z) taking or refraining from taking any action required by this Agreement or under the law, including if such actions would be inconsistent with its obligations under the Bankruptcy Code, (B) if requested by Sellers, Buyer's tax counsel shall deliver to Sellers a Tax Opinion that each and any such transaction (other than any Designated Sale Transactions) qualifies as a Tax Reorganization, and (C) nothing herein shall affect Buyer's liability for Taxes that are Assumed Liabilities; (2) subject to the preceding clause (1), Sellers agree to cooperate with Buyer in order that, for federal income Tax purposes, the transactions effected pursuant to this Agreement, together with the distributions made by, and liquidation of, Sellers pursuant to the Bankruptcy Plan, are treated as one or more plans of reorganization under section 368 of the Code and as qualifying as one or more reorganizations under section 368(a)(1)(G) of the Code (except if and to the extent Buyer determines otherwise, in accordance with Section 2.12(b), in respect of a given transaction or a particular Seller); and (3) any Tax Return in respect of a Tax imposed on any Seller for which Buyer is liable hereunder shall be prepared by Buyer, a copy of such Tax Return shall be provided to SHC at least thirty (30) days prior to the due date thereof, Buyer shall consider in good faith any reasonable comments provided by Sellers, Sellers shall, if necessary for filing, properly execute any such Tax Return, and Buyer shall timely and properly file any such Tax Return and pay the amount of any Taxes shown due on any such Tax Return.

(b) Sellers agree that (i) Buyer will suffer irreparable damage and harm in the event that any Seller does not comply with Section 9.2(a) or any instructions properly given by Buyer thereunder and that, although monetary damages may be available for such a breach, monetary damages would be an inadequate remedy therefor and (ii) Buyer shall be entitled to an injunction or injunctions against any non-compliance with, and to seek specific performance of, the agreements and covenants set forth in Section 9.2(a) and any instructions properly given by Buyer thereunder.

(c) Buyer (or its regarded owner for U.S. federal income Tax purposes, if applicable) shall make (if not previously made) a valid election, effective on or prior to the Closing Date, to be classified as an association taxable as a corporation for U.S. federal income Tax purposes (unless one or more Affiliated Designees shall acquire all of the Acquired Assets and assume all of the Assumed Liabilities). Buyer shall cause any Affiliated Designee (or its regarded owner for U.S. federal income Tax purposes, if applicable) to be classified as a corporation or an association taxable as a corporation for U.S. federal income Tax purposes at all times during the period beginning on the Closing Date and ending on the effective date of the Bankruptcy Plan.

(d) For purposes of this Agreement, (x) Taxes (other than Property Taxes) imposed on or with respect to any the Acquired Assets, the Acquired Properties, the Business or the Assumed Liabilities with respect to a taxable period that commences on or prior to and ends after the Closing Date or the applicable Designation Assignment Date, as applicable (a “Straddle Period”), shall be allocated to the Pre-Assignment Tax Period based on a “closing of the books” method as of the end of the Closing Date or the applicable Designation Assignment Date, as applicable, and (y) Property Taxes for a Straddle Period shall be allocated to the Pre-Assignment Tax Period by multiplying the amount of such Property Taxes for the entire Straddle Period by a fraction, the numerator of which is the number of days during the Straddle Period that are in the Pre-Assignment Tax Period and the denominator of which is the number of days in the entire Straddle Period.

(e) Notwithstanding anything to the contrary contained herein, from and after the Closing the Buyer will indemnify and hold each Seller (and its Affiliates) harmless from and against, and pay to such Seller (without duplication) the amount of any Taxes that are Assumed Liabilities.

Section 9.3 Miscellaneous Tax Matters.

(a) Any sales, use, property transfer or gains, documentary, stamp, registration, recording or similar Tax (including, for certainty, goods and services tax, harmonized sales tax and land transfer tax) imposed on or payable in connection with the sale, transfer, assignment, conveyance or delivery of the Designation Rights, the Acquired Assets or the Assumed Liabilities (or any Excluded Asset pursuant to Section 2.8(d)) (“Transfer Taxes”) shall be borne solely by Buyer. Sellers and Buyer shall use reasonable efforts and cooperate in good faith in all matters relating to such Transfer Taxes (including with respect to the application of any exemption therefrom or reduction thereof). Buyer shall prepare and, except to the extent required by applicable Law to be filed by Sellers, Buyer shall file all necessary Tax Returns or other documents with respect to all such Transfer Taxes; provided, however, that in the event any such Tax Return requires execution by the other Party, the preparing Party shall prepare and deliver to the other Party a copy of such Tax Return at least three (3) Business Days before the due date thereof, and such other Party shall promptly execute such Tax Return and return it for filing. If Seller is required to file any such Tax Return, no later than three (3) Business Days before the due date of such Tax Return Buyer shall pay to Sellers the amount of Transfer Taxes shown on such Tax Return. Subject to the other provisions of this Agreement, the Parties shall reasonably cooperate with each other in any reasonable and lawful arrangement designed to minimize any applicable Transfer Taxes.

(b) Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the Properties, the Business or the Assumed Liabilities as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, and the preparation, prosecution or defense of or for any Tax Proceeding. Unless Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers Tax attributes to Buyer), to the extent not addressed by the foregoing, Buyer and Sellers shall also furnish or cause to be furnished to each other all documentation and information of Sellers' or any of their Affiliates as reasonably requested in connection with (i) the treatment of the Transactions as one or more reorganizations under section 368 of the Code and/or in connection with qualifying for the application of section 382(l)(5) of the Code and (ii) the Tax basis, losses and credits (including carryovers), income, gains, deductions and other attributes or Tax items of Buyer or an Assignee that are dependent in whole or in part by the treatment of any such Tax item in any Pre-Assignment Tax Period. Any out-of-pocket expenses incurred in furnishing such information or assistance pursuant to this Section 9.3(b) shall be borne by the Party requesting it. Furthermore, except for any refund, asset or amount described in Section 2.2(h), Sellers shall pay (or cause to be paid) to Buyer any Tax refund actually received by Sellers or any Affiliate of Sellers that is an Acquired Asset, and any such refunds credited against future Taxes of the Sellers or their Subsidiaries (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Buyer's reasonable request and at Buyer's sole cost and expense, Sellers shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Sellers' ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(b) shall be made in immediately available funds, to an account or accounts as directed by Buyer, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of Sellers or any Affiliate of Sellers.

(c) Buyer shall pay (or cause to be paid) to Sellers any Tax refund, asset or amount described in Section 2.2(h) that is actually received by any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer, and any such refunds or amount credited against future Taxes to which any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer become entitled (including any interest paid thereon and net of any reasonable out-of-pocket costs and any Taxes incurred in respect of the receipt thereof). Upon Sellers' reasonable request and at Sellers' sole cost and expense, Buyer shall (A) file (or cause to be filed) all Tax Returns (including amended Tax Returns) or other documents required to obtain such refunds and (B) take any such other action as may be reasonable and practicable to preserve Buyer's ability to file a refund claim for any Tax year. Any payments required to be made under this Section 9.3(c) shall be made in immediately available funds, to an account or accounts as directed by Sellers, within ten (10) days after the actual receipt of the refund or the application of any such refunds as a credit against a future tax of any Subsidiary of any Seller that is an Acquired Asset, Buyer or any Affiliate of Buyer.

(d) As soon as practicable (and in any event within ninety (90) days) after the Closing Date, Buyer shall deliver to Sellers a schedule allocating the Purchase Price (including any Assumed Liabilities treated as consideration for the Acquired Assets for Tax purposes) (the

“Allocation Schedule”). The Allocation Schedule shall allocate the Purchase Price among the Sellers and among the Acquired Assets acquired from each Seller, and shall be prepared in accordance with Section 1060 of the Code if Buyer makes the election under Section 2.12(b) to treat all the transactions described in Article II as Designated Sale Transactions (resulting in no transfer of Sellers’ Tax attributes to Buyer), and in any case shall be prepared in accordance with applicable law to the extent necessary to comply with reporting in respect of applicable Transfer Taxes. The Allocation Schedule shall be deemed final unless Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule within forty-five (45) days after delivery of the Allocation Schedule. In the event of any such objection, Buyer and Sellers shall negotiate in good faith to resolve such dispute; provided, however, that if Buyer and Sellers are unable to resolve any dispute with respect to the Allocation Schedule within sixty (60) days after the delivery of the Allocation Schedule, such dispute shall be resolved by the CPA Firm. The fees and expenses of the CPA Firm in connection therewith shall be borne equally by Buyer and Sellers. Each of Buyer and Sellers agrees to file its respective federal, state and local Tax returns in accordance with the Allocation Schedule, and any adjustments to the Purchase Price pursuant to this Section 9.3 shall be allocated in a manner consistent with the Allocation Schedule. For the avoidance of doubt, the Parties shall cooperate in determining the portion of the Purchase Price allocable to the Acquired Assets that are subject to a Transfer Tax prior to the due date of the Tax Return required to be filed in connection with such Transfer Taxes; provided, that if the parties do not agree with respect to such determination, such matter shall be resolved in accordance with the determination of the CPA Firm; provided further, that such Tax Return will be adjusted, as applicable, consistent with the procedures described above, to reflect any adjustments to the allocated Purchase Price.

Section 9.4 Payments Received. Sellers, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other in accordance with the terms of this Agreement and will account to the other for all such receipts.

Section 9.5 Post-Closing Books and Records and Personnel. For twelve (12) months after the end of the Designation Rights Period, (a) neither Buyer nor any Seller shall dispose of or destroy any of the business records and files of the Properties or relating to any Acquired Assets and (b) Buyer and Sellers (including, for clarity, any trust established under a chapter 11 plan of Sellers or any other successors of Sellers) shall allow each other, any applicable Assignee and the Representatives of any of the foregoing reasonable access during normal business hours, and upon reasonable advance notice and to the extent permitted by applicable Law, to all employees, files, the Books and Records and other materials included in the Potential Acquired Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers, the functions of any such trusts or successors, or other reasonable business purposes, including Tax matters, litigation, or potential litigation, each as it relates to the Potential Acquired Assets or the Assumed Liabilities, and Buyer and Sellers (including any such trust or successors) and such Representatives shall have the right to make copies of any such files, books, records and other materials. In addition, from and after the Closing Date or the applicable Designation Assignment Date for a period of sixty (60) days, Sellers will permit Buyer, any applicable Assignee and their respective Representatives

access to such personnel of Sellers during normal business hours as Buyer or any applicable Assignee may reasonably request to assist with the transfer of the applicable Acquired Assets (including any related Assigned Plans and Permits), provided that nothing in this Section 9.5 shall prohibit Sellers from ceasing operations or winding up their affairs following the end of the Designation Rights Period. Following the end of the Designation Rights Period, nothing in the foregoing shall be construed to prevent Sellers from winding down their operations and dissolving their business entities as is determined by Sellers (in their sole discretion) to be in their best interests.

Section 9.6 Confidentiality.

(a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing, at which time Buyer's and Seller's obligations under the Confidentiality Agreement shall terminate.

(b) The Parties shall (i) treat and hold as confidential all Confidential Information of the other Parties and their Affiliates (which, as such term is used in this Section 9.6(b) shall mean the information provided to the receiving Party by or on behalf of a disclosing Party in connection with this Agreement and the other Transaction Documents and the Transactions) and (ii) not disclose any such Confidential Information a disclosing Party to any other Person without the prior written consent of such disclosing Party, in each case for so long as such information remains Confidential Information. In the event any receiving Party is requested or required (by oral or written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by applicable Law) to disclose any Confidential Information of a disclosing Party provided in accordance with this Section 9.6(b), then such receiving Party shall, to the extent legally permitted, notify the disclosing Party promptly of the request or requirement so the disclosing Party, at its expense, may seek an appropriate protective Order or waive compliance with this Section 9.6(b). If, in the absence of a protective Order or receipt of a waiver hereunder, the receiving Party is, on the advice of counsel, compelled to disclose such Confidential Information, the applicable receiving Party may so disclose such Confidential Information; provided that the applicable receiving Party shall use commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such Confidential Information. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not prohibit the disclosure of Confidential Information by the receiving Party to the extent reasonably required (i) to comply with applicable Law or any regulatory authority or self-regulatory organization having jurisdiction or of which a Party is a member, (ii) in connection with asserting any rights or remedies or performing any obligations under this Agreement or any of the Transaction Documents or (iii) to such Party's Affiliates and Representatives. Notwithstanding the foregoing, the provisions of this Section 9.6(b) shall not apply to information that (A) is or becomes publicly available other than as a result of a disclosure by any receiving Party in violation of this Agreement, (B) is or becomes available to a receiving Party on a non-confidential basis from a source that, to the receiving Party's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation, or (C) is or has been independently developed by a receiving Party. For the avoidance of doubt, following the Closing, all Confidential Information relating to the Business, the Acquired Assets or the Assumed Liabilities shall be deemed to be Confidential Information of Buyer.

Section 9.7 Employment Offers.

(a) Buyer shall make an offer of employment to any Business Employee represented by a labor union and whose terms and conditions of employment are covered by a collective bargaining agreement (“Represented Employees”) using reasonable best efforts to comply with the requirements of any such collective bargaining agreement. For any Business Employee not represented by a labor union (“Non-Represented Employees”), Buyer shall, or shall cause any of its Subsidiaries to, (i) no later than five (5) days prior to the Closing Date, use reasonable best efforts to provide a written offer of employment in a comparable position to, effective as of 11:59 p.m., local time, on the Closing Date each of such Business Employees, or (ii) to the extent required by and in accordance with applicable Law, enter into employment agreements with each of such Business Employees. Those Business Employees, including both Represented Employees and Non-Represented Employees, who accept such offer of employment on or before the Closing Date in accordance with the provisions of such offer and continue employment with Buyer or any of its Subsidiaries, shall be referred to as “Transferred Employees.”

(b) Subject to the last sentence of this Section 9.7(b) and except as otherwise expressly provided in this Section 9.7(b), with respect to each Transferred Employee who remains employed by Buyer or any of its Subsidiaries, Buyer shall, or shall cause any of its Subsidiaries to, provide for the period commencing on the Closing Date and ending on the last day of the Sellers’ fiscal year ending in 2020, subject to such Transferred Employee’s continued employment with Buyer or any of its Subsidiaries (as applicable) (i) (A) base salary or hourly wage rate and (B) a target short-term cash incentive opportunity, in each of (A) and (B), that is at least equal to the base salary or wages and target short-term cash incentive opportunity, respectively, provided to such Transferred Employee immediately prior to the Closing Date and (ii) a group health and welfare plan and, subject to and in accordance with Section 9.7(k), a 401(k) plan, qualified under Sections 401(a) and 401(k) of the Code (“401(k) Plan”), that are substantially comparable in the aggregate to the group health and welfare plan and 401(k) Plan under which such Transferred Employee participates as of the date hereof. For the avoidance of doubt, (x) the terms of this Section 9.7(b) shall apply notwithstanding anything to the contrary in any non-solicitation or similar agreement currently entered into by Buyer or any of its Affiliates and Sellers and (y) from and after the date hereof, no such non-solicitation or similar agreement by Buyer and any Seller or any affiliate thereof entered into prior to the date hereof shall prevent Buyer from hiring (or seeking to hire) any employee of Sellers. The Parties agree to cooperate in good faith to coordinate the establishment of benefit plans and arrangements so as to satisfy the obligations set forth in this Section 9.7(b)(ii).

(c) Except as otherwise provided under the terms of the applicable Employee Plan, each Transferred Employee shall be given credit for all service with Sellers under all employee benefit plans, programs and policies and fringe benefits of the Business or Buyer or any of its Subsidiaries in which they become participants (i) for purposes of eligibility, participation, and vesting (but not benefit accruals), and (ii) with respect to any vacation and severance plans, programs or arrangements of Buyer or its Subsidiaries, for purposes of determining the level of benefits except to the extent such crediting would result in duplication of benefits with respect to the same period of service.

(d) If a Transferred Employee becomes eligible to participate in a medical, dental or health plan of Buyer (or its Subsidiaries), Buyer shall, or shall cause its Subsidiaries to, to the extent permitted by (x) applicable Law and (y) the terms of the applicable medical, dental or health plan of Buyer or any of its Subsidiaries in which the Transferred Employee participates following the Closing, cause the plan provider of such plan to (i) waive any preexisting condition limitations to the extent such pre-existing condition limitations would not have been applicable under the applicable medical, dental or health plans of Sellers as of immediately prior to the Closing Date and (ii) credit any complete or partial satisfaction of any deductible and out-of-pocket expenses incurred by the Transferred Employee and his or her dependents under the applicable Seller's or its Subsidiaries' medical, dental or health plans during the portion of the calendar year in which the Closing Date occurs. Buyer agrees to use commercially reasonable efforts to cause a medical, dental and health plan provider to provide such waivers and credits contemplated by the first (1st) sentence of this Section 9.7(d). If a Transferred Employee becomes eligible to participate in a group term life insurance plan maintained by Buyer or its Subsidiaries, Buyer shall use commercially reasonable efforts to cause such plan to waive any medical certification for such Transferred Employee up to the amount of coverage the Transferred Employee had under the life insurance plan of Sellers (but subject to any limits on the maximum amount of coverage under Buyer's life insurance plan).

(e) Except as required by Law or an applicable bargaining agreement or as otherwise agreed in writing by the Parties, Buyer or any of its Subsidiaries shall provide severance and other separation benefits to each Transferred Employee terminated by Buyer or any of its Subsidiaries within the period commencing on the Closing Date and ending on the last day of the Sellers' fiscal year ending in 2020 that are at least equal to the severance and other separation benefits provided by Seller and its Subsidiaries to such Transferred Employee as in effect immediately prior to the Petition Date, it being understood that such severance and other separation benefits do not include any long-term incentive, equity incentive, defined benefit pension or retiree welfare or life insurance benefits.

(f) Except as prohibited by applicable Law, each offer letter shall provide that by accepting employment with Buyer the Business Employee is acknowledging that Buyer is assuming, and Buyer shall assume all vacation days and other paid time off accrued but not yet taken by each Transferred Employee through the Closing Date, in accordance with their terms as of the date hereof. To the extent that applicable Law prohibits a Transferred Employee's vacation from being assumed by Buyer and requires that a Transferred Employee to be paid for any vacation days and other paid time off accrued but not yet taken by such Transferred Employee as of the Closing Date without regard to any acknowledgement by such Transferred Employee to the contrary, Sellers shall pay each Transferred Employee for such vacation days.

(g) Sellers agree to pay to the Transferred Employees any bonus (including any related payroll Taxes) that such Transferred Employees would have been paid had they remained employees of Sellers through the date the bonus in respect of the fiscal year ending February 2, 2019.

(h) Buyer and Seller agree to cooperate in good faith to ensure that Transferred Employees do not experience a break in health coverage from and after the Closing Date. Buyer

shall take commercially reasonable efforts to provide or make available the health coverage required by Section 4980B of the Code available with respect to any individual who is an “M&A Qualified Beneficiary” (as defined in Treasury Regulation Section 54.49806-9 (Q&A 4) of the Code) as the result of the consummation of the Transactions.

(i) From and after the Closing Date, subject in all respects to the limitations set forth in Section 2.3(k), Buyer shall, within thirty (30) days following written demand by the Seller, with such supporting documentation as the Buyer shall reasonably request, reimburse the Sellers for the payment of any cash severance or other cash separation pay, and Seller’s portion of any related employment and payroll Taxes, made by any Seller to any employee of any Seller whose employment with any of the Sellers terminated following the Petition Date or terminates on, or following the Closing Date (it being understood that this does not include any Transferred Employees who shall have become the employees of Buyer and its Subsidiaries and shall be covered by Buyer’s obligations as set forth in Section 9.7(b)), to the extent of the cash severance or other cash separation pay that has been paid on or following the Petition Date and prior to the Closing Date or would have been due and payable had such employee’s employment been terminated by any of the Sellers immediately prior to the date hereof (the reimbursement Liabilities of Buyer set forth in this Section 9.7(i), including with respect to any related employment and payroll Taxes, the “Severance Reimbursement Obligations”).

(j) Sellers shall retain liability for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Sellers prior to the Closing. Buyer shall be liable for all medical, dental and health claims incurred by Transferred Employees (and their dependents) under the employee welfare benefit plans of Buyer or any of its Subsidiaries on or after the Closing. For purposes of this Section 9.7(j), a claim shall be deemed to have been incurred on the date on which the medical or other treatment or service was rendered and not the date of the inception of the related illness or injury or the date of submission of a claim related thereto; provided, that claims relating to a hospital confinement that begins on or before the Closing but continues thereafter shall be treated as incurred before the Closing. Notwithstanding anything herein to the contrary, with respect to any Business Employee who becomes a Transferred Employee following the Closing, any reference in this Section 9.7(j) to the Closing will be deemed to be references to the date such Business Employee becomes a Transferred Employee.

(k) U.S. Savings Plan.

(i) As soon as practicable following the Closing Date, Buyer shall, or shall cause its Subsidiaries to, establish a new savings plan or designate an existing savings plan qualified under Section 401(a) of the Code and including a cash or deferred feature under Section 401(k) of the Code and a related trust thereunder which shall be exempt under Section 501(a) of the Code (“Buyer’s Savings Plan”) that will permit participation by all Transferred Employees who are participating in Seller’s or its Subsidiaries’ 401(k) Plan (“Seller’s Savings Plan”) as of the Closing Date.

(ii) No assets or liabilities of Seller’s Savings Plan shall be transferred to Buyer’s Savings Plan, other than in connection with a rollover of a Transferred Employee’s

account balance under Seller's Savings Plan. Except as could reasonably be expected to cause the Buyer's Savings Plan to cease to qualify under Section 401(a) and 401(k) of the Code or cause the trust to cease to be qualified under Section 501(a) of the code or otherwise result in the Buyer or its Affiliates incurring any penalties thereunder, Buyer shall permit the Transferred Employees to roll over into Buyer's Savings Plan any rollover distribution (in cash or loan notes of any "eligible rollover distribution" (within the meaning of Section 402(c)(4) of the Code)). Effective as of the Closing, Seller shall and shall cause its Subsidiaries to take any action necessary to ensure that the accounts of each Transferred Employee in Seller's Savings Plan shall be fully vested and nonforfeitable.

(l) The Parties acknowledge and agree that all provisions contained in this Section 9.7 are included for the sole benefit of the respective Parties and shall not create any right (i) in any other person, including any Business Employees, Transferred Employees, current or former employees of Seller, any participant in any Employee Plan or any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries or any beneficiary thereof or (ii) in any other person, to continued employment with Buyer or its Subsidiaries or particular compensation or benefits coverage in any compensation or benefit plan, program, agreement or arrangement of Buyer or its Subsidiaries. The provisions of this Section 9.7 shall not constitute an amendment to any Employee Plan or any plan, program, agreement or arrangement maintained by Buyer or any of its Subsidiaries.

(m) Sellers and Buyer hereby agree to follow the "alternate procedure" for employment tax reporting as provided in Section 5 of Rev. Proc. 2004-53, 2004-34 I.R.B. 320 for each Transferred Employee and to cooperate with each other in furtherance thereof. Provided that Sellers provide Buyer with all necessary payroll records for the calendar year which includes the date on which the Transferred Employee commences employment with Buyer, Buyer, and not Sellers, shall furnish a Form W-2 to each Transferred Employee, disclosing all wages and other compensation paid for such calendar year, and taxes withheld therefrom.

Section 9.8 Owned Real Property.

(a) Seller shall pay when due any and all Occupancy Expenses with respect to each Owned Real Property solely to the extent arising during the period commencing on the Petition Date through the Closing Date.

(b) From the date hereof through the Closing Date, Seller shall use commercially reasonable efforts to maintain and preserve each Owned Real Property and all related Acquired Assets in a condition substantially similar to their present condition. Prior to Closing, Seller shall not without Buyer's consent, and shall not solicit any other Person to, (A) sell, transfer, assign, convey, lease, license, mortgage, pledge or otherwise encumber any Owned Real Property or related Acquired Asset (other than sales of Inventory in accordance with the terms of this Agreement, Permitted Encumbrances and any applicable statutory liens (solely to the extent that such Owned Real Property or related Acquired Asset will be transferred free and clear of such statutory liens pursuant to the applicable transfer document)), (B) grant or terminate any other interests in any Owned Real Property or related Acquired Asset, (C) cancel or compromise any claim or waive or release any right, in each case that is related to any Owned Real Property or any

related Acquired Assets (for the avoidance of doubt, other than any Excluded Assets), (D) take any action with respect to Taxes or Tax matters that could reasonably be expected to result in an Encumbrance on any Owned Real Property or related Acquired Assets (other than Permitted Encumbrances) or (E) enter into any agreement or commitment to take any action prohibited by this Section 9.8(b).

(c) From and after the date hereof through Closing, Sellers shall bear the risk of loss or damage to the Owned Real Property and Seller shall continue all insurance policies with respect to the Owned Real Property or policies providing substantially similar coverages to the extent available at commercially reasonable rates (and in all instances without any reductions in the amounts of available coverage), including comprehensive public liability, casualty and umbrella liability insurance, and shall cause Buyer to be named as a loss payee or additional insured, as applicable, with respect to all such policies. Seller shall pay to Buyer on the Closing Date all insurance recoveries and all warranty and condemnation proceeds received or receivable after the date hereof with respect to the Owned Real Property. In connection with any payment of recoveries or proceeds under this Section 9.8(c), (i) such payment of recoveries or proceeds shall not include any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such payment of recoveries or proceeds shall be reduced by the amount of (x) all actual and documented, reasonable out of pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out of pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

Section 9.9 Title Matters. Buyer, at its own discretion and sole expense, may order preliminary title reports from a nationally recognized title company (the "Title Company") with respect to any of the Leased Premises or Owned Real Property (the property covered by such reports being referred to herein as the "Titled Property"). Seller shall at no cost, expense or Liability to Seller, cooperate in good faith with Buyer and the Title Company in connection with the compilation of title to the Titled Property and in connection with any efforts by Buyer to obtain title insurance policies pursuant thereto on behalf of itself and/or its lender, including, in the case of any efforts by Buyer to obtain lender's title insurance policies on behalf of its lender, by providing reasonable affidavits and other similar instruments as are reasonably required by the Title Company for the deletion of any standard or printed exceptions in such lender's title insurance policies that are customarily deleted by virtue of a seller delivering such instruments in commercial real estate transactions in the state or province in which the Titled Property which is the subject of such lender's title insurance policy is located. Subject to the foregoing proviso, such cooperation by Seller and its Subsidiaries shall include providing Buyer and the Title Company copies of, with respect to Titled Property, reasonably requested existing surveys, maps, existing title reports and title insurance policies and true and complete copies of the encumbrance documents identified therein, to the extent the same are in the possession of Seller or its Subsidiaries and are not publicly available.

Section 9.10 Use of Name. Sellers agree that they shall (i) as soon as practicable after the Closing Date and in any event within six (6) months following the Closing Date, cease to make use of the Trademarks included in the Acquired Intellectual Property and change the Business Names of all of their applicable Affiliates to a Business Name that does not consist of, contain or incorporate any Trademarks included in the Acquired Intellectual Property, provided that as soon as practicable after the Closing Date and in any event within thirty (30) days following the Closing Date, Sellers shall cease to make use of the Trademarks included in the Acquired Intellectual Property in connection with the Business and (ii) as promptly as practicable after the Closing Date, file a motion with the Bankruptcy Court to amend the caption of the Bankruptcy Cases to reflect a change in the name of the Sellers in accordance with the foregoing clause (i) and (ii) immediately after the Closing, cease to hold themselves out as having any affiliation with the Acquired Assets. Sellers shall promptly deliver to Buyer any relevant documentation evidencing such name change, including any name change amendment and name change notice filed with or submitted to any Governmental Authority in each jurisdiction in which such Seller or Affiliates of Seller is qualified to do business. Nothing in this Section 9.10 shall prohibit Sellers' use of such Trademarks to the extent that such use (a) is required by Law to wind down Sellers' estate or (b) constitutes nominative or descriptive fair use under United States Laws, which refers to Sellers and would not cause confusion as to the origin of a good or service, including in accurately stating the historical relationship between Sellers and Buyer for information purposes (and in a non-Trademark manner) in historical, tax and similar records.

Section 9.11 Apportionments. All charges and fees payable for telephone services, water, sewer rents heat, steam, electric power, gas and other utilities, at the price charged by the suppliers, including any taxes thereon and based upon applicable meter readings, where available, made on or immediately prior to or immediately after the Closing Date (and credits therefor to the extent paid prior to the Closing Date) that relate to Owned Real Property shall be apportioned between Sellers, on the one hand, and Buyer, on the other hand, as of midnight on the Closing Date for the period that begins prior to the Closing Date and ends after the Closing Date.

Section 9.12 Intercompany IP Agreement; Sublicenses. As of the Closing Date, all Intercompany IP Agreements and all sublicenses to any Person thereunder, in each case that are not assigned to Buyer or assumed and assigned in accordance with this Agreement, shall be, and are hereby, automatically terminated. Sellers shall take all necessary actions to cause such licenses, grants or sublicenses that are not terminated by virtue of the foregoing sentence to be terminated at the Closing Date. The foregoing provision shall not affect any sublicenses under which neither any Seller nor any Affiliate of any Seller is the sublicensee, unless such sublicense is terminable without cause by a Seller pursuant to its terms.

Section 9.13 Release. [Revised release provisions to come]

Section 9.14 KCD IP and KCD Notes Covenants.

(a) Commencing as of the date hereof (and, for the avoidance of doubt, continuing after the Closing Date), Sellers shall not, and shall cause all of their Affiliates (including KCD IP, LLC) not to, (i) sell, transfer, assign, encumber, allow to lapse, abandon, cancel, fail to renew, fail to continue to prosecute, protect or defend, or otherwise dispose of or convey, any KCD IP, (ii)

license, sublicense or grant any Person (other than Buyer and its Affiliates) any rights to, as applicable, any KCD IP or (iii) amend, renew or terminate (or fail to exercise termination rights or option rights with respect to) any Contract pursuant to which any Seller or any of its Affiliates has granted, prior to the date hereof, any license, sublicense, covenant not to sue or other rights under any KCD IP, in each case of the foregoing without the prior written consent of Buyer in its sole discretion. Sellers shall not, and shall cause all of their Affiliates not to, sell, assign, or in any way transfer any equity interests in KCD IP, LLC without requiring as a condition of such sale, assignment or transfer that the purchaser of such equity interests agree to the limitations set forth in this Section 9.14, and any sale, assignment or transfer in violation of this Section 9.14 shall be null and void *ab initio*.

(b) As soon as reasonably practicable after the date hereof and in any event prior to the Closing Date, Sellers shall use reasonable best efforts to cause KCD IP, LLC to grant, effective as of the Closing, a perpetual, irrevocable (provided that, if Buyer commits a material breach of its obligations under the Exclusive License and KCD IP, LLC gives notice to Buyer specifying the basis for termination and Buyer fails to cure, resolve or remediate the basis for the breach within ninety (90) days after such notice is provided, KCD IP, LLC may convert the exclusive license granted under the Exclusive License to a non-exclusive license; and provided, further, that if Buyer fails to cure, resolve or remediate the basis for such material breach within one hundred twenty (120) days after such notice is provided, KCD IP, LLC may, upon notice to Buyer, suspend the license with respect to the uses that cause the material breach until such cure, resolution or remediation has been effected), worldwide, sublicensable (in connection with uses and sublicensees of the same type and scope as those for which sublicenses were granted by Sellers under the KCD IP prior to the date hereof and, subject to the consent of KCD IP, LLC, such consent not to be unreasonably withheld, conditioned or delayed, in connection with other uses and sublicensees), transferable (A) in whole to an Affiliate of Buyer or (B) in connection with a sale of assets, properties, rights or businesses associated with the Kenmore Marks included in the KCD IP or with the DieHard Marks included in the KCD IP, provided that all of the rights and obligations under the applicable license grant are assigned, and provided further that such third party assumes in writing all of the applicable rights and responsibilities of Buyer under the Exclusive License) exclusive license (but subject to (i) any licenses under the KCD IP in effect as of the Closing Date and (ii) if the SHIP Closing shall have occurred prior to the Closing Date, the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement) to Buyer under all of the KCD IP used or held for use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the Buyer's businesses (including the Business) and the natural evolutions thereof. The Exclusive License shall include the same quality control provisions as set forth in the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMART Corporation, as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009 and that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and shall provide that KCD IP, LLC, as licensor, will continue to maintain its rights to enforce, maintain and defend the Intellectual Property licensed under the Exclusive License in the first instance; provided that Buyer shall have the right to independently enforce, maintain and defend the applicable KCD IP if the business or businesses of Buyer or its Affiliates would otherwise be materially adversely affected. The Exclusive License

shall otherwise be in the form proposed by Buyer and any additional terms (other than the terms set forth above) must be reasonably acceptable to Sellers (Sellers' review and approval not to be unreasonably withheld, delayed or conditioned, provided that it shall not be unreasonable for Sellers to not accept any such additional terms that they reasonably consider render the license a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC). The Exclusive License shall be subject to royalties equal to those in effect as of the date hereof under (x) with respect to the Kenmore Marks, the Kenmore License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMArt Corporation, as amended by that certain First Amendment to Kenmore License Agreement dated as of November 29, 2009 and that certain Second Amendment to Kenmore License Agreement dated as of March 7, 2012 and (y) with respect to the DieHard Marks, the DieHard License Agreement, dated as of March 18, 2006, by and between KCD IP, LLC and KMArt Corporation, as amended by that certain First Amendment to DieHard License Agreement dated as of November 29, 2009 and that certain Second Amendment to DieHard License Agreement dated as of March 7, 2012, provided that the terms of the Exclusive License taken collectively shall not constitute a sale, transfer or other disposition of all or substantially all of the assets of KCD IP, LLC.

(c) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC has not agreed to grant Buyer the Exclusive License effective as of the Closing Date by the date that is ten (10) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then at Buyer's election, Sellers shall, prior to the Closing, use reasonable best efforts to obtain any Consent from KCD IP, LLC necessary to assign to Buyer those KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement, and assume and assign such KCD Agreements in accordance with this Agreement (such that such KCD Agreements are Assigned Agreements as contemplated herein).

(d) In the event that, despite Sellers' reasonable best efforts, KCD IP, LLC's Consent described in the above clause (c) is not obtained by the date that is five (5) days prior to the Closing, and provided that any such delay is not due to Buyer's acts or omissions, then (i) Sellers shall, prior to the Closing, assume all KCD Agreements that provide Sellers with the right to sublicense KCD IP to Buyer that are designated only for assumption by written notice of Buyer and (ii) effective as of the Closing Date, Sellers hereby grant to Buyer, a perpetual, irrevocable, worldwide, royalty-bearing (as described in Section 9.14(b)), further sublicensable, transferable, non-exclusive sublicense under all of the KCD IP used or held for use by Sellers as of the date hereof (including, for the avoidance of doubt, the Kenmore Marks and the DieHard Marks, in each case owned by KCD IP, LLC) for all purposes in connection with the businesses of Buyer (including the Business) and the natural evolutions thereof, provided that to the extent Sellers cannot grant the foregoing, Sellers hereby grant to Buyer a non-exclusive sublicense of the broadest scope that Sellers can grant under all the KCD Agreements assumed by Sellers pursuant to this clause (d). For the purpose of this Section 9.14(d)(ii), any such sublicense granted to Buyer is subject to (x) any licenses under the KCD IP in effect as of the Closing Date and (y) if the SHIP Closing shall have occurred prior to the Closing, the license to Service.com in the form of Exhibit E of the SHIP Purchase Agreement contemplated to be entered into in connection with the SHIP Purchase Agreement), and shall be of the broadest scope that Sellers can grant under, and subject to the terms of the relevant KCD Agreement. Buyer shall ensure that its use of the KCD IP, as provided in this Section 9.14(d), shall only be with respect to goods and services of a substantially similar

level of quality to the goods and services with respect to which Sellers used the KCD IP prior to the Closing. For the avoidance of doubt, (i) Sellers shall not reject, seek to terminate or agree to terminate the KCD Agreements assumed pursuant to this Section 9.14(d) or amend or agree to amend such Contracts in any manner that narrows any of the licenses thereunder and (ii) to the extent that Sellers cease to exist or the KCD Agreements assumed pursuant to this Section 9.14(d) expire or terminate, the sublicense granted herein shall survive.

(e) Solely with respect to the Exclusive License or any sublicense granted pursuant to Section 9.14(d)(ii), Buyer agrees that (A) Sellers and their Affiliates (including KCD IP, LLC) shall have no responsibility for claims by third parties arising out of, or relating to, Buyer's use of the KCD IP in any manner and (B) in addition to any and all remedies, from and after the Closing, Buyer shall indemnify, defend and hold harmless Sellers and their Affiliates (including KCD IP, LLC), for so long as any Seller or Affiliate of Seller is in existence, from and against any and all third party claims that may arise out of use of such KCD IP by or on behalf of Buyer or any of its Affiliates or assignees, in each case other than claims that the KCD IP infringes or otherwise violates the Intellectual Property of any third party. Except as provided in the foregoing sentence, all Intellectual Property licensed under Section 9.14(b) or Section 9.14(d)(ii) is licensed "as-is" with all faults, without warranty of any kind (whether express, implied, statutory or otherwise), and Seller does not make, and Buyer hereby specifically disclaims, any representations or warranties (whether express or implied, statutory or otherwise). For the avoidance of doubt, with respect to Section 9.14(c), the allocation of the foregoing shall be determined by the applicable KCD Agreements that are designated for assignment and assumption by written notice of Buyer pursuant to this Agreement.

(f) For clarity, and not in limitation of the foregoing, Buyer (or its applicable designee) may grant a security interest in any or all of its rights and benefits under Section 9.14(b), Section 9.14(c) or Section 9.14(d) for collateral purposes to the Financing Sources in connection with the Debt Financing.

(g) From and after the Closing Date, at Buyer's request Sellers shall cause a sufficient number of individuals designated by Buyer to be appointed as managers of KCD IP, LLC such that such designees of Buyer shall represent at least fifty (50%) of the managers of KCD IP, LLC following such appointment.

Section 9.15 Seritage Master Lease. Any assignment and assumption of Seritage Master Lease shall be an assignment and assumption of such Seritage Master Lease in its entirety, except as otherwise agreed by the landlord under the Seritage Master Lease.

ARTICLE X

CONDITIONS PRECEDENT TO THE OBLIGATION OF BUYER TO CLOSE

Buyer's obligation to consummate the Transactions is subject to the satisfaction or waiver, as of the Closing, of each of the following conditions; provided, however, that Buyer may not rely on the failure of any condition set forth in this Article X if such failure was caused by Buyer's

failure to comply with any provision of this Agreement or if such failure was caused by any action or failure to act by Seller at the direction of any Buyer Related Party:

Section 10.1 Accuracy of Representations. The representations and warranties of Sellers contained in Article VI shall be true and correct as of the Closing Date as though made on and as of the Closing Date (except that those representations and warranties which address matters only as of a particular date need only be true and correct as of such date); provided, however, that the condition in this Section 10.1 shall be deemed to be satisfied so long as any failure of such representations and warranties to be true and correct (without giving effect to any limitation as to “materiality” or “Material Adverse Effect” set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Buyer shall have received a certificate of Sellers, signed by a duly authorized officer of Sellers, to that effect.

Section 10.2 Sellers’ Performance. Sellers shall have performed and complied with in all material respects the covenants and agreements that Sellers are required to perform or comply with pursuant to this Agreement at or prior to the Closing, and Buyer shall have received a certificate of Sellers to such effect signed by a duly authorized officer thereof.

Section 10.3 No Material Adverse Effect. Since the date of this Agreement, there shall not have been any Effect that, individually or in the aggregate, has had or could reasonably be expected to have a Material Adverse Effect.

ARTICLE XI

CONDITIONS PRECEDENT TO THE OBLIGATION OF SELLERS TO CLOSE

Sellers' obligation to consummate the Transactions is subject to the satisfaction or waiver, as of the Closing, of each of the following conditions; provided, however, that Seller may not rely on the failure of any condition set forth in this Article XI if such failure was caused by Seller's failure to comply with any provision of this Agreement:

Section 11.1 Accuracy of Representations. The representations and warranties of Buyer contained in Article VII shall be true and correct as of the Closing Date as though made on and as of the Closing Date (except that those representations and warranties which address matters only as of a particular date need only be true and correct as of such date); provided, however, that the condition in this Section 11.1 shall be deemed to be satisfied so long as any failure of such representations and warranties to be true and correct (without giving effect to any limitation as to "materiality" or "material adverse effect" set forth therein), individually or in the aggregate, has not had and would not reasonably be expected to prevent or materially impair the ability of Buyer to perform, or to consummate the Transactions. Sellers shall have received a certificate of Buyer, signed by a duly authorized officer of Buyer, to that effect.

Section 11.2 Buyer's Performance. Buyer shall have performed and complied with in all material respects the covenants and agreements that Buyer is required to perform or comply with pursuant to this Agreement at or prior to the Closing, and Sellers shall have received a certificate of Buyer to such effect signed by a duly authorized officer thereof.

Section 11.3 No Order. No Closing Legal Impediment shall be in effect.

Section 11.4 Governmental Authorizations. Any applicable waiting period required by the HSR Act and any extensions thereof, or any timing agreements, understandings or commitments obtained by request or other action of the FTC and/or the Antitrust Division, as applicable, shall have expired or been terminated.

Section 11.5 Buyer's Deliveries. Each of the deliveries required to be made to Sellers pursuant to Section 4.2 shall have been so delivered, except for such deliveries which, by their nature, cannot be made on or prior to the Closing.

Section 11.6 Bidding Procedures Order. The Bankruptcy Court shall have entered the Bidding Procedures Order, and such Order shall not have been stayed, vacated or modified.

To the extent not previously provided, at least two (2) Business Days prior to the Closing Date, the Sellers shall provide to the agent under the Real Estate 2020 Loan all proceeds from the sale or other disposition of collateral pledged to secure the Real Estate 2020 Loan that were closed prior to the Closing Date, including, without limitation the proceeds held in a segregated account pursuant to paragraph 27 of the *Order (I) Approving the Sale of Certain Real Property, (II) Authorizing the Assumption and Assignment of Certain Unexpired Leases in Connection therewith, and (III) Granting Related Relief* [Docket No. 1393].

ARTICLE XII

TERMINATION

Section 12.1 Termination Events. Anything contained in this Agreement to the contrary notwithstanding, this Agreement may be terminated at any time prior to the Closing:

(a) by either Sellers or Buyer:

(i) if the Bankruptcy Court shall have determined that it will not enter the Approval Order or if a Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any final and non-appealable applicable Law (including any Order) which is in effect and has the effect of making the Transactions illegal or otherwise restraining or prohibiting consummation of the Transactions and which is not satisfied, resolved or preempted by the Approval Order; provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(a)(i) shall not be available to any Party whose material breach of any of its representations, warranties, covenants or agreements contained herein results in or causes such event;

(ii) if the Closing shall not have occurred by 11:59 p.m. New York City time on February 19, 2019 (the “Outside Date”); provided, however, that the right to terminate this Agreement pursuant to this Section 12.1(a)(ii) shall not be available to any Party whose

material breach of any of its representations, warranties, covenants or agreements contained herein results in the failure of the Closing to be consummated by such time;

(iii) if Sellers accept or agree to any Competing Transaction or upon approval by the Bankruptcy Court of, or the filing by or on behalf of any Seller of a motion or other request to approve, a Competing Transaction; provided, however, that if Seller, pursuant to Section 8.2(c) and the Bidding Procedures Order, has designated Buyer as a “Back-Up Bidder,” then Buyer shall not be permitted to terminate this Agreement prior to the Outside Date except as consistent with the terms of Section 8.2(c) and the Bidding Procedures Order; or

(iv) by mutual written consent of Sellers and Buyer.

(b) by Buyer:

(i) in the event of any breach by any Seller of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 10.1 or Section 10.2 to be satisfied, and the failure of Sellers to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Buyer of their intention to exercise their rights under this Section 12.1(b)(i) as a result of such breach; provided, however, that that the right to terminate this Agreement pursuant to this Section 12.1(b)(i) shall not be available to Buyer if Buyer is in breach of any of its representations, warranties, covenants or agreements contained herein in a manner that would result in the failure of a condition set forth in Article XI to be satisfied;

(ii) if any of the Bankruptcy Cases is dismissed or converted to a case under chapter 7 of the Bankruptcy Code;

(iii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 6, 2019, or if the Approval Order has not been entered on or before February 6, 2019 (or is vacated or stayed as of such date); or

(iv) if Sears Re shall not have agreed to be bound by all of the terms of this Agreement as a Seller hereunder by delivering a signature page in the form attached hereto by 11:59 p.m. New York City time on January 22, 2019. For the avoidance of doubt, it is the intent of the Parties that this Agreement shall be binding on each of the Parties (other than Sears Re) notwithstanding that Sears Re has not yet delivered its signature page hereto.

(c) by Sellers:

(i) in the event of any breach by Buyer of any of its agreements, covenants, representations or warranties contained herein that would result in the failure of a condition set forth in Section 11.1 or Section 11.2 to be satisfied, and the failure of Buyer to cure such breach by the earlier of (A) the Outside Date and (B) the date that is fifteen (15) days after receipt of a notice in writing from Sellers of their intention to exercise their rights under this Section 12.1(c)(i) as a result of such breach; provided, however, that that the

right to terminate this Agreement pursuant to this Section 12.1(c)(i) shall not be available to Seller if Sellers are themselves in breach of any of their representations, warranties, covenants or agreements contained herein, in each case in a manner that results in the failure of a condition set forth in Article X to be satisfied;

(ii) if the Bankruptcy Court has not approved the consummation of the Transactions on or before February 6, 2019, or if the Approval Order has not been entered on or before February 6, 2019 (or is vacated or stayed as of such date); or

(iii) if (A) all of the conditions set forth in Article X have been satisfied (other than those conditions that by their nature are to be satisfied by actions taken at the Closing, but which would be satisfied if the Closing Date were the date of such termination, or would have been satisfied, assuming the Closing had in fact occurred), (B) Buyer failed to consummate the transactions contemplated by this Agreement by the time set forth in Section 4.1, (C) Sellers have irrevocably confirmed to Buyer in writing that all the conditions in Article XI have been satisfied (or that it is willing to waive any unsatisfied conditions set forth in Article XI) and that Sellers have indicated to Buyer in writing that Sellers are ready, willing and able to consummate the transactions contemplated by this Agreement, (D) Sellers have given Buyer written notice at least two (2) Business Days prior to such termination stating Sellers' intention to terminate this Agreement pursuant to this Section 12.1(c)(iii), and (E) Buyer fails to consummate the transactions contemplated by this Agreement within such two (2) Business Day period.

Section 12.2 Effect of Termination.

(a) Subject to the first sentence of Section 12.2(b), in the event of any termination of this Agreement pursuant to Section 12.1, this Agreement (other than the provisions set forth in this Section 12.2, Section 12.3 and Article XIII) shall forthwith become null and void and be deemed of no further force and effect. Subject to Section 12.2(b) and the provisions set forth in the immediately preceding sentence, there shall be no liability or obligation thereafter on the part of any Party. Notwithstanding the foregoing, subject to the second sentence of Section 12.2(b), any such termination shall not limit any Party's liability for any willful and material breach prior to the time of such termination. For purposes of this Agreement, "willful and material breach" means a material inaccuracy or breach of any material representation, warranty or covenant or other agreement set forth in this Agreement that is a consequence of an act or failure to act by or on behalf of the breaching Party with knowledge that the taking of such act or failure to take such act would, or would reasonably be expected to, result in a breach of this Agreement. In the event of any valid termination of this Agreement pursuant to Section 12.1 (other than a termination by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii)), Sellers shall promptly (and in no event later than two (2) Business Days following such termination) return to Buyer the Deposit Amount and any other deposit delivered by Buyer to Sellers pursuant to the Bidding Procedures Order. Notwithstanding anything to the contrary in this Agreement, the maximum liability of the Seller and its Subsidiaries under this Agreement shall not exceed (i) \$120,000,000 in case of a willful and material breach and (ii) \$30,000,000 in all other circumstances.

(b) In the event of any valid termination of this Agreement by Sellers pursuant to Section 12.1(c)(i) or Section 12.1(c)(iii), then Sellers, as Sellers' sole and exclusive remedy as a result of such termination, shall have the right to retain the Deposit Amount, if any. Notwithstanding anything to the contrary in this Agreement, the maximum liability of Buyer under this Agreement shall not exceed the Deposit Amount.

Section 12.3 Termination and Adjustment Rights of Buyer as to Properties and Related Acquired Assets.

(a) If a material portion of any Lease Premises, a material portion of any Owned Real Property, or a material portion of the Potential Acquired Assets related to the Lease Premises is materially damaged or destroyed, or the physical condition thereof is materially and adversely changed (including as a result of failure of proper repair or maintenance or environmental contamination that occurs from and after the date hereof), or any Lease Premises or Owned Real Property is subject to a condemnation or other governmental taking of a material portion thereof or any shopping center in which a Lease Premises is located is damaged, destroyed or condemned such that the operations of such Lease Premises are materially and adversely affected at any time from the date of this Agreement up to and including the Closing (each of the foregoing, a "Casualty / Condemnation Event"), Sellers shall provide prompt written notice of such Casualty / Condemnation Event to Buyer. Buyer shall elect within ten (10) days after notice of such Casualty / Condemnation Event from Sellers, together with Sellers' best estimate of the net amount of insurance proceeds and/or condemnation award available to Buyer pursuant to Section 12.3(b) (including any deductions pursuant to Section 12.3(b)), to either (A) in the case of a Lease Premises, acquire Designation Rights with respect to such Lease Premises at the Closing or, in the case of Owned Real Property, acquire such Owned Real Property at the Closing and, in either case, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award or proceeds relating to such Casualty/Condemnation Event at the Closing (including any insurance proceeds actually received by Sellers with respect to such Casualty/Condemnation Event, but less, as provided in Section 5.1(a)(v), (x) any amounts used by any Seller for restoration, repair or replacement and (y) any recoveries or proceeds to the extent attributable to lost rents or similar costs applicable to any period prior to the Closing) or (B) in the case of a Lease Premises, decline to acquire Designation Rights with respect to such Lease Premises or, in the case of Owned Real Property, decline to acquire such Owned Real Property, in which case the Purchase Price shall not be reduced (but, in the case of Owned Real Property, Seller shall assign to Buyer any right Sellers have to any insurance proceeds or condemnation award relating to any such Casualty/Condemnation Event at Closing). For the avoidance of doubt, Casualty / Condemnation Events that are subject to this Section 12.3(a) are only those occurring during the period from the date of this Agreement up to and including the Closing. Additionally, in the case of any Owned Real Property or Leased Real Property with respect to which a claim for damages to buildings or fixtures is pending as of the date of this Agreement, Sellers shall assign to Buyer any right Sellers have to any insurance proceeds relating to such claim and any amounts actually received in respect of such claim, other than any insurance proceeds in respect of the Acquired Assets set forth on Schedule 2.1(q) in an aggregate amount not to exceed \$13,000,000, and the Purchase Price shall not be reduced.

(b) In connection with any assignment of awards, proceeds or insurance under this Section 12.3, (i) such assignment of proceeds or awards shall not include any awards, proceeds or insurance to the extent attributable to lost rents or similar costs applicable to any period prior to the applicable Closing or paid in connection with repair, restoration or replacement during such period, and (ii) to the extent that Buyer has received written notice thereof in reasonable detail not less than fifteen (15) days prior to the Closing, such assignment of proceeds or awards shall be reduced by the amount of (x) all actual and documented, reasonable out-of-pocket repair costs incurred by Sellers in connection with the repair or restoration of such damage or destruction, (y) all actual and documented, reasonable out-of-pocket collection costs of Sellers respecting any awards or other proceeds, and (z) any amounts required to be paid (and solely to the extent actually paid) by Sellers or the insurance company to the applicable landlord under the Lease, if applicable, or to such landlord's lender as required pursuant to any of such lender's financing, as applicable.

(c) Buyer shall have the right, prior to Closing, to decline to acquire (i) Designation Rights with respect to any Lease and related Potential Acquired Assets or (ii) any Acquired Assets, in each case if and only if any Consent from any Person (other than a Governmental Authority) has not been obtained from such Person or has not otherwise been provided for pursuant to the Approval Order, the absence of which prevents the acquisition or exercise of the Designation Rights with respect to such Lease and related Potential Acquired Assets or the acquisition of such Acquired Assets; provided, that if the failure to obtain such Consent is curable, Sellers shall have until the earlier of (i) the Closing Date or (ii) ten (10) days after receipt of Buyer's notice of intent to terminate to obtain such Consent; and provided, (c) further that, for the avoidance of doubt, the provisions of this Section 12.3(d) shall not apply with respect to any license (incoming or outgoing) of any Intellectual Property.

ARTICLE XIII

Section 13.3 Amendment; Waiver. No amendment, modification or discharge of this Agreement, and no waiver hereunder, shall be valid or binding unless set forth in writing and duly executed by each Party; provided that this Section 13.3, Section 13.6, Section 13.8, Section 13.10 or Section 13.12, in each case as such Sections relate to the Financing Sources, may not be amended in a manner adverse to the Financing Sources without the prior written consent of the applicable Financing Source under the applicable Debt Commitment Letter. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Neither the waiver by any of the Parties of a breach of or a default under any of the provisions of this Agreement, nor the failure by any of the Parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of

such provisions, rights or privileges hereunder. No course of dealing between or among the Parties shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights to payment of any Party under or by reason of this Agreement.

Section 13.4 Entire Agreement. This Agreement (including the Schedules and the Exhibits), the Confidentiality Agreement and the other Transaction Documents contain all of the terms, conditions and representations and warranties agreed to by the Parties relating to the subject matter of this Agreement and supersede all prior and contemporaneous agreements, understandings, negotiations, correspondence, undertakings and communications of the Parties or their representatives, oral or written, respecting such subject matter. The representations, warranties, covenants and agreements contained in this Agreement (including the Schedules and the Exhibits) and the other Transaction Documents are intended, among other things, to allocate the economic cost and the risks inherent in the Transactions, including risks associated with matters as to which the party making such representations and warranties has no knowledge or only incomplete knowledge, and such representations and warranties may be qualified by disclosures contained in the Schedules. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 13.5 No Presumption as to Drafting. Each of the Parties acknowledges that it has been represented by legal counsel in connection with this Agreement and the other Transaction Documents and the Transactions. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement or the Transaction Documents against the drafting party has no application and is expressly waived.

Section 13.6 Assignment. Subject to Buyer's express rights of assignment with respect to any Assignee, this Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of Law or otherwise without the express written consent of the other Parties (which consent maybe granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted, upon prior notice to Sellers but without consent of Sellers, to assign all or any part of its rights or obligations hereunder to an Affiliate (an "Affiliated Designee"); provided that such assignment would not reasonably be expected to prevent or materially impair or delay the consummation of the Transactions or otherwise be materially adverse to Sellers; provided further Buyer shall be permitted to, at or after the Closing, collaterally assign its rights under this Agreement for purposes of creating a security interest or otherwise assigning collateral to the Financing Sources in connection with the Debt Financing; provided further that no such assignment shall relieve Buyer of any of its obligations under this Agreement.

Section 13.7 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement

and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

Section 13.8 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and all claims or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by, and construed in accordance with, the procedural and substantive laws of the State of Delaware applicable to Contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other Law that would make the laws of any other jurisdiction other than the State of Delaware applicable hereto. Notwithstanding anything herein to the contrary, all claims or causes of action (whether in contract or tort) brought against the Financing Sources that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement), including any dispute arising out of or relating in any way to the Financing or the performance thereof or the transactions contemplated thereby, shall be governed by the Laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of New York.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may be based upon, arise out of or relate to this Agreement, any breach or default hereunder, or the Transactions and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Proceeding; provided, however, that, if the Bankruptcy Case is closed, all Proceedings based upon, arising out of or relating to this Agreement shall be heard and determined in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom, and the Parties hereby (a) irrevocably and unconditionally submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Proceeding in the United States District Court for the District of Delaware and any federal appellate court therefrom) with respect to all Proceedings based upon, arising out of or relating to this Agreement and the Transactions (whether in contract or in tort, in law or in equity or granted by statute); (b) agree that all claims with respect to any such Proceeding shall be heard and determined in such courts and agrees not to commence any Proceeding relating to this Agreement or the Transactions (whether in contract or in tort, in law or in equity or granted

by statute) except in such courts; (c) irrevocably and unconditionally waive any objection to the laying of venue of any Proceeding based upon, arising out of or relating to this Agreement or the Transactions and irrevocably and unconditionally waives the defense of an inconvenient forum; and (d) agree that a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties agree that any violation of this Section 13.8(b) shall constitute a material breach of this Agreement and shall constitute irreparable harm. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by applicable Law. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties agrees that it will not bring or support any person in any Proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transaction contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate courts therefrom.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR IN TORT, IN LAW OR IN EQUITY OR GRANTED BY STATUTE). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.8.

Section 13.9 Counterparts. This Agreement may be executed in any number of counterparts (including via electronic transmission in portable document format (pdf)) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by the other Party. Delivery of an executed counterpart hereof by means of electronic transmission in portable document format (pdf) shall have the same effect as delivery of a physically executed counterpart in person.

Section 13.10 Parties in Interest; No Third Party Beneficiaries. Except as set forth in Section 13.12, nothing in this Agreement shall confer any rights, benefits, remedies, obligations, liabilities or claims hereunder upon any Person not a Party or a permitted assignee of a Party; provided that the Financing Sources are intended third party beneficiaries of this Section 13.10, Section 13.6, Section 13.8 and Section 13.12.

Section 13.11 Fees and Expenses. The Parties agree that, except as otherwise expressly provided in this Agreement, each Party shall bear and pay all costs, fees and expenses that it incurs, or which may be incurred on its behalf, in connection with this Agreement and the Transactions. The pre-Closing costs of any privacy ombudsman shall be borne equally between Buyer, on the one hand, and Sellers, on the other hand, to the extent such costs are incurred in relation to the Transactions.

Section 13.12 Non-Recourse. All Claims and Liabilities that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with or as an inducement to this Agreement) or the Transactions may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement. No other Person, including any Buyer Related Party (other than Buyer) or any of the Parties' Affiliates, directors, officers, employees, incorporators, members, partners, managers, stockholders, agents, attorneys, or representatives of, or any financial advisors or lenders to (including the Financing Sources in their capacities as such), any of the foregoing (together, the "Non-Recourse Parties") shall have any liabilities for any Claims or Liabilities arising under, out of, in connection with, or related in any manner to, this Agreement, the Transactions or the Debt Financing or based on, in respect of, or by reason of, this Agreement or its negotiation, execution, performance or breach, whether at law, in equity, in contract, in tort or otherwise.

Section 13.13 Schedules; Materiality. The inclusion of any matter in any Schedule shall be deemed to be an inclusion for all purposes of this Agreement, to the extent that the relevance of such disclosure to any Section is readily apparent from the text of such disclosure, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Schedule shall not be deemed an admission as to whether the fact or item is "material" or would constitute a "Material Adverse Effect."

Section 13.14 Specific Performance. The Parties acknowledge and agree that (a) irreparable injury, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that any of the provisions of this Agreement are not performed in accordance with the specific terms hereof or are otherwise breached, and (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain (without the posting of any bond) specific performance of the terms of this Agreement by the breaching Party or Parties. If any Proceeding is brought by the non-breaching Party or Parties to enforce this Agreement, the Party in breach shall waive the defense that there is an adequate remedy at Law.
